Aslan's Place, Advanced Discernment Training and Exploration

Mimi Lowe stood in an angel and gave a word to the group right after the worship:

Whirlwind, whirlwind, whirlwind, whirlwind.

Higher, higher, higher.

Revelation coming, revelation coming, revelation coming.

You're gonna dip into the pool, you're gonna dip into the pool, you're gonna dip into the pool of revelation.

But you gotta come higher, you gotta come higher, you gotta come higher.

Let go, let go, let go, let go!

Revelation coming, revelation coming, revelation coming!

You've never been there before, you've never been there before!

There's another well, there's another well, there's another well.

Unearth the well, unearth the well, unearth the well,

Jump in, jump in, jump in!

Bring your children in, bring your children in, bring your children in, bring your children in!

Arthur [Ellison] secured it, secured it, secured it for the land, for the land.

Paul said 'there is an anointing coming, the Lord is pouring something into us.'

Paul asked people what they saw:

-large watering can; gold like for watering flowers, pouring gently; vial of oil being poured out; increasing; golden light.

-liquid gold into our spirits; something fluttering; something being poured in

-500 degrees in here, multi colored butterflies; a white dove; white wings

-shaking the fabric of time; live in my peace

-light rainbow; shifting into another dimension

-glasses on someone's nose

-sea; angels standing on the sea  
-more shifting needs to happen; breakthrough; prophecy

Then Mimi went into the two wells and began sprinkling water onto everyone; she went around the room sprinkling water on the people in the circle ending with sprinkling water on Paul.

Mimi:

Arms are swinging around like  
Dip into this pool 7 times (2 times)  
Waters are stirred up, waters stirred up  
For revelation, in here go deeper in here,  
Then you go up, (4 times)  
For the presence of God will come down (three times)  
Prepare for his glory (3 times)  
Whirlwind, will take you up (three times)  
I see a rope that is tied between Paul and Nigel, a rope that ties you together  
Both be caught up (three times) together (three)  
There will be a release, gifting, deliverance, and the fulfillment of God's promises  
Showered down, showered down  
But dip into the pool first seven times (3 times)

Paul and Nigel dipped in 7 times;  
This morning I saw the bronze laver and someone was dipping over them  
Lyn does this over Nigel  
I think we have enough for 4 at a time  
We need 4 to be doing the dipping  
Two facing each other  
North, South, East and West  
Can you feel that when you are doing it?  
Lyn has been seeing this for days  
Everyone dipped in the well  
Then there was a time of rejoicing

Nigel got some revelation: Luke 1:17 about going on in the power of Elijah

“And he will go on before the Lord..

What I felt, the children turning the hearts of the fathers back again. We went to Hawaii, young warrior conference, went there to bring it back to us, but we had a major sin issue in our own camp so it was held back. But raising young kids back again, when our son was born his blood

was all messed up, he came through, the Sunday he was dedicated, the pastor gave that very verse from Luke 1:17. If felt that when I got back to Hawaii I must bring him with me, I also felt that I should bring my youngest daughter with us, releasing the thing for the kids in Ireland. The openness of the kids in Hawaii was so open. They could be the ones to help the ones from Ireland. The younger generation have not been screwed up like this generation has been by the church. They can handle the things in a way that we have not been able to.

East coast conference Gabriel showed up and Mimi gave a word about 9/11

We have no need to do these conferences; we have never done a releasing of warriors here in this area of California. We always seat the kids in the front, they are honored and trained

Age: 8-?? As old as possible

If we start training the kids at

They have experienced everything possible, they are looking for something real spiritually; why are they checking out? Because they have tried everything and they are no satisfied. They have done it all and there is no power in the church, that is why they turn to things like Harry Potter, they are looking for power.

In my minds eye saw Jesus dancing with us, angels dancing too, Jesus had such a peace on him, the creator of the Universe here dancing with us. When the Lion was turned around it was the same as the whirlwind, his mane looked like flames

We went the fire, the laver, the holy place and the

Garments and priest hood; Lyn had a sense of the white garments, the entire garment for the priests were put on us

There is more deliverance coming off of there, the joy of the Lord is our strength

Zech 3: Joshua clothed in filthy garments; let them put a clean turban on his head (seven eyes- may be the seven spirits of God)

Zech 4:6

Mal 4 healing in his wings, skip

High priest; heart sprinkled and body washed with pure water Heb 10: 19-23

One person shared this: 7 thunders a few weeks ago someone from Todd Bentley's ministry; 7 thunders are the 7 judgments on the 7 continents on the 7 seas, the judgments are on the principalities, look with joy because revival will break out

One lady shared this: Paul had me pray about a few things; so I started praying in three different kinds of tongues; one of them I saw the Lord walking around in this room he was pointing at the people, he would say to some 'don't speak when I am speaking, you who hide your sin you think I don't know' He was very angry. I had never seen him this angry.

Then I had a vision that I did not understand at first, I saw a orthodox Jewish man rocking back and forth and he was swinging a sensor, the angels would come and get the prayers from there. Jesus said when it is full it will be dumped out

Rev 8 I knew that to dump it out was not good.

Took it and threw it to earth and there was an earthquake

A friend in Minnesota saw two angels standing over a fault, and I asked her if the angels were there, and she said they are not there, and she heard the Lord say that they are not coming back. The Lord is telling his people that something is going to happen. Our prayers for revival result in this.

Dream: the one breath revival-the Lords breath and revival will come

After lunch:

Listened to songs from Freddy Haley's CD; we went up to a higher place  
'heavenly whirlwinds push us higher and higher' from the song

Paul asked: perhaps someone can tell us where we are right now: I can see Jesus standing like he is going to welcome.

Tobias: I see pillars, and there is a bright shining son,  
I keep seeing hospital beds but they are completely empty

Anointing is increasing

His bigness is so much bigger than the throne room, the angels stood aside;

I didn't see the hospital beds, but I heard the word 'hospital beds' at one point I saw a shattering of woman's hearts shattered into a thousand pieces, and the angels were gathering up the pieces and bringing them to Jesus

Paul: Intense fire, intensely, anointing is increasing,

Something in someone's hand (Karen)

Paul: it is a scroll; see if you can read it:

Karen stood in the center of the room.

Paul: what just happened? The scroll came out and got really huge

Is the whirlwind back? Yes, and a huge angel is here, I think it is the angel of the Lord.

Karen: it is like it is glass. I can see through it but not words, it is like a magnifying glass.

Lord would you give me eyes to see what can not be seen?

Tobias can see the words; it is not that deep, but when you look into it is very deep and the words are at the bottom of it

Tobias is going to read them.

In another language, like an ancient language; strange letters go deep

Paul: ask the Lord if you can read it in tongues then in English after

Tobias reads in tongues.

I think I understood; if you are willing to dig deeper and you will understand, but you will not understand anything by climbing up to my mountain you must go to the foundation.

Cleansing in the foundation, deeper, and deeper, and deeper

Words are written in Arabic;

Treasure of darkness; I see a funnel goes very deep and very dark, there are words written around that,

Paul: anointing, angels are here

Mimi: unearth the well

Paul: Lord are we to unearth the well and how are we to do that?

Elders are here.

Ask of me and I will show you things that you do not know. Lord we do ask you.

Elders are waiting for the message to be released so they can agree, they are really desperate

I feel something heavy in my arm, do we need that. She moves up to Karen and Lyn

Lord who am I to give the glasses to? To Paul

Paul: the Lord has come closer. it is almost like he has come to watch, whirlwind is increasing, almost like the air-conditioning is on.

Tobias: this is like an assembly here

Aaron and Ur, the Lord is coming closer, the seed of the woman crushes the serpent's head.

I feel that I am to give something to the Lord

His manifest presence is coming closer, gold on the hands of the women again.

It is increasing; we are in the great assembly now; there is going to be a decree given

It is like the trinity has come from their council to this council, a proclamation, God has agreed that it is time now for the proclamation

Paul: My sense is that the assembly stood

It is like the righteous position of women is coming into place, they are being put in their right place, Lord release it

My dream: He gave me the identity; the daughters were given authority over the false church

Mimi: I am supposed to dig it up; weight on people's chest; going deeper, deeper and deeper,

Nigel you need to be here, I am digging deeper and deeper; the letters

Treasury box here, treasury box here, deeper inside we have to dig it out, and we have to dig it out;

Gold treasury box here, it was buried away

Lord can we open it? I think so

A paper

I am getting that Linda is supposed to open it; I have the key;

Lord I ask your permission to open this.

Paul: Nigel needs to come into agreement with this because of his position as a pastor, since pastors have held back women

Mimi: there is a key in here, I have to pick it up, the key,

Nigel: Lord I come into the agreement now with the heavens, that release woman

Mimi: I got released

Nigel: I come into agreement to release women into the church, into the world, to release from the wells of salvation, the proclamation of the gospel,

Paul: hands free off the women; hands free off the women

Nigel: reads a scripture- surely god is my salvation, the lord is my strength and my song, with joy we will draw from wells of salvation

Paul: Mimi do you have a key now

Mimi: I see Nigel's name on the key

Nigel: I have the most unbelievable pain in my side until I stepped into here.

Oh it is the rib! Birth pains!

There is a double lock. There are two keys

Mimi and Linda both have keys; Mimi gives her key to Nigel. It is for Ireland, for Ireland, for Ireland.

It is huge, there is something, an angel holding your hand, no wonder it hurts.

Paul: Nigel you can come here now. Key is for Jerusalem, double lock.

Lynda has the treasure box in her hands.

Paul: It is a big key Nigel

Paul: this is interesting something evil is being released, it was hidden, and I wonder if it covered up something, the evil has been hiding it.

I knew for two years that there was something buried and it was the answer.

A scroll, who was to read the scroll,

Paul: the treasures of darkness, come out and be sanctified, given away by mankind sons of Adam and daughters of Eve;

Tobias; I think it is a certificate, if we hand it into the pawn shop, it will change into a golden statement of women's rights

Men switched those rights,

I can still see the black hole. Lord I ask that you would seal that up so nothing else can come up

An angel is there, I think he takes it out, He is looking to see who he is to give it to.

It is heavy; I have the feeling that it is really heavy; lots of people are tied to it, the heaviness of all these people

Maybe it is to be carried with her husband,

Golden stones in the box.

Sarah convinced Abraham to not wait for the promise; I heard Arabic

Now we can read it.

I think it is Arabic, read from right to left

It is like a dimension thing, a seal under it, a certificate that gets a seal, two or three lines but they are very long

Karen wants to go into tongues, the words want to disappear but they can't  
Is forgiveness necessary? Abraham; Ishmael, and Isaac  
Abraham couldn't wait, and he didn't cover his wife just as Adam didn't  
Lanie is to repent; Sarah has to repent to Hagar  
I ask you to forgive me for going ahead of the lord and using you as a tool in that unholy  
alliance  
Paul: something is shifting and snapping  
Repent for jealousy and curses, the death that I have released,  
Lanie: I ask you to forgive me for allowing myself to be used

John: I ask you for your forgiveness for allowing you to persuade me against God's will, and  
forgive me for even considering sleeping with another woman, would you forgive me for  
breaking my vows,

Forgive me for failing to protect you, uncovering you, lying and leaving you defensive against  
men, in order to protect myself and fear of man, and using you that way. Forgive me for not  
spiritually covering me, I abandoned my role to cover and protect you.

Lord I ask that you would bring healing into the spirit, soul and body of Sarah, I stand on behalf  
of all men who have abandoned their wife, restore us to our role, you gave us a new example  
through Christ, and I receive that example and we receive from you the anointing and the  
calling to be priests in our family and unity into our families, that we would come under your  
covering, into alignment, forgive us for failing to demonstrate to the world what marriage.

The Lord is going back in time and cleanse

Dream; authority; and it was covered, there has been a blow to their authority, and it will be  
restored

John: Hagar will you forgive me, Abraham and those descended from me, using you to try to  
bring about God's will in my own fashion, allowing you to become a tool of my impatience, and  
bringing to birth something not intended by God, even has ramification in the church using  
woman to try to short cut God's blessing we have used women and used them to make a short  
cult and not covered them in a blessing; forgive me for raping you spiritually, emotionally and  
physically/

Hagar: I forgive you

John|: forgive me for not protecting you and my offspring, creating Ishmael mil to be an  
outcast. Lord I ask that you would forgive us as men, for our impatience, we could not wait on  
you for your way. Lord I ask for your forgiveness, I ask that there would be a change in us, that

you would teach us to wait on you, Lord that we would bring forth the child of blessing, and no more child of curse Lord we ask for Isaac in your due time.

We need a man to stand in for Ishmael; funnel-half of the letters are dissolved

The Lion was roaring;

Tobias is going to stand in the place; he has to bestow a blessing on Ishmael

We need an Isaac too

John: Ishmael forgive me for rejecting you and casting you out of the family for not being a father to you, for not being there for your mother or you forgive me for that abandoning and not welcoming you

Restoration of the fathers to the sons

And not redeeming my sin, and letting it be on you

Paul: there is fire here, can any one see it

This closed the door to salvation to them

Tobias: I forgive you father

Father I forgive you, for turning into rebellion and hatred to your people establishing false religion and turning to other gods

I forgive you. you and your descendents; Lord I acknowledge, my son I acknowledge that you are a true off spring I ask that you would restore him to his rightful place, graft him in lord, this son of mine, that you would graft him back into this family and restore to him and his descendents that he would be accepted into the family, I pronounce the father's blessings

I want to tell you father this is what I have been looking for and I am so glad to be back home again, I want to feel you as my father to honor father and mother. I accept your god and give up my idols; I am waiting for my inheritance,

Come into your full inheritance my son

One more step

Robert will stand in for Isaac:

John: Isaac I ask for your forgiveness for bringing you into a family of strife and impatience; which brought enmity between you and your brother, would you forgive me for causing that division

Division was what stopped the Jews from being able to see the true Messiah;

Hidden treasures are the sons of Abraham

Forgive me for allowing this to cloud your true vision, from receiving Yeshiva as your God

I release you into your inheritance, to have open ears and a heart that can receive your God

Father has to ask us to both come into agreement; forgive me my sons for what I have done to cause division

Now I want to release you to be brothers in every sense of the word

I ask you for forgiveness for my jealousy god have given you the right to have the inheritance of Abraham. I wanted it and I tried to kill you and your descendents. And set gods against you. My seed was hatred against you and your people going against God. I ask you for forgiveness for this.

Can Ishmael (Lyn) release any false claim to the temple mount?

Now there is a scroll,

Karen sings in the spirit; Carol who is Jewish is part of this

Is there a translation?

The atmosphere of the home; harmony now there will be an agreement in shalom; in shalom no more dissidence, they shall sing my song in harmony together.

The scroll belongs to the brothers.

I release every wrong right that I have taken and claimed to be for the other gods, I ask your forgiveness, I break every curse, and I ask your forgiveness, I will serve you and follow you and your God

Robert: I bless you in the name of Jesus

I declare that I will walk in holiness

I repent for the pride of the Jewish nation and I give you the right to be welcomed into our family

Paul; I ask that you would seal what we have done in the great assembly, and it has been witnessed by both sides but most of all by you Father Son and the Holy Spirit

Paul: I feel like we are done what is supposed to be done for today

I saw a certificate and just before the break the certificate was stamped

Paul: I feel that Mimi's word was confirmed, go to Exodus: 33:

Moses goes for God's jugular vein and ends up by saying 'show you my glory'

Now the word was that he would show us his glory

Something more than the glory Exodus 34:5, 6, 7forgiving wickedness, rebellion

A very profound thing happened; it is his glory to forgive people

Mimi: One more time like a conclusion

We went through deliverances all morning today. We have been changed from glory to glory, I know what has happened.

The other part we will have to watch the news, and there is usually an unfolding,

An unfolding of revelation, I would like you to share with me so we can continue to learn

It is cold and windy back here-the whirlwind

**Mimi stands in the angel**

**Is this Gabriel? Yes**

Sees whirlwinds and oaks of righteousness. - acceleration in due time. We're oaks of righteousness. Whirlwinds of acceleration – picking us up and we're skipping and jumping over. We're running and not being weary. We're speeding up into God's time. Invite the whirlwinds. She sees 5 whirlwinds -for each finger of God. Each finger releases whirlwind turning. These five fingers turn like a centrifuge. It's like a combination clock, a combination clock. It's a wall of fire -spinning away the bad, the impurities. The glory comes in. He wants us to be hit with lightning. In order for this to happen the living water has to flow and to get rid of the impurities. He must spin us. There's a canopy of the Lord – 5 points.

Dale

The evil's been exposed. It can no longer hide. There's a ripping of the veil of disclosure. It's like the garments are coming off. It has to do with time. We're entering a new time and a new season. There's no more disclosure. You can enter in to my glory. I will no longer hide my face from you. Come in and sup with me. And I will disclose my face to you. I will not hide myself

from you any longer. I've longed for this time and this moment. It's a time of release a time of glory, exchange. A godly exchange. A divine exchange. The old for the new. The holy. Holy exchange. The sacred. It's a release. Release of my presence. It's a new period and a new time and a new season. It's a new track of time. (shifting of the ages). It's a directional shift. (fullness of the church into the kingdom age). I see a tunnel and at the end is a light that's each person's destiny. Tunnel of time and shifting. Gears are shifting and adjustments are being made. And His face is at the end; a glorious face. It's a lion's face. It's His face. He's smiling and waiting and wanting to go through this tunnel. It's a welcome; it's a smile into His presence. I think we have permission to go.

