Introduction

Monday was Paul’s birthday (actually the 11th) brand new revelation that hurt his head, deeper understanding about what the enemy can do.

Persis sent Paul a note: 2016 a year of good cheer, church is arising, pastors are coming up from the dead. Way to go into the darkness to root out evil into dimensions, spheres and realms, sword in your hand, structures, revelations and matrices throughout the land.

I feel Order of M in left side bottom of head also on top left corner. Majesty in the back of the head as two spots. The majesty is about the pipes.

November 2015 started feeling top left corner Gabriel, bronze man in Eze 40,43. Was this the realm of discernment? Discernment is a donut around someone’s head. This was discernment of the Order of Melchizedek. Psalm 110.

Word in Hebrew is to speak, the Word of God John 1:1. Is it the same word as in Psalm 110.

Melchizedek is the high priest function of Jesus Christ. Heb 5:6, 6:17

We thought this was the realm of discernment since discernment is all about Melchizedek. Heb 5:14 is all about the context of Melchizedek.

WE go through a gate and enter dimension then enter doors into kingdoms.

If we deal with the kingdoms and doors, we achieve freedom that we have not entered.

Group of dimensions = domain. Eph 3:17 length, width, height , depth

Width: trust, heart, height=rule and reign.

Place of life, Place of death.

Domains are collections of dimensions.

Michael Green on youtube talk about grid

O of M is in a domain and there are many dimensions there.

Thrones seem to be tied to O of M.

Thrones discerned on top of head as 2 spots.

Thrones extremely large beings, very majestic and maybe bigger than cherubim.

Tied to the rainbow angel Rev 10: - a McDonalds arch over our head.

In that book are equations and there may be an equations for all equations also DNA and RNA information.

Stephen Hawking was looking for the equation for everything.

Under the thrones are the seven thunders. It has been sealed up until now and it is being revealed now.

Two DID patients who think this may be the solution to DID.

Is there a key or secret in O of M to the splitting to all of us. There is a continuum of dissociation that is given.

A part is not the whole. Parts of us can be trapped in ungodly depth. Regions of captivity, Ana Mendez Ferrell – Lord told her that parts of her sister were trapped under water in a cave. She was pulled out and got healed.

When Adam and Eve sinned, all the creation was turned over to the enemy. There is a fallen depth, height, width, length and a fallen order of M. Are Freemasonry etc attempts to create the orders.

Many times the physical mirrors the spiritual.

You can have a rainbow in the heavens and the physical rainbow can mirror the spiritual.

If we are scattered into many dimensions, the power of God comes on us but gets dispersed. When we become one, we can walk in power. The disciples were totally healed and that is why they walked in power. This is why we don't work in power. WE are so scattered into all these places that we are not functioning in the power we should we ministering in.

Revelation builds on Revelation.

What does Rainbow Angel represent?

He is clothed with a cloud – is this the cloud of His glory? There is a rainbow over the throne. Is this the rainbow angel? It is all tied to the end times.

Is the function to bring into order for the end times. Rainbow splits light into colors. Each color is an entrance into another entrance or domain or realm.

Rainbow angel may be connecting heaven to the dimensions of the land and the sea.

In Norse mythology rainbows are considered bridges to heaven.

Rainbow Angel has a message: 10:36AM

There is a very complex equation that is tied to the Rainbow Angel – key to DID. $E=mc^2$. Super structure equations. Stars, zodiacs, galaxies.

Jana Word 10:30

A sound of dissidence has shattered the lines of inheritance . A unity of disharmony a broken path, electric magnetic field that pulls you to attract. But the highways of holiness aligned to the heart that sound of resonance is where you start.

[Jana sings]

It's the path that you trodden that levels the place creates the path of righteousness for Zion is your escape. A collective sea of transparency is where you stand, the order of Melchizedek is at His right hand. This collective sea has a sound of unity a four four four return, the recreative identity. It's a higher place from the way you think. It's the selah, it's a place that you create, a redesign outside of time, restore the elements on all these lines, a re-collective, a platform of dabar (Hebrew meaning word), the things that were shattered restored are in the heart.

The rainbow holds the promises before the foundations of the earth. They've been blocked or covered and held back their worth. The resonation of the earth is a fallen sound but from the heart of the saints you can restore in this place. A new collective in the way you see, a place of ruling and reigning from a heart that believes.

