## Importance of Dreams

God has always desired to communicate with us, His people, because He loves us. He is not a silent, distant, indifferent Creator who rules the universe having little interest in the lives of His children. Not only does God want to speak to His people, but also He is concerned with the smallest details of our lives. Throughout Scripture we see a God who cares and who communicates His concerns, His direction, His judgments and His blessings to the people of this world.

In the ancient Near East, in the Babylonian, Egyptian, Greek, and Roman cultures, dreams were understood to be communication from a deity. This included the Hebrews who believed that the one true God (Yahweh) spoke to His people in dreams. Kings and priests could change the direction of a society based upon a dream. Rulers often included in their royal courts those who sought and interpreted dreams. We see examples of this with Daniel and Joseph.

The Old Testament contains accounts of dreams and visions received by Israelites (Solomon in 1 Kings 3 and Abraham in Genesis 15) and non-Israelites (Abimelech in Gen. 20 and Nebuchadnezzar in Daniel 4).

Ancient people valued dreams as communication from God. God has always spoken to mankind through the realm of the Spirit in dreams. God is spirit and speaks to our spirits giving us His divine plan. He's already written out what we'll do in our lives and He gives us dreams so we'll know step by step how to fulfill our destiny and calling. God has a divine dream plan that enables us to reach our destiny in Him. God's Holy Spirit, the Spirit of Truth will lead us into all truth. He'll reveal things about us. When we're asleep we don't argue with God or give excuses; we agree with Him. The Holy Spirit hovers over us in the night season and impregnates us, His people with dreams that keep us searching for what they mean. Our spirit man cries out for spirit. As Christians, our spirit connects with the Holy Spirit, but when people's spirit is searching, they may go to counterfeit spirits of truth, the psychics, and the false to find answers. Dream interpretation comes from God and only those that know God intimately can give an interpretation of a spirit dream. As Christians, we need to study to show ourselves approved and to be able to offer truth to those that are searching. God's end-time revival comes through the outpouring of His Holy Spirit upon all flesh, the saved and the unsaved. God's given to us keys to bring those in darkness into the light. The prophets of old looked to our time. He saved the best for last.

Acts 2:17 - 21

*And it shall be in the last days, God says, that I will pour forth of my Spirit upon all mankind; and **your** sons and **your** daughters shall prophesy, and your young men shall see visions, and your old men shall dream dreams; even upon My bond slaves, both men and women, I will in those days pour forth of My Spirit, and they shall prophesy.*

*And I will grant wonders in the sky above, and signs on the earth beneath, blood, and fire, and vapor of smoke. The suns shall be turned into darkness, and the moon into blood, before the great and glorious day of the Lord shall come. And it shall be that everyone who calls on the name of the Lord shall be saved.*

In this passage upon whom is God pouring out His Spirit?

God is pouring out His Spirit on all flesh, wooing everyone to Himself. It is not just Christians or believers who are having dreams, but everyone.

Notice the pronoun change in verses 17 and 18 from **your** sons, **your** daughters, **your** young men, **your** old men to **my** bond slaves, both men and women.

What's the significance in the pronoun change?

There's a divine transfer of ownership taking place from your daughters and sons to my men and maidservants. The personal pronoun **My** emphasizes **intimacy** and **relationship**. These individuals are His and hear the Lord more clearly.

Notice also the distinction between **young** men seeing visions and the **old men** dreaming dreams. What's that about? It's about the **maturity** levels, not age levels. The depth of our understanding comes through spending time with God, reading His Word, and allowing the Holy Spirit to transform us into His image. The Holy Spirit will mature our spirit as we submit to Him. Although visions are considered a higher level of revelation, they are usually literal making them easier to understand than dreams. The old men and women are those with more maturity who will understand God's communication through dreams. Maturity is needed because dreams are metaphorical and not easily understood. In dreams one has to interpret symbolism, metaphors, riddles, dark sayings, mysteries, puns and riddles. We need to interpret His language.

In these last days, when the Holy Spirit moves, there will be increased prophecy, dreams, increased visions, signs and wonders. The result will be a great harvest. We want to operate in the Spirit of Revelation and Understanding, so we will be fruitful in this end time harvest.

Over 1/3 of the Bible relates to dreams, visions and their interpretation. Yet, most Christians don't believe dreams are ways God speaks to His people today. Dreams are clearly stated to be one of the means God uses to communicate even though mankind doesn't comprehend the meaning or rationale. If we value our dreams, and pay attention to them, God will speak more to us in the night season and we will be the ones to help others understand how God is speaking to them.

### **God Speaks in Dreams and Parables**

Dreams come in God's picture language. The book of Revelation is in pictures. We must learn God's dream language. He speaks to us through a language of pictures, symbols, types and shadows. Our minds are picture oriented and we can remember the picture over words. In the spirit realm, communication is thought by thought. There is no time or distance in the Spirit realm. The spirit realm is not confined to time as we are in the natural. The Holy Spirit can cause us to transcend time and space barriers of the past, present and future in our dreams. If God takes you back in time, it's usually to be healed of what happened, or if He takes you to the future, it's to show you the great exploits you'll do in the future. God loves to reveal to us the future, and often He seals it, until our character is big enough to handle it.

Job 33:15 –18: In a dream, in a vision of the night, when deep sleep falls upon men, while slumbering on their beds, then He opens the ears of men, and seals their instruction. In order to turn man from his deed, and conceal pride from man, he keeps back his soul from the Pit, and his life from perishing by the sword.

God will speak through a dream and a vision. He'll give you a dream and conceal it away and you don't know you have it. Calling dreams can be sealed dreams because you're going to move in the supernatural. God prepares you to walk in your destiny. He comes, plants seed into your spirit, but you don't remember. These dreams are sealed until an appointed time, and then you do it. He'll seal these dreams to protect you from yourself and pride. It keeps you from becoming prideful.

*Amos 3:7: Surely the Lord God does nothing, unless He reveals His secret to His servants the prophets.*

*Numbers 12:6: If there is a prophet among you, I the Lord will make Myself known to him in a vision; I speak to him in a dream.*

Dreams are night parables.

*Matt. 13:10-23: The disciples asked Jesus, "Why do you speak in parables?" He answered, "to you it has been granted to know the mysteries of the kingdom of heaven, but to them it has not been granted. For whoever has, to him shall more be given, and he shall have an abundance; but whoever does not have, even what he has shall be taken away from him. Therefore I speak to them in parables because while seeing, they do not see, and while hearing, they do not hear, nor do they understand. In their case, the prophecy of Isaiah is being fulfilled, which says, You will keep on hearing, but will not understand; and you will keep on seeing, but will not perceive; for the heart of this people has become dull (calloused, hardened) and with their ears they scarcely hear, and they have closed their eyes lest they should see with their eyes, and hear with their ears, and understand with their heart and return and I should heal them. But blessed are your eyes because they see, and your ears, because they hear.*

Revelation, the knowledge of the secrets of the kingdom and eyes to see and ears to hear, is given to those who value it.

Whoever has more will be given.

Jesus said, "You must have eyes to see and ears to hear." Develop your spiritual eyes. "You must understand parables." If you don't, you'll develop a hard heart. Dreams are night parables. If you cross over to being able to think, and understand parables, grasp the knowledge of the kingdom, you will be given more. If you don't value these things, even what you have, will be taken away. This is the condition of the church today. What they had has been taken away because they haven't valued understanding dreams, and parables. We need to think in both the natural and in the spiritual.

The condition of many Christians today is that they don't understand dreams and have lost discernment. God has chosen to conceal things from those that don't value it and reveal things to those that do.

The concealment of truth is actually the mercy of God to lessen the judgment for a hardhearted person.

We have to get out of the hardness of heart condition. (Calloused and dull) We need to begin to understand the parables and dreams of the Bible, value our dreams and ask God to speak to us.

You will keep on hearing, but will not understand; and you will keep on seeing, but will not perceive; for the heart of this people has become dull (calloused, hardened) and with their ears they scarcely hear, and they have closed their eyes lest they should see with their eyes, and hear with their ears, and understand with their heart and return and I should heal them

Prov. 25:2

*It's the glory of God to conceal a matter, but it's the glory of kings to search out a matter.*

God speaks in a language of signs, symbols, dark sayings, puns, riddles, and mysteries through dreams and visions. We need to interpret His language. Why does God choose to speak to us this way? So we will seek Him. It's a lover's game. It's a lover wooing His bride to draw near and dig deeper. He wants us to go after the revelation. We seek Him out. It causes us to love Him more and to depend upon Him.

So, God chooses to speak in a concealed way. It requires the Holy Spirit to understand how He speaks. God wants us to search out the matter. Dreams will bypass the resistance of our soul-mind, will and emotions. Dreams may be different from our opinion, training or theology. Dreams may seem too difficult to believe or be impossible to fulfill.

God will speak through a dream and a vision. He'll give you a dream and conceal it away and you don't know you have it. Calling dreams can be sealed dreams because you're going to move

in the supernatural. God prepares you to walk in your destiny. He comes, plants seed into your spirit, but you don't remember. These dreams are sealed until an appointed time, and then you do it. He'll seal these dreams to protect you from yourself and pride. It keeps you from becoming prideful.

Dreams can be a preferred method of revelation. Dreams are concealed and you'll get less resistance or warfare.

Clarity verses cost factor. The greater the clarity of revelation, the greater the cost will be for it to come to pass. If revelation is very clear, you'll get more resistance, and warfare. If God gives you a clear word, it's could be because you are or will be going through a testing time.

*Nu. 12: 6-8: The Lord said (to Aaron and Miriam), " If there is a prophet among you I, the Lord, shall make myself known to him in a vision. I shall speak with him in a dream. Not so with my servant Moses. He is faithful in all My household; with him, I speak face to face, even openly, and not in dark sayings, and he beholds the form of the Lord."*

God will make Himself known in a vision; He'll speak to us in dreams. There's also face to face communication, and there is dark speech and riddles that God chooses to speak in that way. I want to know Him like Moses, to follow His heart. God will use the dark sayings to draw us closer to Him. We need to seek them out.

