Teresa: I say to you come up higher. Each one of you has a divine appointment, individual gifts and callings. I am the great I AM who moves with signs and wonders. I called you all tonight in the whirlwind to scatter you to the winds to the four corners of earth. I am going to give you more than you think you can receive. Every good gift is from the Father of Lights. I love you. Test Me try Me and see.

[Sarah: Angel of Bishop/Inyo]

It is time for war. It is time to take up arms on behalf of the Lord. People are coming because they are hungry and thirsty. They are looking. They are coming. Get ready for My people are coming for I have called them here. They are looking for Me. I am drawing them here. I am drawing them to Me. Will you be my arms and legs? Will you show them Me? They are so hungry. It is time for the land to awaken. To be its true self what I made it to be. Awaken the soldiers. Awaken the mighty ones. Call them to war. You are either for Me or against Me. There is no middle ground. Take your stand.

(I don't have the word)

[Victoria: Tongue of angels.]

The heavens are screaming 'It is time. It is time.' The land is crying. It is crying out for deliverance. My people, My people are crying out for deliverance, for the light to be seen in the light of His face. They carry the grief, they carry the sorrow. It is penetrating the atmosphere. Take hold of My hand. I will lead you forth. Take hold of My hand. Take hold of the reigns of My Spirit.

My winds will carry you forth. Take hold the mantles of old. They are not wasted. Don't lay them down. Pick them up. They are yet anointed. Pick up the generational mantles as well. I am breathing on them. The winds are coming from the north, the south, the east and the west to bring My resurrection light and power to My troops. This is the call to the army of the Lord. Stand at attention for the general will be in your midst.

Anne: I keep seeing this purple righteous robe when Victoria stood up

Barbara: My people who humble themselves and call my name.

[Sarah got this about being married to the land]

And I will disinherit the sons of God who have occupied the land and have turned it into a howling wilderness, a wasteland. I will disinherit them and banish them from this land. And My sons and daughters shall inherit this land and turn it into a place of refuge, a place of belonging for the needy and for the hurting. And I will fill this land with My people, even bringing people from near and from far to settle in this land and make it an inhabited and blessed land and she shall be called Beulah land.

*Num 14:12 I will smite them with the pestilence, and disinherit them*

*Psa 82:3 Defend the poor and fatherless; Do justice to the afflicted and needy.*

*Isa 62:4 You shall no longer be termed Forsaken, Nor shall your land any more be termed*

*Desolate; But you shall be called Hephzibah, and your land Beulah; For the LORD delights in you, And your land shall be married.*

*Isa 62:5 For as a young man marries a virgin, So shall your sons marry you; And as the bridegroom rejoices over the bride, So shall your God rejoice over you.*

There is a Supreme Court Justice Watcher going to make a decree against the senator. Chief Justice of the Heavenly Supreme Court.

Paul thinks it is a female justice

Anne: 12:17AM

[I see him as being very tall with an incredible number of authority. Really tall and upright and strong with immense amount of authority overlooking watching overseeing commanding

Paul: overseeing is strong

Anne speaks in tongues. She takes a warrior stance with her sword held out.

The Sons of the Living God do not fear the Fallen Sons. We are of God and you are not. We are of the Living Army of God and you are not and never will be. One must deny himself and repent. We have. You have not. The line has been drawn. The trumpets are about to blow. You have not because you have never asked. My ways, My commander's ways are not your ways. My rule is under the Living God and no other. You shall not taunt. You will not hurt. You will abide by the Living God. You will not surrender. You die for an eternal death, one of damnation that will never come to Me. [Anne turns through all the directions.]

Yes, you will quiver under this authority because I am making the decree. I AM has made it. It will be. There will be no other. They will quiver they will shake, they will be taunted. They will be tormented. The justice, the justice, the justice, the justice, the justice, the justice, the justice, the justice, the justice permeates the land. The justice permeates the land.

Anne: This felt like final, total, absolute, non-negotiable. The experience was that I had all authority. There was no room for negotiation.

Paul: The land is being delivered. The evil watchers are being removed from the land. Judgments are going out against the fallen sons of God.

Penny: Scroll 4:33PM

Paul: There is fire on the scroll

Penny:

My children I release unto you the authority and the fire of My mouth and My heart into your possessions into your destiny and who I have created you to be and what I have created you to do. I am the healer and author of all life. I give unto you authority to speak my healing and my life to the generations. My children. I AM your father who loves you.

Anne, your Father who loves you. There is no rejection in Me. You are significant and you are highly loved.

Paul my faithful servant, thank you for plowing through the muck and the mire of persecution and false accusation. I have come to set the captive free. You are My vessel. You are My honored servant that I have called from the high places. Continue to come and walk with me. Continue to hear My words and My voice for My voice is a thunder in the universe and My universe is realm and dimension after realm and dimension.

To the land, I say to you to the land 'I am your Father, I am your creator and I love you and I have not done this to you. I have not placed the curses on you. I have not defiled you with darkness but I have created you with My light and My purpose and for My glory and as you wait land for the revealing of the Sons of God, I am calling you forth in your own revealing land. Reveal yourself as a created creation from Me. I've heard the repentance of My people over the land and I release you, I release you in that repentance to produce, to be prosperous to be peaceful.

And My children I say 'Rest'. I say 'Rest in Me' for My yoke is easy and My burden is light. I do not put upon you a yoke that oppresses and bends you over. I do not put upon you a burden that you cannot carry. My children in your weakness My strength is performed. This day my children I sound the trumpet of My strength and I say Let my Blood flow through the veins of your life and destiny.

Come forth. Be brave and be not afraid. I am with you always. Fear not, be not dismayed. Go forth in courage, strong courage for I am with you and My love runs deep. It is a deep well. Draw from it. It shall never run dry

Joe: Scroll:

I have heard your cries. I have delivered your land. I am the Lord God Adonai. King of Kings, Lord of the Universe. My eyes travel to and fro. My blessings are upon you. There will be a change in the atmosphere. There will be a change in your hearts. Seek Me with all your heart and I will meet you and I will sup with you.