Rainbow is also about the covenant and covenant promises. Ezekiel 44:4?, Rev 15: Saints stood on the crystal sea and sang and that opened the temple of the tabernacle of testimony in heaven.

Larry Word 10:30

He is pulling us through the turbulence of the times. The turbulence of the sounds of many voices that are not mine. I am pulling you through. A wormhole that we are being pulled through. It is imperative that we don't get stuck between going glory to glory. I am bringing you through to a new glory of understanding of comprehension. The Order of Melchizedek is to bring transformation that church structures could not bring. High level of discernment, of knowing your God and seeing and partnering with Him to do exploits.

The ecclesia that I am raising(?) you to be is a governmental power to execute judgement against the ungodly kings and nobles. I am calling you to a higher saturation of glory. You will carry a scepter of righteousness that brings transformation to the hearts and the minds of the man and women of the hour.

The Melchizedek order is a generation of sold out, broken and disgruntled like David's men I am gathering and gathering and gathering the broken and the disgruntled and in debt to bring them out of the structure of old and into the new glory of a new light that will partner with the Trinity and be peacemakers in the seasons and times ahead.

Peace will be your highest level of weaponry. You will be dispensers of the peace of God that the world does not know. I am authorizing you to bless my peace upon the nation. The key of peace will integration, will integrate the soul, spirit and body. This is a time to not be distracted by the many voices that are not mine.

Question on scalar energy and chi energy

Barbara: I heard Come out, come out, come out.

2Co 6:14 Do not be bound together with unbelievers; for what partnership have righteousness and lawlessness, or what fellowship has light with darkness?

2Co 6:15 Or what harmony has Christ with Belial, or what has a believer in common with an unbeliever?

2Co 6:16 Or what agreement has the temple of God with idols? For we are the temple of the living God; just as God said, "I WILL DWELL IN THEM AND WALK AMONG THEM; AND I WILL BE THEIR GOD, AND THEY SHALL BE MY PEOPLE.

2Co 6:17 "Therefore, COME OUT FROM THEIR MIDST AND BE SEPARATE," says the Lord. "AND DO NOT TOUCH WHAT IS UNCLEAN; And I will welcome you.

2Co 6:18 "And I will be a father to you, And you shall be sons and daughters to Me," Says the Lord Almighty.

Larry's Word that week

Wave of righteousness, true priesthood of God. False priesthood is being unraveled. Unlock the intimacy that has been stolen. Information of His coming was confidential. It is time to redeem what belongs to me. A hallway of champions, oil to obtain. There is a combination at hand to unlock mind, spirit and body. Connectors connect. Separate the genuine and the profane. False fires. Revealing of the sons of God.

Redeemed spirit of man to rise and stand. Treasures within and treasures to obtain. The chambers are open, it is time to turn around. Time to enter your identity. Sound portals will be removed. The chambers are opened.

An outpouring like a waterfall. Unlock this domain it will begin to reign. Remove the wormholes of access to hearts.

Parts of us can be trapped in the grid.

The domain lines are gates. There are 12 gates. 12 domains

Each domain has 144000 cubes all of which are in disarray. Each cube has 6 parts and in the center is a tetrahedron which is a triangle which has equal sides. We could feel power on the tetrahedron. Land, Mind, Body of Christ, Government, All Dimensions, Generations, Commerce.

The Lord shows us the complexity, the solution is simple. A multi-dimensional chessboard.

Metatron's cube. (Metatron is a secular term from Apocrypha)

A territorial spirit shifted your domains and your feet.

We see 'Lord align my domains.

12 domains and therefore 12 gates, tied to the twelve signs of the zodiac. 12 tribes, 12 stones, 12 colors, 12 sounds. Each zodiac has lots of stars.

1/12 of soul or spirit captured in another place. Layer upon layer. Complexity of the fall has caused complexity of attack against us. That's why some of us are not getting any better.

Taking back authority. Part of what goes on is that 1/12 of our soul, body and spirit can be taken to ungodly places or can be accessed by an ungodly place.

Part of a person was in the fallen order of melchizedek is one domain – collection of dimensions. Are there 12 domains ? Yes.

Fallen Domain of Melchizedek is Pieces which is Levi.

Mazzaroth may be above the zodiac.

The queen of heaven is the ungodly holy spirit mother function of heaven. We think there are many queens of heaven.

Fragmentation takes place when there is abuse, disobedience, rebellion. Much of what we are dealing with is what has happened in the past generationally.

