Jana for Gaffney, SC

There seems to be a stronghold in this place for men.

I felt thrones and rulers for SC. Angel quickening me

I am unlocking a system that has been in place. The headship of family has been put out of place. Honor and majesty will be alienated. I will expose the unrepentive, but the innocent will not be denied.

Watch what I do to the leaders in this state. I will restore the hope of families and remove disgrace. The windows will be open I will remove the ungodly branch that holds sexual immorality, it will be like taking out the trash.

There has been a heart cry from these who are here. That has brought the sound of supplication to my ear. You will see how I will move from The Throne. Mercy and forgiveness will bring justice to My own.

Exodus 30:22-25

Psalm 45

My Beloved, for I have loved you with an everlasting love. A love that is forevermore, life forevermore. Wow I feel like someone else is going to have part of this.

Lord

(pause) asking

I see this lady in the back.

I feel like I should share something else

I was talking to Barbara Prker who wrote Dream?

We went up an elevator I saw a mass agrid that looked dark asked where are we going we are going to a place of grace...

I see a pool far away as we start running and jumping I see you have made my feet as hinds place

..

After asking IHe said it is liquid onyx. Fully submerged, I saw the Lord Abba Father was laying back floating in a place of grace. Saying I want you to stay here in the place forever. Hold to my right hand

Saw slimy snake

Saw earth shattering roar. Snake disappeared, said no evil is allowed here.

Jesus I Lions always appear when I need deliverance. I asked if I need deliverance He said yes.

Barbara said it was like a ? device

It was around my waist. The lord took it off. So I asked the Lord. He said I was still there.

Barabara wrote a book called Dreams. She said I had a place a some time in the dimension where I experience something like the Cross

For by grae are you saved by faint and not of works

Before coming here ,Iwas getting gas. Saw the angel with a scroll. And said what is that it's a scroll, just stay there it will come later.

Some how I see that The Lord was showing its relevance

The scroll:

The Blood of Jesus makes you free , the Blood of Jesus makes you free, walk in victory, walk in righteousness, not yours mine. Walk in victory.

I feel the Captain of the Host.

Lots of Elders

Are we at the Throne of 24 Elders.

Michael the Archangel is here, Gabriel is here,

What is going on

I hear the Book is opened

The Armies of God is raging roar, the Captain is really ticked

There is war in Heaven

Daniel 7:22

There is more warfare

There are clashing swords

He is holding blueprints pointing for them to strike

JUDGEMENT DAY

He reminded me of narrowing the scope to hit the mark

The warfare is tense,

He said He would show us the vengeance

(in tongues)

Oh man He is, like someone is putting a poker in my head, the warfare is intensifying

The last 9 days The Lord has highlighted the color red; red has been effecting things, it will be the last card the clears the light that hits you. watch for red

I am seeing galaxies, but the red is like the vastness of space, it looks like war and that part is red

- I was reminded I was praying for a young man with cancer of the brain

-

- Lord I apply the Blood of Jesus to the inside, to the root, to anything that is not correct. I saw the blood from the inside out. So protect all the healthy cells. There is something about the red blood cells touch of Hedron

What gives the enemy the right to block from that touch of Hedron to the living soul, to the body so that everything is effected by right;

This is Jesus Life; Jehovah Rapha, I am The God that heals.

The Victorious Cross

I feel His loving kindness really strong

Feeling coolness, feel the warring going on and He is the Captain of the Host

I feel Michael Gabriel, the Rainbow Angel,

I am hearing the scripture that we come to Mount Zion, and it speaks to the Blood of Jesus

(in tongues)

They are still warring,

Its like the galaxy of stars; the battle is getting more intense; they are multi-tasking

But ye have come to Mount Zion the City of the Living God...and to God the judge of all and to the Spirit of the Righteous made perfect. Hebrews 12:22

Dimension ; the enemy can only go so far; I saw your finger warring and it set off something like a bee hive; when the warfare broke loose it set a sound in the Heavens that we were coming in the spirit and the sound went off.

Read the Book; I have the scroll

We are working in synergies;

Am I my daughters keeping we are looking for justice; when the said reed; it is Jesus; When the blood cries out it is the finish work of the cross

They have overstepped their boundaries in the way they have attacked us. The Lord is doing in this hour;

When she read Dawn read Heb 12:22 it is the Blood, which covers, heals, reconciled, redeemed; enough is enough I am going to set things right. Thank you Jesus

One more red comment; We travelled a good part of the country; Sherwin Wood it's the red paint covering the earth.