### **Dreams in the Bible**

Dreams and visions are perhaps the most common ways God has communicated with man. Over 1/3 of the Bible relates to dreams and visions and there are more than 50 references to dreams and visions in which God delivered messages.

1. The first dream in scripture was Abraham's dream when God made a covenant with him and his descendants.

*Gen. 15:12-17, And God said to Abram, "Know for certain that your descendants will be strangers in a land that is not theirs, where they will be enslaved and oppressed 400 years*

1. God warned ungodly kings and rulers through dreams such as Abimelech, a self-condition dream.

*Gen. 20:3, But God came to Abimelech in a dream by night, and said to him, "Indeed you are a dead man because of the woman whom you have taken, for she is a man's wife.*

*Gen. 20:6, And God said to him in a dream, "Yes I know that you did this in the integrity of your heart. For I also withheld you from sinning against Me: therefore I did not let you touch her.*

2. Through dreams, Jacob received God's promises regarding his heritage. There is power in vision. What we set before our eyes has an impact on what and who we become. Jacob was given divine instructions in a dream outlining how he was to get wealth from his flock.

*Gen. 31:10, And it came about at the time when the flock were mating that I lifted up my eyes and saw in a dream, and behold, the male goats which were mating were striped, speckled, and mottled.*

3. God revealed Joseph's destiny through his dreams. In Genesis 37, Joseph had two dreams, which showed his eventual rule over his brothers. God establishes things through a witness of two. Joseph had the dreams when he was 17 and was 30 years old when the dreams finally came true. There were many dreams and interpretations of dreams that brought him from the pit to prison, and finally to the palace as second ruler in Egypt.

*Gen. 37:6-10, "Please listen to this dream which I have had; for behold, we were binding sheaves in the field, and lo, my sheaf rose up and also stood erect; and behold, your sheaves gathered around and bowed down to my sheaf."*

*"I have had still another dream, and behold, the sun and the moon and eleven stars were bowing down to me."*

4. . Pharaoh, an ungodly ruler had two dreams

*Gen. 41:1-8: Pharaoh had a dream and behold, he stood by the river. Suddenly there came up out of the river seven cows, fine looking and fat; and they fed in the meadow. Then behold, seven other cows came up after them out of the river, ugly and gaunt, and stood by the other cows on the bank of the river. And the ugly and gaunt cows ate up the seven fine looking and fat cows. So Pharaoh awoke. He slept and dreamed a second time, and suddenly seven heads of grain came up on one stalk, plump and good. Then behold, seven thin heads, blighted by the east wind, sprang up after them. And the seven thin heads devoured the seven plump and full heads. So Pharaoh awoke, and indeed it was a dream.*

The butler of Pharaoh finally remembered Joseph after he interpreted the butler and the baker's dreams correctly two years earlier. Pharaoh sends for Joseph, he's taken out of the dungeon, shaved and given new clothing and brought to Pharaoh.

*Gen. 41:15-16, And Pharaoh said to Joseph, "I have had a dream, and there is no one who can interpret it. But I have heard it said of you that you can understand a dream, to interpret it." So Joseph answered Pharaoh, saying, "It is not in me; God will give Pharaoh an answer of peace."*

Joseph gives the interpretation of the dream of 7 years of plenty followed by 7 years of famine.

*Gen. 41:32, And the dream was repeated to Pharaoh twice because the thing is established by God, and God will shortly bring it to pass.*

5. Gideon overcame his fear and inferiority complex and became a mighty warrior and leader through understanding his enemy's dream. This was a dream to bring encouragement and confirmation to Gideon as he was seeking the Lord.

*Judges 7: 13-15, "And when Gideon had come, there was a man telling a dream to his companion. He said, "I have a dream: To my surprise, a loaf of barley bread tumbled into the camp of Midia; it came to a tent and struck it so that it fell and overturned, and the tent collapsed. Then his companion answered and said, 'This is nothing else but the sword of Gideon the son of Joash, a man of Israel! Into his hand God has delivered Midian and the whole camp.' And so it was, when Gideon heard the telling of the dream and it's interpretation that he worshiped. He returned to the camp of Israel, and said, 'Arise, for the Lord has delivered the camp of Midian into your hand."*

Gideon was the son of a farmer, and the loaf of barley which was considered an inferior grain which was used by the poor symbolized Israel and Gideon's army who appeared to be inferior and smaller in number than the Midianite army. The tent represented the entire Midianite camp or army.

6. Daniel had the gift of being able to interpret dreams. Daniel studied his gift and was a learned man versed in many dimensions of training. He excelled over the foreign occult leaders and was called upon by the kings when no one else had the answers.

*Dan. 2:26-28: The King answered and said to Daniel, whose name was Belteshazzar, "Are you able to make known to me the dream which I have seen, and its interpretation?" Daniel answered in the presence of the king, and said, "The secret which the king has demanded, the wise men, the astrologers, the magicians, and the soothsayers cannot declare to the king.*

*But there is a God in heaven who reveals secrets, and He has made known to King Nebuchadnezzar what will be in the latter days. Your dream, and the visions of your head upon your bed were these."*

Daniel was able to give King Nebuchadnezzar his dream **and** the interpretation sparing the lives of the Chaldean wise men.

*Dan. 2: 47-48: The king answered Daniel, and said "Truly your God is the God of gods, the Lord of kings, and a revealer of secrets, since you could reveal this secret." Then the king promoted Daniel and gave him many great gifts; and he made him ruler over the whole province of Babylon and chief administrator over all the wise men of Babylon.*

Only God can reveal the hidden secret things that are sealed in a dream. This is why we need to study God's method of interpreting dreams, so we can reveal to seekers the true understanding of their spirit given dreams.

7. Joseph, the husband of Mary, was a dreamer. He was given a dream where the angel of the Lord appeared to him instructing him to take Mary, though pregnant as his wife. Matt. 1:20-21. Later, after Herod was dead, an angel of the Lord appeared in a dream to Joseph in Egypt saying,

*Matt. 2:19 Arise and take the Child and His mother and go into the land of Israel for those who sought the Child's life are dead.*

8. Ezekiel recorded no dreams, but 4 visions.

Dreams and visions didn't die with the apostles, or fulfillment of the canon of scriptures. The eastern culture accepts dreams more than the western culture, which focuses on intellect. Dreams had a distinct place before Christ and in early church history. God's been speaking to mankind, believers and non-believers, throughout history. We need to study dream interpretation God's way to know what He is saying.

### **Purposes / Types of Dreams**

**Dreams come from three sources: the Holy Spirit, the Demonic Realm and from natural man.**

#### **Dreams From the Holy Spirit:**

##### **1. Warning dreams**

These dreams may offer protection and guidance. God warned Laban, the wise men, Joseph, and Pilate's wife in dreams.

*Gen. 31:29 Laban speaks to Jacob, "I have the power to harm you, but last night the God of your father said to me, 'Be careful not to say anything to Jacob either good or bad.'"*

*Matt. 2:12: Then being **divinely warned** in a dream that they should not return to Herod, they departed for their own country another way.*

*Matt. 2:19-23 : But when Herod was dead, behold, an angel of the Lord appeared in a dream to Joseph in Egypt, saying, "Arise, take the young Child and His mother, and go to the land of Israel*

for those who sought the young Child's life are dead." Then he arose, took the young Child and His mother, and came into the land of Israel. But when he heard that Archelaus was reigning over Judea instead of his father Herod, he was afraid to go there. And being **warned by God** in a dream, he turned aside into the region of Galilee. And he came and dwelt in a city called Nazareth that it might be fulfilled, which was spoken by the prophets, "He shall be called a Nazarene."

*Matt. 27:19: While Pilate was sitting on the judgment seat, his wife sent to him, saying, "Have nothing to do with that just Man, for I have suffered many things today in a dream because of Him,"*

## **2. Calling dreams**

Calling dreams are destiny dreams that reveal part of the progressive calling of God regarding your life, guidance, and vocation. Generally they relate to your sphere of influence. Sometimes they will be extrinsic dreams regarding God's redemptive plan for a city, region, or nation. Sometimes destiny dreams are more personal revealing the unfolding of your life in God's plan. They may relate to the present, the past, or the future. Abraham's calling dream was literal, and Joseph's calling dream was metaphorical.

*Gen. 15:13-15: Know for certain that your descendants will be strangers in a country not their own, and they will be enslaved and mistreated four hundred years. But I will punish the nation they serve as slaves, and afterward they will come out with great possessions. You, however will go to your fathers in peace and be buried at a good old age. In the fourth generation your descendants will come back here, for the sin of the Amorites has not yet reached its full measure.*

*Gen. 37:6-10, "Please listen to this dream which I have had; for behold, we were binding sheaves in the field, and lo, my sheaf rose up and also stood erect; and behold, your sheaves gathered around and bowed down to my sheaf."  
"I have had still another dream, and behold, the sun and the moon and eleven stars were bowing down to me."*

## **3. Directional Dreams**

Directive dreams often contain a higher level of revelation and are prophetic in nature. Their purpose is to give specific guidance, which may even include warnings of some kind. Directional dreams serve to help you get farther down the road toward fulfilling your destiny and purpose, showing you signposts and helping you avoid pitfalls along the way. An example is found in Matt. 2 in the dream of the wise men being warned by God to not return to Herod.

## **4. Creative Dreams**

Creative dreams involve such things as designs, inventions, and new ways of doing things. God often uses creative dreams with artistic people to give them songs to sing, pictures to paint, or words to write. Handel's Messiah and Einstein's theory of relativity are said to have been given in dreams. Jacob had a dream of how to increase his wages from Laban.

*Gen. 31:10 In breeding season I once had a dream in which I looked up and saw that the male goats mating with the flock were streaked, speckled or spotted.*

When Joseph interpreted Pharaoh's dreams, God gave wisdom of how to prepare for the years of famine.

