Academy

Jana (before Academy)

You are the creative Witness in the Earth he will bring the increase through value of your worth. Christ in you the hope of glory is the view and opinion set before you. He is called you in abundance for the rest of His story. He is the example of the invisible God to move the invisible to the visible from Who You Are. glory is the view and opinion of the Father of power and in his Glory, you will never falter. When you see him, you will be like him for this hour.

Now wake to the fullness of time. integration is available by the power and harmony of the Divine. Since the beginning of all creation speaks of is divine nature and eternal power, through the savior. if it's safe you will go, but if it isn't you will know. Now Be realigned to harmony and the path of life. This path will always lead to the fullness of time.

Creativity will always reproduce so a man thinks in his heart so will it be his proof. Truth of a righteous experience rules over all truth that is experienced becomes the truth that is followed. Now disconnect from the corrupted copy. Crossover to abundance and the unlimited possibilities. Prosperity is your Divine Birthright go into come out don't give up the love fight. You are the re-creation design. creation itself must realign to the original design.

Spirit of Might and Wisdom

The elders are waiting for the direction to life. A counsel from heaven with wisdom and light It's a divine alignment on how to proceed and the counsel of heaven will all agree. This is the sound in earths desire, to release I AM Wisdom through fire. It is good. You all have a key to unify this revelation so multitudes will believe. Faith is substance of who you are not who you're not, guard your heart. This sound produces a harmony of heaven written now to align to original design. It was in-scripted on these stones of fire, every dot and tiddle is in the original desire. Desire is where you start not by what you don't have, but what was finished at the cross. You are unveiling the eyes of the heart to reveal the original inscription and each of you has a position. Seeing is not necessarily believing, but believing is seeing. Your perception will position you but to know how you've already been known will multiply you. Creativity always reproduces in the natural so it is in the spiritual, let it move through you. To see Him is know who you are and when you awake, you'll be with Him in earth and it will be written in the stars. The stars release the sound, the longing for the desire to be found and all of earth is groaning to sing with the sons, as it was then in the garden, it is already begun. Ask for rain, the early rain and the Lord that makes storms clouds will be given to each man's field, because of the diviners and false visionaries convince the world it's real. Sight to sight, sound to sound you are all connected by light and the glory of God is in you to be found. The heart holds the sound of wisdom for recreation design. Stand at the crossroads through the gate, make a path to be found. Rise up, rise up a highway of holiness is here a harmony for the DNA and the RNA to be healed.

Mazzaroth

It's time to rule and reign the time to walk in oneness with the Father, Jesus and the Holy Spirit is here. It's time to move in the godly cycles. The godly cycles that are predestined before time. There is a godly loop, there is a godly time loop that is going to be restored (it seems like a lots of treasures and artifacts that are all locked up in the Mazzaroth) and its time to go in and restore it. (We are connected and able to go into order, it seems to be part of the apostolic order.) Through the cross we go into time. Through the cross we can access the Length, Width, Height, Depth and access the hidden treasures that the Lord has for us. He sees a window. There are twelve things in the window) The true light will break through the undly lights and there will be a proper cycle of time again. Time must flow in its original intenstions in its orginal order. From the apostolic order will flow the proper time. For Jesusis th high priest all five fold offices flow, therefore the cross is the cenyer of this time. Through the cross this time order can be restored. Through the cross you can rest in your proper time. For my people have not rested in their proper time. There is a proper rest that my people have to enter, and that comes through the cross. And that comes throgu the cross, so rest, rest, rest. There you shall see my glory. I am disconnecting you thrones, for they work with the unglodly zodiac to distyor time, therefore I am connecting to my thrones so that time can be restored.

An Angel:

#### Word from Time

It is time. It is time. It's time to rule and reign. Time to walk in oneness with the Father, Jesus and the Holy Spirit is here. It's time to move in the godly cycles, the godly cycles that are predestined before time. There is a godly loop, a godly time loop that is going to be restored (it seems like a lots of treasures and artifacts that Anthony hears the Father saying that they are all locked up in this space) There are many treasures and artifacts that are locked up in space (seems to be held up in the zodiac (ungodly mazeroth) and its time to go in and restore it. We are connected and able to go in and restore order (it seems to be part of the apostolic order being restored.) Through the cross we can access. Through the cross we can go into time, into the Length, Width, Height and Depth and access in order to retrieve all of the hidden treasures that the Lord has prepared for us. (Sees a window. There are twelve things on the window and it's contaminating the window.) The true light will break through the ungodly lights and there will be a proper cycle of time again. Time must flow in its original intention, in its original order. From the apostolic order will flow the proper time. For Jesus is the High Priest from whom all five office flow, therefore the cross is the center of this time. Through the cross this time order can be restored. Through the cross you can rest in your proper time. For my people have not rested in their proper time. There is a proper rest that my people have to enter, and that comes through the cross. So rest, rest, rest in my proper time and there you shall see my glory. I am disconnecting you from the ungodly thrones, for they work with the ungodly zodiac to distort time, therefore I am connecting to my throne so that time can be restored.