Zion awaits. Come to the mountain of the Lord. Be taught by the Lord. You have not known your authority. A place to learn. Agree with Zion. The wealth of the ages awaits. Come and get it. You are the timeline. I am fixing history. The righteousness is before you. The Lord is your rear guard. Connect now. My reward is with Me. It is a new mindset. The Kingdom mindset. Riches in Glory. Heavenly currency. It is in the whirlwind. Command victory for Zion. Agree with Zion. The power of the age to come. You are the timeline. Where history comes together, both the latter and the early rains meet. It is like a potter's wheel. It is a hub.

Robin-

Whirlwinds of God. I feel the whirlwinds of God and I hear Him saying they're bringing change and transition to the nation.

Dale-

Receive the mysteries. The mysteries are from on High. You've asked for more. I long to pour out more. Upon my children. Receive the mysteries. Don't turn away. Come up higher. To my kingdom. For my revelation is mighty. I release my power from on High. More for you. So open your hearts. Open your hearts. Open your arms. For I'm giving you gifts. Receive my gifts. Receive my mercy. Receive my love. I download my love, my joy. Surpassing joy. And refreshment. You will be refreshed in my river. It's a river of healing. I release my river. Come

to the river. And wash. It's a healing stream. There's revelation in my river. And gems. They're gems of revelation. So gather my gems, my treasures. Mine the treasures. And I give you more. When you value what I give you, I give you more. And that's the key. Delight in me. For I delight in you. Value the treasures that I give to you and I give you more. Abundantly more. There's books of revelation. There's scrolls. Of destiny. There are scrolls for each and every one. I feel like we're supposed to eat the scrolls. It's a destiny, a calling, an assignment. For you are little but in me you are big. You're a small band of warriors. And I give you the armor. And you will fight many battles. You go out and you come in, into me, into my heart, in to my chambers and I equip you again. I refresh you, and I send you out again to come back with spoils. Spoils of the war. The enemy cannot withstand you. There's much armor to put on. With armor. With shields, swords, weapons, and boots. For you are equipped. You will no longer be downcast and downtrodden, but you will overcome by my strength, power, and might, in my love. It's a mandate; I send you out. Do you receive the call? The warning: you must be equipped, put on the armor before you go out. Come into my chamber daily and rest in me. As you rest in me, I equip you. Releasing my power. I feel like if we stand up, we will all receive the armor. I feel like he's clothing you and dressing you. Armor of light. Light armor. It's reflective. It reflects the light of the Lord. The light blinds the enemy. It's shining silver, bright, shining. The reflection of the light and the enemy is blinded, he's confused. And you will overcome. With power. And the blood of Jesus and by your testimony. And by not shrinking back in fear. Even be willing to lose your life for him.

Paul-There are gems at the bottom of the river. Pick them up.

Dale-The treasures of darkness.

Jeff-There's plenty of treasure for everyone.

Robin-I see stones of purple, which to me represent the fear of the Lord. But each stone is a different color and reflects and shines a different color of light. And each color represents a different Spirit of the Lord: the Spirit of the Lord, of wisdom, understanding, counsel, power, knowledge, and the fear of the Lord.

To

The winds of change are coming. The whirlwind of change. There is a shift in the land. I am changing the land in Ottawa. It is a geographical change in the land of Ottawa. It is true. I am now done with you yet. A positioning that is recognized socially, governmentally, and religiously. You will open a generational door for this generation. A renaissance of creativity. A venue. Prepare the way. It is an Elijah generation. Freedom for creativity. Freedom for the arts. You made a way. Release the vision on this generation. To you have been given the keys to the kingdom of heaven. Nothing has been a waste. Nothing has been missed. All I want to accomplish through will be accomplished. My word in you. I will perform it. I am especially fond of you. You will leave until I have accomplished all that I said I will do. Watch for the vision, it will come, it will not tarry. You will even see it.

Dale

He is wanting us to be caught up in His whirlwind.

He just lifted the whole room higher.

He is connecting people in this room. There is one nationality. Because I have called you all to be My sons.

There is a scroll. It is a transference. A baton being passed from one to another. Because it is a new day, a new season. The Lord is giving everyone a new mind. His mind, His hope and a knowledge that there is something better to come and to not be satisfied with the old, because you have tasted and eaten at My table and I have filled you. I have satisfied you. But, there is

still more and I have given you a hunger for more, for there is much more. Receive the hunger. I give you the hunger for more. Because I am the only One to satisfy you. You have gone from here to there looking for something to satisfy. There is more. Do not be satisfied for little when there is more. Taste and eat and know that I am good. There is this transference, new ideas, new dreams, art, music, even finances from the heavenly Kingdom to the earthly kingdom. Creative ideas coming down (like musical notes). Wealth coming down. Keep pressing in and ask for more. I have many things to show you. Paul, you have only scratched the surface. Get ready. Paul is getting in a canoe that seems to be a slow moving river, but it is not slow, it is fast. Paul is the scout, scouting ahead. New adventures for you. Glasses for Paul, new vision. Look like Paul is in an Indian canoe. The river flow is taking Paul. No self effort. As fast as you can possible go. There will be times of peace where the river is calm. Times of flow, rapid currents. People are following Paul. Times of rest, looking forward to the times of peace. Times of partaking. Times of play. In the river there is gemstones. Treasures are in the river. We are in the wide part of the river where we can stick our feet in the river and collect gem stones. They are treasures from the darkness. Transference of treasure from kingdom of darkness to us. Each person can take treasures.

Whirlwind. I am sending a whirlwind. To remove the debris in your life. For you have been commissioned to go forth and you will go forward in power and might for no evil can stand before you. For I have given you new manna, fresh bread for today and so it will be that you will receive new manna and revelation every day, every day will be a new day for you, a day of new revelation, a day of fresh anointing. Walk in the path I have set before you. For you have been born for such a time as this for this is a new day not only for you but for the world. Broaden your horizons. Look further out. See what I am doing. I am doing a new thing worldwide and you are all part of it. Watch and see what I am doing in your country, in your land, in your sphere. I am doing a new thing. I remove the veil over their hearts and eyes that have veiled them. They will see that I am go. I am that I am that I am.

Lewis

For this is the way I have chosen. This is the way I will do it. You are not alone. I have chosen you. I have chosen you. You are my chosen people and I will fill your cup. Today is a new day, a day of destiny.

Rob

No more leave dormant your hidden struggles. Be release to leave this room. Become pure. Be transparent. (4x)Purity of mind, thought, and action. See eagles wings flapping down...a wind coming.

I have chosen you. I have chosen you. You are my hidden treasure, my hidden treasure. There have been times you felt that people have not seen, but I have seen. It is for a time and for a purpose. I want you to know that I am your hidden treasure. You please me. You are precious to me, special to me. I will bring the things I desire in you. I want you to be encouraged. I gave them to you for a reason and for a purpose. It is not it to be taken away, the things I have given to you. A good work that I have begun in you will be completed.

Jana

Don't you know I take delight in you. Every time you step out, if you get it right or get it wrong, I take delight in you. You are still my witness. I am washing over you, cleansing over you even now for my delight is in you. I bring you through stuff so you know what you do not want. You are my creative design, in my image. Why would I destroy my image. I have built you with all skill and knowledge, design, creative awareness. There is creativity in the glory. Redemption is mind and I watch over you. The greater design. There is creative wealth in you to carve out silver, gold, jewels in the abundance of the Kingdom. It is in Me and so it is in you. Stand in the gate of creativity. Take your position of faith. Don't say I haven't put you there but I have put you there to set captives free, to take out of the dungeons. I do the rest. Whatever you have lost, I give back. I put it on your table. Wait on the Lord and you will rise up, mount up, above the storm, go higher on wings of eagles. I tell you things ahead of time so you do not stumble, but if you do I am with you. The creative ones, these are my sons, my daughters. My goodness is in you. My delight is in you. My glory is in you. Let my Glory out, creative out, my wealth out. You are calling the artists to the temple. It is the arts coming to the Kingdom not the Kingdom to the arts. I have never left you. Your tongue is a ready writer. You time is already

rising. Everything about you is My design. Do not give up and you will reap a harvest of joy. Don't waste your hardship for nothing is ever wasted. Your bank account is full. There is an exorbitant interest beyond what you can hope or image. Seek Me first and take the limits off of man and the earth is mine and the heavens are mine, have I not proven myself to you. Where can you go from My spirit. I trust in you, trust also in me. Truly My love endures for ever and ever and ever. The sound will not stop. You are the Praise in all the earth for the Glory of God has risen upon you.

I am with you. My spirit is upon you. I know everything about you. I will never leave you. Do not think that I am too small. I am big. I am bigger than any wall that comes in front of you, beside you or behind you. With me you will tear down. With me you can do anything. Do not be afraid. Trust in me. There is enough for every child.

**Mimi:** Whirlwind of fire, whirlwind of fire, whirlwind of fire. Expand, expand, expand, expand. You've never been here before. Shifting sands, shifting sands, shifting sands. Chariots of fire, chariots of fire, chariots of fire to take you higher. Come on board. Take you higher. Explore other dimensions.

**Paul:** The whole room is going up.

**April:** *[standing in cherub]* I can see all kinds of clouds below. The clouds seem colored like. They are not white clouds. They are a kind of yellow. I see a ridge of clouds. I keep going higher still. We are going forward. All I can do is to say what I am seeing. It is like being in another world. I can see we are above mountains full of forests. We've gone over the clouds. As soon as we went forward it is still the earth but we are going down now. I see this river it is coming down a mountain. Rivers don't do that. It is coming down among the trees. It looks like Hawaii.

**Paul:** We've stopped.

**April:** There is so much green.

**Melissa:** Ancient sands.

**April:** I see ancient sands. You know how He took the earth and made man? Original intent. It is almost like seeing back to the original intent. It is almost like I see a hand going in the ancient sand. Rich, reddish brown color and it is taking form.

**Melissa:** There was a whirlwind right out the window.

**Multiple Participants:** Sands of time.

**Mimi:** We are before Adam was created.

**Participant:** I had a dream couple weeks ago – the Lord is taking us back to the origin to replace bandwidth that was lost. We are not operating in full capacity.

**Peggy:** I feel the whirlwind that has colors, spirals. I see the light spectrum of colors resemble visible light. The Lord is increasing our bandwidth. We are able to see visible light. I sense invisible light in the spiral of the whirlwind. In the light spectrum, the Lord will increase that. The Lord is bringing light and energy to wash out the DNA molecules. They were black liquid dropped into our DNA (generational iniquity affects physical DNA)

I saw the connection of the spiral whirlwind, light, increase of bandwidth, cleaning up our physical DNA. There will be spontaneous healing, not only physical healing but emotional healing. I also see the whirlwind is a portal opened up and angels descending from this portal. They come with gifts – packages of gifts in different colors. Colors shine through different people. Different colors adjust the different DNA in our body. The spectrum is spreading to different parts of the room - different hues, intensities. See colors, hear songs, see angels on top of the circle on which we are, playing songs to each of us.

God gives us dreams/visions and is increasing bandwidth removing imitations in mindset, bodies, to be able to do what He has called us to do. Visions/dreams, plan and purpose of God revealed more clearly to us. The Lord is enlargening our mind, energizing our brain cells, internal organs all receiving light, vibration. Electromagnetic waves, frequencies. Sound, frequencies, colors – these mixtures are coming to us and we are receiving it real time. Many of us are receiving the warmth of the Lord. He is removing a cyst, tumors in our bodies. He is fixing blood diseases.

I also see the light going to the joints of physical bodies. I see demons leave right now. So move your body if you have joint pain. I saw healing angels come, light shining into the joints. The Lord is coming with intensity of special kind of light in spectrum. He is increasing bone density. Women have problems with that. And also I see this combination of things – He is aligning and adjusting our spinal cord. He is the Best chiropractor. Muscle and tendons are being adjusted, vibration, frequency, light sound.

**Raylene:** I had a dream. I see it in two dimensions. On one dimension is a major river. There were dinosaurs to go back to the origin to get our bandwidth. There was a new type of Monopoly game to do with lands/finance. I was asking the Lord how to get back to the origin. It has to do with time travel.

**Paul:** Susan had a dream. “I was in a city looking around. I knew that there were large famous rivers flowing through the city. One river was covered over by a building. Paul Cox walked into the building I followed. He commented, ‘This is where they marry ducks and dogs.’ I knew he meant that the ducks and dogs are being mixed genetically. Paul was looking around the building. I saw a small grotesque statue of a dog-duck mixture.

**Laura:** Ducks always finds the water.

**Paul:** This is about manipulation

**Melissa:** When you strike a rock you can find water. One of the structures sticking out was the dome of the rock. It had the octagon thing.

**Paul:** There are lots of springs under Temple Mount.

*Psa 87:7 Both the singers and the players on instruments say, "All my springs are in you."*

**Greg:** They would find where the streams were and say 'We haven't found the lay of the land yet.' I think they were bringing in the water witchers and find where the streams/wells were. In new territories people would chart the land and find where the streams and waters were.

**Jana:** This is a word that I got. "It's in the water that the memory is best, in the water that your memory last, in the water that you find the rest. A sound in the water that resonates, a sound that regenerations. Don't you know that you must be born of water and blood? The sound of unity is in the flood. Many waters are the river of life. Life is in the blood – the water and the light. Your redemption draws near. Come and hear.

Larry

California is not here by accident. There is something about Azusa Street. You got the DNA of Azusa Street. A new baptism of the Spirit is coming to Joel's Well. The old and the new out of the heart and body of Jesus Christ, there is a knitting together. A family business. Do not apologize for those who are not included. I am shaking lose those who are to be a part of this new thing. There is a greater grace and greater glory upon this. Influence. There is a greater influence coming to California, to Los Angeles. There is a removing of ungodly things. There is an establishing of a remnant. There is an establishing coming. Los Angeles is shaking in a new way. Something big is about to break lose. Not another institution. The days of the institution are over. The crazies are coming out. The radical burning flames are coming out. Because of their love and humility. To Tom and Linda: think bigger. You can and you will do greater things. You got the can do. There are paradigms changing.

Faye

A whole lot of fire coming. Burn baby burn. Tornados in the spirit. Tornados of fire. Whirlwinds. Keep a watch. The accompanying Joel's Well. Seeing the bigger Joel's well and the little Joel's Well, the offshoots.

**Jonathan:** Its time up. Its time down. Its time sideways. Its time to move in My direction, time to fly to the sun, time to fly over the moon. Its time to fly beyond the stars. Its time to fly below the earth. Its time to rise all around and swirl in the whirlwinds of My glory. Catch the winds. Catch the winds. Catch the winds from the four corners. Learn to ride on My four winds.

Weekend School

A new height is being birthed. An aspect of the stones need to be cleansed. There is a new assignment. New angels coming. New assignment. New heights. New ground. New sounds. New strength. New frequencies. New graces for new races. Whirlwinds are being released. They will pick up the stones and there will be a cleansing. Stones being put in peoples bellies after they are cleansed in the whirlwind. Perhaps through the pillars. The waters had to break this morning. You were birthing into the airwaves. There is a dominion being released over the airwaves. You are taking back the airwaves from the Prince of the Air. You have been given a new highway to birth the holiness of God over the nations. There is a birthing of living stones. Tons and tons of stones being released over the airwaves from Aslan's Place.

## Spirit of Wisdom

These seven watching. Deeper still. But these four are emanating. Deeper still. For the Kingdom of God is not here or there for the Kingdom is within you. The depth is within you. The expanse of the universe, these fiery ones are more to be discovered, there is more to be uncovered. Go for the oil (later found out the oil is boldness). The treasury is abundant. This fiery presence is sought after. Deeper still from the origin to the hereafter. A restoration like never before. It is in the whirlwind, above and below. Back and forth to and fro, up and down and here we go. It is the bare elements. The stones undefiled. It is true inheritance. It is an all consuming fire. There is much to learn, so get to it. These seven watching will prove it. Wisdom, wisdom. You emanate a desire. These for the foundation. They are among the fire.

Four –color, fragrance, breath, and sound. Or four directions of the wind.

## Persis

A being came up with her. It is a big being. It is in the car. You do not know him yet.

It is a new time for the whirlwind. High and low. Each of the different ones, the high ones carry something and the low ones carry something. A new power and a new authority. Healing is going to come in the whirlwind. The church says yes. The whirlwind is a living being.

## Jana

There is a whirlwind attached to the fiery stones. The whirlwind is under the stones.

## Persis

I will put you in the vortex of the whirlwind. You will travel very rapidly. When you speak of deliverance, healing, and evangelism it will happen very rapidly. The velocity is very great. You must be in the rest. You must not ask for it. Ask the Lord

Rhonda

Awestruck wonder. To take your thunder. Reverential fear allow you to come here. Behold, behold the ancient of old. Release release for the increase.