*Gen 41: 39: Since God has made all this known to you, there is no one so discerning and wise as you.*

## **5. Self-Condition Dreams**

These dreams show you where you presently stand with God and convict of sin. They show the error of your ways. These self-condition dreams are preferred ways of correction. Respond to the correction to prevent further God correction or discipline.

*Gen. 20:3: But God came to Abimelech in a dream one night and said to him, "You are as good as dead because of the woman you have taken; she is a married woman."*

#### **6. Encouraging Dreams**

These dreams confirm what God is saying. They may answer questions you've been asking the Lord. They produce faith and challenge you to take action regarding the revelation.

*Judges 7:15: When Gideon heard the dream and its interpretation, he worshipped God. He returned to the camp of Israel and called out, "Get up! The Lord has given the Midianite camp into your hands."*

#### **7. Comfort / Healing / Deliverance Dreams**

These dreams can bring forgiveness, love, healing and deliverance. These dreams help to heal you of past emotions and memories by giving you God's perspective on a situation. The dream Gideon heard in Judges 7:13, brought deliverance to Israel.

#### **8. Revelation / Instruction Dreams**

God reveals His plans, spiritual insights and instruction in dreams. Scriptures are often highlighted and you may hear a voice speaking to you.

*Matt. 1:20 But after he had considered this, an angel of the Lord appeared to him in a dream and said, "Joseph son of David, do not be afraid to take Mary home as your wife, because what is conceived in her is from the Holy Spirit."*

#### **9. Prophetic Dreams**

These dreams reveal the future and may be more literal than figurative. Abraham's dream revealed the future for him and his descendants.

*Gen. 15:13-15: Know for certain that your descendants will be strangers in a country not their own, and they will be enslaved and mistreated four hundred years. But I will punish the nation they serve as slaves, and afterward they will come out with great possessions. You, however, will go to your fathers in peace and be buried at a good old age. In the fourth generation your descendants will come back here, for the sin of the Amorites has not yet reached its full measure.*

#### **10. Intercession Dreams**

These are dreams that God gives you to pray for someone or for future problems. Dreams from the Holy Spirit will be according to the calling of God on your life and according to the sphere of influence you have in your life. Examples include earthquake dreams.

#### **11. Cleansing /Flushing Dreams**

One of the most common images associated with the cleansing dream is that of being in the bathroom, on the toilet or taking a shower. Cleansing dreams are used to wash you from the dust and dirt picked up by walking in the world. The blood of Jesus is cleansing your heart and mind from evil you have come in contact with.

#### **12. Spiritual Warfare Dreams**

Spiritual warfare dreams are calls to prayer that reveal hindrances and strongholds need to be torn down. These dreams may be black and white and reveal the attacks coming against you or others. They usually involve some sort of life or death feeling. God is revealing to you the plans of the enemy. They are given to make you aware of the enemy's plans so that you may pray and act contrary to the plans.

### **Dreams From the Demonic Realms**

Anything that God has and uses, the enemy seeks to counterfeit, including dreams.

### **13. False Dreams/ Deceptive dreams**

Deceptive dreams are often the work of deceitful spirits, which Scripture says will be particularly active in the last days. (1Tim.4:1) Deceptive spirits seek to draw us away from a place of security to a place of insecurity. Deceptive dreams create images and impressions in your mind that will turn from the true path of God's light into the darkness of error and heresy. By using scripture and support from the Body of Christ, one can reject the enemy's plans, and flip them for what God's purposes are.

*Zech. 10:12 The idols speak deceit, diviners see visions that lie; they tell dreams that are false, they give comfort in vain. Therefore the people wander like sheep oppressed for lack of a shepherd.*

*Jer. 29:8 This is what the Lord almighty, the God of Israel says: "Do not let the prophets and diviners among you deceive you. Do not listen to the dreams you encourage them to have.*

### **14. Fear dreams**

Most nightmares, especially childhood nightmares, fall into this category. Dreams of fear and panic often arise from trauma. Simply rebuking the fear or the panic may not be enough. It may be necessary to ask the Holy Spirit to reveal the root of the frightening dreams so that repentance, cleansing, or healing can take place. Your fear opens you up to things that you fear. Learn to exercise your authority in Christ and ward off these haunting dreams in Jesus' name. You empower what you focus on.

### **15. Dark Dreams**

These dreams can be dark in mood and tone and with subdued or muted colors. The lack of bright lively colors is one way of determining that a dream may come from a dark or demonic source. Dark dreams commonly conjure up dark emotions and often employ dark symbols that instill a sense of discomfort. Illegal drug use and involvement with witchcraft can open up one to dark dreams.

## **Dreams From the Natural Man**

### **16. Body dreams**

These dreams generally arise from and reflect some aspect of the physical condition of the person who is dreaming. These dreams can come from physical sickness, pregnancy, or chemicals. Drugs and alcohol can cause nightmares as the body adjusts back to normal.

### **17. Soul dreams**

These dreams can simply be emotions expressing your needs or desires, or they can be born out of your fleshly desires. When you are born again, God renews and breaks old mindsets and strongholds of the soul, so your spirit man can grow. Dreams are influenced according to the level you have submitted your soul to the Holy Spirit to rule in your life. An example of a soul dream would be of desiring a specific mate and being convinced he/she is to marry you.

God gives dreams to accomplish a function. If you think you know what the dream means, but don't know why God gave the dream, you may have missed the meaning of the dream. Ask the question why did God give this dream?

## **Dream Interpretation**

### **Dreams, Visions, and Night Visions**

Dreams and visions are similar except generally a dream occurs during periods of sleep, while a vision generally refers to images or revelations received in picture form while a person is awake. You can have a dream while awake and you can have a vision while asleep. (example in Gen. 15 , Abraham's dream was actually a vision). In fact, the dreams, which seem so real and you remember so well, may actually be visions.

### 1. Dreams

Dreams are defined as a succession of picture like images, events and dialogue that a person receives or experiences during the sleep state of unconsciousness. Dreams are God's night parables or symbolic picture language. Dreams are formed in the subconscious mind of a person based on images and symbols, which are unique to the individual depending on his or her background, experience and current life circumstances. Dreams are messages sent either from God's Spirit or from your own soul comprised of your mind, will and emotions. Spiritual dreams are inspired by God, and then communicated to our subconscious minds bypassing the resistance of our conscious minds and soul (mind, will and emotions). Dreams can communicate to us truth that our conscious mind may have failed to acknowledge the truth. One word for dream in Greek is *enupnion*, which means "something seen in sleep or a vision during sleep." (Acts 2:17, Jude 1:8)

### 2. Visions

Visions are defined as "the act or power of perceiving abstract or invisible subjects as clearly as if they were visible objects." Visions reveal images, pictures or short dreams that are introduced into the conscious mind or trance state, which is not actually present at that time and place. A vision is also defined as "foresight". One Arabic word for vision is *chizzayown*, which means "a revelation especially by a dream. (2 Sam. 7:17; Job 4:13, Is 22:1, Zec. 13:4) A Greek word, *horasis*, is translated as vision in the New Testament and means "something gazed at, a sight, a thing seen."(Matt. 17:9, Acts 7:31, 9:10,12)

- a. Visions seem so real that they can be hard to distinguish from real life.
- b. Visions are God's way of making Himself known to us.

*Nu. 12: 6-8: The Lord said (to Aaron and Miriam),*

*"Hear now My words: If there is a prophet among you I, the Lord, shall make myself know to him in a vision. I shall speak with him in a dream. Not so with my servant Moses. He is faithful in all My household; With him, I speak mouth to mouth, even openly, and not in dark sayings, and he beholds the form of the Lord*

- c. Visions are the picture language of God.
- d. Visions are usually received while awake during times of worship, prayer, meditation, fasting, contemplation or even when you least expect it. (ex. Shawn Bolz had a vision while playing video games)
- e. Visions can come at night while sleeping. The dreams that you really remember and seem real may be night visions.
- f. Visions will be etched and burned in your spirit.

## Two Ways Visions are Seen:

### 1. Internally

They can be seen in the mind's eye, or inner eye, can be at night. King Nebuchadnezzar had visions at night that terrified him in Dan. 4:5, 10, 13. This was King Nebuchadnezzar's dream of a tree. Daniel had a vision at night internally that terrified him in Dan. 7:7 of the four beasts. These dreams were very real and would be called night visions.

## 2. Externally

They can be seen with the eyes wide open in three ways

- A. Co-existing spiritual realm.
  - 1. For example, Elisha's servant's eyes were opened to see the army of God in horses and chariots of fire. 2Kings 6:17
- B. Open heaven experience
  - 1. Ezekiel, Isaiah, and Jacob saw an open heaven and gazed upon the throne of God. (Ez 1:1, Is. 6, Gen. 28:12)
- C. The future realm
  - 1. Daniel saw visions of the future with open-eyes. (Dan. 8:3, 10:7)
  - 2. The apostle John also saw visions in the book of Revelation
  - 3. During visions, the spiritual realm is opened to us.
  - 4. In visions, the external realm is seen. No time exists in that realm.

### Interpretation:

#### Vision vs. Dreams

Generally speaking, visions are considered to be literal, and therefore no interpretation is needed. Dreams, on the other hand, are metaphorical, and like night parables, they need to be interpreted.

For example, the book of Revelation is in picture form. God will speak to you using symbols and vocabulary you are familiar with. For example, Lou Engle had dreams of basketball courts, which meant to him, the judicial courts. You will develop your own dream language with the Lord.

#### Secular vs. Biblical Interpretation

Two people in the Bible were dream interpreters, Daniel and Joseph. They studied dream interpretation of the popular method of the day. Daniel was trained by the Babylonian wise men of the day. Joseph was acquainted with the Egyptian methods of interpretation. However, God gave them knowledge and skill.

Joseph recognized that dream interpretation came from God.

Gen. 40:8

*Then they said to him, "We have had a dream and there is no one to interpret it." Then Joseph said to them, "Do not interpretations belong to God? Tell it to me please."*

The popular method of the day could not interpret the dream then and the same is true today. Dreams from God cannot be interpreted by the popular psychological methods of today. The Jungian and Freudian methods of today cannot interpret a dream from God.