The warfare is still going on; we need to shout before the Lord because Judah goes first
(shout praises to The Lord) Worthy is the Lamb

The enemies have gone in full retreat. The Captain of the Host is seated on a horse prohaps. The enemy has scattered, the Army of God is in full pursit. Lord w have had enough.

The Captain of Host is cheering the army on.

There is power coming from the army, they are booking and the Captain of the Host is
Let the Lord arise and His enemies be scattered.

Last night The Lord had me reread about the sons of God Mt Kizadeik because he was announcing the victory.

I feel like they have been announcing all day today.

I do feel Mt ezedek interceding for new revelation.

As soon as you said that he is really prayig tot the Father, this like a major intercession. We need to waitin. I like to feel you Jesus re : Mt. Kezedek

I feel the prayers going up. Now the Captain of the Host is starting to move again. Its almost like the Captain of the Host got bigger. I hear the Word He got new armor. Like His feet a covered with something flapping.

I got end time battles.

Jesus intercedeing, I see His face. When He was praying 1 time with sweats of blood. I see drops of blood

This is a BIG deal;

I see Him coming and He is what we would say as tall as the statue of Liberty and He is pulling everything from left to right as we come through.

There's a phrase in Revelation, the wrath of the Lamb. I feel like God has risen off of His Throne and it is like a bow and arrow and it is terrifying.

This not the Passover lamb, He is coming in His wrath as the Lion of Judah,

I feel Him coming as life, Son of Man, as Lion of Judah, Melchizedek (symbol of unity) multi-dimensional nature is fully manifested.

The war is increasing. The armies are warring again, there is some new area that they have attacked now, in domain or dimension. I feel new ? has been taken from The Lord now this is being retrieved recovered, taken back. O the battle is really testifying.

Iniquity is being removed from the land in a day Zach 3:9

Host (word for Army) propelling into the land like superman; like multi-dimensional.

Below the stone is one

Now listen Joshua the high priest, indeed they are men who are assembled, behold the stone that is set forth before Joshua and I will remove the iniquity from the land in one day. Everyone will invite his neighbor to sit in (Zach 3:9)

- Joshua was given charge of the courts (feel like it is in that same passage)

We are in the season of 5779 which is ending but this is the gateway, I see lights; like the gates of hell lights are shutting down.

The battle has intensified; this is a fierce battle. Lord Jesus we ask that you would empower your Host. Lord we want you to take back this ground wherever this area is .

There are lots of battles, it is really intense, it is intensifying. Lord what is the nature of this battle;

It is for the harvest, for the billions of souls battle.

Stacy Campbell has been w/Patricia King; Living Stone prophecy; talked about the DNA and the Cube, in the brick.

It is not without observation that this is Memorial Day weekend.

2007 (Stacy Cambell) When John the Baptist said behold the Lamb of God. All the structures broke down. First in body... everything that he knew broke down. The life is in the stone., the DNA is in the brick. God is buidlign the church... and a light coes out of the stone and al the stones come out of the temple in the idle of the stone. There is no light but in the temple in the middle fot he stone. A nd the stones and the structinre are coming down and anew whinsteone is being built. The peole are saying si this the one the structure... but what is coming the harvest but what is coming in one structure....the church as you know it willn ever be the same. And this is the key the life is in the brick. Livin stone they are alive, (3x's) te key is not to discern the form but todiscern the brick... whenveryou discern the form w/o fiscerning the form you hwill have a temparay structure.... You will bein to let the old stones go with the young stones (Job2 and Acts 2) its coming again, its coing again and when you discern the stones correctly you are bulding a multi-? That hod the l ife there will be a multiplicity of containiens ... like the bride adorns (Rev 21 the new Jerusalem is like the bride. Wh... and they will build a contain ing for the time of the House and presence of God.

Andi if yoits too small and willnever be able to ontain what God has done on the earth.

Jan 2007, I had stop going to church. I had not bee in a long time. I was looking out the paline. Lord I know what I have come from but what am lgoing to and I remember I had dreams that I would pastor in the church Lor asked, do you want to go back to that.

No but what am I going to

Brian aske ddo you want to go go to the moving Brian a to go Sunday at 1AM

Saw the movine inception, started in a theater 11 on a Sunday mrongin, knew that old structure finally roke fof of me. We now hwave a fellowship at Aslans place

Tried to reconcile the church is the bride of Christ, we are the living stones as the bride, for the New Jerusalem ...

The war has been intensified; whatever is being warred for must be really significant

- I feel the war is holding the same (American Revolution US records show over 80% of wars happen in S. Battle of Kings Mountain (there was only red coat that was not born of American soldiers) brother fighting brother.
- Ferguson was turned back; we are sitting strategically to where the battles took place.

