The realm of His Majesty

Jeff: Restoring breaches, restoring breaches, filling in the gaps, destroying all hesitations, false equilibrium. I see balances, judgements. Hands on one scale of the balance, hearts are on the other side of the balance.. I see the Lord pouring his Blood on both. He is balancing them – the equilibrium was off. [ I think we are going up] I saw us all eagles and the Lord is balancing out our equilibrium so we could fly straight. He is washing out our eyes with the water of His word so we could see clearly with eagle vision. I'm seeing Bethesda in the distance.

Lev 19:36

Zech 4:1-5, 11-14

Jana: 3/15/2018

Archangel

[Feels like a conch shell tighter inside]

Now I'm aligning to multiple windows. Wherever this is right now is quite painful.

Paul: It has to do with perception

Jana: It is seeing lack or lack of but there is a fine line to the reality of what is. It is blocking life. Much like a veil, like a parallel window.

To see one is not to see the other.

Paul: We are moving into something really evil

Jana: This is a region like Sheol. So death seems more real. This is not so much where you live but the connection to what affects you. In its sound and movement there was a trade from even your own tribe gave you away. But the Father's hand is not too short to save for time was the dilemma that enslaved. Something echoes that says you deserve it. Like a belief you'd be okay if you just lived through it. Then abandonment holds its place so death is a protector at a gate. Deal with the windows and change the light. It will reverse the time. We will win the fight.

One window is tied to death, perception of death and wickedness. This is in the centrality of all things. This is the mystery. Inside the centrality there is wickedness instead of righteousness.

Ann: [scroll] The will of ones own mind does not line up with the mind of Christ. When one's will lines up with the mind of Christ it is renewed. Lies fall, evil released. Evil is unloosed. That evil permeates all throughout everything that doesn't have this renewed mind in me. The glory, the access way. You are moving in the right direction. Keep following me. Never cease following me.

Ralph, he loves you so much. You are so significant in the learning of the undoing of evil in this course. This course of life that you all continue to walk in – never cease following the undoing of this evil. I am in the center and I am in charge but I need each and every one of you to follow through the undoing that I am in charge of.

I saw the snake on the rod of Aesclepius. Branches come off that rod, the tree of the knowledge of good and evil and healing was wrapped around it. The star of death instead of the star of life.

Paul: We are with IAM in eternity and I feel the programming being undone and chariots of fire. Maybe 1000s of parts that are being rescued.

The mystery of Babylon is the unity of the Tower of Babel. Ungodly unity establishes the matrix or womb of the dawn where wickedness can flourish.

Paul Dream: Brian was driving his car to LA Planetarium and I did not want to go there, trying to get out of the car. Did not want to go to Star Wars.

Dan 8:13

There is an I AM court.

We stand between the Cross and I AM. We cannot come to I AM without coming through the Cross. The river of God is flowing through the person into the Cross and we feel deliverance going through the Cross.

Daniel 7:9

Horses, Ancient of Days all on top of head.

There is an ancient of Days Court. The I AM Court is before the Ancient of Days court. JANA What you envision you will worship. What you worship, will multiply. Do justice and love mercy. For it I AM Love will not be denied. Experience is the best teacher. Enter in for the new creation. For narrow is the way that leads to trust. Truth is the balance and trust you must. [ My sense is that we walk through and experience this]

Jesus is the door to I AM. There is a Cross. There is a difference between the Cross and the Blood. We have to enter into the Cross. There is healing.

In the center of the Cross is the center of righteousness. This is the center of all things.

Sonia: You cannot come into the is place without being in hyour glorified body. Jesus is the way to Me. This is how I see you my children. The word leads the way to Jesus. Jesus is the word. The path of holiness brought you here. You belong here my children. You belong here. I long for you My children. This is an easy place of access for you now that you have found me again. I want to hug you I want to place kisses on you. I want to give you presents, giftings, mantles, prepare you and send you off again. I love you. There is no limit on My love for you. When you come before me I laugh with joy and my joy takes you and wins those battles. Your bodies were made to be filled with light – My light, the light of My cross, the light of creation, the light of My heart