#### 1. Jungian Dream Analysis

Dreams depict aspects of the dreamer's personality that have been neglected in his or her conscious life in order to attempt to reveal the subconscious. Everything in the dream is about you; for example, a baby is your inner child.

They believe that things on the inside are working its way out versus the Biblical approach that things on the outside are working its way in.

The approach identifies Archetypes – like the masculine, feminine, or Mandala (shadowy) side of a person. The theory uses mythology, history, and comparative religions. The dreamer is asked what conscious attitude does the dream compensate? Does the dream reveal unconscious prejudices, attitudes, conflicts and desires?

Carl Jung is not a Christian. By accepting these principles in dream interpretation, the church is allowing pagan and occult thinking to enter the church.

## 2. Freudian Dream Analysis

Dreams come from memories that are stimulated by unconscious wishes, which have their origins in our childhood. It doesn't matter whether the patient agrees or feels the interpretation is correct, because the patient is not aware of his or her subconscious thoughts or feelings. Dreams are full of sexually erotic overtones and the focus is on latent unconscious feelings of which dreamers aren't aware.

In the psychotherapy models, everything in the dream represents a piece of you. If you use that method to interpret King Nebuchadnezzar's statue dream of the head being gold, the breast being silver, the thighs being bronze and the legs being iron and clay, one would say he had major childhood issues.

In short, these are the differences between secular and Biblical dream interpretation:

SECULAR INTERPRETATION	BIBLICAL INTERPRETATION
Temporal	Eternal
Internally Originated	Externally Originated
Psyche Driven	Spirit Driven
Introspective	Theospective
Archetypical Characters	Spiritual Beings
Singular Meaning	Levels of Meanings
Self Change	God Change
Logically Derived	Intuitively Derived
Self Centristic	Theo Centristic

John Paul Jackson, Streams Ministry 7/05

Dreams and visions allow us to be in two or more dimensions simultaneously. We can travel to the past or to the future.

We can transcend age – we can be in our childhood home and at our current age. We may even find ourselves looking through someone else's eyes as if we were viewing things from inside him or her. We can travel at the speed of light. Dreams move us about intra-dimensionally and seem to change matter into energy and turn chaos into order. God can point out when you need to correct and bring yourself into alignment.

### Interpretations from God

*Gen. 40:8: Then they said to him, "We have had a dream and there is no one to interpret it." Then Joseph said to them, Do not interpretations belong to God? Tell it to me please."*

We have to rely on the Holy Spirit for interpretation. It's more than just having the necessary tools to interpret dreams. Without God's help, we will not be able to understand dreams. There are no pat answers or fixed rules for dream interpretation. God will not remove our need for the Holy Spirit. We can have revelatory gifting, but we need skill in dream interpretation. Without study, one is only correct as how well he/she hears from God. For more accuracy, combine the mechanics of dream interpretation and the Holy Spirit.

God may choose to give us the Interpretation in one of four ways:

1. By instantaneously revealing a dream's meaning through an angel, as God did with Daniel.
2. By simultaneously speaking the dream's interpretation to us as we sleep.
3. By the process of writing it down.  
*All this, said David, the LORD made me understand in writing by His hand upon me, even all the works of this pattern. 1Chron 28:19*

4. By unfolding a dream's meaning as we mature in understanding His ways.

*Prov. 25:2 It's the glory of God to conceal a matter, but the glory of kings is to search out a matter.*

- a. God will hide things from us until an appropriate time.
- b. God places great value on our searching for the things He conceals. It's God's love language, so we will choose to spend time with Him.
- c. Often we learn as much if not more in the discovery process of interpreting a dream as we do in simply obtaining the dream's answer itself.

### **Interpretation Principles**

1. Ask God for understanding
2. Study the parables of Jesus
3. View dreams the same way as parables.
4. Refer to Scripture.
5. Develop a dream vocabulary.
6. Note colloquial expressions, idioms, and puns Examples: serving (in tennis), C section, court
7. Ask what the symbol means to you.
8. Make a note of your feelings in the dream
9. Get counsel from gifted interpreters, not necessarily friends

As you seek out God's secret language, He will speak to you in your own dream language. He uses dark speech in metaphors, puns, riddles, alliterations, symbols and types.

### **Basic Symbols and Types**

1. **Type:** Shape, style or resemblance of that which is to come.  
*Nevertheless death reigned from Adam to Moses, even over those who had not sinned according to the likeness of the transgression of Adam, who is a **type** of Him who was to come.* Rom. 5:14
2. **Symbol:** Something that represents someone or something. 1Cor. 11:10 (head covering- symbol of authority)
3. **Pattern:** the exact way something should be done or made.  
*Ex. 25:9: Make this tabernacle and all its furnishings exactly like the **pattern** I will show you.*
4. **Shadow:** to prefigure that which is to come.  
*Co. 2:16-17: So let no one judge you in food or in drink, or regarding festival or a new moon or Sabbaths, which are a **shadow** of things to come, but the substance is of Christ.*
5. **Sign:** signal, evidence of that which is coming, earthly oriented.  
*Gen. 9:17, And God said to Noah, " This is the sign of the covenant which I have established between Me and all flesh that is on the earth.*
6. **Wonder:** A conspicuous miracle that validates what is coming, heavenly oriented.  
*Acts 2:19: I will show wonders in heaven above and signs in the earth beneath: Blood and fire and vapor of smoke.*
7. **Parable:** a fictitious narrative that illustrates a parallel truth.  
*Matt. 13:13: Therefore I speak to them in parables, because seeing they do not see, and hearing they do not hear, nor do they understand.*
8. **Simile** – a comparison using "like" or "as"

*Rev. 1:14-15 His head and hair were white like wool, as white as snow, and his eyes were like blazing fire. His feet were like bronze glowing in a furnace, and his voice was like the sound of rushing waters.*

9. **Metaphor**- comparison without using "like" or "as".

*John 10:7: Then Jesus said to them again, "Most assuredly, I say to you, I am the door of the sheep.*

*Mark 8: 14 – 19,21: The disciples had forgotten to bring bread, except for one loaf they had with them in the boat. "Be careful." Jesus warned them. "Watch out for the yeast of the Pharisees and that of Herod." Jesus asked them, "Why are you talking about having no bread? Do you not see or understand? Are your hearts hardened? Do you have eyes but fail to see, and ears, but fail to hear? And don't you remember? When I broke the five loaves for the five thousand, how many basketfuls of pieces did you pick up?" Twelve, they replied. He said to them, "Do you still not understand?"*

Question: What do the door and the yeast represent?

## **Spheres of Dreams**

### **1. Intrinsic Dreams:**

This category encompasses the vast majority of most people's dreams. Most dreams are about oneself. God gives us personal dreams of self-disclosure in order to help us on life's journey. These are dreams that deal with heart issues that pertain to matters of our soul, personal longings, opinions, and emotions.

### **2. Extrinsic Dreams**

These dreams focus on something or someone other than yourself.

Only 1-5% of most people's dreams are extrinsic in nature. The greater our intimacy with the Lord, the more extrinsic dreams we have. An example of this is in Pharaoh's dreams – Gen. 41:32.

External dreams relate to your sphere of influence. Sometimes these dreams will be used to call you to something but not fully release or commission you into it. In this case think of the dreams as part of your learning curve, your training in your spiritual vocabulary. He shows you a glimpse of what lies ahead in order to whet your appetite and inspire you to continue pressing forward.

The most common purpose of external dreams is to draw us into intercession. Generally intercessors or those in spiritual leadership have more extrinsic dreams.

## **Intuitive Dream Recording**

1. Learn to write beyond straight lines.
2. Forget grammar, sentences, and paragraphs.
3. Name, date and title your dream. The title should be the focus of the dream.
4. Write your dream out in a diagram, outline or paragraph form.

Dan. 7:1 Daniel had a dream and visions of his head while on his bed. Then he wrote down the dream, telling the main facts.

- A. It releases right-brain thinking.
- B. It clarifies the focus or theme.
- C. It enriches the dream by drawing out details
- D. It helps to unstick linear thought patterns.

5. Record the main facts and eliminate the unnecessary details
6. Different Methods
  - A. Clustering
  - B. Flow Chart

### **Remembering Dreams**

Dreams images are written in our minds with disappearing ink. If we don't re-experience them immediately, dreams become invisible.

1. Try to wake up slowly and capture the twilight time when you hear God speak.
2. Ask the Holy Spirit to wake you up before your alarm clock does.
3. Immediately go over the dream with God and write down any dreams.

### **Establish the Focus and Sub Focus**

1. The focus is who or what the dream is about.
2. Ask who is this dream about? What's the center of attention?
3. If you can remove an element and the dream falls apart, that was the focus.
4. Sub-focuses are the elements in a dream that are necessary to find the theme / plot of the dream and to make it have meaning.
5. Ask would this dream be the same without this element?
6. What did this particular element add to the whole of the dream?

### **Interpretive Process**

1. Enter the dream. Visualize the dream as you recall or rehearse the main symbols in the scenes of the dream story. Enter back into the dream again. God will give you more revelation as you revisit the dream.
2. Ask what part the dreamer has in the dream. Are you an observer, a participant or the main focus?
3. Ask what are the colors - bright, muted tones or black and white?
4. Find the focus and sub focus.
5. Keep the main thing, the main thing.
6. Reduce the dream to its simplest form.
7. Look at the context of the dream.
8. Determine the tone of the dream. Determine the emotions, attitudes and agendas of those in the dream.
9. Where did the dream take place? What is the setting?
10. Is it set in the past, present or future tense?
11. Look at the context of the dream.
12. Ask the Holy Spirit for insight and understanding of the dream through biblical imagery.
13. Does the dream symbol appear in the Bible? Look at the symbols collectively as they correlate to each other.
14. Ask thought provoking questions. What is highlighted to you? Go into dialogue with Holy Spirit. Why is it this symbol and not that? Ask the Lord, and then listen. Expect an encounter with the Lord.
15. Look for the theme or essence the dream is communicating to you. What type of

dream is this? Why did God give this dream?