Reading about the stones (Ps 118) they encompass me about like bees; they are united as the fire of the Lord.. the Lord is my strength and song and has become my salvation... the right hand of the Lord does violently.... Open to me the gates of righteousness. Open to me the gates of righteousness and I will go into them. This gate of the Lord for which the righteous has entered... This is the Lord's doing.... This is the day the Lord has made and we will rejoice and be glad in it.

He is releasing according to Deut 7:20 Adonai your God will send a hornet before them... the Lord has shown me and confirmed through another; it's a special force.

Hornet; I feel like these are righteous beings; the word host can be singular or plural. (The bees have compass round about) the Host of Heaven going after the bees.

This is the world of the Lord to Zerebubab, not by power not by might by my spirit.. e will bring forth the to.. the hand of Zerebubab has laid a foundation... Zach 4:6-10.

Inner break; although the war is still going on.

Book referenced: The Wind Swept Us

Novel starts w/a preface and he said this part is history it is not fiction and he talked about 2 rituals 1 on the Vatican ground by high level Roman Catholics; Charleston is on the 33rd parallel and the ritual was to dedicate the earth to Lucifer. The theory is that he was take out (it is said he died in Manhattan) 33rd degree goes through Charleston and Columbia.

Janet Green:

The oil burns some times.

Zach 4 (entire chapter read) (which version)

Lampstand;- 7 gold; (demonstrated) olive tree (female on left side) male on the right;

Power of the Spirit of God; oil drip out of the tree into the pikes and goes into the 7 pickets and into the candle and the oil burns your back.

Zach 4 Lord I would discern the golden pipes.

The pipes have oil that bils

I feel the power. The Lord is rejuvenation the power;

Revelation 11:1,4 says (the two witness are the olive trees) these are the two olive trees

Saw bowl full of fire knew the gold was connected but couldn't see the full teaching.

Reference the movie "the two witnesses"

.....Promise I would see with my eyes part of the... when sitting the battle was intensifying The Lord picked me up, held me up and pointed to different parts of the battlefield and showed who was dong what and I saw each one get annihilated.

- During this afternoon I was getting constantly the word 'resistant' when the circuit board was displayed. The anger and the resistance came together.
- Anger due to resistance rather my ways... Yeshua did what He saw the Father do why do you not also do what the Father do. Stop (John 5)

I want to apologize to you as a pastor because... most of you have found out that no one wants to know what you know. What an amazing group of people you are. The church is full of such people and ??

They are confining us because; what would it be like if the pastor released the people and allowed God to do what He does.

Heard Washington DC when speaking about the battle.

- Yesterday I had this pain (in back) went home was fine; but when I come in here I hear it maybe it's war. (feeling the power of God and the pipes) somehow they are attached. I feel healing.
- Essentially all pain is not always; whenever I learn something new the pain really intensified. The Lord trains you to recognize it. Friend was having pain in back & buttocks which went away when left SC.
 - o Or the pain could have been the power of God protecting you from what is here.

Feel spirit gates being adjusted, alignments taking place.

What would give the enemy rights to touch the ? – Mt Sinai, when The Lord was coming down. The people said they did not want to hear from God. Said, "We will not go (Deut. He said, "And you would not go" it is not tied to unbelief but is 'rejecting God.'

- o Adam rejected God and chose Eve)
- Matt 23:13– but you shut out of the Kingdom of Heaven for
 - o Lord I would like to discern the living stones. Rubic cubes are being adjusted; the living stones are being aligned; there's a vast of readjustments.
 - o More sophisticated; sub atomic parts can be in two location simultaneous and spin fast creating energy;... readjusting simultaneously
 - o I feel major adjustments.
 - We will not go up and that 2 Cor. 3 (read the entire chapter KJV)
 - On stones..
 - The vale (wonder if that is what's on the sandhedran. The people feared the glory that was on Moses face. Moses was vain that he didn't want the people that the glory was lessening.
 - The people were afraid of it 1)
 - o Two points highlighted but both were not identified
 - Is the shell what was on the touch of the Sanhedran
 - Question:
 - o When Jesus fills the living stone

- Is it a generational issue where the people say we will follow God to point. Jesus we will follow you to a point. Jesus we will follow you for salvation but we will not be intimate with you.
- This goes to where we started about the
- The spirit gates are being aligned, I also feel the Spirit of Life.
- Spirit gate is going on in the heart.