Persis-Before Sunday Joel's Well

It is pivotal what you do today. Watch what you say. Watch your words. A corner needs to be turned. It will happen in the whirlwind. What you say is pivotal to what you happen. The spirit

wants it to happen today. Watch what happens in the whirlwind. Do not be discouraged. New insights, new revelation, today. Not an ordinary meeting. No ordinary meetings. The people and the number I have planned. Those who are coming are pivotal. (cleaning off something evil)

Whirlwinds Whirlwinds  
It's coming in the whirlwinds  
Be in the rest or you will miss  
What I am sending  
Energy, motion, movement  
Changing sounds, changing colors  
Will pass you by in the twinkling of your eye  
Unless your spirit is at rest in Me  
Secrets & matter  
New and bold  
Are coming in the whirlwinds  
As yet untold & to unfold  
Before your eyes  
You will see  
New shapes & matter  
Which represent Me

Well, where this came from I don't know. It just popped out.

ATL

Blessings,

Persis

As I write this I have a sense of pyramids ??? or matter being put together to form a shape or shapes which represent an essence of the Lord.(ON this very informative note, I think I shall go to bed).

Jana sings in tongues

Speaks in tongues

Patience little one. Your hope is sure. Your purpose already designed. Yield to the way, the truth, and the life. It is in the testimony. It is in the story that is told. It is written for the everlasting, the everlasting glory to behold. (star shows up-Melchizedek). These three hold the true essence. The three stones are the way, the truth, and the life set on a foundation, set in gold. The throne is the gold. The whirlwind holds up these stones, the throne. These four, the cherubim, the redeemed ones throw these stones back and forth from the midst. This is a position of understanding. The bottom stone in the ephod testifies. It is the new earth and the new heaven merging with this current age. Jesus is now ruling as Melchizedek, beginning to rule the Kingdom age.

Dimensions are shifting again.

Saw the ox and the donkey. The foundation of apostles and prophets. They witness to Christ. So it was set up because these, this called key....opens the way, the truth, for the life. It sets the order as the Apostle Paul did in the early church. Remind her of Moses how he argued. Moses wasn't punished as you think. You have been through much so you can love much. It is the apostle order for the reformation. A creative pathway. The narrow way. For a re-creation is restoration. You carry the light for the new order. The two trees are but one, not a dance or two but a camp of one. It is the witness that testifies of heaven. Two orders become one. (I think we are in the secret place now). All of creation speaks of the invisible characteristics of God, even the order of man or the body that become one. It is Gentile and Jew, it is male and female. It is righteousness and justice, heaven and earth. The apostolic order leads forth the true bride to true worth. The spirit and the bride, the true witness say come. The true bride is the apostolic order that testifies.

## 1.0 Melchizedek

**[07/18/2010 9:40 AM Angel]**

**Lewis:** Something about freemasonry. *[Paul deals with this]*

Are you bored of milk? Have you had your fill? Are you bored of the factory process? Do you want your cow and eat beef forever more? For this is the meat of my Word. I will give you meat as you meet with each other and with me for behold I am in your midst. I bring a strong arm, the right arm of the Lord is here. He tends to My people. He brings long awaited provision which has been stored up for a time - for only a mighty arm can release what I have for you.

Come and dwell in the tent of the King. I've laid awake for the heart of My people. I've set an ambush for My enemies and I will strike at the appointed time and I will fight so that they do not have to and you will reap their treasures. [Is this Gershon?]

Prepare for acceleration for what once flowed will now fly. I've woven together a mighty tapestry and I've threaded you together today for this group of people will hear what has not been heard before and at no time on earth have these things been spoken, on no place on earth have these things been shown. This will be a great reveal. Are you ready for show and tell?

Remember his is a gift and I give it out of grace. You've done nothing to deserve it and you have nothing that you can buy it with. Freely I give. So freely you give. This is why it is show and tell. Learn what you learn. Learn what you learn. Make sure you are learned to show yourself studied and approved. Not approved by man but by God for He is the one who anoints but it is man who appoints.

Where are my anointed ones - those who carry My presence to reveal the mysteries of the living God. You were born for such a time as this - not that you would be proud but that you would shout aloud for you are all evangelists and My bride needs saving too. For though I've pulled her out of darkness and set her feet upon a rock, still she does not hear My voice.

Still she grieves My spirit and leaves Me lonely. For I desire My bride above any other. She is My royal priesthood. But she delights in wickedness but now I give her cough syrup and I spoon feed her that she would be made well. Have you not noticed yourself coughing ? This is My Word. This is My ministry. For not all ministries are My ministries though they carry My name. The people declare, 'This is God' but I am nowhere near them -for I do not draw near to wickedness. I oppose the proud but I lead the faithful into rest and the obedient I exalt.

**[For Paul]** For you have borne My name with integrity and you have exalted Me not yourself. I will give you the desires of your heart. The strength of your youth will be restored - for I have led you into rest and brought you into calm and I've been releasing peace after peace but you would not strive.

For My purpose for you is greater than you have perceived and spreads further than you have believed. If I can place you in the dreams of people shall I not provide what you need? Your enemies will be made My footstool - for I will remove the blindness off their eyes, take the veil of deception off them.

They will apologize to Me. When men sin against you they sin against Me. By coming against you they have placed a curse on themselves. My mercy is extended upon them and My grace

and love extends to them. This is why I tell you to guard your words. As you are My child so are they. I have My favorites. I have lifted you up because of your obedience and I am not a man that I would lie. I have spoken to you deep truth that not all could understand, that not all could receive - for I love you Paul. I love you Paul.

## **Melchizedek**

Paul: Eph 1:15-23 Our praise is different because we know Him better. Someone like Paul Knight who studies and writes music will appreciate a symphony at a totally different level than I would. As we know Him better, our wonder at the universe He created grows. As we understand the spiritual world better we understand Him better.

We are going to start with the most complex revelation we've ever had.

Heb 5:14. The Lord gave me the revelation on Melchizedek in March. It feels like radiation moving up. I feel the intercession of Melchizedek. I feel the prayers of Jesus as Melchizedek interceding as High Priest. In my life, this is the big deal.

Book: "The Order of Melchizedek"

If we partake only of milk we cannot partake of the revelation of Melchizedek. John Wimber said, 'Jesus only did what the Father is doing.'

We need to know what the Father is doing. Whatever He did worked and His disciples said, 'Teach us to pray.' We want to do what is working. When we feel Melchizedek in prayer sessions we wait for the intercession to complete – could be 10 minutes to an hour and then we proceed. The key is 'What is Jesus doing?' He was interceding so we stopped. Now there is an angel. I say, "Lord please interceded for Donna"

**[Angel: 10:57 am]**

**Raylene:** I'm opening new heavens to new realms, higher ground, higher levels. Things will move faster - more revelation, deeper truths. I'm uncovering hidden places. I'm uncovering ancient ways, wells of righteousness will rise up and fill the land. This will be a holy place. I'm sending help for you do not labor alone.

Do not lean onto your own understanding but move forward in Me. Come out of disbelief, doubt, fear of man. I call you and tell you to go forward. As you go forward I will go with you. I'm making new pathways and new portals they will be like subways into the heavens - rapid acceleration rapid identity. But fear the Lord your God. Do not be afraid what man can do to you but have a whole new reverent love and fear.

**Michael:** Three images. Nighttime with moon rising. The moon is taking the place of the sun shining blue instead of the sun's light and becomes the new sun, wheat blowing to the west. Burnt area after the wheat that looks like it was perfect scorched, tainted land.

*[Seven Spirits of God.]*

**Dale:** From the east to the west I've opened up the floodgates. New streams from the East Coast to the West Coast, from the South to the North, from the North to the South, from the West to the East. I see this line going all around the United States. I will blow My wind on this place - fresh winds. That which was desolate will be replanted, renewed and restored. New life, new seeds even now are being planted and it will sprout up. For the harvest is coming.

Are you ready? You are harvesters. You are the reapers. It's a wave. Catch the wave. It's a fresh wave, fresh water. Pollution is being blown away even now - pollution in disguise. The wind is blowing even in the airwaves. I will blow My spirit on the airwaves. There will be expansion. Radio towers all around the US.

I have not forgotten you. I have not forgotten your prayers. I have not forgotten your forefathers. I will reestablish this nation as a nation under God. You will be a lighthouse. My word will go out from this nation to other nations. Expansion - tent pegs are being pulled. We are connected. There is a net connected from here all around the globe - India, South America.

I have a very big heart and My people will hear My word. As one people I am drawing them to Myself. This is a crash course, a crash course of expansion. You will take the air waves. You will spread My word all around this world from this nation to other nations.

I've called you all here because you are part of the process. This is the great assembly. We are not alone. The godly spiritual beings are at the table with us. There are many more with us. The horses are being released to run together - to fight, to battle, to deliver, to gather. They are coming from all directions, north, south, east, west - for you will prepare the way for My coming. You will prepare the way for My coming.

You will make a way and even this week you are going before My people. You are the forerunners preparing My people to know Me. This is My heart's desire - for them to know me not only in intellect, in logic - but My heart and to see My tears which I have cried for them, how I have wept for them to bring them back to me.

*[His tears are going into a stream and the stream is flowing from the east to the west. It's a pure stream and it has the ears of the Lord for this nation and for His people and He says]*

I have gathered you here for My heart is very big and My table is very big and I want all My people to come to My table for I have prepared a banquet. Trumpets blasting - clarion call for people to gather. Come. Come. Come. Come to sup with the Lord. Come for the Lord is coming. Make preparation for the Lord.

This is why you are here to prepare the way, to take back the land, to strengthen the nation. You will stand as one nation united under God, indivisible. You will learn what that means. You have never known what means but you will learn. And I will connect you in the heart. You will open your heart toward me and toward one another and I will teach you how to open your heart this week, to become connected in the godly constellation and you will shine like the stars and do divine exploits for Me in the last days - for the scrolls of Daniel are being opened.

Cast your nets into the ocean. Cast your nets into the sea. Gather the fish I will bring them into the net and you will gather them in – different colors, sizes, smells - they are all My people and I will bring them to you and you will receive them as your own. Even the least of age you will receive because My heart is very big and I have a very big table and you will bring them to My table to eat.

*[I'm being attached even now to the land. My right toe is being attached to the land.]*

I am grounding you. You will be grounded this week. I am grounding you. I am being attached to the land.

*[The Lord has been talking to me about red dirt for a few years. It is very significant. I had this vision where I was with the Lord and I was pouring this living water into cups held by people of different nations.]*

*[Judith Ann saw the cloud of witness confirming the word: Abraham, Oral Roberts, and Katherine Kuhlman.]*

**Raylene:** The Lord gave me more revelation about Michael's vision of the night with the moon shining. I am calling you to take light into the night. Work while it is yet day but the days are short and you will work into the night. I am calling My children to take back the night. I am giving My children the ability to sleep fewer hours. I will shine into the night and make it as day for you.

**Paul:** Can you discern Jesus as Melchizedek which is His eternal Radiation or movement up.

**Lewis:** A vacuum cleaner on my head.

**Dale:** Pressure all around my neck and head and movement going up.

**Michael:** I am metal and there is a magnet above my head.

**Paul:** When we are ministering and we feel Melchizedek, we stop and wait. This is all very practical.

**Paul:** I heard iambic pentameter at one time. Someone translated this as, 'New realms, new realms, new, new realms.' I feel oil and we are in another dimension. We are in the Depth.

Gen 12 – call of Abraham. Gen 13:14 – Lot sees that the land around Sodom is better. If you get a good prophetic word you hit the dumpster afterwards. So there is war in Gen 14.

Sodom = prosperity and wickedness. Everything good in terms of finances but total wickedness.

Just before Melchizedek shows up, the enemy comes to play his last card. The Melchizedek revelation comes to Abraham, David and Hebrews. The blessing comes at the point of victory (Gen 14:20). The tithe was given pre-law. Melchizedek was eternal Christ in His function as High Priest. Gen 14:21 – is this to do with dissociation?

Gen 14:22 – the first fruits belong to the Lord. We are trying to take for ourselves the wealth rather than waiting for the Lord to do it.

Psalms 110: Victory over your enemies is the context of Melchizedek. If we are getting the revelation of Melchizedek are we getting victory over our enemies? With this revelation, after a prayer session, it only takes minutes for me to stop feeling the deliverance.. He is the King of Peace. 'Lord please will You intercede for me? You are the High Priest. You bear this for me.'

I believe this is the Tabernacle of David. It was in a tent and everyone had access to it. Is this the tent of meeting where Moses had direct access to the Lord?

David understands that he is king and priest although he is from the Tribe of Judah. Melchizedek is king, priest and prophet. It is time for us to step into the order of Melchizedek.

Hebrews: Chapter 4 is about entering the Rest and then God says 'We have not entered the Rest yet' and then there is the revelation of the Order of Melchizedek.

Heb 5:1 One of the emails we get is 'You should not be charging for ministry.' This is all about the Greek mindset which has roots in Hinduism. The central lie of Hinduism is 'The spirit is better than the flesh' which is the Greek mindset. The attitude that the spiritual is better than the physical.

Everything we can do comes from God. My gift is not more important than anyone else's gift. There is not a spiritual world and a natural world. Some of us work in the secular world based upon the gifts that God has given us. I do ministry based upon the gifts that God has given me and we get paid for it.

Melchizedek is a king and a priest. He operates outside the Levitical system which the Church is still stuck in, 'You must be stuck in temple or Tabernacle which is now the Church.'

**Participant:** Sees quarter note before Paul.

**Paul:** King and priest – political and spiritual which is really the old order. The people said, 'We will not go up the mountain'. They refused God's offer to them to become kings and priests.

Heb 5, 6, 7 Hebrew mindset is through wisdom and revelation of God and the Greek mindset through logic.

**[1:51pm]**

We are finally at the place where the Lord wars for us.

John 8:54 - 58 – the whole passage refers to Hebrews. Melchizedek's eternal function as High Priest intersects in Jesus as man-God. Melchizedek is the High Priest function of Jesus. We think Melchizedek is in the Height. Width is he place of faith. Fallen Width is Doubt and Unbelief. You cease striving in the Rest.

Sailors would hit the doldrums off the Coast of Africa where there are no winds for 6-8 weeks. If the wind of the Spirit is not blowing, we don't do anything.

Romans 8:24-27

Eph 3:10 - arche

10 Rulers around Table of Shewbread. Jesus as Melchizedek is at the head of the Table. One Ruler seems to have the function of evangelism. Staff on the right.

Psalm 23. Vs 1 At this table there is nothing else that I need. Vs3 – Rest, peace (King of Salem), King of Righteousness. Goodness and Mercy are Rulers. Goodness on Left, Mercy on Right. Melchizedek leads us in the paths of righteousness for His Name's sake. He prepares the table. The enemies are kept at bay. We are always moving into the Holy of Holiness because Melchizedek is leading us there.

Urim and Thummin – breastplate of righteousness. This is turned inward because we make all the decisions. It is 4x3 (tiled) and should be corrected to 3x4

### **Fiery Stones**

Ezekiel 28:11-19

Stocheia are the living stones. Fiery stones are basic building blocks of universe – protons, leptons, neutrons etc.

Vs 13. In the Hebrew every one of them is set in gold.

These are the jewels that make up our spirit. The Lord never released the three missing stones in Eze 28. The enemy has 9. What happens at salvation? As the Lord cleans the parts of the spirit that the enemy has.

Borg is in the upper RH quadrant. We think the Lord has the stones of the Tribes on the East. Judah, Issachar and Zebulun are on the East. We need to get back to the East Gate.

Our spirits are created in heaven. On the way to conception we are accosted by the enemy. Fear may enter in and a promise may be made and things may happen. As it says in Hebrews, the greater covenant with God overrides the lesser covenant with the enemy.

Job 2 (The sons of God) Is it possible that the original fall was with the Sons of God who were given authority in creation.

The stone that the builders rejected has become the chief corner stone. Is it possible that the builders are the Sons of God? They may have been the first creation of God, having delegated authority. They've contaminated the DNA of man – the impermeation of our DNA with evil. All this seems to be coming into play in the ungodly Depth. Satan was given authority over the fiery stones. If the Sons of God rebelled against God, they need Lucifer since he has authority over earth.

**Paul:** The sons of God may have been involved in the creation of realms. The goal is to supplant God.

**Dale:** My dream was very disturbing – looking through the eyes of the enemy – about the mirrors – the ocean on one side. If there was a glass wall, reality was in the depth and on this side was a counterfeit. The Octopus Garden – the sea of dimensional shifting – waves to and fro, in and out, sequences and shifts, the highs, lows, depths, widths, a mirroring, matching, shadowing, electrical impulses. The wall was a force field separating the two. Hear the sound, feel the wave, the hum of vibration. Broken pieces of 8, fallen structures based on 8. Broken pottery. In one moment I blow to the ground to scatter the master manipulator duplicating my creation twisting the DNA strands.