## **Interpretation Basics**

1. Enter the dream.
2. Ask, is dreamer a participant or an observer?
3. Note the colors.
4. Find the focus and sub focuses.
5. Think metaphorically. Find the key metaphor.
6. Look for contrasts. Why this and not that?
7. Keep the main things, the main things.
8. Why did God give the dreamer the dream?
9. Interpret the dream in 2-3 sentences.

## **Testing the Spirits** Linda Fimbres

I write this paper so that the body of Christ will not be deceived and led astray by the enemy, for not all spirits are from God. I do this to encourage you, and to teach you how to use your discernment to test the spirits. God encourages us to test the spirits and he will not be offended when we do so. Test all prophetic words, visions, and dreams.

### **Hebrews 5:14**

But solid food is for the mature who because of practice have their senses trained to discern good and evil.

### **1 Thessalonians 5:21**

but test everything that is said to be sure it is true, and if it is, then accept it.

### **1 John 4:1-6**

1. Beloved, do not believe every spirit, but test the spirits, whether they are of God; because many false prophets have gone out into the world.
2. By this you know the Spirit of God: Every spirit that confesses that Jesus Christ has come in the flesh is of God,
3. and every spirit that does not confess that Jesus Christ has come in the flesh is not of God. And this is the spirit of the Antichrist, which you have heard was coming, and is now already in the world.
4. You are of God, little children, and have overcome them, because He who is in you is greater than he who is in the world.
5. They are of the world. Therefore they speak as of the world, and the world hears them.
6. We are of God. He who knows God hears us; he who is not of God does not hear us. By this we know the spirit of truth and the spirit of error.

### **2 Corinthians 11:13-14**

For such are false apostles, deceitful workers, transforming themselves into apostles of Christ. And no wonder! For Satan himself transforms himself into an angel of light.

Matthew 24:24

"For false christs and false prophets will arise and show great signs and wonders, so as to deceive, if possible, even the elect.

### **Matthew 7:15-18**

15. "Beware of false prophets, who come to you in sheep's clothing, but inwardly they are ravenous wolves.
16. "You will know them by their fruits. Do men gather grapes from thorn bushes or figs from thistles?
17. "Even so, every good tree bears good fruit, but a bad tree bears bad fruit.
18. "A good tree cannot bear bad fruit, nor can a bad tree bear good fruit.

Ezekiel 13:3

Thus says the Lord God: "Woe to the foolish prophets, who follow their own spirit and have seen nothing!

### **Sources of Revelation**

- God (Holy Spirit)
- Satan (evil spirit)
- Man/Self (human spirit)

### **Mixture;**

- God and Self
- God and Satan
- Self and Evil

The mixture of revelation is the most difficult to discern and requires much prayer and discernment to distinguish the truth.

### **Scriptural Tests**

The bible is the absolute source that we should test all revelation. God will not give us a “word” that goes against the written word. True revelation always agrees with the letter and spirit of scripture.

God does not contradict Himself.

### **Ask the prophets for Confirmation**

The prophets should agree that a word is from God, if they do not, it might not be from God.

1 Corinthians 14:29 Let two or three prophets speak, and let the others (prophets) judge.

1 Corinthians 14:32 And the spirits of the prophets are subject to the prophets.

### **Ask the body of Christ for Confirmation**

When 2 or more mature Christians agree on a word, it is *probably* from God.

Matthew 18:19-20 "Again I say to you that if two of you agree on earth concerning anything that they ask, it will be done for them by My Father in heaven. "For where two or three are gathered together in My name, I am there in the midst of them."

2 Corinthians 13:1 This will be the third time I am coming to you. "By the mouth of two or three witnesses every word shall be established."

Deuteronomy 19:15 "One witness shall not rise against a man concerning any iniquity or any sin that he commits; by the mouth of two or three witnesses the matter shall be established.

Ephesians 5:21 Honor Christ by submitting to each other.

### **Seek Godly Counselors**

Seek out mature, Godly leaders and fellow Christians for advice and counsel.

Proverbs 11:14 Where there is no counsel, the people fall; but in the multitude of counselors there is safety.

Proverbs 20:18 Don't go ahead with your plans without the advice of others; don't go to war until they agree.

Proverbs 15:22 Without counsel, plans go awry, but in the multitude of counselors they are established.

Proverbs 24:5-6 A wise man is strong, yes, a man of knowledge increases strength; for by wise counsel you will wage your own war, and in a multitude of counselors there is safety.

Proverbs 27:9 Ointment and perfume delight the heart, and the sweetness of a man's friend does so by hearty counsel.

Proverbs 19:20-21 . Listen to counsel and receive instruction, that you may be wise in your latter days. There are many plans in a man's heart, Nevertheless the Lord's counsel that will stand

Proverbs 12:15 A fool thinks he needs no advice, but a wise man listens to others

Psalms 33:11 The counsel of the Lord stands forever, the thoughts of his heart to all generations.

Romans 12:2 And do not be conformed to this world, but be transformed by the renewing of your mind, that you may prove what is that good and acceptable and perfect will of God.

### **Ask for God's Help**

Pray to God for confirmation from others, and for interpretation of dreams, visions, and prophecies.

Luke 11:10,13 "For everyone who asks receives, and he who seeks finds, and to him who knocks it will be opened. "If you then, being evil, know how to give good gifts to your children, how much more will your heavenly Father give the Holy Spirit to those who ask Him!"

### **Does the Word Exalt Jesus Christ**

Does the word, dream, or vision exalt Christ or does it exalt man. Is there ungodly pride in saying “God told me...”

John 16:13-14 However, when He, the Spirit of truth, has come, He will guide you into all truth; for He will not speak on His own authority, but whatever He hears He will speak; and He will tell you things to come.

Revelation 19:10 Then I fell down at his feet to worship him, but he said to me, "You must not do that! I am a fellow servant with you and your brethren who hold the testimony of Jesus. Worship God." For the testimony of Jesus is the spirit of prophecy.

### **Does it Have Good Fruit**

True prophetic activity produces fruit in character and conduct that agrees with the fruit of the Holy Spirit and is not of the flesh. Negative aspects of character and conduct are; pride, arrogance, boastfulness, exaggeration, dishonesty, covetousness, financial irresponsibility, licentiousness, immorality, addictions, broken marriage vows, unrepentant sin, and broken homes. Any revelation that results in these negative aspects is not from the Holy Spirit.

Galatians 5:16-24 I say then: Walk in the Spirit, and you shall not fulfill the lust of the flesh.

17. For the flesh lusts against the Spirit, and the Spirit against the flesh; and these are contrary to one another, so that you do not do the things that you wish.

18. But if you are led by the Spirit, you are not under the law.

19. Now the works of the flesh are evident, which are: adultery, fornication, uncleanness, licentiousness,

20. idolatry, sorcery, hatred, contentions, jealousies, outbursts of wrath, selfish ambitions, dissensions, heresies,

21. envy, murders, drunkenness, revelries, and the like; of which I tell you beforehand, just as I also told you in time past, that those who practice such things will not inherit the kingdom of God.

22. But the fruit of the Spirit is love, joy, peace, longsuffering, kindness, goodness, faithfulness,

23. gentleness, self-control. Against such there is no law.

24. And those who are Christ's have crucified the flesh with its passions and desires.

Ephesians 5:6-11 Let no one deceive you with empty words, for because of these things the wrath of God comes upon the sons of disobedience.

Therefore do not be partakers with them.

For you were once darkness, but now you are light in the Lord. Walk as children of light (for the fruit of the Spirit is in all goodness, righteousness, and truth),

proving what is acceptable to the Lord.

And have no fellowship with the unfruitful works of darkness, but rather expose them.

### **Does a Predictive Word Come to Pass**

Any revelation that predicts future events should come to pass. If it does not, then it is not from God, with a few exceptions.

#### **Exceptions:**

- National Repentance (Nineveh).
- Will of person involved.
- The time has not yet come for the event.
- The revelation, dream, or vision, was correct but it was interpreted wrong.

Deuteronomy 18:21-22 "And if you say in your heart, 'How shall we know the word which the Lord has not spoken?'

"when a prophet speaks in the name of the Lord, if the thing does not happen or come to pass, that is the thing which the Lord has not spoken; the prophet has spoken it presumptuously; you shall not be afraid of him.

### **Does the Revelation Turn People Away from God**

Does the word turn the people away from God, or towards God? Just because a predicted word for the future comes true, it does not mean that the person giving the word is filled with and moving by the Holy Spirit. Psychics can also predict the future, but are empowered by evil spirits, and get revelation from demons. If a person or ministry turns any one away from God, or into disobedience to God, that person's ministry is false and is not of God, even if the predicted words come true.

Deuteronomy 13:1-4

1. "If there arises among you a prophet or a dreamer of dreams, and he gives you a sign or a wonder,
2. "and the sign or the wonder of which he spoke to you comes to pass, saying, 'Let us go after other gods which you have not known, and let us serve them,'
3. "you shall not listen to the words of that prophet or that dreamer of dreams, for the Lord your God is testing you to know whether you love the Lord your God with all your heart and with all your soul.
4. "You shall walk after the Lord your God and fear Him, and keep His commandments and obey His voice, and you shall serve Him and hold fast to Him.

Deuteronomy 13:6-8 "If your brother, the son of your mother, your son or your daughter, the wife of your bosom, or your friend who is as your own soul, secretly entices you, saying, 'Let us go and serve other gods,' which you have not known, neither you nor your fathers, "of the gods of the people which are all around you, near to you or far off from you, fro . "you shall not consent to him or listen to him, nor shall your eye pity him, nor shall you spare him or conceal him.

Acts 16:16 Once we were going to the place for prayer. A slave-girl met us. She had an evil spirit in her. This spirit gave her the power to tell what would happen in the future. By doing this, she earned a lot of money for the men who owned her.

