

**1<sup>st</sup> prophetic scroll delivered during Exploring Heavenly Places on March 22, 2019 at Eagle Rock**

It's time for the power. Its time for it to come. It's more than we can imagine. There's a flow. A big flow, a fast flow. Some people will love it, some will hate it. It's ok that we don't know and it's ok that we're afraid. It's a fun ride. He's been longing for this – for people who are not afraid to go on the ride, to go down the slide. Everyone has a different way. Nobody's way is wrong. It's ok because none of us really know the way, so we have to be individuals about this.

**2<sup>nd</sup> prophetic scroll**

I have brought you to this place this day, this very hour. I have many things to give you – gifts, anointing, mantles, I have given you the gift of belief. I have something very special planned for this region and this date. I am calling you to come up higher.