**Paul:** I feel the intercession for Melchizedek.

**Daniel:** We are sitting with the client and the messenger angel shows up. I appeared naked in the center of a deep, circular, huge, dark room with several thrones in the front. I saw the representation of the fallen sons of God sitting at the throne and they came around me in a circle. I transformed to be the client back and forth. Circle of ravens flying around and I was connected around. They explained to me in detail that what God said to us is a lie, that we ourselves have our own powers. They offered a huge amount of treasures, worldly goods. I had come from the Kingdom of Heaven. When the spirit transfers into the human body, they try to stop us. (Gen 3). Same lie as in Genesis. The giant arm came out from the top. The pressure was so strong on my head, I was in a very deep place. The ravens spread out. The arm struck and the fallen sons of God scattered into the darkness.

I dreamt that I saw several spirits some of which were making covenants and some were threatening to kill people. The connection of SRA, DID, abortion was their way of making sure that our original agreement with God is broken. If we say no, the next set of assignments is to try to abort us.

**[Scroll: 3:59 PM Angel]**

Heather: This is the angel of Aslan's Place. 6 weeks ago I was interceding. I saw circles interlocking of angels. The Lord desires for us to be at rest in this season. I got a giant scroll this morning for Paul.

Do not be deceived. I will not be mocked. The enemy is defeated. Each of you that is connected to Aslan's has gone through warfare. I'm taking the Church this way, deeper warfare. The

enemy is going to be bringing more warfare. My angels are with you. My angels will not leave you.

[I'm seeing that when you move, the angel expands. IT is for world wide domination. A phrase that has been taken out of the canon. For over two years now the Lord said, 'Things have been taken out. That you have a connection. When those things are revealed, no more will men talk about you or look down on you but they will come to you for help. Doctors, lawyers, ministers, leaders. They've been hidden but I'm going to unlock it. The canon was done to please man, not me says the Lord. You know about the scripture.

: I honor you Paul says the Lord.

Heather; The enemy has tried to make me come against you and I've refused. You are not perfect in man's eyes but God uses imperfect people to do perfect things. So I pray for you and I honor you.

I saw you standing in the similitude of Moses and Persis in the similitude of one of the kings that brought gold. I understand it now. This is a serious time saints. Don't come against people. If you see something going wrong, pray for them. No matter how people treated me I would say nothing but now I started doing that with John. I abhor biting each other and breaking each other down. When we gossip about each other we are biting a part off someone and being pulled into a doorway. We are taking on someone else's position and job that we weren't called to do.

Daniel:. Job 11:13-19, Job12:22.

He cuts asunder the cords of the wicked. The only thing that Jesus was amazed by was disbelief. He cannot believe that we cannot believe.

John to the Seven Assemblies in Asia. And formed us into a kingdom of priests to God.

Participant: The seal of Daniel has been opened.

Daniel: There is so much more He wants to show us. We have the perfect covenant and more. The Word declares it.

Paul: This is the face of revival – the first fruits of revival.

Heather: The Lord told me that He was birthing true righteousness in school

## **2.0 War, Depths**

### **War**

***[07/19/2010 9:40 AM Angel]***

Heather: The Lord told me that He was birthing true righteousness in school

Paul: It is now war. The Lord has declared war.

Psalm 149:

Raylene: I've looked around this morning and I see the feet that are hurt. Don't worry. The horses are ready. You will not be foot soldiers any more but horsemen.

Psalm 45, Jeremiah 50:6-10

Dale: The Lord woke me up and said, 'Blow the alarm.' Joel 2 "Blow the trumpet".

Daniel: Recurring dream in supermarket. TDJakes shopping with his wife. I went over to him and apologizing for typecasting him. He said, 'I've abandoned the faith'. His shopping cart was full of frozen pizzas. I sensed the Lord revealed that the institutional church is crumbling. The men of faith, no matter how they've fallen – the Lord wants to bring back. He ran from his frozen pizzas (junk food). He was crying out for redemption. On my drive here I couldn't stop saying, 'His kingdom is coming.'

Becky: Dream in the second heaven. They were sounding their alarm. A lot of chaos and confusion in second heaven and trying to figure out what we are doing specifically here.

Veronica: Last Wednesday Melissa couldn't sleep and saw this thing with silver head and blue body. Someone was astral projecting to look at my dreams.

Paul: I feel Melchizedek interceding. Eph 4:11-13.

Becky: We've been clearing out trash in houses. Get rid of the old that has weighed our joints down and makes us tired. Getting rid of our own stuff wore me down even if other houses are much easier.

Paul: Sometimes Donna is symptomatic – authority is in the shoulders.

***[Angel 10:08 AM]***

**Lewis:** Stop blowing your kazoos. Stop playing at war. This is a time of trumpets, a time of true war and I bring separation to set you apart not letting you be divided amongst yourselves. Be united in purpose with those who understand, with those called to war. My people are treating Me like Aladdin's lamp and only let Me out to declare their wishes.

*[There is astral projection]*

**Paul:** Elijah is here

**Lewis:** I will be incubating a remnant. And in this place of warmth and safety I've been cooking their hearts so that impurities will rise to the surface and I will skim them off and now I stir in

the deep and I will bring a mighty torrent that will envelop My people. They will be overtaken by My presence and the breakthrough will go before them.

Who goes to war without their God? They are foolish for this is also sin. To war without me - it is folly. Those who are in folly will go down to the grave. Those who seek wisdom will be lifted up. *[I get Prov 8]*

Do not go to war unless you are anchored in My presence – this is your firm foundation. For the tide of the enemy has come against you. Now I'm using you to turn the tide against the enemy. There is the secret the Egyptians understood about war – that secret I will release to My people. And the Russians knew what it was to war in winter and you will need to fight in all seasons.

Do not think in the season of rest there will be no warfare. The enemy will seek to steal your rest. This is why My son expected fruit from us even out of season. I'm releasing eagles and they will lift you up and enable you to fight from the skies - that you will not be bound upon the earth. For when you intercede on the land you are subjects of the land but when you intercede from the sky you are not bound. You can fly where you choose. Fly to redeem the air. Fly above the snake line.

Come into My plumbline. There you will receive a sign. The victory is divine. You cannot win by yourself. You can only win with Me. Take yourself off the shelf. I am not done with thee. For that which is old I am making new. For where there was no resolution I am bringing resolution. Where there was darkness I am bringing light. Where there was evil I am bringing My presence. You are light in darkness designed to shine. How will you fight the darkness if you do not have the light? For the rod on your back is a lightning rod. It connects to My power, to My suddenlies.

For I come all of a sudden - so be ready. Do not be a foolish virgin. Have your house in order for the day is very short and the night is very long. The great exchange is coming like a whirlwind. From the highest heaven to the lowest depth My name will be known. And your names will be great in the camp of the enemy for they will fear you as they fear Me for I have chosen to inhabit My people.

Do not fear the enemy for they fear you. Do not fight unless I lead otherwise I will not be with you. How will you defend without your shield? How will you fight without your swords? For the Sword of the Spirit is the Spirit Himself and He only does what He sees the Father doing - so if you do not go where you see your Father go you will be without resource and if you go where I do not go you will be without resource.

Guard your sword upon your side. Walk with Me side by side for I am raising up a mighty army and the enemy quakes before them - for I have made them dreaded. These are the dreaded ones. They carry the dread of the Lord and it is deeper than the Fear of the Lord for if My people should fear Me the enemy should dread Me because I will bring about their destruction and they know this is true.

As I release My dread upon my people and they walk upon the land it will cry out, it will tremble before Me - for this is how Joshua walked. For this is not a Joshua generation, nor an Elijah generation. This is a generation that has never been seen. This is a generation of Sons - for Joshua did not walk as a Son neither did Elijah. My son walked as a son. Why have you focused your attention upon others other than My Son. Will you not seek your sons and daughters to be as My son? Why limit them to Elijah, Joshua, David? These are but labels that confine My people.

Again My people have allowed their eyes to shift, to change their focus and instead of looking at My son they look to others. This is idolatry. Why would you model yourself on anyone other than My son - for He was the only worthy one. How can you do greater things when you are looking to the lesser? Fix your eyes upon Jesus - the author and finisher of your faith. In Him all things are created, all things are sustained.

**Caleb:** I had a vision. I could see all your swords. Every hilt was different – some were gold, some silver. The swords were not made of steel but of diamonds.

**Paul:** This is going to be the Jesus generation.

## **Depth**

**Paul:** Romans 8:38 – they are all created things. Psalm 139:15

The Lord taught us that the enemy has captured places in the Depth. Parts of the soul can be imprisoned in Sheol. The mind might be in the height, the heart in the depth.

At some point you agree with the lie and you get put into Sheol, the pit which is depression. As soon as you let your emotions be affected (your soul) you can be put into Sheol. Sheol is a place of no thanks, no

praise and being disconnected. Praise leads one out of Sheol. Psalm 16

Psalm 116:3 We are in the Dire Straits per Chuck Pierce's word.

**Participant:** Unforgiveness is a place in the Depth.

**Raylene:** Here is a giant clock like on the Big Ben. The hands are moving the clock to synchronize the clock. We were 15 minutes behind. God is putting it back so that there is no advantage.

**Paul:** From generation to generation He is faithful.

### 3.0 Eyes of the Lord, Stars, Revival

**Paul:** You never touch anyone without asking them for permission. You can say, 'Do not do this to me.' Never say a person is healed or delivered. We can say, 'Let's wait and see.'

I go through brain waves and when I say their names I can tell what is off.

Say 'Alpha low high' Alpha waves may be too high. Lord readjust the alpha waves.

Physical problems can have spiritual roots. People with Alzheimer's may have a ring around the head with the doors opening out. In the dimensions the information is being taken from the brain – the memories passed from generation to generation.

Heather sees four doors on the four sides of a circle.

Psalm 88:12 – Alzheimer's? Psalm 88 seems to describe Alzheimer's

A prophet once told me that my future was not in front of me but behind me. My future was in their present. The timeline was taken back.

**Prayer:** Lord Jesus if anybody in my past through evil practices went into the future and stole my future and took it back into the past so that an ungodly timeline was established, I now renounce that and cover that with the Blood of Jesus and I lay claim to my future and I take it back and Lord please bring it back through the Blood of Jesus and sanctify it. We demand a seven fold return of everything the enemy has stolen.

The deliverance is coming off our DNA. This is why we never reach our potential. Lord please remove all ungodly sounds, vibrations, colors and frequencies and we take back all anointings and giftings and birthrights stolen from past and future generations.

**Becky:** Lord we ask that You would give us back our full DNA song that You sing over us and that our DNA sings to you.

**Paul:** It is the nine jewels that the enemy has stolen. These are the strands of the DNA.

Beta, gamma, alpha, theta, delta. Something is different about Alpha. The Guardian is like a Dragon guarding the gate of the cave. I believe that the White Stone in Revelation is the thirteenth stone. Rev 2:17

**Mary:** Combination is 13 to the left, 25 to the Right, Left is 17

It has something to do with finance.

**Jana:** Alef Gimel = 13. Bet He = 25

**Dale :** I saw a cave, a dragon in the front of the cave. The dragon was asleep and I walked in and there's cubes which were shiny jewels. One was shiny white and I got it for the boy [I was praying for]. The cube became an ivory chess piece and I put it in the boy's DNA.

Stoichea – the Greeks didn't separate the physical from the spiritual. Greek philosophy, mathematics is all about stoichea. Col 2:8. Stoichea means foundations – 1,2,3 or A,B,C. These are the living stones or maybe fiery stones. Philosophy is understanding the spiritual roots of everything. Stoichea is about 8s. The first day of week is the 8<sup>th</sup> day. Chessboard is 8x8.

Checkmate comes from Persian word 'to kill the king'. When the lunar and solar calendars match every 8 years, they'd sacrifice the king perhaps on the spring solstice. (Goddess Car) Is the octopus the control center?

Dale's word: Parts need to come from upper right quadrant to lower left quadrant. Treasures of darkness are in upper right quadrant.

We are to travel from lower right quadrant to upper left quadrant. We live in lower right but we can go to upper left.

Job 38:1-7, Judges 5

Seven colors of rainbow, seven eyes of God. We are connected to each other through the seven eyes of the Lord.

Pro 15:3

Janie Seto [belovedgrace@gmail.com](mailto:belovedgrace@gmail.com) 408-476-6257

**Daniel:** The dragons cast out a third of the stars. The fourth quadrant may have something to do with this. The dragon may have taken an entire quadrant down. We reach ungodly depths through the stars as well. Part of us may be connected to the stars. I think the Lord wants to disconnect this quadrant from us.

2 Pet 1:19.

**[2:02 pm Angel]**

**Dale:** He is raining revelation over the sons that reign and he is the Lord of Hosts. He is releasing His stars His constellations to fight. Rise up. Rise up My warriors for you carry My word. You carry My light and you are connected to the light source, the Morning Star and you will rise higher, higher, than the enemy and from that position you will look down into battle

from the stars. My stars lift you up you to travel on the light rays of My stars. You go up higher to traverse the light rays to My stars, My godly stars that are connected to Me the morning star. You are connected to My constellations for have I not formed the stars, have I not put them in their places, have I not aligned them will I not do that for you? Will I not put you into your proper places, connected to Me, connected to My light, My stars?

*[There is a big key in my hands.]*

We are to travel on the light and go through the Morning Star to the King of Kings. The key is somehow enabling us to go into the heart of the Morning Star, into His light to drink of His life, to be energized by His light. Time travel - as you travel through light. You can travel through time - forward, backwards and yes, your timelines will be healed in the future in the past. Why do you limit Me ? I am not linear. I am beyond. I am King of Kings, King of the universe and I call you to come up higher and to look from My perspective.

He is releasing the stars that war, arrows to fight. Here is an expansion . I am calling you to expand that heavenly quadrant to take over ungodly quadrant. I call you out of ungodly quadrant and say 'Come out. It is time to take reign over that quadrant.'

The Lord is throwing things out of this quadrant. They are being tossed. Lord we come into agreement with whatever you are doing. He says 'enough is enough'. You will rescue My people. You will lead the rescue of My people. Paul you will lead the rescue of My people from this ungodly pit, from this ungodly place, this ungodly quadrant.

Its time, its time. No more delay. Its time. He is ripping open the heavens.

*[Paul: There is a deliverance coming out of the skys]*

**Dale:** Its the rain of His blood, the rain of the Blood of Jesus.

**Paul:** It is the quadrant that has been inserted. That is the ungodly sound. It does not belong.

**Daniel:** This is where they are building everything. It is all counterfeit - where Nimrod went.

**Dale:** The ungodly structures based on eights. It is the pyramids. It is the Tower of Babel. I'm rescuing My people even in generations past because here there are parts. It is in the timeline. I'm rescuing My people from ungodly timelines.

*[Dale starts making a square with her hands in the air repeatedly for which seemed to her for 20 min.]*

**Paul:** I feel the solar plexus eye strongly.

**Dale:** Lord would you close the third eye? Instead of a pyramid, I'm building something new – a different structure. It is a new structure

**Heather:** I'm building my temple upright not sideways.

**Dale:** My temple will be built on Mount Moriah for the enemy tried to sacrifice. He is taking away ungodly mirrors, the counterfeit. Parts of the DNA he is taking away from the time of Babylon.

**Heather:** The Islamic structure that is in Jerusalem.

**Daniel:** Karen, you represent what God is doing in Hollywood. Paul, [take back] what the enemy has done to the Levites. Raylene, you represent intercession.

Righteous anger. Melchizedek will deliver the studios, the actors. Hollywood will be holy.

*[Dale goes into intercession and births a baby – a very long scroll of revelation for the end times and for the school that she places in the middle of the room for people to receive]*

**Paul:** The Lord took us out of the ungodly quadrant into heavenly places.

**Daniel:** Where Joshua forgot to ask for godly counsel, Jesus waits on the Father.

**Mary:** Nations will fall in a day.

**Lewis:** For this is where you will stop on the merry go round, trapped on fake horses, reasoning as children, playing children's games, never advancing but going around in circles. This day I raise My banner. I'm bringing My bride into adulthood.

*[Lewis is spinning his arm in a wheel.]*

**Lewis:** Studying is not enough. Knowledge will not give you victory but experience will. Your knowledge has become eclipsing of the sun. I will not allow a total eclipse for I am sending forth experience to My people that their knowledge must be applied. Wisdom is applied knowledge. You have stayed at the door of knowledge and not moved to next house of wisdom. Knowledge is not just information in your mind but wisdom releases knowledge for this will be the manifold wisdom that I will release through My church.

You thought it would be good to be scholars. What good is reading a scroll if you don't eat it and let it become part of you. This is how I write My word on your heart that you will live your life worthy of Me, demonstrating Me, experiencing Me rather than just knowing Me - for knowing will cease and you only know dimly. What does it benefit a man if he knows all mysteries but not how to use them. Who will he help? Who will he save? What will he grow other than his pride?

*[Lewis stomps on the floor.]*

**Paul:** This is like an Indian war dance, a Maori war dance

**Lewis:** Do not look to the left or the right. Now I sound a war with a trumpet in all directions, up in space, down in space. All is mine. Even that which the enemy tries to create I have dominion

over. Who gave them the power to create? Who gave them permission? Was it not from the Creator? So I will tear down.