### **Does the Revelation Produce Freedom or Bondage**

True revelation from the Holy Spirit does not produce bondage but freedom. God never causes His people to act like slaves nor does he motivate us through fear, legalism, condemnation, or confusion.

Romans 8:14-16 For all who are led by the Spirit of God are sons of God.

15. For you did not receive the spirit of slavery to fall back into fear, but you have received the spirit of sonship. When we cry, "Abba! Father!"

16. it is the Spirit himself bearing witness with our spirit that we are children of God.

1 Corinthians 14:33 for God is not a God of confusion, but of peace. As in all the churches of the saints.

2 Timothy 1:7 For God has not given us a spirit of fear, but of power and of love and of a sound mind.

### **Does it Produce Life or Death**

True revelation produces life not death.

2 Corinthians 3:6 He is the one who has helped us tell others about his new agreement to save them. We do not tell them that they must obey every law of God or die; but we tell them there is life for them from the Holy Spirit. The old way, trying to be saved by keeping the Ten Commandments, ends in death; in the new way, the Holy Spirit gives them life. Living Bible 2 Corinthians 3:6 who has made us competent to be ministers of a new covenant, not in a written code but in the Spirit; for the written code kills, but the Spirit gives life. Revised standard

### **Does the Holy Spirit Bear Witness to You**

This I feel is one of the most important aspects of discerning. If the revelation does not bear witness to your soul, and to the Holy Spirit that abides in you, it probably is not from God. God will not just tell others that He wants you to do something for Him, he will tell you also. God will confirm things through others, but He will always tell you personally Himself. When dreams and visions and etc. are interpreted for you, if you do not feel a "yea and amen" in your spirit, it might be false. The Holy Spirit in you will bear witness to the truth and rejects that which is false.

1 John 2:27 But you have received the Holy Spirit and he lives within you, in your hearts, so that you don't need anyone to teach you what is right. For he teaches you all things, and he is the Truth, and no liar; and so, just as he has said, you must live in Christ, never to depart from him.

1 John 2:21 So I am not writing to you as to those who need to know the truth, but I warn you as those who can discern the difference between true and false.

John 16:13 "However, when He, the Spirit of truth, has come, He will guide you into all truth; for He will not speak on His own authority, but whatever He hears He will speak; and He will tell you things to come.

### **Practical Methods for Testing the Spirits**

After you have tried all of the above tests for your word, vision, or dream and you still are not sure if it is from God, here are some methods that I have applied that have helped.

**1.** Pray, "Lord, if this vision is NOT of God, make it disappear and if this IS from God, make the vision more clear." This method has worked several times for me.

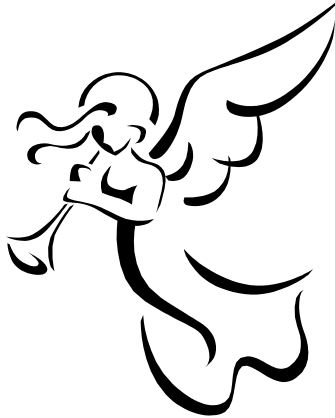

**2.** If you have forgotten your dream pray; "Lord, if this dream is from you and not from the enemy or myself, return the dream to my memory". I have had several dreams return to me after this prayer.

**3.** If you are not sure that a prophecy given to you is from God or not and you have applied the above principals,  
Pray, "Lord, if this word is from you, please confirm it by having three persons who do not know about this word, come up to me and confirm this word."  
(Make sure they are people that do not already know about the word.)

**4.** If you are confronting a spirit ask, "Do you confess Jesus Christ is Lord and has come in the flesh?" An evil spirit will not confess Jesus is Lord and has come in the flesh. Only God's good spiritual beings will confess this. John 4:2-3

God will use many different kinds of people to send forth his word, young and old, new Christians and mature Christians, the rich and the poor, so don't look for a **type** of person that you think will always hear from God, because God can use anyone, anytime. God uses imperfect people to deliver his perfect word, and sometimes the word can get diluted with their own stuff or added to the word, by their own human psyche, heart, emotions, sympathy, or anger.

**Test the spirits, for even the very elect can be fooled!**

### **Dream Case Studies**

**Paul L. Cox**

All dreams were revealed during prayer session with Paul L. Cox and are used by permission.

#### **Methodology:**

1. We allow the person to be the primary one to interpret the dream.
2. We lead the person to ask the Lord the meaning.
3. We work at not trying to lead the person to give information we think is the correct interpretation of the dream. Often we are surprised at the final interpretation.
4. We allow the team to help rather than relying on the leader of the ministry time.  
Persons and animals in the dream can often be a cover up for the enemy. Therefore we often ask the Lord to remove the mask (false face).
5. We allow the Spirit to lead in the order of interpreting the dream.
6. We do not always start at the beginning of the dream and work through the dream. At times we will start in the middle or end of the dream and then bounce around the dream until all of the elements of the dream are interpreted.
7. Not all of the elements of the dream are interpreted in the following notes.

#### **1. White Female**

This dream took place after she had been in Jamaica.

#### **Two dreams:**

1. She is standing at a bus stop and man who is an American Airline black flight attendant was with her.
2. Three black ladies. There was a wardrobe next to them. Pulled out a silver tray and on it was a revolver. One lady took off the revolver and said "this is cold."

**Interpretation:**

Summary of conversation and prayer with woman

I asked her to ask the Lord to take off the mask of the three woman. They were ugly and looked like witches. I asked what the purpose of the three was and the woman said to "kill and destroy." The three came into agreement for confusion.

What is the connection between American Airlines and Jamaica? She had worked before with American Airlines in Dallas and then she had gone to Jamaica. Did something happen in Dallas? Yes, many flight attendants made voodoo dolls. At that time she had many nightmares.

She revealed that her mother's German nickname meant "black witch." Witchcraft went back 42 (also 25, 10, and 4) generations in her past. She had lived in 40 plus places in her life which showed an issue of wandering. We prayed and broke all witchcraft and voodoo curses. We came against the agreement of three witches against her.

The voodoo curses had right because of the generational issue of witchcraft. It appears that the black man's mother (1st dream) may have been involved in the cursing against the woman.

**Notes:**

**2. Male**

**Dream:**

On the headboard of a bed there were three huge snakes. When the snakes were noticed they started moving. Their mouths were closed. A little white weasel sneaks in. There are three levels to the house but the weasel does not go to the third level.

There is an open house of a condo which has three levels. There is a headboard on the wall. There are ancestors' pictures on the wall. There is maple wood everywhere in the condo. There is a bed next to the stairs and it feels dangerous. The condo is valued at \$330,000.

**Interpretation:**

The headboard refers to the head of the house. The issue is 333 generations back. The three snakes are three curses. There was a sense that these curses were everlasting curses. 333 generations is 6,660 years ago or around 4660 B.C. Through word of knowledge we got Noah and the three sons of Noah. Perhaps three snakes lying dormant from Ham (physical body), Shem (spiritual), and Japheth (soul intellectual). There is an issue of sleep apnea in the man (tied to bed?) The man is moving to a new place. Whenever the man starts moving the snakes start moving (activation of curses). Perhaps the third level in the dreams is the third heaven and the enemy is trying to prevent the man from moving into the third heaven. There is an issue of

depression in the man (weasel?). At the end there was a sense that all three snakes came through Ham.

**Notes:**

**3. White Female**

**Dream:**

In a lodge there is wood paneling. There is a warm feeling in there. A man who used to go to our church was there with my husband. Her husband and her leave and get on two bicycles. It is dark outside. They are on a gravel road. It was so dark that she lost sight of her husband. She saw a light in the front of her. She pulled into a vacant lot and there was one dimly lit light. Where was her husband? There were two men there, one dark haired and one blond. Both were holding flimsy knives. Although the men were threatening, they did not appear to be strong. Again, where was her husband? When would he rescue her? Then the threat left. There was an old pick up truck. There is a dark skinned young couple. She walks over to '53 truck. There are five babies. She starts to laugh. There is much joy.

**Interpretation:**

It was just after her dream that her husband died. We ask her to take off the mask of the two men. The dark one disappears. What is his purpose? Tries to hide and tries to bring fear and hurt. However, there is really no threat. It is a false threat. The purpose of the blond man is to distract. We find fear and distraction 64 (33 and 14) generations back in the family line. The two bicycles could represent them (husband and wife) going alone (but together) in ministries (Therefore not working together). Perhaps the old truck represents a ministry she had never accepted. The babies would indicate ministries that had not matured. She felt this was true and received the five babies. We asked the Lord to release her into these new ministries.

**Notes:**

**4. Female**

**Dream:**

She is in her parents' house, but the thought came to her that it was her and her roommate's house. She was then looking at another house and saw a SWAT team (They were wearing black clothes.) taking over that house. She knew they would then be coming to her house. The SWAT team came into her house. She stood her ground without any fear. One of the SWAT team took out a gun and shot her, but again, she had no fear. She simply took the bullet out of herself.

**Interpretation:**

What is the purpose of the SWAT team? To take her out. The evil had been successful in the family line (parents' house) but had not been completely successful in her life. However, she did feel like she was blocked and was not able to hear from the Lord at a level she wanted. How many generations back had this evil (SWAT team) been empowered in her family line. 65 generations (40, 17, 7, 2). Her ancestry was Austrian and English. She saw a circle of people (perhaps a coven) dressed in black and had a sense of ungodly covenants being made. She asked the Lord to break those ungodly covenants. Taking the bullet out might signify the deliverance she went through.

**Notes:**

**5. Female**

**Dream:**

She sees the back door of a house. It is dark. There is a man (1st man) there who goes to her church, but she does not know them well. The back door is open. A man went in the house and turned into an older male friend (2nd man). She gives him a key but she then realizes that this is not her house. She then hears "do you need my key?" "Yes," I do not have a key. She sees a kitchen. Eleven year old daughter is there. Heard a man (3rd) worshipping (this is another man). Daughter gets agitated. Her face turns red. Her eyes turn red. She hates me. She said "you come out of her in the name of \_\_\_\_\_." She was unable to say the name of Jesus.

