Teresa: 10/15/2019 2:30PM

I have called each and every one of you here. You need more power. You need more authority. You have hungry hearts and willing bodies. I will use each and every one of you as I perceive for I called you before the beginning of time. Your books and your libraries will be opened and you will be given a financial anointing. Is it not written I own the cattle on a thousand hills? Does CA not have many hills ? I am about to level some of them. And they will come out, needing help and seeking repentance but I assure you I will be with each and every one and give them a way out.

Brian 2:50PM Battleplans. Tendrils are going out and connected in an ungodly way – look like vines and they come down to a point. Slender thread like appendage of a plant.

The diagram of a cutaway of a volcano. The paths for the lava look like channels that come up to the surface. An incorrect perspective on the true source of life. False wisdom may be too narrow a perspective.

Louise: False image.

Carol; Vine is choking out peace

**Jer 2:21** Yet I had planted thee a noble vine, wholly a right seed: how then art thou turned into the degenerate plant of a strange vine unto me?

In the Name of Jesus Christ on behalf of myself and my line I repent for giving credit to the enemy as a false source of life and a false identity. I repent for assigning the false identity that aspects of the enemy were the source of life.

I repent for any worship or dedication to Shiva or any cultural representation of wisdom that is contrary to your true wisdom God. I repent for misusing God-given creativity to form idols or images of false worship and attribute to them to a false creator. I repent for participating in spreading or creating lies regarding the truth of creation and the truth of you God as the true source of life. Lord please disconnect me and my family line from all ungodly source of life. I reject the ungodly seed.

I cut away ungodly tendrils. Lord please truly connect me to the true Holy Spirit, true godly wisdom. Please audit and review my vine as I reject humanistic wisdom. Cause My brain to function only in true wisdom.

I declare that I have a noble vine and a holy right seed.

I reject the lies of folly. I reject her voice seductive and knows nothing. I reject the high places on which she sits and calls to those who pass by. I declare that I am not among the simple who will turn in there. I reject the lie that I lack sense.

Lord please remove the ungodly bonding of the Pleiades. Please restore the godly binding of the Pleiades (Job 38:31) We repent for aligning with the queen of heaven's wisdom that is earthly, sensual and devilish. Please remove the envying, strife, confusion and every evil work of this ungodly wisdom.

Joseph 3:16PM

Step back. Don't step forward. Now is the time to step back. We should regroup and press in. For I the Lord have perfect timing and will accomplish what I will.

Tongue of Angels: [Sonia]

We are all standing or on horses and the angels are with us.  
The map. Some of the east go to the west, to the north and to the south.  
Those above you go down.

Marisela: 3:23PM

People on horses. They are raising swords. Go. The horses are going. Stampede. And someone is raising a flag. The flag is white and I could see horses and see the back of the horse shoes (the dirt kicking up behind the horses). They are moving so fast they are creating storm clouds.

A half circle and Jesus Christ is in the center and He is holding out His arms and there is light emanating toward us from Jesus Christ. You are Mine. Go where I have called you to do. Now is the time and you are called. You are chosen. You will do the unimaginable. Miracles where you step into.

[She is standing in Kairos time]

Many will come to me through you. Now is the time. Step into it. Claim it. Own it. I love you.