#### Prayer - Paul

Lord, please disconnect me from all ungodly thrones that are affecting and empowering the twelve signs of the zodiac and my generational line and myself. Lord please restore stability to the month of Tammuz in my family line in terms of time and unlock the treasures in my family line for me that are inherit in my family line. Lord will you remove all instability, indecision and wavering opinions so that I am not tossed to and fro.

#### Prayer - Anthony

Lord Jesus please disconnect me from the ungodly scales that twists the direction of Gods plan for my lives and connect me to Your godly compass that connects me to the proper direction in time, with time through the cross. Lord recenter me in the cross, in time, in the mazeroth. Recenter me in the holy of hollies in the tabernacle so that each set of three tribes are in the right place directionally. Lord please realign me to Your true north direction. Lord remove me from the ungodly gyroscope that is pushing me in the wrong direction, in the wrong directions. Lord will you remove me from any land I should not have been connected to that is reinventing time and effecting time in the present and in the future.

Prayer - Rodger/Anthony/Maria

Lord I repent on behalf of my ancestors for agreeing with nimrod and participating in building the tower of babel. Lord Jesus, please disconnect me from the ungodly counsel of nimrod and the tower of babel and the ungodly stars in Jesus Name. Father God I repent and renounce on behalf of myself and my family line for how we have agreed with the fallen sons and the fallen zodiac and have allowed the sounds and frequencies from those fallen signs to vibrate through my DNA. I ask you now, Lord Jesus please, clean my body, my DNA and RNA and align it to the sound and frequency of Agape. May it go back all the way to Adam and forward up to a thousand generations, that I may now release the sound of love, which is who you are.

---

Angel Message - Rodger

I am equipping you for a time such as this, take up your sword and fight, stand fast, don't become battle weary but draw your strength from the Lord Jesus Christ.

Spirit of Prophecy - Victoria

Instantly there was sound. Instantly there was light. Instantly there was life. My life imprint is stronger. It is incorruptible, though they tried. My blood, the precious blood is stronger, never forget. Never fear. Remember the power of the blood. The cleansing fountain of the blood. When you go back to the cross, you are being washed in the blood. The reconciliation is through the blood. There is nothing outside of that blood. There is a resonance throughout all creation that has gone forth, that is still going forth. There is a sound that the shedding of that blood caused. Beginning and end, Alpha and Omega; what you see and what you don't see, I see. This matter, this dark matter, matters. I'm peeling back little by little that which you cannot see so that you can know that I AM. It is time, it's wrapped all up, nice and neatly in my understanding, and I'm bringing it forward to you, into your now, this is kiros for things that have been unseen which are now being revealed and are now cleansed and you will see them as I intended. You will have understanding of the way there were defiled now. Because of that, when you see my truth, the resonance, the harmony, the oneness of what I intended for man

will be so brilliant, so dimensionally pure, it will capture your heart, your soul, your mind, your spirit. You will feel heaven on earth and my heart of love to share my world with you from the beginning, you will walk in now. This you can do, this was my original intent, for you here to experience that. It is yet a possibility.

The Cross Showed up - Group

The cross

This is the cross where is all your worth the crucifixion before the earth. Continue to walk with me and talk with me. I am the vine and you are the branches, he who abides in me will bring forth much fruit, without me you can do nothing. Desire the fruit of which there is not law. You are no longer children tossed to and fro even creation itself will be full of the knowledge of the glory of the Lord. Everything goes by the way of the cross. I am the door, don't fear the cross for the pain that it appears to bring, for I have already conquered death and defeated it's punishment but to walk in resurrection and receive the fruit of it all, everything must go the way of the cross. So as I am in the earth so are you. Remember and honor the blood in all that you do for it is the blood that will get you through. So rejoice and do not fear and run totally to me. The cross, the cross, 'O beautiful cross. The cross is the symbol of my love. My blood shed out for you. It covers you, my blood; it cleanses you. The sight of you covered with my love brings me such delight. The cross, the cross what a beautiful cross.

Time - Anthony

All time is being realigned at the cross from before the foundations of the world. The ungodly foundations have already been dismantled at the cross. Now my people, appropriate at the cross because it was done before the foundation of the world. The stars are being realigned as you appropriate this truth. All of creation is being aligned in the fullness of time, through the cross before the foundation of the world.