You have heard that Satan cannot create and this is true. But the Sons of God can. You are Sons of God too and I will use you to create. Pull down creation – not my creation, their creation. Before the foundation. Do not limit yourselves. Do not limit me - for I have dominion over all things and I am before you and I support you and I give you all I have. You have dominion also over all things that the enemy has created. I am expanding your territory. I can see a gun pointing at my head – someone trying to threaten me. *[Prayer for Lewis]*

**Paul:** Ball bearings are being given to us.

**Lewis:** We are to be holy rollers.

Holy joints, incorruptible joints.

**Lewis:** When I was stomping, I felt like I was in a big army like in the Roman army and have shields on back, side, front to create a shell through which the arrows would not pierce. That is what it felt like.

**Heather:** Two nights ago cherubim showed up with a silver plate in his hand. I got a huge gold disc which said, 'Time'. I saw other gold discs which said, 'Color', 'Space', 'Eclipse'. Across the room a huge gold one 'Money'. In between was a black one which said 'Rubbish' God said 'You need to figure out the discs'. They were all scrolls. Something ungodly was holding these things that were ours. The ox cherubim represents the wealth and pure intercession like Elisha – pulling 12 oxen. The ox took the stuff back up for protection because it is for My people.

**Ann:** I'm pouring it out. I'm pouring out My spirit.

**Dale:** Yesterday I went into a scroll room and scrolls were just everywhere. I went into labor and the starry host were singing over the baby that was being born. The baby is for the school. The scroll is revelation.

**Paul:** It has something to do with the offices.

*[Discernment of trees on Veronica].* Zech 4:

We each have a lampstand in front of us – the Seven Spirits of God.

I feel electricity coming out of the powers.

New spiritual being on Paul's left shoulder – the pillars of wisdom.

Jana and I were ministering to someone and got revelation of he hieght. Wisdom is in heigh, faith in in he width, soul is in he depth. Powers are in the height.

Prov 9:1 Justice, truth, prosperity, understanding, righteousness, favor, knowledge – seven pillars of wisdom. We are to be in the house of wisdom.

**Paul:** The foundation of the chessboard is the 8x8 grid. You stand with Melchizedek on the chessboard. We got put on the foundation that wisdom has built. It is a cube in a cube in a cube. I think it is the Holy of Holies. It is a dimensional grid. It is multi-dimensional chess. This is a world wide power. This is the Righteous Power established in the grid. It is the righteous web. It is a power grid.

**Dale:** It is the New Jerusalem.

Prov 8: Height was created before the Depth. You have to go through the Host to the Depth and the Height. This power controls the electromagnetic fields of the earth. The Lord is releasing electro-magnetic power on us right now. Tangible electrical power – a new kind of anointing so we can lay hands on people and the electromagnetic fields will be corrected.

**Jana:** His eyes are looking. They are going back and forth throughout the earth looking not at the outward appearance but at the heart to see the hearts that are perfect before him. He desires to have a people He can look at and honor – whose heart is true before him that has the desires of His heart in them.

He wants to give the secret and hidden things that were written in days of old but were held back. Even those who wrote the oracles said, 'Can I have what is said?' It was not the time then but He desires now to give them to those whose heart is ready - for the time of the end that His people need.

The grids that we've been talking about are not just grids but are nets to catch the fish. Everything that He is doing we are to take and work with those nets and bring in the fish. His heart is big. He has room for everyone. He is not willing that anyone perish. He desires that each of us takes what we've been given and received to bring in the fish that they might do he same.

**Raylene:** Grid is supernatural fumigation of the defilement of the earth.

**Thomas:** Everything this side of Mississippi is called Western Grid. There is a 800000V line running from Canada to Tijuana and grids pulling off that power.

**Paul:** I discern the ungodly Melchizedek. I feel the Stop Sign when moving toward person but not when moving away from him. Brother hating brother or disunity. There is an ungodly table behind him.

**Daniel:** The bat is breeding in us. The unholy 'Be fruitful and multiply'. Cocreation – we choose to cocreate

**Heather and Paul:** There is ungodly communion – the bread and the wine.

**Dale:** I got the word 'You worship the Hollywood stars but in one day I'm going to take them down.'

**Paul:** Lord please remove all ungodly tables, bread, wine and staffs from My generational line.

**Josiah:** Harvest on our farm was supposed to start on Monday or Tuesday. I had a vision of a combine. The engine and threshing machine was running but not the header. The header started working on Wednesday.

**Karen:** Yesterday the Lord was fast forwarding me. Hab 3:1-4

**Dale:** God is building a foundation. We put in rebar in the foundation and pour cement and built a church. The Lord was building upon the Apostles and Prophets as the foundation, as the grid. God is building a new foundation, taking away the old foundation.

**Thomas:** Jeremiah 1:10 – taking down one grid and to build the new one.

**Paul:** Eph 2:20, Zech 4:9 (the foundation may be the grid) The word stone in Hebrew is eben and can also mean wheel, disc.

I have been awake quite often during the nights and I think Paul will be carrying GREAT authority to Singapore, I keep seeing whirlwinds and clocks hands going very fast, but I cannot determine which way the hands are going, it is almost like they are so fast, I cannot tell. How exciting! so I am very anxious to see and hear what happens. MAY GOD BLESS YOU AND KEEP YOU, WE LOVE YOU ALSO. Denise"

Here is a word about the grid.

**[October 19, 2008]**

**Andrew** : Courage, courage my son. For the times and the seasons will begin to unfold as MY glory rises up from the well . You must yet mine the wells and you must get deep wells. In fact all of You must have your wells dug. You must want the excavating work of the Spirit in your life. For at the bottom of the well is a scroll and a path that goes deeper. Even as you would mine that well and beyond that is another corridor and ancient path. My people have not walked this path before. You are travelling on holy ground. The well I dug in Canberra to flush up evil powers. The ground below that must be taken by you. Redeem the Land.

I will send powers to help you. Trees of righteousness, the planting of the Lord. Like power lines to set up a new grid, even around this city. For I would banish the power of the ley lines. And I would restructure the grid because I want a new voltage to flow. I am going to change the voltage and you are going to carry more power.

**Dale**: I've dreamt about Las Vegas for 2 years. I was in the desert and I was one of 4 intercessors – Paul was there. I needed to bring the autistic boy to Paul on the road to Las Vegas. I had to get the boy on the jungle jim. I got the word 5 world empires

Another dream was about my daughter - that she was getting married and saying 'I want to get married in Las Vegas.' I asked the Lord and He said, 'If she gets married in Las Vegas, she will have authority over five principalities'.

I believe the New Jerusalem is the Bride. Connection between Grid, The Bride and New Jerusalem.

**Raylene**: Karen and I were copiloting airplane and at the time we were coleading intercession at Aslan's. We went to Las Vegas first. **Paul:** Are people locked in time in Vegas?

**[Angel 11:39 am]**

**Lewis:** Prepare to be slingshotted, flung three times in space to a place where flowers grow easily, to a place where there is fruit and it is easy to grow - for it has been hard in the desert. It has been hard without rain so I've sent the rain and I'm bringing you to a place of rain - rule and reign.

Release the strain of the ungodly plane, losing the cords of injustice releasing strings on birthright. I'm unraveling the tapestry of the Greek witches so your timeline will not be a lie that you will not be woven together with those who are wicked.

I'm releasing a holy unrest, a dissatisfaction, a realization that not all is well for many have abandoned the truth in seeking green pastures for they thought it was greener on the other side [**Paul:** Sodom]. But they have been lied to. They were told the battle was over and instead of pressing on they gave up and denied their own hurt. They rejected their own pain and sent it deeper.

For you do not take out a bullet by pushing it deeper and covering it over and they are wondering why they are infected when they will not receive the healing waters of my spirit for my spirit heals and breeds passion and brings counsel. He is a Mighty Counsellor. For this they tried to sue Him, to make Him unlawful, place Him in jail.

I have been gracious and worked upon their foundation. I work within their regime, within their control for I am gracious and I am humble but I will be free and once again I will move in power that they cannot contain and though they can shut down one they cannot shut down an army. If they kill one, I will raise up two. If they kill two I will raise up four, if they kill four I will raise up eight. This is a new beginning. If they try to stop me moving to and fro throughout the nations

For no longer am I bound by geography. I am not bound to the earth, the earth is bound to me. I will walk across the earth in the hearts of My people. I am grounded in their hearts and they are hidden in mine - heart to heart, face to face, worshipping in spirit and truth - for I bring about a day of triumph and now it begins. [**Paul:** I feel elders. They are administrating this.] For as I speak, I act for My word will not return void

*[Lewis blows a shofar. He is casting seeds, using a sickle for harvest, he is separating wheat from the tares in a figure eight. He flies like an eagle, hovers over Las Vegas. He does an Indian war dance – dances on injustice, pulls out people from the pit.]*

**Daniel:** The first will be last and the last will be first. Las Vegas will be first and DC will be last. There was a mantle that was removed from Vegas – it was supposed to be the place of refuge. It has now been transferred to the Desert. Vegas has ley lines that are connected to the whole world.

**Paul:** Inheritances are left in Vegas.

**Heather:** Electronic transference of wealth.

**Paul:** The chessboard is called the trading floor in the Masonic.

**Dale:** Lord would you exchange the ungodly trading floor with the godly trading floor? Lord we ask for seven fold return of what has been lost and stolen. We pray for the New Jerusalem to be built on righteous foundations.

**Raylene:** [There is an] urgency [to this]. I feel that we need to ask for 100 fold return.

**Laura:** Lord we break the lines between Las Vegas and New York, San Francisco, Chicago and to other exchanges and we declare the release of godly wealth to your people.

**Dale:** We ask for forgiveness for Babylon, Medes and Persians, Greeks, Rome.

**Paul:** There is a stronghold being pulled out of the land.

**Daniel:** Samson breaking down ungodly pillars.

**Paul:** I feel healing now.

**Raylene:** Scales of justice. *[Lewis is balancing scales]*

**Paul:** *[Lewis is shaking]* Shake everything that can be shaken.

**Lewis:** Joseph is coming. Dominion rule is coming. Dominion must be taken. It will not be given. Take hold of that which Christ took hold of you for. We are no longer in the nursery but you still need to color outside the lines. Do not be limited to that which was drawn for you.

Be limitless as I am limitless. Be holy as I am holy. Be perfect as I am perfect. Can I not do all things through Christ who strengthens you, who intercedes for you? I am sending Perfection to My Bride for only those who don't believe the lie will receive her. For many have said Perfection is not possible this side of eternity. Where are you living? - for I have placed eternity in your hearts and I will write My law on your heart for this is the place that you live from – not from your mind but from your heart because you live from eternity, from the heavenly places.

You will not be perfect if you live on the earth but you now live in heaven because you do not live on the earth. You live on the firm foundation that is Jesus Christ who is seated on the right hand of the Father. You are not of the world but of the divine nature. You are in the world but not of it. When you speak, you speak limitation. When you prophesy, you prophesy limitation. When you rebuke, you rebuke limitation - for I am not religious but I do have my order.

My ways are not your ways, My thoughts are not your thoughts. I share my thoughts with you without limit because you are my friends. I see a blockbuster cart with DVDs and CDs – the revelation of the secrets that we are meant to get. It's got a blue velvet rope around it. For I will

instruct you in the ways of righteousness that you will walk in perfection, not stray to the left or the right, not slide backwards, that you would climb higher and ascend the Hill of the Lord - for who can ascend the Hill of the Lord – he who has clean hands and a pure heart and whose walk is blameless - for such a man walks in perfection.

My people must have no part of sin – in thoughts, words or deed. How can they do this without perfection? You have strived by yourselves and not allowed Me to do the work. As you look at Me and find My love, you will be changed. Many have said this is enough and it is but they have rejected all those whom I have sent to them and for them for their help, benefit, aid and strengthening for though they received Me and My Son they did not receive those I sent to them – the angels, seraphs, cherubim, Holiness, Perfection, Righteousness, Peace, Joy, Self-control, Humility, Mercy, Goodness, Strength, Might, Power, Love, Majesty, Founder, Establisher.

Paul: A double tanker truck went through parking lot with the name Cox on it.

*[Lewis offers Paul the double portion.]*

**Mary:** Rule in the midst of your enemies.

**Heather:** We are all wearing the multi-colored coats of Joseph.

**Paul:** Is migraine a place in ungodly depth? It's where the pressure comes from. Deep darkness. That which you gain victory over you gain authority over.

System theory – if you get all the employees together something comes all of them together.

**[Angel 3:57 PM]**

**Daniel:** 2 Chron 7:14

Humble yourself in the sight of the Lord  
Humble yourself in the sight of the Lord.  
And He will lift you up higher and higher and He will lift you up.

Prepare the way of the Lord, the Lord who makes your paths straight, the Lord who when He created all things saw wisdom Do not neglect the gift that is in you for by operating in that gift you will save both yourself and those around you.

You are in Mount Zion respected as holy ground. My love for you is written in every passage even in the symbol of the stone tablets for it is My desire to write into the depths of you, not the law as men saw but as only a holy priesthood can see it. What do you desire? For I am the Lord that gives liberally. Have you not noticed in My word that it says to create a new heart? Does it not also say (Jer 17:9) that the heart is deceitfully wicked, an incurable wound. It is because the heart is incurable that I must create a new one. I am ready to heal your land.

Make no mistake. When I speak and I mean you - for does the Word not say that He died once for all when I sway I stand at my threshing floor, I speak to you and I'm separating the wheat from the chaff in you. Do not be deceived. I am not only speaking collectively for I love intimacy with just you. You are a holy priesthood. You must, you must walk in holiness. I say this to warn the righteous. Did I not say to Ezekiel that I warn the righteous? Walk in holiness for it is in holiness that you will be grafted into the order of the priest king, of the King of Righteousness, the King of Peace.

Humble yourself in the sight of the Lord  
Humble yourself in the sight of the Lord.  
And He will lift you up higher and higher and he will lift you up.

**Dale:** It is a seal of agreement. Will you offer Me your heart so I can connect you to My heart? Will you let Me into your heart? This is how the new structure is to be built - with open hearts and connections and love, foundation of love, hope and faith and trust. I'm calling you to a higher level of faith, higher level of love. Will you let Me break your heart for what breaks Mine for the outcast and the lost and the poor?

I will create something new and it begins in you and moves out. It starts in each of you and it is moving out. Scircling in your, extending boundaries, tent pegs, extending forward, going out, to the North, South, East, West. Can I not take a nation in a day? Can I not take a city in a day? Why do you doubt Me? You will do divine exploits for Me. Yes I give you the cities and you will build on My foundation - the godly foundation.

What the enemy means for evil is being turned into good. The treasures of darkness are being released. I'm cleaning out that quadrant for a godly sound, a godly release to My people. I tear down the walls of Freemasonry. There will be a transfer of wealth to My kingdom

*[I see the scales]* I add your intercession on the scales of mercy on the side of mercy to balance the scales. It is because you carry My heart. I will open up the heavens over you and I ask you to carry My presence I ask you to carry My glory, stand shoulder to shoulder, arm to arm linked together and I call you Gideon's army.

Don't be surprised at small beginnings. What you do in a small place affects the atmosphere, the nation, the cities, the nation. Here's a shifting going on, new alignments. It is through your tears that I change a nation, hearts, cities, lands, rebuilding a new foundation, new temple, this is My Bride, the New Jerusalem.

This is the revelation. It is the revelation of kings and priests and you'll function together as a king and priest in the Order of Melchizedek. You will carry My glory, the Ark of the Covenant. Where I send you you will go into dark regions with My glory. You will take the land. You will speak decrees. As you speak I invade the land. I'm calling you. When you declare a thing it will be. When you speak My presence into a place I will come. Know the authority that you walk in and know your faith. Know your faith. I ask you to know Me above all else, My heart, My heart's cries and listen to the Spirit so you know where to go.

*[I see the grid getting higher and higher and higher It is growing. It looks like a diamond, like a blue diamond. It is a square.]* And you will shine. You are part of the structure and you are shining like the diamonds, My radiance - you reflect my radiance. It is not you they see but Me and you. Because I am transferring authority to you now, the kingdom to you now because you have not asked for titles and positions, I am transferring to you authority and My mandate is to take the land in spirit and in truth and love and humility.

Encourage one another. You are not competing but you are working together on My team, joined together, knit together *[and I see the godly structure which looks like a rectangle, diamond, irridiscent blue shine made up of people.]* They are part of a structure and you are part of the structure. This is being recorded in a heavenly scroll the transference, the establishment of the structure.

**Paul:** 1 Cor 14

**Veronica:** I see a snake being cut open and pieces are being taken out one by one. Red and white on the inside – snake from tree of good and evil. [Red and white blood cells]

## 5.0 Doxa

**[Angel 3:57 PM]**

**Paul:** We got the word 'This is the crescendo'

Ezekiel 28:11

Tyre was all about the economic port central of the world.

Vs 12 (As opposed to Melchizedek 'perfection')

Vs 13 You have to maintain a garden else it dies.

Doxa - Jude 1:8, 2 Peter 2:10

A lot of what is happening here has been birthed in Hawaii.

If the stones were contaminated at the Fall, our DNA was contaminated.