Physical sense and touch; spirit gates are being adjusted. It is tied to whatever is

THE BOOK

What is the book

Heard the Book of Life, The Tree of Life. The book is not just a book with names in it but IT IS LIFE. We have tree of Life, Jesus is Life, The

Jehovah is my salvation Jehovah is my light, Jehovah is my path. Jehovah is my torch, Jehovah is my shield, In me is Life. I am the Light of the world, I light every man that comes into it. I feel like this is a tongue that I cannot interpret.

Lord I ask you to discern the tongue of men. (speaking in tongues)

Bread of Life (interpretation of the tongues spoken)

I feel like this word is locked up,

Lord I remove that off of this

The coding of the touch of hedran. Felt like a metal plate, stars, evil that is tied to the stars. Ungodly seiphim, false worship. When you choose not to go up what are the results. The golden idols (

WHEN YOU CHOOSE NOT TO GO UP THEN YOU ENTER INTO THE FALSE WORSHIP YOU WORSHIP PASTORS, TRADITIONS. Traditions is part of the covering. It is an antichrist system.

We have believed a lie that maybe we do not need to follow Christ all the way. You may be saved but if you still choose not to be obedient and to go into other systems we put the coding on. t

If He's not the Lord of all than He is not The Lord at all

When we resist the move of God then we put it on us

-Donna another scroll; ask can I open the scroll.

I am seeing the verse; why are you hiding your light under the bushel. Matt 6:22 ; Luke 11:33; no man when he lightedh a candle puts it under a bushel

- The light is restricted.

The scroll; there are 4 angels. Need 4 other people to stand up (4 chosen)

I keep thinking; that's what it si to wak out our salvation. Its to love himt he way He loves us. If we love Him then we will pusue our lover.

Ps. 24 :1-5 ; if you stay in the valley in the camp than it is inevitable that you will worship the idols. You have to go after. You either have to stay or go forward.

- The fearful, those that are fearful.
- Do you not know who I am
- The light (is there a 4th color on the pyramid) visiable light has frequency. To get to white light there has to be unity of all of the colors....You can see which human is furthering the process by how bright they are. Don't know what the coding is.
- We are the one who counts; we are redeemed the light shine forardd. We chose rather we allow... our church culture, our culture. This dims the light. WE DIM THE LIGHT
- The ministry of the prophet book – a testimony dealing with him over this fact. He covet the teaching ministry so he did more teaching and did not develop and walk in the prophetic. So he ignored the prophetic altogether. Whenever you ignore the prophetic then you will casue that pain to return.

Shake the dust off your feet. When you go into the house there is very little light. If they do not receive you and you leave and dust your feet, there will be no light in that house.

Matt 6:22-23 (passion version) read:

- Pastors makes decisions because of money. Need to feed the system.
- Said to the Lord would you just give me 10 people that will follow you.
 - o God comes in judgment
 - o The 2 that came the strongest against PC both are now dead.
 - Died because of stubbornness (would not go to the doctor)
 - Said no one is going to take my church from me
 - o A lot of time we cant hear him because we have our own agenda

- Lord has been speaki gto me about the Blood and communion. Adam understood the blood because he understood. Adam understood that is the way to the Father, they taught their son's but Cain rejected it and therefore rejected the way to th Father.
- Communion if we don't finish the true work of Christ then we don't know how to discern the body (PC no hit)
- We are doing all of these generational prayers but We are the problems Thegenerations coming behind us we do not teach it

NOW THERE IS WARFARE:

This is about the light. I heard The Lord say, come up here with me. Okay, Lord where are we ging. We are goin to my sentinel room. When I got to where He was he was dressed in purpole, I was dressed inpurple.

This is place where we montor the earth. Because the darkness is becoming greater, my people have began to believe that the enemy is winning I feel the power. The Lord is rejuvenation the power;

Revelation sayshe problem is twethey are focusing toomuch on the darkeness. Weh you focus on the darkness that is what you get. The only way you can...

----We are in a way they need to use the weapon f warfare that I have given them, that is the Blood of the Lamb and that is my testimony.

- I choose freedom;
- Prayer; we realize the battle has began Lord speak to us in the night time.
- We are ready and able and willing to receive whatever you want to tell us tonight.

Instead of it being life giving it is life taking:

My Children, be not deceived for I am with you. I am mighty more powerful than anything that comes against you. Be at peace, remain in peace. My joy is fluid and flows within you.

(feeling hits, judging the words)

- Who has the rest of it?

Seek ye first the Kingdom and His righteousness, His love is made complete and His joy. Our unions that are not of Him are negative in this negative hour

And I eat you and take away his true love.

It jumps power up and down for when we not in the Lords will in any type of ? unto we

Are scattering His true purpose into all these different ungodly realms and that is why He calls us His children and to be completely focused on His love.

