Lion of Judah and the angel of the Lord

Persis

For he is defeated. Oh yes he is. He is defeated in your life. There is only pathway to follow. For many of you have been put on track because you listened to the wrong voice. I am bringing you back onto the one true path. Whirlwind filing places.

Paul feeling many angels. One angel for each of us.

Guidance is mine. You have overcome with singleness of purpose. Be true to the call. The government is mine. Do not be overcome with evil. The staff is in my hand. I am the governor. Be of one mind. Later you see that I have delivered you and called you by my name. Straight is the way that leads to life eternal.

Joy, joy, joy. I will be glorified in your midst. I am opening the door of hope for you to pass through and to experience my glorious victory. You are nightly in battle as you lean upon Me. Keep your gaze fixed on me. Have your sword sharpened. Keep your sword out of your sheath so you are battle ready.

Open. Open. Jesus is walking down. It is time to celebrate. He is here for such a time as this. Each step He takes is vibrating.

Unity will bring deliverance and prosperity when you come together as one. Keep your hearts here and seek to stay engaged on me. Do not fear for greatly things are to come.

I am pleased. I am pleased. Keep doing what you are doing.

Rise shine for your light has come.

Jana

The angel of the Lord encamps around them who fear Him and He rescued them. He will drive out your enemies before you and in these coming times. He will restore you for what is happening in the world is a blowing, a winnowing whirlwind is coming to blow away the chaff. The whirlwind of truth is a disclosure but not for My house. Keep your eye on Me.

It is a new day and a new way.

Psalm 18:16ff

Whirlwind

The Lord spoke to Job out of the whirlwind

In this season that you are in is a whirlwind of justice for the sons of God and man. When the whirlwind passes the wicked are no more. Truth is being released for hearing ears and eyes to see. The sound of the thunder was in the whirlwind. The lightning was in the whirlwind. What is shaken will be removed and is not will remain to be true. There is a wave of intercession that will break the back of oppression so the righteous will be renown. A crown of glory waits for those who are not moved by the world and it is truer now then ever before that you are to stay in the glory.

Michelle about Book that Paul gave to her.

The book is above me. I can see and walk around it. I can see it in different dimensions like a hologram. He is the I Am and a strong tower which is the leader in the E of Elohim. He is the center of the refuge and a fortress. Our leader ...we must run to Him and hide in Him. It is so complicated.

This is a moment of great turmoil in the world. There is a great peace coming associated with God Most High. This peace is associated with Love, the love of my people for everyone, believers and non-believers. My love will show the way. My love will lead others out of darkness. A moment of great power is coming. Signs, wonders and miracles. Healings miraculous signs. You will walk in My power. You will hear My voice. You will learn to know My voice clearly from your own voice and the voice of the enemy. I will move amongst you like in the days of old in the land of Israel. You must be obedient. When you walk in this level of power you need to walk in obedience. You cannot contaminate my light. You are a witness from Me to the world. You have to reflect My character at all times even when you think no

one is watching. Someone is always watching. I am always watching. You must walk in love. Love is the primary rule. If all things are done in love then you will be in obedience.

Now you have received much truth today. Now what are you going to do with it. The enemy is just waiting to get it. He is waiting to get it. What are you going to do? Humble yourself before the mighty hand of God that He may exalt you. It is not you! It is Me says the Lord. It is all about Me. Nobody teaches you that today. You live in a society where you the big I is embolden. No, no, no. Humble yourself before the mighty hand of God. Humble yourself before Me for I am the King. I am the creator. I am the all knowing One. I am the one Holy and right. If you were to go forth as an army of the Lord you must get your directions from Me. It is not you, it's Me. Now I will teach you how to do that if you will listen. For I will send My glory through each of you to where you are going and you all go to different parts of the Kingdom. You go like a swift light. Like a light of mighty power. You are different after these two days. Take time with Me. Let My holy spirit remind you and show you what has happened. You are different. Things have changed. I just sense the enormous love and favor that we have with the Lord.
