

The part is not the whole. A part can be attached to many layers of spiritual beings. Each part can have a whole complex system of oppression.

Angels, authorities, powers, rules, watchers, thrones.

Moving to the interplay between the spiritual beings.

Dan 4:17 This matter *is* by the decree of the watchers, and the demand by the word of the holy ones: to the intent that the living may know that the most High ruleth in the kingdom of men, and giveth it to whomsoever he will, and setteth up over it the basest of men.

I AM Court, Creation Court, Most High court

We are in the Mount Zion court.

Heb 12

Verna: Judges' chambers.

Jana: <Wisdom> 11:40AM

Wisdom comes first to take you out of lack for if any of you lack wisdom you just need to ask. To separate the foolish and the wise things of God like the Sons of Zadok the holy and the profane from the knowledge of Yah.

You were lining up with the fullness of time – things in earth as it is in heaven to be defined and all things have been given to you for the witness of creation, the restoration of all things for all generations. They lay dormant as it says that we know that the worlds were framed out of things unseen. You were accessing the true witness to bring into seeing.

Things hidden are given to you when once the veil is removed the eyes will break through. Now you will all practice your senses to learn from the upward call, the original creation with the Father before the Fall. You will break through the membranes of time for a memorial marker as limited the divine.

And from eternity you step into now, the things unseen to the seen, the invisible to visible. Get the evidence to make it real, a platform of justice from the chambers revealed.

Now the eyes of the Lord that go to and fro all seven were written on each and every stone. You will all connect with the inheritance of life, the living Word, in humanity and the divine aligned.

Categories of holy ones. Watchers are a type of holy one.

Thrones are the power sources for all spiritual activities.

Jana: 2:12PM <Newspaper>

This is fresh and new.

Truth to be revealed for apostolic breakthrough. Balance and order is in this place. Before you have seen dimly in part but now a unity of grace. All things are believed by one overcoming law. That is the law of love. All thrones will connect to heaven's throne. Hold your position for the glory of the Lord to behold.

Date is possibly 8/8/18

Larry: 2:49PM

Greater glory, greater authority, greater unveiling of your apostolic order and era. I'm crossing you over. He is overseeing the crossing over into the greater depth, width, height and length. The apostolic order and era that has been initiated from heaven to earth. The government of the Ancient of Days and the unveiling of I AM will unveil the revealed sons of the Most High. The earth will experience what it is to be healed and restored through spheres of authority that will now come under apostolic order.

There is now an authority that I am delegating to you as my revealed ones to heal the land by My holy hand, the five fold will unfold the healer in new ways, in new days. This is the hour that I've opened up the eternal gate for you to remember what was assigned to you before the foundation of the earth as you were sent to earth as my ambassador

Each encounter brings more remembrance to your heart that shows you the part you are to play in the earth as it is in heaven.

Larry: Do not underestimate what I am revealing from this realm. It is bigger than you. It is bigger than you think. Receive this new heart from this new arc. This new heart will equip you to think into the mind and heart of Yahweh within so I can begin to restore in you and through you all things. Now I feel horses.

Sallie Price [Counsel]

The gate of love and we have to humble ourselves before we go before the Lord. Only he who has a clean heart and a pure mind. We have to get rid of ourselves to go into His

Presence and into Mount Zion. We have to reduce ourselves to come before Him and hear what He has to say about our lives.

Jana: Rainbow Angel

Paul: This attitude towards God is enscripted in our DNA.

Jana: This is why the eyes were placed on the stones. The communication of God to be known. One stone being built upon another, a living temple, a tabernacle, sisters and brothers. So creation itself may be redeemed for creation was subject to futility in hope that you would believe. You are to step into the midst of eternity where all things are received and believed to turn into the burning bush and the majesty of our king. Go through, go through the gate. The windows will be opened so the manifestation may be made. Remove the trade of offense carrying your hearts through so the glory will not be missed. The hope deferred will be healed where your eyes will be enlightened and the true sons revealed.

Paul: The stone is our original identity.

Verna: We try to stay in charge.

Paul: As soon as God is not in charge the enemy is in charge. We are not in charge.