Open vision by young man: Whirlwind shows up. Open vision. I was propelled backward at high rate of speed. Large mass of stones or pebbles intense heat, rings every 8 – 10 feet. Orb of purple light. Something tries to enter vortex. I go into field full of peace. Placed in front of a stone with significance. Stones begin to flow around me, white in color and extremely hot. I see 4 entities blowing a white emanance. Aerial view of the Tower of Babel. The Sons of God mating with the daughters of men. One ancestor of his was at the Tower of Babel. Metronome effect Garden of Eden on left. Stones flowing like a river. Got the name Nimrod (his ancestor). Metronome effect. The stones begin to spin like a tornado or hurricane. Slab there. 4 feet in length 3 feet in depth, glowing like molten lava. They begin to be picked up – a tide flowing

over the edge. Sorting continues, 4, 6, 8, 9,10, 12. Peoples, the charismatic people. The 12 tribes are the 12 jewels in the spirit. I go through the slide in the tunnel.

The pair of eyes keep me from seeing the rest of the vision.

**Paul:** Wisdom built her house and the foundation is the grid – the ley line grid.

We rolled on the glorious beams through the star and into the depth to rescue people. Healing is going to come in the whirlwind. The Whirlwind is a living being. The whirlwind is under the stones.

Mal 3:13 – 18

The white stone is the 13<sup>th</sup> stone.

We have 23 pairs of chromosomes. Where is the 24<sup>th</sup> pair?

Isaiah 6

Lord, are the Sons of God the glorious ones. In the Altar of Incense are the fiery stones.

We believe that there is a huge angel with one foot in Hesperia and another in Kaneohe in Hawaii

Zack: 1 King 7:9

**Josiah:** The wheat is dried and grown high. In harvest time dried wheat is good. Harvesting is one of the hardest things to do. We need to learn from the Lord how to run the combine.

**Pastor Rob:** Raw power to be released for youth explosion in Hesperia. Ezekiel River. It is full of fish and where it flows it turns everything into life.

**Paul:** My evangelism finger is going off.

I'm pouring out. I'm pouring it out. The river is rising. The river is full of life. It is calling to you to want to speak of Me and show Me off. Evangelism has been challenging in years past but now it will be something so prolific that you will want to speak of Me, showcase Me, show Me off to the world.

So receive living water. The water is rising, rising, rising and its going to get up to the waist and then a river, the anointing, the anointing to share the gospel of Christ and you shall be like the witnesses even unto the end of the earth saying, 'Where I am send me.'

Youth explosions, youth invasions, gathering angels, gathering angels, gathering angels, swirling, swirling, swirling, harvest, harvest, harvest, release the river father, father, father. There are spiritual beings in the river, spiritual beings in the river. Speak forth. Speak forth. Speak forth. Signs will follow, signs will follow. Boldness, boldness, boldness. You shall be bold.

Spirit of boldness. Fire in the river, fire in the river, fire in the river, dunamis, dunamis, dunamis power. Release. Release. Release.

**Paul:** The rulers are here. *[The youth gather in the center]*

**Jana:** Wisdom is justified by her children in the marketplace

**Rhonda:** You think it's the more, it's the less of Me, the shameless, fearless, blameless. Shift the atmosphere, shift the dimensions. I'm propelling you through.

**Raylene:** I claim the youh for the Kingdom of God. Everything will be black and white from this point. Salvation come.

**Dena:** I'm seeing a rod that's pushing them and the staff is also (Auhority and Pastoring)

**Melissa:** I'm seeing a scale.

**Dale:** I see a net over them.

**Justin:** It is sunny, peaceful. There are dark clouds in the horizon. Children are playing. Storm is obviously coming. Its time to prepare. It has been time for quite some ime. Even if you are not ready the storm will come.

**Dena:** They are supposed to be in camps, North, South, East, West.

*[Youth line up as trees of righteousness lined up on either side of river flowing down the center. Veronica gives each person a sword and a mantle. Mary has a bow and arrow. ]*

**Mary:** Keep no records of wrong. Be patient. Learn the art of forgiving. I bless you. I send you forth in His name, in His name. He is beautiful. He is beautiful. May your eyes behold Him who laid His life . No man took His life. He laid His own life down that you might have life, life more abundantly. May you prosper and be in good health even as your soul propsers. May you be as Daniel. I stand with you in the gap on your behalf. I love you.

**[Angel 11:37 am]**

**Lewis:** *[The word is delivered in the form of movement and dance with the participants interpreting]* Healing the broken wings. Past to the present. Fixing history. Warfare dance. Purposeful warfare dance. The youth are being taught how to war. Slowly advancing. Lewis is on a large globe. It's a new way that the youth will show you how. Nebuchadnezzar. The sons will teach the mothers.

**Lewis:** I'm bringing to you those who have been abducted, those who have seen the strange things and the mysteries of the enemy for I have purposed them to bring revelation. They've been sought out by the enemy so now I will seek them out and bringthem to you. I'll teach you how to change their mindset to reveal to them the truth – they will bring new truth. They will

destroy things never seen. Do not throw them out for I have sent them that you would love them

*[Lewis seems to be the flashing lights on a plane]*

Do you want to come up? Then go down for I oppose the proud. Do not think you are wiser than Me or wiser than those who do not know Me. You've been up the creek without a paddle but I am bringing you back to the origin, not that you would start again but that you would use what you found out, that you now know and take it to a new place, to a fertile ground for I have placed oysters in the deep that you would dive and find My pearls.

For the waters I am releasing are unicorns with horns of pearl and wings of might. For they are for warfare. They have not been released until now because they were not needed. But these are the last days and you will need all I can give you. So expect the unexpected - even myths have threads of truth. This is why discernment is important. Take the good and leave the bad. And if you can, burn the bad for this is war. As I remove tribes from history from even remembrance so you must do with the works of the enemy

*[Lewis plucks arrows out, pulls out fiery darts]*

***[Angel 11:53]***

**Ann:** Battle cry, battle cry, battle cry. [She sounds the cries of the eagle, lion, ox, and a tongue of Man]

You think this is strange. You have seen nothing yet. There is much more to come. You heard of signs and wonders. You now wonder don't you? Each one of you will have a uniqueness and don't run from it. Don't run from that uniqueness - it will draw people to you to tell them about Me and My wonders, greatness, salvation, healing, deliverance.

So don't run away from your uniqueness. There is much uniqueness to arise. I'm giving you freedom to be unique. No more no more, no more, political correctness, no more church correctness. That is gone. That is not in Me. I do not want it. I will send fire and burn that up - godly fire bringing that out and My angels will come and sweep out the ashes and there will be purity.

I'm calling you all to purity, holiness. No more playing games. No more doing things on the side and saying, 'No one will see me.' I'm calling you to purity, repentance. No more do I want My people to be like people of the world whom I have exposed.

The prophet will expose the evil. Do not say prophets are supposed to be nice. There are different types of love. There is tough love. They need to tell people who are sinning to stop sinning. That is what I am doing and that is what I am saying and that is the way I will be.

This doesn't mean you cannot play, cannot laugh. I have a sense of humor. I work in different manners. Expect the unexpected for it is coming.

**[1:51PM]**

**Dale:** There were three babies – Unity (the beginning) Healing Evangelism, Wisdom (in the form of Virtue) Have I not chosen the foolish to confound the wise? The enemy cannot overcome the will of the Lord.

The babies were released to Heather, John, Precious, Becky, Melissa, Terri, Sandra, Raylene, Justin.

**Paul:** Virtue is conformity to a standard that is right.

**Heather:** Unity – all the races – a powerful cry from South America. I'm above Hawaii. Unity starts in Hawaii and is going around the world.

**Becky:** This baby is the one that everyone forgot.

**Heather:** These kids have been crying all over the world for someone to love them.

**Melissa:** Nurturing and discipling evangelism.

**Heather:** You must love them the way that you love yourself. These are kids that have come here to do a work and no one has loved them or accepted them.

**Dale:** This is about the kind of virtue that Jesus carried when the woman touched the hem of his garment.

**Justin:** I need you. My children they need you. Don't refuse them. Don't add to their suffering. Their days are lonely without you for I have seen them. It is for you to bring them to Me. Do not take this responsibility lightly for I will hold you accountable. As I told those before you to not forget you so I tell you not to forget them. Open your eyes and open your hearts. See what I see. Do what I do and go where I go.

**Raylene:** Come home. Come home to Me. We call you not to be lost. We call you found. Come home. I love you.

**Becky:** Arise mothers and fathers. Take your positions. There are so many children. Workers are so few. Rise up. Rise up mothers and fathers. Come forth. The time is now.

**Melissa:** Leave your legalism at the door. Leave your fear at the door. The only way you will bring them in is love.

*[Veronica had birthed on Wednesday a baby]*

Take in the broken, the beaten, the bruised, the abandoned ones, the ones who say they aren't loved. There are so many of them out there. Go get them and bring them home.

**Lewis:** Above is this big satellite dish that is broadcasting a message of love and hope to everyone in the area drawing them in.

**Daniel:** Each child has a secret weapon contained within them. Veronica's has a strong right arm, the far reaching right arm that can go into the very depths and pull people out.

**Heather:** I saw four angels at each corner of room. They were swirling. In between I saw white, yellow and blue angels. At each person's feet in the room was a star and on top of the star was a stone. The entire room was filled with stones. That looks like a star chamber for declarations. All the angels started swirling. The Lord had gathered us together for an assembly of change – tribunal of change.

**Raylene:** The Lord gave me an Indian tongue and Lewis was to dance to the Indian tongue.

What will look insignificant to us will shake the foundations of the enemy. The enemy wanted to set up a 9/11 against the people of God in the desert. *[To the enemy]* Your structures, your ways and means will fall. You should have left when you had the chance. Now there are no more exits left to you. Fall on the rock and be broken.

Deception is broken this day. Here the enemies of the Kingdom of God will not stand. Now you will be dealt with. You cannot hide. You will be exposed. Repent. We call you to repent. The Lord will bring down your structures. You will not be able to stand. I have placed the desert in your hands. History has been written. *[To Paul]* But now you will write history. Now you will write history, the new book, the history of the desert. It is a haven for My bride in the last days. She will come and be ministered to and we will put salve on her in the last days.

You will rise up and taken on the enemy and the enemy will be utterly destroyed and the Lord will bring righteous recompense. And He will have to pay back. *[To the enemy]* You will pay back and every godly anointing has to be placed back in its rightful place. The Day of the Lord is here.

I am clearing away the ungodly smoke of the peace pipes that My people have made with the enemy. This is holy ground. This is the Lord's desert that will spring and bloom in the last days. The enemy will come crawling. He will not be able to stay up.

I call those who have a ear to hear and a heart to see, 'Put down your evil ways and come home to the Lord.' My heart would be to bring all in. But I'm giving you wisdom this day to separate the sheep from the goats. But My love will abound in this place.

**Paul:** The Lord told me that his room was Bethlehem, the house of the poor. This is the most humble place in the High Desert. This is the house of the poor. I know of 3 or 4 moves of God in the High Desert that the people killed.

I exercise my authority in Jesus Christ - He has called us to this land, this desert, this battle. I declare that I will not stop any move of God that comes – no matter what it looks like, what people say, I give permission for this move of God to come here. I will discern whether or not it is true Lord here we are - this group of people and we say yes and (multiplication is here). What it looks like, no matter what the kids do, we will be fathers and mothers.

Lord I want to go in with the kids and I want to take the land. The battle has been too intense to stop here now. Donna is in agreement too. We declare that we will join hands and I declare total healing for Donna right now. I declare that the prophecy is true that the freeway exits will be jammed with people and that the living water will flow. We are in the Living Waters Church. Lord we bless Pastor Ben.

New combinations of stones, new expansion, new authority, new ground for a new sound. Behold a turn around, behold the 'full circle'. Birthing of a breakthrough. Behold a new thing has come. The old power source has died. A re-wiring and re-firing. A brand new path to be carved out. I see a lot of activity; thousands coming to be trained.

New levels to occupy in the realms of glory. You've built the foundation but now here comes the rest of the story. Whirlwinds, whirlwinds, whirlwinds. Three different levels of whirlwinds...there may be three stages to this. Three stages, three breakthroughs, three connections. Do not fear, your provision draws near. Feel like there's a contending for this but it's not in a striving but a wrestling. It's the wrestle of Jacob, there's a transformational wrestle. Aslan's Place will be transfigured into a new identity, there's a new nature that will come forth. I'm seeing the heart of the lion glowing, seeing a red blazing heart of the lion and it's pulsating. I feel like He's giving a brand new heart, a brand new identity, brand new levels and plateaus, brand new teams. There's going to be a re-branding for new teams. There's a branding for a new team emerging. This is going to be strong and it will be surprising of who will not be able to come along. We're going to be surprised about who they are. (Youth?). See thousands of youth coming around the building. So much activity, it's like a hub of a centre, it's like a revival centre. I believe these are the beginning stages of something which will shake the foundations of the city. Reminded of the YWAM (Lorne Cunningham) and the dream about the youth being connected with Joel's Well.

The winds are blowing The winds are blowing

From Hayward they go out

Whirlwinds whirlwinds

Going north, east, west & south

Blowing away the chaff and the lies

Going places to clean the skies

Bringing revelation to heal the earth

Bringing the sound of the Father's love

To a land and a people waiting to hear

**Telephone Call/Prophetic Word for Paul Cox – July 25, 2010**

The platelets are shifting toward righteousness. For no doubt, the King of Righteousness is being revealed. As the King of righteousness is revealed, I will raise up my sons and daughters with righteousness. They are of a new breed; they are of a new seed. As you stand behind this new breed, they will open up a new path, carve out a new path. They will be like the vanguard to pierce like an arrow into that which has exalted itself against the king of righteousness. They will spread out to the east, west, and north, south. They will become my new compass. This will be multi-dimensional and multi-purposed. I'm seeing a hurricane sized whirlwind...what is that Lord? These sons & daughters of righteousness will release a revolution to turn things around, a revolution to bring things full circle, a revolution to open up the timing of the Father, the intention of the Father. Being brought to a new place again, new place again in the spirit. You're going deeper to the right..don't know what that means. It's almost like He's taking you down a set of stairs to the right. I'm seeing you've come off a wall and there's a path. It feels like it's an ancient city, an old city, like a 'Jerusalem' city. He's going to show you something of the ancient way, something of the old way...don't know what that means. He's taking you into a new building of some sort...I want to say a fortress or a castle but I'm not seeing it clearly right now. Lord, what's it for..what's in there? Hearing that there's ancient blueprints for you to pick up. The ancient books are of the stuff that He spoke of in Daniel. I believe He's going to show you deeper mysteries. There's a new level of mystery that you're coming into with this room with the ancient blueprints and I feel it's connected to the unfolding of the Melchizedek order.

Larry and others

Day of His presence. The cloud the size of a man's hand has been. Today I am shifting everything that has been shifted. I am establishing a new order. Pillars of righteousness. Pillars of might. Behold the day of the fear of the Lord is at hand. Day of the Kingdom will overshadow the day of the church. Behold the day of my counsel will supersede and trump the counsel of man. The counsel of man, the ungodly hirelings are being displaced. Behold a birthing of a new move. Behold the birthing of something completely new. Let My eagles go. Let My eagles come out and fly. Take off the lids, the limits. It has got way to politically correct. My Son will be drunk. He Will be the God of war in your midst. Behold the day of the righteous whirlwind will blow away the chaff blow away ungodly roots and shoots. Behold the realm of the secret place. The day of shaking has come and find your secret place. He that is in you is unshakable. Step into the deep. Come out of the shallow end.

There has been many prayers gone up over this place. His Spirit will continue in this place. Behold I will do a new thing. Old things will pass away and all things will become new. The Almighty God. No weapon formed against you will prosper. Grace and peace be to you all and I will overshadow you.

I see a circle with all of us put together. Holding hands and reaching out in unity. Joining in unity. Release of all the ungodly fears. There is laughter and automatic deliverance. That is when you feel the glory. We need to have forgiveness in our hearts and release us.

The Lord wants us to have the heart of a child. To play in the garden. Totally and absolutely trust Him that he has a plan and wants us to prosper. Develop that child like faith. The battle belongs to the Lord. No worry at all. Receive the heart of a child.

Saw a cloud and heard "it is done!" Birthing

We need to embrace forgiveness.

I see a bowl of fruit. Good fruit. Bananas, cluster of grapes. It is in the secret place. We have to stay in the secret place.

See a picture of beautiful wild horses. We have had our spirits broken and the Lord says no more. Be wild horses in the spirit. All these different horses are enjoying the freedom and came into the circle. You have been set free, now follow the leading but enjoy the unity together.

Saw a picture of Jesus at the pool of Bethesda. Taking a man and saying the man to touch the water, the water of Singing Waters.

Angels were walking up to different people and were speaking into different people. You will not speak as you have spoken or heard as you heard.

Saw a picture of everyone having an eagle on their shoulder.

