# Introduction

The purpose of this book is to act as a reference when praying for healing in yourself or others. This reference should not be compared to meridian charts or other alternative medicine guides. This book is not intended to provide information about energy or other supernatural phenomena.

Consider Colossians 2:8-10:

*<sup>8</sup> See to it that no one takes you captive by philosophy and empty deceit, according to human tradition, according to the elemental spirits of the world, and not according to Christ. <sup>9</sup> For in him the whole fullness of deity dwells bodily, <sup>10</sup> and you have been filled in him, who is the head of all rule and authority.(ESV)<sup>1</sup>*

We must understand that man's attempts to control the physical and spiritual world fall short. Only Jesus has full authority over everything. Therefore, any guide made by man falls short when praying for healing.

To use this reference, ask God to reveal what He wants you to understand. Then ask God to bring healing, alignment, balance, etc.

## Discerning the Seven Eyes Of the Lord

Isaiah 11:1&2 • Zechariah 3:9, 4:10 • Luke 11:34  
Ephesians 1:18 • Revelation 3:1, 4:5, 5:6

This diagram shows locations where we are discerning manifestations of the Seven Eyes of the Lord. This topic is addressed in the verses listed above. We believe that “chakras” in eastern belief systems are a corruption of the Godly concept known as the Seven Eyes of the Lord.

The false teaching of chakras states that these points are centers of life energy.

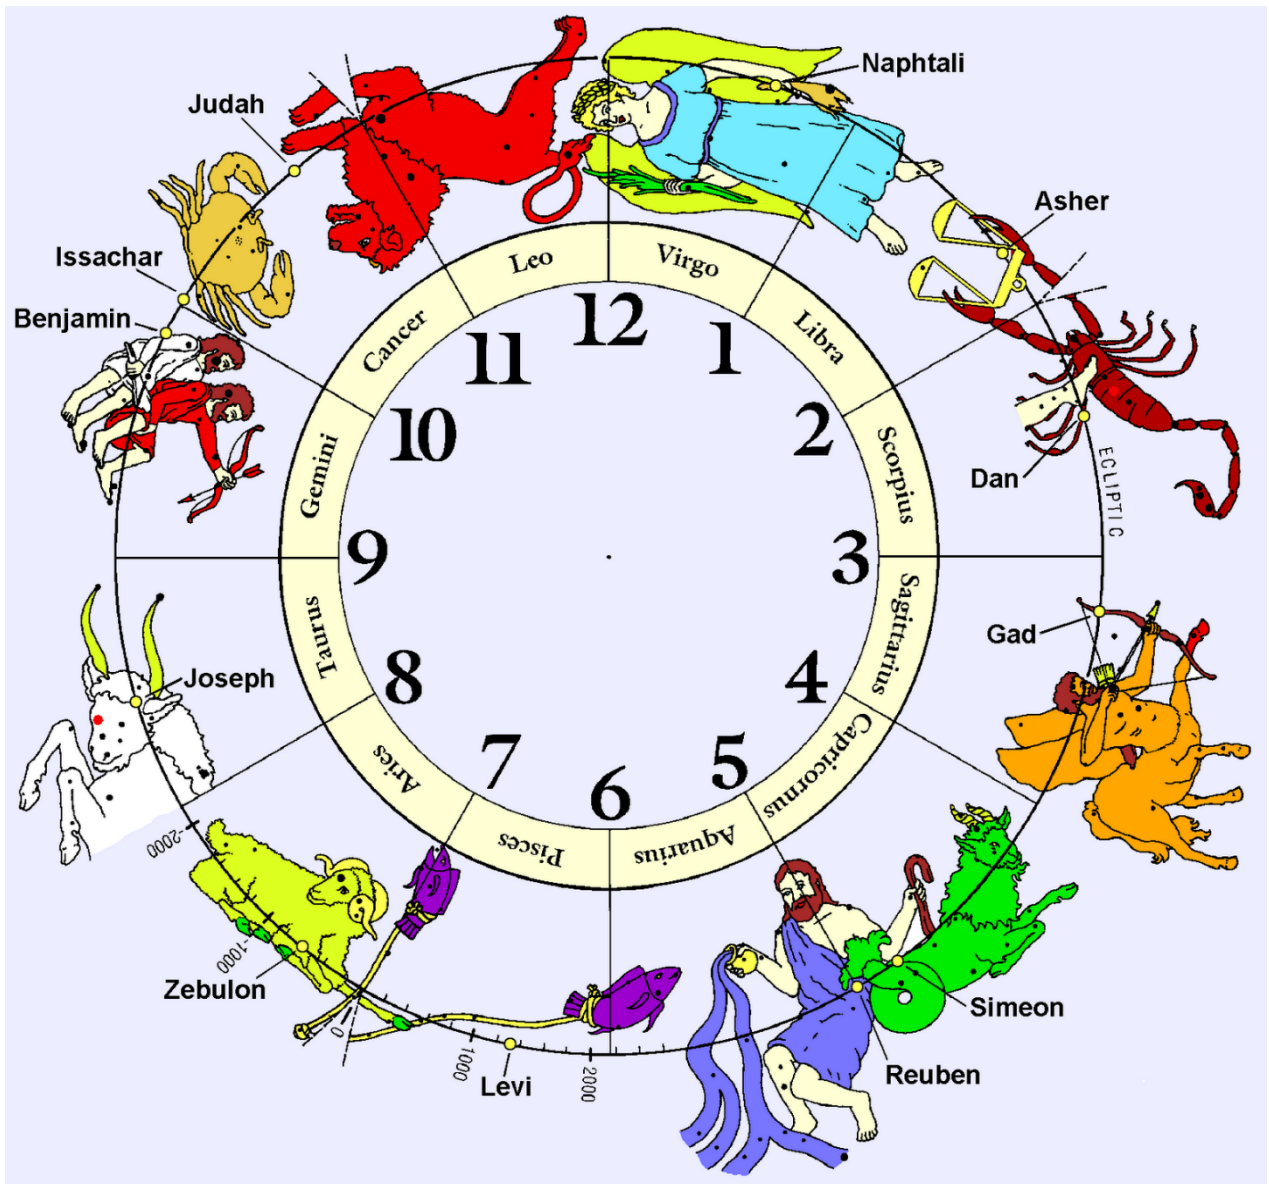

The “Prayer to Rescind the Evils Associated with Buddhism” addresses the manipulation of chakras. [Click here to view that prayer.](#)

The Bible teaches that God is the source of all energy and life. In addition, we cannot control energy through our own effort. We must therefore recognize that we need God to be in control over all flows of energy around us.

It could be that by discerning ungodly influences around these locations we can understand how the enemy is trying to corrupt our perceptions of God’s truth. Praise God that through His Son these perceptions can be corrected and cleansed!