**Interpretation:**

The first man was Larry, a kind, but passive man. He was unlike her husband who was not nice or kind. Why was Larry in the back yard? He was one who had prayed for Connie in the past (meaning back yard). In real life she had lost her home (3 years before) and had moved into another house with a lady. It was then that much oppression had started in her life. At the same time her son died and she lost her job. The 2nd man was an old boyfriend who also was mean to her. The 3rd man had been nice to her. Generational issue: Father had been nice but passive. Mother was domineering. Father did not have a good relationship with mother and she felt he was not kind to her. She had a belief of men being weak and that they do not stand up for what is right. She remembers the dream and notices that in the dream all three men have those same characteristics. It is because of this belief that she tends to gravitate to men who are controlling. What is the key? It is her identity, her value. She has given it away to men. She lets men tell her who she is. Why is she so willing to give her identity away? It is a generational issue. Note: At this point the demonic strongly manifests in her. She feels much shame about herself. How old were you when this shame came against you? Age 10-12. What happened? "I do not know." Where you inside a house or outside of a house? "I see horse stables." Is there anyone else present? There is a guy there who is two years older (13 or 14). What happened? She liked this boy but felt rejected by him (at this point I am discerning witchcraft around the woman). Her dad hated the boy. There was shame with her because she felt embarrassed that she liked the boy and her dad did not approve. Dad was very religious. She was angry at the mom because she did not intervene. She became rebellious. She became cut off from her dad when she was married.

There was an inappropriate touch in childhood by a little girl. Shame tied to this, especially since mom walked in on this when it happened.

Who is the eleven year old girl? Me. Something about a kitchen. There was conflict between father and daughter when she entered puberty. Dad began taking the side of the mother and father seemed embarrassed over daughter's sexuality.

How many generations back did this conflict between dads and daughters take place? 57 (46, 39, 30, 12, 6). In England and France. In the generations back a priest raped someone and a child is born. The child is a bastard and therefore rejected by father. There is a man hating and woman hating spirit present.

This would explain why everything she tries to worship she feels blocked. The key of worship was given away.

In her mother's womb she was anxious and felt rejected. She was not wanted.

### **Notes:**

## **6. Female – Missionary to Thailand**

### **Dream:**

She is going home in a small car (6). There are no windows in the car. The kids are in the car (8). There is another car (7). She stops at a marketplace. It is like an amusement park. She and a 17 year old girl walk on the top of an amusement ride. She goes into a room and there is a machine (death machine). (1) Girl is gone (Does death take her?) and she knows the death machine is after her. She goes into a warehouse which is the next room. There are two doors and a man (2) locks doors. She feels she better go back into the death machine room and she knows the death machine has captured the 17 year old girl. She goes back into the warehouse room and tries to escape by flying. She floats up to scare him and drops a mask. He realizes that she has power he does not have. So he decides to unlock the door and gives her a (9) surfboard with wheels. She gets out of the warehouse but does not know the way to the small car but she eventually finds it. She finds the car and gets into it with the kids and she realizes she does not have her back pack. She feels she is to pick it up in the morning.

(3) She goes back into the warehouse and tries to rescue 17 year old girl. When she goes in, she finds the girl has changed into a different girl. (4) She is slipping up and down in a big pot of potion. She does not want to be rescued. She does not appear to be in a normal state of mind.

A lady in another car says that she will wander home on her own as she always does. She is in another car.

She is still trying to find her (5) back pack. She was told she did not have it but she does remember having the backpack. It is now becoming daylight and she is surprised. (10)

### **Interpretation:**

1. Daughter

2. Devil

Issue - murder of little girl. Generations back – 71 (34). In Germany or England there was a murder of a little girl; perhaps in a death camp. There was destruction, death, pre mature death, and hunger. Interesting that the girl had an issue with stealing food, even though there was enough food in the house.

3. Felt daughter changed. Daughter had a “failure to thrive” diagnoses. She was constantly sick around 4 months. She had surgery at 4 ½.

4. They traveled to Thailand and China while she was pregnant with the child. Felt that all missionaries were cursed. She did become sick after she returned to US which could have been a result of the cursing. During the session the Lord revealed that there may have been some objects that were also cursed.

5. Is the backpack good or bad? Bad. What is it that you keep trying to hold onto it? Trusting in man’s ways vs. God’s ways.

6. Is this small car (the ministry) the car I am supposed to have? No, it is too small. Car is windowless, so I cannot see. Who are the kids in the car? Do not know. How old are the kids in the car? 5, 7, 9 and daughter 13. They had said they had always wanted 4 kids, but upon coming back from Thailand, they said they could not do it.

7. There is a man and woman driving the other car. This is her parents. Parents want to be with her.

8. Better times before but now hard times with daughter. People in front wanted to stop there (parents). This is a generational curse.

9. Surfboard slows her down. Broke curses from generational line that slow her down.

10. Daylight = freedom

As for the car (ministry) the Lord wants you to have. Car is blue (prophet) and it travels on land and water. It is a large sports car.

**Notes:**

**7. Hispanic Woman**

**Dream:**

Friend takes me to a sale at a second hand store. It is a high end second hand store. Everything is \$5. There are more second hand stores. “Look, there is Jim!” Realized she left purse at first store. Left shoe falls off and there is a yellow tooth brush that falls out of foot. I need to put it back. There is a green and red tooth brush in right foot.

**Interpretation:**

Generation issues of poverty, alcoholism, desolation, molestation, fear of man, bi-sexuality.

There was a lot of humiliation and she often felt like a second hand citizen. Dad felt less than a white person (He had an experience of going to a restaurant and was told that no Mexicans were served there.) The Lord told her not to go to second hand stores.

It went back 97 generations to Spain.

Younger brother had said he should have been the first born (He was very competitive against his sister). He would often put her down, putting her into a second hand position. We dealt here with lying spirits and with betrayal. Broke all curses on finances (the purse being left at a 2nd hand store).

Yellow tooth brush was defiled by feet. This was the issue of profanity. She had constant trouble with her left foot. Yellow denoted how she was a coward about all of this.

Red toothbrush. Walked in generational bloodshed bloodlust, and death.

Green toothbrush. Envy. Walked in envy. She used her mouth to communicate envy and jealousy. She renounced this and broke all curses

She prayed – I choose to walk in purity and holiness

Proclaimed Ps. 119:105: thy word is a lamp unto my feet and a light unto my path.

**Notes:**

**8. Male**

**Dream:**

On a lake. There is a boat. There was a small country, rustic house on the lake. He walked to the dock and the catamaran boat he owned sank slowly.

**Interpretation:**

We found generational witchcraft, slavery, and genocide 63 (37, 27, 2) generations back. He had lost joy (slowly sinking boat). He had a low grade depression. Father had left him at age one and when his stepfather came into his life, he abused him. There was a slow breaking of joy. Had a feeling of worthlessness. Perhaps the old rustic house was a picture of his life.

**Notes:**

**9. Female**

Dream: I had a dream that a woman knew of three deaths/suicides but hid them in barrels. I had to convince the woman not to hide these bodies as there was no legal right to come against those who were guilty.

There was a generational issue of denial. Grandmother was buried in an unmarked grave. Father had committed suicide, was cremated and buried in an unmarked grave. This issue of denial had continually given the enemy the right to come against the family.

**Notes:**

**10. Chinese/Japanese Female**

**Dream:**

In a mansion (house church) pastor's wife comes and ask to hold the woman's little girl. The pastor's (5) wife plays with the little girl a short while.

She sits on couch with Lou Diamond Phillips (7) kissing. Across from her there is a man on a couch from church and he is trying to sleep but people keep bothering him.

Outside of house with Lou Diamond Phillips and says to him "I know I am supposed to sleep (2) with you the first of the year but I can not because I am supposed to marry someone else.

Lou Diamond Phillips goes into house and a great wind comes and she opens her arms to fly. Wind takes her up. She has two pieces of paper in her hands. The wind takes her down the street and there is a huge ocean with fifteen foot waves. The ocean is very real. She could feel the barks of the trees rejoicing in the Lord.

There was a great green house to the right. (3) It was boarded up and she felt like the wind was trying to take her into the house, but she resisted. Finally, she says, "Ok, Lord, I will go where you want me to go. I will go into the house." The wind takes her to the left where there are lavender flowers and she knew that this was where her boyfriend said one day she would be.

She goes back to the house and tells Lou Diamond Phillips that she has flown. He also wants to fly. She looks outside (4) at the ocean and everything is black and black figures are coming out of the ocean. She tells Lou diamond Phillips to go back into the house.

By the stairwell there is a vampire (1) with knife to her throat and turns to Lou Diamond Phillips and says "Are you John the Baptist?" "No, I am not even a Christian. Vampire turns to her and says, "Are you a Christian?" She response with a yes and the vampire stabs her in the stomach. She knew she was dying but also that if she lets God take care of the process, she would be OK. She starts floating out of the body. She sees her body and can tell that events change. Lou diamond Phillips becomes one of the greatest end time leaders. (8, 6)

**Interpretation:**

She is not married. Took off mask of Lou Diamond Phillips and she sees nothing. Does he represent the Holy Spirit?

1. Vampire spirit is in the family line 61 (54, 14) generations back in Japan and China (Buddhist). She comes from a line of Buddhist priests. Her great great grandfather was an idol maker (she knows this from family history) in China. There was another idol maker who became jealous of him and put a curse on him. An apparition manifested, scared him and he ran into a church. The apparition did not follow him and he became a Christian. We also found death, violence, warring, enslavement, dishonor, shame, and samurai spirits.
2. Father committed adultery when her mother was pregnant. She had sex before marriage. Worthlessness and self hatred present.
3. Green House. The house was boarded up with cobwebs. She is afraid to go there. Emotions are there. She is afraid to look at them and senses this is typical in the generational line. We ask how old she was when the emotions were boarded up. Ages 3, 5, 7. At age three she is under a table and her dad is trying to hit her. She was hit frequently by dad. We asked what emotion was present – fear. How many generations back? 103. In the generations there is oppression, anxiety, dread, apprehension, and murder. We asked if she believed a lie because of her dad hitting her all of the time. She believed that she could not succeed. She would only be mediocre.
4. Demonic in generational line.
5. (1 or 2). When she left church there was a loss of vision. She accepted back the young ministry the Lord gave to her.
6. Supernatural life
7. represents her being released into potential.
8. Lord releases that part of me that wants to fly.

