

Word from Jana Green on 7/15/2017 before the meeting:

The veils are the paradigms that block the eyes. Order upon order the Living Word we'll connect the Lines . First a platform of Justice we're all will agree then a power encounter through a gate to set the captives free. pathways are already laid. the Watchers will lead the way to cliame. the eyes of the Lord will be in every place. a Deliverance to the upward call when you call on His name. connect the lines of inheritance to the original design. Turn into the burning bush to be re align. Than meet the Lord face to face. Now the Glory of the Lord go out from this place.