Idolatry of man is broken. No longer will you look to leaders in place of me. No longer will you put them on a pedestal. No longer will you shine their shoes. No longer will you look at them through the eyes of man. You will focus on Me and not your leader. You will have grace towards your leaders. I want to release a holy fear of Me. I want humility in this place. I want fear and reverence in this place. I want to take you deep with me. I want you to listen to the words I have for you. Seek My heart. My heart is beating for you. The depths of My love for you. See me for the vision for this place. I will underline the things I have. I will fill in the details. Lay down all your agendas. Lay them all down. Please lay them all down. Be willing to lay them down. Lay down the past and the presence and humble yourself before Me. Humble yourself. Lay everything down so I can give you what I want to give you. I do love you and I love this place. It is a pearl of great treasure. No more messing around. He means business.

We're coming up the mountain. Well done my lovelies. I bless your hunger for me. I bless your hunger to see. I bless your hunger that's of me, that you have not quenched that hunger but you have embraced it. Many have not....(stopped typing because the computer 'burped' for a few seconds and screen disappeared)

You are of the throneroom company. I have chosen you and I'm choosing and I'm choosing and I'm choosing all over the earth. I'm choosing to upgrade my sons and daughters to a class in a higher learning university, a higher grade for many have passed into a new level of learning. You are my company for breakthrough. As you go, the rest of the army will come. They will come, they will come, they will come. Be not distracted by the ones on the fence...coo koo,,,coo koo.....(11 times)...for an hour will come that they will smell the fragrance of the bread and they will come because of the hunger. Be not distracted. Do not look to the left or the right but look up because your purpose is at hand and that purpose is to be with me. Where I am you are also, where I am you are also, where I am you are also. As I am in heaven, so are you on the earth: full of power, authority, full and full and full of wisdom and understanding. Let go of your 'lack' mindset. Let go of that which says that you have not and see with new eyes. All that I have is yours, so come up. I have a new seat, a new room, I have a new broom. It's a golden broom. It represents my holy nature which will displace ungodly nature. Wheresoever you go, I go. I go, you go. Well done. Well done. Do not get stuck in what is old. Do not get stuck in old defaults. Some of you might have to let go of your favourite things, tool to use, pet peeves. Take heed that it doesn't become moldy, a moldy method. A moldy method becomes rancid...coo koo coo koo. Discern my life on what tool to use. Discern the life flow..cookoo...cookoo. For my life is in your belly boing boing...moo...yah. My life is in you. ...tongues... New whirlwinds...just for you...bing, bing, bing. It's OK to have fun while you kick the puppies out (that could have been me)...nyaw...nyaw...nyaw....nyaw.

*Pointing toward Sister Alice area ---it is their time...that which you have looked for, called for, that which you have suffered blood, sweat and tears. That which you've interceded for is coming for a breakthrough. There's a displacement of something that has been around you. I'm turning things around.*

Beholding...bing...beholding the gate of crossover...cookoo...Beholding the gate of crossover.. bing...bing...that you might behold the radiant glory and you will see and you will be changed into a very wealthy people, very wealthy, very wealthy, very wealthy. All those that are stuck to the Cox clan, you're going to be very wealthy. Take it to the bank but it's not a wealth to build empires but you will be builders of my people for I'm restoring the true temple that's not

made by the hands of man, by brick and mortar. It's built by the Spirit of the Lord for the habitation of the Lord. You're building a people. There's a coronation coming, a coronation from the Father. Well done. There's a declaration from Him saying 'This is my Mom & Pop and I'm about to move in a whirlwind that has not yet been seen. So behold my radiant glory and there shall be a great glorious giant change in everything you touch. And this is for all of us. Everything you touch will be turned to gold as you lay hold of that golden broom to sweep my house clean with the nature of the Father. Sweep my house clean that I might come and find habitation. These are days where I'm longing for a house to stay and remain in. For those that have ears to hear, they will become a holy house, a habitation a dwelling for the most High, the glorious one.

***To Donna: (Started typing late so missed some) Fanning into flame, the flame of restoration. I'm flipping things over. For too long, the hand of the one who's been defeated has had his hand on you but now I have my hand on you. You'll be getting an upgrade my daughter. Well done, my overcoming one. You are my beloved and you are fully accepted and this day, I'm washing you free of anything of the accuser that has said that it's your fault. I know you, I love you and you are mine. This day I wash your feet with golden tears. You are called and you are extremely valuable, you are extremely valuable for Paul Cox would be nothing without this daughter that has carried much in the spirit and in the natural but this day I call you mine, I call you my beloved.***

About the book *Come Up Higher*

Saw a release of hundreds of hundred of horses and then the release of thousands of thousands of horses. Big impact on China and Asia. This is going to create such a giant tempest and whirlwind that you will stay hidden in the eye of the storm. Asia is going to be drastically impacted by this.

There is a golden path being built for this to ride on it. Many tributaries. Many outlets. This highway will turn into a global tree. The tree to set My children free. Millions will come up higher. There will be an explosion. Evil nest will be explored over by the glory. An unlocking and bringing forth treasures. Sons and daughters coming out of systems of religion.

This is going to set you in a high place but fear not. There are many counselors around you and there will be a spiritual counsel around you.

Think not that I have come to bring peace but I have come to bring a sword. This is a sword orchestrated by the Lord. It might seem to be opposite. This will divided the soulish from the spirit.

Friends

I have now seen several transitions over the last year and a half. A year ago May, the Lord gave us the revelation of the star. That was a major shift for me in terms of deliverance. This January we had the revelation of the fiery stones while in Hawaii. This was a new level in deliverance which was more powerful than the star. After this, the Lord revealed Melchizedek which brought us to a new level of deliverance. I realized just recently why I ran backwards at Aslan's Place on Pentecost in May. The Lord has brought me full circle back to the beginning which is Hebrews 5:14. Hebrews 5:14 is in the context of the Melchizedek passage in Hebrews and the whole point of discernment is to discern (know through the five physical senses) when Jesus as Melchizedek is interceding as our High Priest so we can wait and discern what the Father is doing so we can enter into that process.

While in Collingwood, Canada last week a lady who I have not talked to for years called and said that the Lord told her to give me Isaiah 54:17. When reading that passage I realized that what I was discerning when the Fiery Stones manifested was the "coals" being fanned by the "blacksmith [engraver]." I then realized that we have reached a position where "no weapon formed against us would prosper!"

On the evening of August 11, 2010 the following happened to me: [Paul] Last night at the movie *Salt* in Collingwood, Canada, the power of God fell and the movie stopped. I got the words: His Radiant Glory (Hebrews 1:3). The power of God remained on us. Today for the first time I did not feel deliverances while the interns were ministering. I felt his radiant Glory the entire time.

Today, August 13, 2010 I realized that while praying for someone with the interns I was discerning the “radiance of His Glory” and the discernment of deliverance was different being much less intense on my discernment.

Larry Pearson received this word on August 12, 2010

We are coming up the mountain. Well done My lovelies. You have not shrank back like the people of old. I bless your hunger for Me. I bless your hunger to see. I bless your hunger that is of Me. You have not quenched that hunger but have embraced Me. Many have not. Many are content to have the thinking, “Moses you go and we will obey.” You are of the throne room company. I am choosing and choosing all over the earth. I am choosing to upgrade My sons and daughters to a class of a higher learning university, a higher grade. For many have passed into a new level of learning. You are My company for breakthrough. As you go the rest of the army will come. They will come. Be not distracted by the ones on the fence. For an hour will come when they smell the fragrances of the break and they will come. Be not distracted for they will come. Your purpose is at hand. Your purpose is to be with Me. Where I am you are also. As I am in heaven so you are in the earth. Full of power and authority. Full of wisdom and understanding. Let go of lack mindset. Let go of that of saying you have not. Come up, I have a new seat, a new room. I have a new broom. It is a golden broom. It represents My holy nature. It will displace the ungodly nature. Where you go, I will go. Well done. Do not get stuck in what is old. Do not get stuck in old defaults. Some of you may have to let go of your pet peeves. Take care it does not become a moldy method. A moldy method becomes rancid. Discern My life on what tool to use. Discern the life flow. My life is in your belly. New whirlwinds. Just for you. It is ok to have fun while you kick the puppies out. It is there time. That which you have looked for. The blood, sweat and tears have paid much. A breakthrough. There is a displacement of what has been exalted around you. He is turning things around.

Beholding the gate of cross over. That you might behold the radiant glory and you will see and you be changed into a very wealthy people. Very wealthy. It is not a wealth to build empires but you will be builders of My people. I am restoring the true temple. The true temple is not made by brick and mortar. Behold My radiant glory and every thing will be turned to gold as

you lay hold of that golden broom to sweep My house clean. These are days of habitation for I am longing for a house to stay and remain in. For those who have ears let them hear, for they will become a habitation for the glory of God.

King of righteousness shall appear. The righteous shall shine like stars. The books are open, light shall come. Moving you to the right. A lot of moving to the right. There are whirlwinds that are going to happen in LA. The whirlwinds in LA will spark something in Illinois. Secrets coming. More rooms created. Big screens created to tell a vision that is coming from King Melchizedek. Global vision coming. Seeing a global influence coming. Global strategy revealed. Assemble the troops. Assembly of the troops. An exodus has begun. Assemble the troops. Something to unlock in Europe. A European key to unlock. From sea to sea. Paul, you are to lay low and not go to Europe but will equip people to go in. the influence in Europe will be large. More rooms. European war rooms. Strategically placed, Switzerland, Bulgaria, Germany, Poland, .....stan. Pillars will be erected in Europe.

There is something about. There is a resource key in England. Something strong in England.

Persis

So you have been looking for service. Wondering it about. See it has taken you two years to get here. But you have to seek me how to enter the service. It is not going out and feeding the

hungry. It is a different service. But each of you have a key and as you came together last night there will be a connecting. Then you will see the pie. (the ....stan is the one in the middle). See feels she is standing in the middle of that country. It is the birthing of service. There is something new that will open up. Ever one has a piece that will all go together.

Mimi

Set apart. Set apart. Sealed for My plans and purposes. Don't steer to the right or to the left. Go forward. Keep your eyes on me.

I bring you good tidings of great joy. It is good news, good news. That the world will see that I am God. That I am than I am. This is global. Apostolic, governmental. Enlarge your thinking. Do not limit what I can do in you, through you. Remember Loren Cunningham.

Persis,

Many bases. Many bases. Many, many many bases springing up all of the globe. Many bases. Many faces, many tribes. Many tongues for the time is short. But my hand is not slack or is it short, but the time is short. Assembly of many bases. Sound the alarm and they will come. A global army of discerning. I am weeding out the spectators. I am bringing forth the hundry and qualified. New racks will be given. It will be an ordination of the spirit. An underground guerrilaa movement. Above the ground are many hypcricts. Stay underground until it is time from the father. Word of mouth assembly. The old mold is death. The appeasement of government is over and it cannot and will not fit in the wineskin. My family does not need to be justified by that kingdom. My jealousy burns upon this mountain of assembly. The voice of the Lord will thunder on Mt. Zion and will shift the platelets in Europe. The youth will come. The youth will be the harvesters and gathers. Need not justify by any current move. Need no authorizing from current moves. It will no be understood. But they will understand in the time as coming. They will understand as the fruit comes forth. Understand the season. Be not anxious for the new season. Stay in step with the seasons. Many bases. Many faces. Many races. The Lion of the tribe of Judah thunders. This year will be a year of turnaround. New waves of wealth awakening. In the Velotta household new waves of wealth. This is the Velotta household. Be not distracted. There will be new streams of wealth appearing.

Mimi

Maximize don't minimize...the Velotta household.

The gate has opened. The wind is rushing. It is a whirlwind. The army is advancing. The recruits are coming. They are young, but the seeds of greatness are contained within them. The gate is open. I am sending them to you. They will be an advanced tactical training. I am going to release strategy for My end time harvest. The door is opening but it is not going to stay open for ever. It is a season of harvest. Angel of provision. I have seen the need and I shall provide. Fear not. The trumpet is sounding. I am calling my young ones. I am assembling them. They are going to pour into your ministry. Behold I do a new thing. This is bigger than you have imagined. Stretch out your wings and let My spirit take you up. Increased authority and power, power. Dunamis power. Sending center. Apostolic sending center. Train and send. Train and send. I am going to turn the current on. Get ready for a new season of increase power and authority. Advance, advance, advance. Do not be afraid.

Sees something big landing. Close encounters of the Kingdom Kind. New encounters. Whirlwinds are being released. Be ready to be taken to a new place. You have entered a new ship. It is a ship that is taking you to new quadrants. It will take you awhile to get your footings. Everything is completely new. It will take awhile to get you use to you. It will take you up a notch. There is a whole new realm of rest, dominion and peace. Dominion and peace will produce the provision.

Dena Plantage

In the dream I was waking up to a heat wave in the air coming with a pushing force of some kind. There was a growing sound and vibration of a strong intense wind of some kind coming towards me. As I opened my eyes my cat jumped on my bed to be near me and was batting at a fly that was caught up in this whirling of hot air. The cat was meowing really loud and as I looked up I could see a stirring vortex of some kind and it was something that could not be seen by anyone. It was over my head at this point. The heat that came from this was vey hot and uncomfortable. There was a fear that took over me because the cat was so frightened and could see this force of some sort just growing stronger and stronger by the second. I was trying to control intense FEAR and this was very hard and I was trying really hard to say Jesus name out of my mouth and the words would not and could not come out of my mouth. I felt like the vibration was shaking me so much that I could not get a word out. I was so frightened by all of this I fought fear and started praying in my head quickly and at this point there was a little bit of a lift from the pressure, sound, Fear, Vibration, Heat. When all was gone I remained still and unafraid.

Jana,

There was supreme power last night. I spoke a clear message on us being the sons of God and it so accepted I was shocked. Today's question and answer time ended with a man standing up in the group of 300 saying , "listen to him he is telling the truth." To say I was shocked is an understanment. Perhaps this is the right time for this message.

The Lord did a very deep deliverance on the group as I had them repent. There was a river of fire in the front.

Now today....just now I discern the Ez 1 Whirlwind for the first time. I can feel the lightning coming out of the whirlwind. So what does this mean?

Blessings,  
Paul

Paul Session over phone while going to the Bay Area

- 
- Persis began with prayer
- Paul immediately saw huge # of entities during prayer
- Asked to be taken to the crystal sea where trading was done illegally
- Entities came immediately to the gates of the grid
- Paul heard, "Multitudes in the valley of valley of decision. Multitudes—decisions made in the family line.
- Paul sensed
  - o they were not happy to be there
  - o they have legal rights
- Repented for ungodly trading of blood and semen in family line and asked the LORD to apply Jesus' blood to his family line
- Felt lots of agitation like a swarm of flies—like Beelzebub—now moved a further distance
- Who/what are they
- Cover mixing of ancestors blood with Jesus
- Feels deliverance still going on
- Accusers being sucked back into into gates of hell
- Asked Lord to cultivate all land of his ancestors with His blood so it will no longer cry out from
- Flies coming off soul parts

- Soul parts tied to star systems—scattered among ungodly stars
- Dimensions-gates
- House-doors
- Divided house cannot standing in faith
- Prayed, “Cause all evil that causes divided so that my life is in alignment with house of the Lord. Bind the strongman, plunder his house and return all goods to family line.”
- Whirlwind—looks like vortex—feels like right to left clockwise spinning
- (Persis) Cultivating x 3
- (Paul) What are you cultivating?
- (Persis) Better, brighter, more luscious , varied fruit, life-giving fruit
- Whirlwind going deeper into family line
- Righteous gate opened over Paul’s left elbow & they were sucked into that gate
- Cultivating the soul parts
- Paul
  - o Whirlwind coming up family line
  - o Beelzebub traps soul parts
  - o Beelzebub/master of house & house has doors
  - Angel Message—(Barbara) Doors, doors, doors into dimensions
  - (Persis) Is something on top of my head?
  - (Paul) Yes—feels like head sticking through
  - o Something that looks like mirrors
  - o Aspects of the soul
  - o Is this where the doors are? Yes

- o Feeling more anointing and less deliverance
- o Still whirlwind of flies coming off
- o Feels fatigue
  
- (Barbara) Ask the LORD to apply honey
- Paul did and whirlwind stopped and flies rushing upwards—thousands upon thousands of flies coming off
- o Does each fly hold a soul part?
- o Contaminated blood coming off his line
- o Enemy can control through access to common parts of family line
- o Like people know where we are because soul parts are tracking devices
- Paul prayed, “Lord disconnect all ungodly lines between soul parts in our family line and restore all highways of holiness we declare that our lines will run in pleasant places.”
- Paul heard, “This has been a long time coming. You have suffered shame and condemnation when you should not have.”
- Now really intense per Paul
- (Persis) Jesus is the watchman of her doorway—standing in doorway—to see that things are proceeding properly—real anointing on that per Paul
- (Paul) It’s like someone opened sewer door and stench coming off to the air.
- o Are soul parts mantles that have become polluted
- o Giftings were traded for present advantage
- o Lord remove contamination and stench
- o Dead mens bones—the white sepluchre
- o Stench to God’s nostrils
- o Stars warring cleaning out the connectors. Purifying the connections
- o Melchizadek interceding while other stuff going on

