

Prophetic Word & Notes – Sep 4, 2018 – Telephone Call with Paul Cox / Larry Pearson

Larry - This is the process of alignment; this truly is the Trinity's assignment. They're bringing the storm of Kingdom Glory to unveil the rest of heaven's story. 'I Am' is the whirlwind. As I be lifted up, I will draw out My holy remnant to a higher height, to a keener sight. They will be risen above the ways of the wicked, the schemes of evil shall not touch this high tower, this fortress of Me. The earth will begin to see that Love has come to shift everything that is seen, everything that has been exalting itself against Me. These schemes shall flee in seven ways and in 70 days (November 13, 2018), I shall shake everything that can be shaken for I Am in the storm. I am building a brand new horn that will resound in a seismic shift. There's a sound wave from heaven coming as a storm that will break apart what has been the norm of the schemes of wickedness that has possessed man. Towers will fall. Idols will fall. Pay attention this Fall. I am turning a page. Love will be like a rage that will bring My people out of the cage and make them as one with My Holy Son.

Paul – Gordon means spacious fortmountain (Mount Zion) or triangular hill (3). Storm is at 70 miles/hr. The sending of the 70. 7th anniversary of Israel. 70 Sons of God Deuteronomy

Larry - Hampton is a signpost of the unveiling of the revealed sons of God.

Note – the storm made landfall and lessened while Paul & Larry are talking. He called at the peak of the storm and now it's starting to lessen.
