Jana

The spirit parts brought back in will correct the elemental creation from the beginning to the end. Integrate the spirit body and soul, for it is the harmony that makes whole. The chariots gather the spirit parts to heal the soul so the body can be healed because the spirit man is known. Frequencies will align the design the body can be healed when the wholeness is known.

The new Creation design is also the original that was from old. The sound can correct the light the frequencies so the resonance will align and unite and the glory that is always near to those who are loved by the Lord.

Victoria 12:07PM

There has been a time in past seasons where you doubted, where you feared, where your love was not perfected. I am decreeing your love is perfected in Father's love being perfected you will triumph in that which My Spirit will be guiding you into in these new days of My glory. Because you have not fully been able to embrace the fullness of My love there have been limitations to everything but I Father says the Spirit "Am going to reveal Myself through My love and mercy to you."

Fear not in days ahead. Fear not the roar of the enemy, the devourer who comes to steal kill and destroy for I have come says your Father to bring you abundant life which includes the knowledge of My eternal love for you.

Many have not been able to receive it. Many have not been able to embrace it but I have come as the Lion of the Tribe of Judah to roar on your behalf and I am roaring now that you will be able to break through into My fullness truly to the depth of your being.

Mattie: [has a trumpet]

Victoria: The winds of Holy Spirit are blowing out of control upon us. Receive. Receive from the Spirit.

Mattie: Has to do with timing. In 2018 Feb I started seeing 323 a lot and it was highlighted everywhere.

Barbara's dream: 13th. Conference, in a large room like a hotel suite. Comfortable furniture. On the floor new carpeting. Under the carpeting there were gaps and a grid. The carpeting wasn't real carpet. Pieces of white foam rubber. Room was full of flush carpet but each was an individual piece and each was a grid.

Jana:

There is a new order of restoration.
Hope deferred is leaving this generation.
This is the anointing that breaks the yoke.
The sound of many waters is in one accord.
For you heaven has ordained strength
And His strength is in the sky and the clouds know His name.
He has brought rain to each man's field.

The Lord of lightning and thunder is being revealed because of the diviners and naysayers and the idolaters' works.

The world systems are collapsing where righteousness and His true worth.

Deception and truth are in conflict.

So what may remain are those who are trustworthy and claim the name and fame.

You will go through any hardship as it doesn't affect you

Imagine if you will heaven accepts you.

For the path of righteousness grows brighter and brighter to the full day.

No longer to shrink back, ascribe strength to His name.

Olivier 3:57PM

The Lord is saying to every one of us here that there is a new level of dividing emotion from spirit and no longer shall we be trumped by our emotion. We will be upgraded to a level where we will always be in the heavenly place to see the big picture and also be able to let go of offenses and that elevation will allow us to catch the jet stream.

(Heb 4:12)

Paul 4:47PM

All who are hungry and thirsty because you will be fulfilled but you will get greater and greater relationship and desire for more of Him. Delight yourself in Him and He will give you all that your heart truly longs for.

Bless the Lord Oh my soul and all that is within me, bless His holy name

As you are released you are free to release others.

In freedom is joy unspeakable.

Receive My joy and be free