When someone is trying to place others in dark places, just say, 'I do not receive that.'

Fractal pattern.

When we die, we are absent from the body but present with the Lord. There can be scattered parts.

Soul parts are attached to people but it is not their soul, it is a part of their soul.

It is appointed to man once to die and then to judgement.

Fractal pattern is a continuous mirroring of what is happening in the generational line.

What the Lord seems to be doing at Aslan's is that He shows us the complexities and a simple solution – a simple prayer that fixes the issues.

There are generational parts that are still scattered.

Paul discerned authorities Eph 3:10

Authorities carry blessings and curses. Spiritual beings grab blessings and the power comes into the person who is getting the

Curse = imprecation.

Murder is not a curse but an iniquity.

Epigenetics study of generational impact on us. They studied famine and plenty and they found out that when there was plenty people don't live as long.

Col 2:15, 1 Pet 3:22

This is all about us walking in generational blessings.

Blessings is not necessarily us – it is favor. Rahab said, ‘ I have seen God’s blessing on you.’

Paul Dream

Dream this morning. I say twice Today is my graduation day from High School.

I was in a hotel. 5 of us were to sleep in a room with 3 beds. Was assigned to sleep in a bed with someone else. I would wander and talk and scream at night. One of the men in my dream said I could sleep in a single bed (2 double beds and 1 single men) I was very grateful. It was shorter and I was not convinced I would fit in the bed. I thought I could use 15000 pts to get a room by myself. Room with 5 men room 4117. I had to get to the room by starting at 40th floor. I asked someone if there was a room available for 15000 pts – only most expensive rooms viable. 5th floor and magnificent room, crime scene being cleaned up. A person said we can let you have this room – view of a pool, given free of charge. I could not find my central bank credit card.

17 = 10 + 7 means spiritual order.

3 = Trinity and the rest in the Lord.

Shortchanged, even though we are in Christ, living under grace, we have been shortchanged and missing out on some of our rest, stolen, fractured and in the domains somewhere. He had to go past the 40th – the 40 year wilderness. All of us have been wandering in a wilderness all our lives seeking completion of working out our salvation.

Room looking down as if a CSI thing – we are looking from a heavenly dimension seated with Christ looking at the crimes the enemy has committed – the discernment and exploration is all about. Now college 5th floor grace. Losses, coming into the realization of the domain the righteous order of melchizedek, cancelling the debts – credit cards, money, phone all stolen.

All the things lost that were returned have to do with the things that will be returned to us to live in that domain of the order as opposed to being split

The issue is not our desire, the issue is the war. The central bank visa was in a sleeve and on the sleeve was written victory.

Length and width have to do with relationship and bed is too short – we fall short.

Feel authorities in the back of my head.

Isa 28:20 The bed is too short on which to stretch out, And the blanket is too small to wrap oneself in.

All means of defense and protection insufficient to secure them and cover them from evil

Eph 1:3

Jana: Selah – Psalms 3:2

Selah is a spiritual being. The primary meaning of the word is to cast up. God's highway. Look at the grid – the highways of holiness.

Selah is a place of choice. Double-mindedness is a sound of dissidence.

It is in the womb of the dawn that we are connected to Zion.

Selah is a way of escape, the place of choice a sound of thinking to heal or destroy. The key is that if we can get into the doors that should be opened and close the doors that should be closed.

Isa 45, Rev 3

It is unilateral by connection a way of escape. Selah is a way of escape.

Do we go through Selah to get to the righteous

Are they sanctuary cities ? 7 of these cities?

We shifted and we are in a very, very bad place.

We are in the realm of fallen domains. Dawn drew a gate which was a sphere

Intersection of the domains? And is this a fallen place?

Extreme fatigue and also linked to adrenals. My heart palpitates when all this happens.

I feel the righteous Selah and there is a message.

Tobias: Fatigue and nervous inside for the last 15-20 minutes. There is a painting of the underworld where people are being tortured. Agony and the pain. I could hear people screaming when we are in total agony but we cannot scream anymore.

The Lord wants to say something to us for understanding.

Tobias word 4:00 pm

Tobias: He who has an ear let him hear. Agony is hiding, pain is disguising what eye has buried a long time ago. You will find the deep and the depth of treasures you have been hunting for, the treasures of my love, the key that will unlock healing through the generations that you've ever dreamt about before, the place and time, the place beyond all that you can imagine. Restoration to the Garden. Now I feel real something here. There is a wall. The message is behind that wall. Treasures of increase. [Paul feels it may be elemental spirits.]