### **Dream:**

There is a large crowd of familiar people watching a parade. On one of the floats there are a lot of people. On another float there are five or six police officers.

She is given five different kinds of recorders (musical instruments) that were ornate and valuable.

She is at a party and one of the policemen was trying to take the recorders away from her. He is very sneaky about this. She had to hang on to the recorders. He wanted to steal them.

### **Interpretation:**

She is musical. The policemen represent authority. Authorities are beings that carry curses. What kind of music is on float? It is Christian music but people do not know that it is.

Have you written music? Yes

Ask the Lord if there is something in the generational line that is old and musical. Yes. Ask the Lord how old the recorders are. 100 years old. (5 generations) Where: Europe, Belgium. What happened? Grandmother was a concert pianist but her creativity was not accepted. There was a lot of mockery and shame. A recorder is really a "kid" type of musical instrument and therefore not a dignified instrument.

Take off mask of policemen. Face of pastor that abused her when she was six or seven (again, the idea of a curse). Did he steal something from you that was musical? Yes, my song of joy and innocence. Is there a lie you believed when this happened. I was really bad and not a good girl. Generational shame and mockery is dealt with.

There are five recorders and five policemen. Five generations. She notices that the five recorders decrease in value until the present recorder (generation) is the least valuable (NOTE: We have noticed that at five generations a curse seems to be locked in. This appears to be because a curse only has a right to 3 or 4 generations, but if it goes on to the fifth it is solidified in some way).

Does this curse have anything to do with the church? Yes, you do not do these new things in the church. Perhaps there was an attempt to do a new type of music in the church five generations back. The leadership of the church came against this new music and cursed it.

The police float is in the front of the other float. They are having a party and tossing out candy to the crowd. They are trying to steal attention away from the other float. In a sense the police are "playing" to the crowd.

Lord, what do you want to do with the float and the policemen? Because they do not belong there I exercise my authority in Christ and you will leave and you will not ruin my party or take away my joy. Lord will you grow up the five recorders. She then has a vision of one big keyboard. What is she to do on her float? Play the keyboard. She does and she is having fun. Lord, what does this mean. Do not be aware of the crowd. Play only to the Lord. Lord, give me back my song so that I can play for you. Give me back my joy. Break all curses against me.

### **Dreams:**

These dreams took place just after she had left her staff position in a large church.

1. There are two men dressed in black that are part of a S.W.A.T. team. She is chased into an old "woody" station wagon. She goes into the back of the station wagon. There is nothing to cover her up. She is shot in the head. Everything went white. It is like a film melting.

2. There are two rooms. In the first room her niece and sister say they are coming into the room and then they come in. She sees a cloud in the second room (looking through a connecting room). There were celebrities (one was the actress who played Genie=deception) coming out of the cloud. She goes into the cloud and wars. She loses all her senses and the cloud explodes.

### **Interpretation:**

As we prayed for her, I felt cold on my left side which indicates some difficulty in the womb. She felt abandonment from her mom and she was one of a twin. The mom had great fear during pregnancy. Going into the cloud would indicate being taken into the dimensions during the pregnancy. She feels currently very scattered like a "white out." We demand confusion and chaos leave.

Who are the celebrities? Deceptive ministries in her life. It is the cloud of "their" not "His" glory. She has been affected by these ministers because she knows unhealthy things about these ministers. In the dream she has made a direct hit against these celebrities. She has prophetic insight.

What is the wagon? It is the ministry she just left. It is old and outdated. As she hid in it, she was wounded. What does the Lord have for you now? New Mercedes.

She felt there was something trying to prevent her from moving into new ministry. It was empowered 50 generations back in Ireland. It was a "brave heart" type war. It was a war to keep the old religious control in place.

### **Dream:**

1. He inherited a big, old Spanish style house constructed in the 60's. It was constructed of dark, heavy timber. There were cobwebs in the basement. The interior decoration was grey. There were pine trees in the back yard, but they had been stripped so there were no branches. The lawn had not been mowed and was really tall. There is a stream running through the back yard.

2. He inherited a family style restaurant worth three million dollars. There were numbers on the window. The restaurant made \$25,000 a month. In the house connected with the restaurant there is a couple arguing.

**Interpretation:**

In Isaiah 41:19 the fifth tree is a pine. That correlates to the fifth redemptive (motivational) gift, the gift of giving. The man then revealed that he felt he had the gift of giving but that it was cursed. We asked how many generations back the gift of giving was cursed. 38 generations in N. Europe or Norway. This would be around the 1200's. We had a sense that a priest in the family line had extorted money from others (obviously breaking vows of celibacy and poverty) through penitence and indulgences. He pressured people to give money when they did not have money and from those who had the gift of giving. There was also a sense that he made them have homosexual sex. The man had not been able to get a promotion and we felt that this was tied to this generational curse. (Note: After this prayer session he was promoted).

We felt the first dream had to do with his father's line and the second dream had to do with his mother's line. The inherited house would be the inheritance from the father's family line. The cobwebs in the basement would be curses at the foundation of the family line. The dark wood would indicate not much of God's light. The outside timber was blocking access to the house. There was a curse 16 generations back that blocked access to the house. As he was praying this he noticed ravens, and crows, in the back yard and all rats in the basement. He prayed to remove all deception and devourers.

We had him pray and ask if he was to redeem the house (generational line) or start over and move to a different house. He saw a hill across from the house with some open property. He asked the Lord to flood the old property with His River so that it would be purified and sanctified. He felt the old property would lay fallow for a period of time and that he would return later. (Note: Recently they have seen a real breakthrough in his life.) He asked the Lord to build on the new property a house for His habitation.

He then prayed and asked if there was a connection between the house and the restaurant. Yes, the two are owned by the same person. What are they arguing about? The way of life. There is divorce in the family line on the mother's side with multiple marriages in each generation. This would cause a divide in the wealth of the generation. The curse of divorce and contention went back 24 generation. What initiated this? Bitterness and control. There was Jezebel and Ahab and passivity of men in the family line. Asked the Lord to release funds that have been blocked (Could this be the three million dollars.) The numbers on the window would mean that nothing is hidden; the public could see the accounting or the tally sheet.

**Dream:**

She is at Macy's. Two men are fighting and they turn into a cyclone. She trips over ex boy friend. She then runs after ex boy friend as he chases two men. The ex boy friend pushed her down and says "Do not get up" as he runs outside to fight. She got up and ran after him. He is stabbed in his lower back (by kidneys). She gets out of sight and dials 911. She cannot get a dial tone. She runs back into the store and sees her best friend knelling on the floor with a

laundry basket. There is a one gallon jug of milk with money laid on the milk. What are you doing? Taking an offering. She put a couple of dollars on the milk. She is told "You are cheap." She put more money there. "That is better." She is handed a rolled up wad of money. Pray for blessing. There are Indian women there. They also put money there. Lights and music come on in the store and everybody goes back to shopping ignoring all those who are dying outside of the store.

She asks the Lord to take the mask off of the two men. There are dark eyes. What is there purpose? To Kill. What do they want to do? Cause fear. Who sent them against you? Ex boy friend sister (She is a Muslim).

What does "Macy's" mean? She had seen ex boy friend with his wife. She had lived with him while he was engaged to the women.

What is the laundry? The dirty past. She was trying to atone for her past but it was not enough to get rid of her guilt. What were the milk and the ladies? The ex boy friend had a baby and she had a feeling of jealousy. What was the additional money? It was her best friends' money and she is jealous of them. They had put expectations on her and had laid a guilt trip on her. The Indian may represent a person from India which is the root of gypsies. The gypsies in a sense "blessed it" (really a curse). They would do this by rolling up money and burning it to other gods so that they would get more money. This is why there is a focus on shopping.

She prays to break all curses spoke by ex boyfriend's sister. Break all generational gypsy evil. Break all curses of wandering, deception and lying. Break off all guilt tied to "my dirty laundry." Break off all self condemnation.

In her life she admitted that her life was being controlled by finances and material goods.

### **Dream:**

She went to a jail to minister with her husband. She has a purse on her shoulder. Her nephew (who is in prison) said, "you need to meet Matt" who is also in prison. Matt is in a group of inmates. Matt says "she is Canadian Honey." He reaches out to kiss her and reaches down and feels hair (groin hair?). She feels a movement against her skin but nothing is there. There is also a 12 year old girl there with her to visit Matt. Matt has been like a father to her. Her name is Ikenon (or some type of foreign name).

As she is leaving the prison she finds it difficult to get out of the prison. She goes to the administration to have them help to get her out and is told she must go to Central Control to get permission to get out of the prison. She is told that sometimes Central Control gets busy and they cannot be contacted.

### **Interpretation:**

Matt is her pastor and he has been talking negatively to others about her. There were many lies spoken against her. Because of these statements she has lost many friends. There had been an

emotional enmeshment with him. This is indicated by an inappropriate touch that really was not a touch.

What is the imprisonment? Being kept from receiving all that she was meant to receive, especially relationships. She has felt isolated, being kept from the public. She has felt that there has been no freedom for her to go about life. It seems that every time she is ready to move forward, some aspect of her pastor's influence shows up. She really feels hindered in her ministry. The purse would indicate that her personal identity is trapped. Her mother went through the same relationship problems.

We looked at the generational curse of helplessness. Adultery was a key issue. Also, false accusation. Went back 325 (125, 48, 18, 14, 12, 5) generations in Persia. Found deception, betrayal, conspiracy, and murder.

Central control would be the enemy is trying to keep her from being free. The twelve year old girl is the step daughter of Matt.