And when we go away from him in any way sexually it is scatters; and ??

- And guilt and then Satan manifest off of that and continues to loop after that
 - It is a repeating pattern
 - There is now no condemnation to them that are in Christ Jesus.
 - Some have been victims and some have cooperated. The Lord wants to set us free
-

A song is heard:

I'm free indeed, in Christ I'm free in deed. No chains are holding me, it's who I choose to be

I choose to be free, free

I chose to be free

Free indeed

I choose to be free

Free

I choose to be free

Free indeed

I am free indeed

In Christ I'm free indeed

No chains are holding me

It's who I choose to be

In Christ I'm free in deed

No chains are holding me.

DOROTHY:

A Fire is felt, The Lord's wrath.

Tears are felt

Come people, come my people come out come out

Come and do the work I called you to do

All you have to do is surrender and ask of me I will guide you I will not lead you down the wrong path I will guide you

It breaks your heart, it breaks my heart when you don't stand up for what is right

I want justice I want justice for my people. I've given you the rights and the authority to stand up for my people.

Just say es, yes to your will yes to your way

Yes Lord.

(Prayer of repentance and breakage of sexual sin)

- I am draining the swamp.
- Lord please drain the swamp of all evil tide to this.
-

Song of Freedom:

I am free indeed in Christ I'm free indeed

I choose to be free;

--

I am hearing The Lord say victory is mine, victory is yours.

He wants us to see his vengeance on the enemy

Our eyes will see the reward of the wicked.

Elijah here with message

Paul connected with Rob Gross

There is a shift. The heavenly places are shifting. Revolution, Revolution, Revolution. There is a revolutionary war that is budding in your region. The shift will bring about the birthing for the move of the anointing. It's the place on my life, the anointing of Elijah to break the yoke, to release parents and children from captivity, to restore families, to restore government, to restore the marketplace. The revelation will start first as a revival move. The spirit of Elijah that is upon me will begin to turn the hearts of the fathers back to the children in tenderness. A new revolution will begin to come forth in greater detail of how I am going to shift the thinking of my people, it's a shift of mindsets. It's a shift from the heart to the heart between the generations. Fathers reveal THE Father and so as I heal and restore the family unit, a new revelation of Papa God will begin to come forth that will transition from revival to reformation and transformation to an all out revolutionary war against the enemy. Revolution. Stand to attention. Revolution is coming for I am seeding the way for those who are in the deep, those who are in the depth of my love, those who have been hidden away from the enemy. It is time to train for war, but it is a time of release from captivity. Many heroes will come forth from your region, mighty warriors, men and women of God. It all starts with the family. One family at a time, one home at a time. As you said Paul weeks ago, the leaves of the trees are for the household healing of the nations. That is the revolution. It starts with the oikos, it starts in your home, it starts with you. If you heal the man, you will heal your land. Did I not heal Cornelius and his entire household? You would not be seated where you are seated today if it were not for Cornelius coming to the Lord. One man can change a nation, one man can change millions of believers for the future. It's all about legacy, It's all about Elijah restoring the orphan. Just like Elijah went into the upper room restored the widow's son. Elijah is going to restore the orphan, so that my sons and daughters may arise.

Paul – Do you feel the power?

Rob - The river is here

Paul – I feel the river of God now

Rob - There is Authority in the river, authority of Elijah

Perception for testing – sensing that God want to do a demonstration through Elijah of healing for some who have been victimized during childhood or otherwise and some kind of freedom will take place

Michael

You have leveled the platform for justice. Now it is time to trust it. You no longer have to ask me for what is already done for you hold the key for the region to bring in the true sons. There is a correction in the judicial system where truth has been denied but in the midst of the disclosure the resurrection will not be denied. For if you believe it John (John the Baptist) completed what the depth of reality is no longer needed. For if you have ears to hear Elijah is here. For he is the resurrection and the life for those who have lived and died but is he not the resurrection for the living for the life that never dies. For a generation awaits to walk through this gate for your supplication have been heard by the throne and the least of these it will not be too late. There is restoration for the headship of families for the hearts of the fathers to the children and the children to the fathers. For the true branch is established and I will restore the father's honor. You are moving the political platform that has been in the way but I am healing the souls of the spiritual leaders and in the exposure, there will be no more delay. I will unravel the ungodly networks so the true ones will come in so your investments are worth it. This is where the restoration of the next generation begins.

For Zion agrees to rebuild the ancient ruins for you love justice and I will remove robbery from your midst because of the faith cry of agreement. I will touch this land with a kiss.