Participant: Smyrna.

Joann: We are in an accounting office. Enemy is trying to make us account for our sin when Jesus has
down.

Tobias: We are in the synagogue of Satan.

5 people and 3 beds – 5 fold ministry ? They were in bed with each other using their position. God made sure you wouldn't stay with these people.

Paul: I think Selah is the place of connection of all the godly domains at the throne and the fallen Selah is the connection of all the ungodly domains.

Paul is feeling surges of power through the pipes. Paul: At the end of the dream he had his central bank visa. Is Selah the central place of the domains, the throne of God, the rest of God ? A fallen Selah which is Synagogue of Satan – where you meet and get taught.

Larry: Synagogue of Satan is the mind of man. I'm feeling a lot of heat. He wants to remove us from this realm.

Paul: He is charging Something is being energized.

Brian: I heard the word arteries – arteries would travel through all the domains.

Larry Word 4:00pm

Larry: This is my time this is my hour where I now unplug you from the ungodly tower. I remove this camp from the heart of Satan. I remove them from the exalted place where leaders of old have sold their birthright for future power. This is the hour where I pluck your heart out of that part where there is double-mindedness where there is shifts and shadows and I call you into the place of substance, the place of the subtractivity(?) of my Son. I call you to be united with Power Himself.

I am removing your heart from the trepidations of fear. I am unplugging the core of you out of every sphere, out of every realm that is not Me. I am your redeemer and I purchase all of your heart. This is of my power. I am removing the mixture. I am removing the dissonant frequencies that have affected your heart. This is the time, this is the chime of the priesthood of the new way of living. This is the chime to bring you into time with My rhythm of glory of He that is within you that is greater, that is majestic.

Time where I issue an edict as the King of Kings to give them up, give them up. You do not have them. They are mine. This is the power encounter generation and you are becoming a generation I release to you this day a governmental mantle and governmental impartation that will bring transformation and awakening in the nations. Germany, California, Canada, Asia, India, Europe, it is time to now awaken.

It is time to now awake to the revelation of sonship that will begin to bake and become the living bread to feed the naked and the poor. This is the unlocking of the priesthood, this is the unlocking of the royal nature of who you are. Guestimation and the guessing game will no longer be in this college course that I have brought you into. This is because your discernment stature has been exponentially upgraded to match the landscape of warfare. This is the time where I reveal the secrets of the enemy's camp for you to decree for me to appear. The ones that are in kindergarten will not be able to enter this course. A new training for power has begun in this hour. Impartation revelation. Get ready for change. Ripples and waves of power.

Paul: This is about the blessings of Abraham coming down.

Participant: I did see a mountain and the mountain was being removed

Paul: Zechariah 4:6-7

Pipes are Zechariah 4:2-7

Wedding, Paul's left side from his view is female tree and right side from his view is the male tree.

Olive trees are the supernatural power.

Elder in front of each of us to commission us. Things given to us to be equipped to do the work.

Paul: About the power surges, it is a frequency.

Spectrum of frequencies.

IT is a harmony or chord.

Participant: The Lord wants us to be in one accord.

Paul: All of us are operating in unity with the Lord.

Joann: We had come with our own agendas and we were dealing with pride and disharmony and everyone had their own agenda and we didn't come in unity to God's agenda.

Paul: Whatever Jesus just did HE has brought us into unity and into one accord. The power is in unity and being in one accord.

Dale : The rainbow is a symphony of colors and sounds.

P: Babylon was circumventing God to get to heavenly places. It is when we are in one accord that we can come into the place to move mountains.

Jana: There is a scale of color for chromatic scale.

Connecting heaven to earth – all the colors, all the sounds connecting everything in unity.

Are all the offices operating in unity instead of just one?

Discernment of a sphere within a sphere, windows opening and shutting

Blue and green in each sphere in our hands – revelation,

Brian: In the Name of Jesus Christ Lord I ask that you would remove any part of me that is stuck in an ungodly place, clean it off with the blood of Christ and bring me into proper places you want me to be in. I pray that you would rearrange me according to your original design.

Lord Jesus I ask that you will close all doors that should be closed and open all doors that should be opened that the gates will never be shut and I say lift up your head all ye gates that the king of glory may come in.