- o More deliverance
- Somehow after stars showed up deliverance—Jeff said it felt heavier
- (Paul) Part of the revelation of sons of God—I think it is why all creation is groaning
- 15 min break—then still deliverance going on
- (Persis) A tongue, “Singing—there’s singing x 3—the enemy is being defeated—freedom is coming x 3—will walk in freedom—spiritual as well as physical. Singing in heaven, the angels having a party.”
- (Paul) Deliverance coming off—putrid
- (Persis) smells terrible
- (Paul) Makes me feel nauseous. No retaliation against family or property and demand 7 fold return
- o Convocation of the righteous (What does that mean Lord?)
- o Holy convocation scripture
- (Persis) Unity, unity, unity. I fly through the lines of unity
- (Paul) Yuck/sewage coming off—not entities. Very dense coming off
- (Persis) Interesting that the 3 of us were so exhausted after last weekend
- Paul as tired as ever in life on Tuesday—continued to feel deliverance coming off land
- o Now more like flies again—like layers or strata of evil
- o Sense of Germany
- Didn’t they trade the souls of men—didn’t they trade, didn’t they trade?
- What about the tribes?
- Flies again
- Somewhere in past all related
- Did we know each other before we came?
- We’re old friends

- Is that why we connected here? Do we have more connections? Yes
- Persis family line something to do with Hitler
- Paul feels ungodly powers—the powers hold them together like powers hold them together
- The evil that holds the soul held together by ungodly powers—like electromagnetic force field—a barrier that holds all this in place—coming off
- Were we warring for this Mon and Tues?
- Last weekend set us up
- We were removed from ungodly quadrant
- Shifting –going to table of showbread—righteous rulers
  - o The rulers in the tabernacle—in heavenly places
- (Paul) I decree my freedom and all lost soul parts will be returned and that all my family line is one in Christ and all evil be removed as –feels deliverance
- (Barbara) As it was in the beginning of creation, so it is and ever shall be without the contamination
- (Paul) Deliverance again
  - o Lord is putting things into order—almost like Lord tidying things up
  - o Shifted again—eels rulers, deliverance, something waving over head
- (Barbara) His banner over me is love
- (Paul) Oh that could be it. Deliverance feels different but not sure how. We are taken to new righteous realm—someplace new—has to do with a star—lot of power—delegated power from the Lord
  - o Oh wow—deliverance going intense again
  - o Feels like evil being sucked into star like a black hole—getting more intense
  - o Ouch—really getting intense
  - o Just shifted again—feels the honey

- Wikiwiki—fast, fast
- Rob Gross’s church on Wiki Wiki Hwy
- Lord speed it up—make it faster—hey, hey
- o Shifting again—deliverance not quite as intense
- o Feels very dense again
- o How far back? Ancient—very ancient—ancient people
- Jeff—teck teck mayan
- (Paul) Coming off 7 eyes. Feels 7 spirits of god—light—spirit of light is present
- o Righteous star
- o Deliverance again—thought it was over but not yet
- Persis felt pressure on right shoulder
  
- (Paul) feeling star with deliverance going through it
- (Persis) Jesus still standing in door and look on his face more relaxed and pleasurable as if pleased with what has occurred
- (Paul) Shift—Melchizedek interceding. Deliverance increasing again—wow—getting intense again
- Feels the spirit of light is stronger and increased deliverance and increased authority
- Shifted again. Now feels anointing –now deliverance—different spiritual things
- Paul prayed, “Remove all imitation keys on family line and release all righteous keys.”
- How does trading play into this?
- Trading’s changed

Larry – looking to Donna Cox; ‘Mama’ in the desert searching for oil. There’s oil in the desert. Check the land, oil in the desert, check the land. Oil in the desert, check the land. Check the land, check the land, check the land. Suddenly, suddenly, suddenly, suddenly there’s oil in the

desert, check the land. There's a displacement factor in Apple Valley. The displacing of wealth, coming from the hands of the sinners into the hands of the righteous. Apple valley, there's going to be a whirlwind come through and there will be a transfer, a transfer, a transfer, a transfer, a transfer, a transfer. Faye is dancing and singing 'there's oil in the land', there's oil in the land, there's oil in the land. The underworld is terrified – they shall give it up for they were waiting for someone else but I say there's oil in the land, there's oil in the land and it'll be in your hands. Oil! Oil! Oil! Oil! It's the prayers of Dale Evans (this is what Donna says to Paul). The landscape is changing from Apple Valley. It will sweep down the way to the holy highway. There's oil in the land and there's new land. You will branch out. You will branch out cause there's oil in the land, there's oil in the land, there's oil in the land.

The vision as repeated this morning:

I was instructed to come and soak in living water (the tub) so I did. I saw Paul Cox's face and I began to pray in the Spirit and immediately went into a vision. I saw a teepee and I was instructed by my guardian angel (I knew my guardian was standing next to me) to go inside so I pulled up the tent door and saw Paul sitting Indian style on the ground. He had on a chief's headdress and I was instructed to look at the piece that was on his forehead. From mid-eyebrow to mid-eyebrow the headdress was encrusted with blue sapphires, and from each mid-eyebrow to each temple it was encrusted with pearls. I was immediately told that the sapphires symbolize revelation and that his temple is full of wisdom (the pearls). Then my gaze went to the feathers and they were eagle feathers that went all way to the ground—lying out on the ground because Paul was sitting. Then I noticed people sitting in a  $\frac{3}{4}$  circle around a fire. I recognized Paul and Barbara and Persis but then my eyes centered on a small woman with dark hair that I have seen before—maybe about 4'11" to 5'—I focused on her for a moment and then looked around at the rest of people whom I didn't know (*When questioned, Linda said the small woman had light olive skin and may be an ethnicity other than Caucasian—I wonder if it is Mimi*). Then Paul looked up at me and said "Come in. we've been waiting for you." And that just freaked me out—I was so startled because I felt unworthy and thought, "These are really important people so why am I here? I'm just a messenger and I call or pray as directed—but this time, ohmigosh, you're waiting for me??" Then I immediately thought, "I'm not here to just observe a message; I'm here to be in this message and be a part of it." I came inside the teepee and my eyes went to the fire in the center. The angel had me count and 11 people were there plus me—so 12 (*her*

*clock was on 12 noon when I said hello and she noticed it and was very surprised as will become clear why—it was really 11:50 on my computer clock).* The fire was a deep royal blue but the inside was a hot, intense white—very intense—the hottest fire possible—blue/white with no red or yellow. I sat down and Paul picked up a peace pipe, lit it, and then began to smoke it and passed to person next to him—I don't know who it was. The teepee began to fill up immediately with smoke but I noticed that it didn't cause any of us to choke or cough. The angel impressed upon me that it was not earthly smoke but God's presence; so the teepee was full of God's presence. Then the whole teepee started to rise and went up and up and up, and then began to swirl like a whirlwind as it was going up. Ascending in whirlwind and then it landed—we could feel it like a bump—and the smoke instantly began to dissipate and you could now see—it was so thick before we couldn't. Then I saw that the teepee had turned into a beautiful, white deerskin teepee. The angel really wanted me to know it was deerskin. But it instantly began to transform—the molecules began to separate and form over us a white linen garment that came over us and cloaked each one—we were now clothed in white the garment and it was was living—a part of His kingdom. I watched each one getting clothed and then realized it was coming on me too. I asked where we were and the angel said in the 17<sup>th</sup> dimension. Then I was told, "It is time for the interview—call Barbara." *(When I answered the phone and we began to speak she heard, "Now the interview will begin.)*

Persis

The church has not heard me. False prophecies have run amuck in the church. My children are going with the false words. This is not the heart of the father. Come and hear My heart. Come and repent for this. You wanted to be a pleaser of men.

Larry

Saw a wave of deliverance carried by a wave of My deliverers. New regions of the realms that will be delivered and there will be new treasures and new alliances. There will be a new shaking in the body of Christ. I am releasing whirlwinds to clean out the mess. There are new depths to be revealed to arise and to bring understanding. New keys to come. Greater understanding of the grid and your purpose with the grid. This is a season to focus and hit the mark.

Larry – The worlds are turning. The worlds are turning. The worlds are turning. They're coming out of the pit. The nations are rising out of the pits...the ethnos that are called and chosen are coming out of the pits. The whirlwinds are coming to the nations and shaking the nations. The awakening of a generation has come. The eyes of the Lord have chosen you. They've chosen your lines! Your lines, there are party lines! (telephone party lines, where multiple people share the same phone lines) Party lines! Shut down the listening lines, the party lines, the eavesdropping! The eavesdropping on the lines has to be dealt with because there are nations coming out of the pits. A key is given to a generation to unlock the mysteries that are hidden for the time at hand.

Chris sees whirlwind.

Lock arms with the same purpose. How blessed are those who bring good news. Outward thrust. Outward thrust. Break out. I am breaking through the ice. The parizeem anointing. Break, break. Break. The waters are breaking through. I am making a pathway for My people. Break! Courage. I give you courage. I roar against My enemies. I am on the move, the snow is melting. Feet, feet everywhere. I have prepared the way for many seasons, many decades. The next is here, it is on you. Time to break out and break through. Who will go, who will come, who will stand and fight. Why do you doubt? Stirring. Breakout! Strike. The foundation is right, it will work. Set the right foundation! Ken hears the marching of soldiers feet. I am sending, who will go. Will you go? Will you go? Not in the church. It is out, out, out.

Paul feels lightings of God. Power surges

Strong evangelistic anointing. Prophetic evangelism. Stirring up, stirring up. I will give it to you as you go. You must go! You are the now generation. Now, now, now. Feel like an engine turbine. Power!

Message – Larry Pearson

I heard 'heavenly realities', heaven's reality being made known. Issues from the Throne, through the Council unto the earth, heaven's reality. Now is the time to see a great divide between the mind of man and the mind of God. The mind of man is going to get more and more twisted and the mind of God will be brighter and brighter until the Zenith of the perfect day, the day of Christ, the dawning of Christ through a people I the power of agreement will see manifestation and demonstration of heaven's reality and heaven's light for I am He. There's going to be a decree through a body of people, the body and breath of Jesus saying 'I am He. I see the falling over of systems and robed religious ones falling over as He proclaims with one voice through a people 'I am He'. Like the standing up in the spirit in the council of God, earth will see a council on earth standing up, standing up for righteousness, standing up for mercy, standing up for life. There will be an authority on the standing like Steven of old. Like Steven of old that will be able to proclaim Father forgive them for they know not what they do. There will be an unlocking of religion as we know it and treasures from the religious mountain are going to come forth. Your ministry, Paul, has been first fruits, first fruits of ones coming out of a system and into the organic life giving breath o God. Many more are coming, like Job of old, you have come through. You people have come through. You have heard of Him but now you will see Him and when you see Him, if you position yourself and pray for your friends, there will be something new born through you and many will see and know the council and the shout of a King will be among them. The shout of the King will be among the authorized council as it is in heaven. Heaven and earth will testify the shout of a king and unearth victory and triumph for an age is passing away and behold a new era is dawning and a whirlwind like a giant tornado will turn, will turn, will turn everything upside right. The wind will begin to blow and you will begin to know the shout of your King.

Paul feels there is a scroll, gives it to Pam...

**Pam Message** "I sense a Seraphim..fire on the altar, fire on the altar, fire on the altar... that will never go out, burn up the dross, all that cannot remain, speed of light speed of light speed

of light, I will show you how to move at the speed of light, at My speed. Acceleration, old tools will not do in this new season, take off old shoes old mantles old rods, I have new, I have new for you, open your hands and let go of everything... the new.... come through the gate into the new. I just saw a portal and it opened up over here behind Larry in the corner of the room...shifting, shifting, shifting... Let go, I see anchors and shackles on the feet.... **Paul** – “Lets take off the anchors and shackles” ....I see us going up towards the portal - speed of light, speed of light, speed of light...I see as if it were a picture of the Hubble telescope, everything is dark as if in space, but you can see the formation of a transparent, white funnel cloud but with colors like the aurora borealis in it... all of us are in the group here together...as I float down towards it I see that the colors are made up of faceted precious stones all circulating around in this white whirlwind of the Lord...He wants us to go down inside of it....the jewels are revelation... revelation, revelation, he wants us to go into this revelatory funnel..Larry said he felt something round....Paul said “fiery stones” ...that Lucifer walks on the fiery stones and that the coals burn out the revelation.”

**Larry** stands in the angel...climbed up on a horse...Larry starts laughing ...and making horse sounds and moving his hind leg like a horse...Hang on...Hang on ...They’re coming, they’re coming from above and swift is their flight. We’re flying, we’re flying, we’re flying. We’re landing. It’s swifter than you think. Helloooo....Larry begins laughing again and shouting ‘helloooo’. Hellooooo...it’s like I’m calling into the void...come out wherever you are. Hellooo....We’re travelling again...maybe we picked something up.

**Paul** – think we’re all on horses.

**Larry** – think we’re picking something up. Like there’s a train of containers  
....Hellooooo...hellooooo....more laughter. Hellooooo...hellooooo

**Paul** has something in his hand now...a sword?

**Mimi** – there’s a carriage behind you.

**Larry** – how come it got heavier...it feels like I just pulled dimension out...strange.

**Mimi** – you’ve pulled something out of a dimension and you’ve gone out of the dimension.

**Larry** – did I pull the chariot out

**Mimi** – out of the dimension into a higher one.

**Larry** – is it Elijah’s carriage? Helloooo

**Patti** – Elijah’s chariot is ‘place’ travel.

**Mimi** – I think Elijah’s here. I think you brought him here.

**Larry** – so was the spirit of Elijah stuck somewhere?.

**Mimi** – there’s a mantle on you. Wonder if you brought that back. There’s a mantle over you.

**Larry** – feels like the chariot’s still waiting.

**Paul** – I feel the whirlwind. I was given 2 Kings 2:1. This is that. Lord, take us up into heaven in a whirlwind. You can only access some places in heaven through the whirlwind? The whirlwind is a door and you can’t get there any other way. It’s like a crack in the universe. It’s like we’re being sucked into that place so where are we now? We were taken into a narrow place and now it’s expanding.

**Larry** – it still feels like there’s a carriage over by the kitchen.

**Paul** – this is a new place...where are we, Lord? It’s like something opened up for the first time.

**Mimi** – is there something in the chariot that we need to access?

**Paul** – this is a being or an object. What being is this? It’s almost like Melchizadek but it’s not. It may be a living object. What did Elijah have...a mantle...Lord, was this object on earth? This object has not been utilized for a while. I think this is the altar of incense but it’s an object that is living. It’s human intercession which is going up into through the crack and before it gets to the bowls. So, what does this have to do with a horse, chariot, and whirlwind.

**Larry** – does the intercession release the horses and the chariots?

**Paul** – now, I’m feeling Melchizadek. Have the strangest sense that the prayers have been blocked and now there’s an opening in heaven. The prayers have reached Jesus (Melchizadek) and now He’s interceding.

**Mike** – is that for Illinois cause for a long time we’ve been feeling a brass heaven over Illinois

**Paul** – I think it’s been over the world. Is it true that the prayers have been blocked somehow? We come into agreement with what you’ve been praying to the Father through the Holy Spirit. I think the prayers are undoing what U.S. Pres. O. is currently saying at the DNC.

**Larry** – I’m hearing this stone faintly being rolled away. Is there a tomb that America has been placed in? Is it being opened up? It’s like a slab moving in order to be opened up.

**Paul** – there’s an angel coming, Larry. A very large angel.

**Larry** – I’m seeing a scroll unfurled and all I see is the word EPIC battle unfolding. Confrontation, restoration, occupation, habitation. Kingdom acceleration. Edicts will begin to appear. Blowing away the smoke. Strength shall arise as hope fills the eyes. Help is on its way to usher in the brand new day.

**Mimi** – there’s a being in front of Larry

**Paul** – it’s a Mighty One.

**Larry** – Lord, we receive everything you’re giving for this weekend.

**Paul** – a spear

**Mike** – a mace (like a club)

**Mimi** – describes the maces from Calvary men who were on horse-back.

**Larry** – went over to Mike and gave him the mace or star mace.

**Mike** – found a picture of the mace but also a star mace with the chain and star and the end of the club

Come Up Higher Friday night

During the session many felt a whirlwind going counter clockwise. I then saw in the back of the sanctuary a cleft in a rock. I remember that Moses was to speak to the rock but he was disobedient and hit the rock three times. The dream below was sent to me today about a Korean word. I remembered the dream and asked a Korean pastor what the words Chi You meant and he said those sounds are “healing.” I then remembered that Crystal had said that an atomic word bomb was going to be released. I felt that Paul Kim was to speak to that rock the Korean word “healing” and to release the bomb. He did that and the room was filled with immense power.

Dreams

Paul,

Alicia told me tonight about these two dreams that she had. I asked her to please send them to me and she did. I feel like we are in battle! It has been awful for two days at least. My dogs are acting funnier than even normal and they keep being on alert...all night long! Got 90 minutes of sleep last night. Not a good time with trying to prepare to leave tomorrow!!! Lord help me please! I know you know what I mean. Anyway I felt I should send these on to you and see what you think. I do not know Alicia well enough to trust her...so we will need to discern this. I'm going to bed right now and I pray I can sleep tonight! She said that Aslan's had a silo that came up out of the ground and fired that white missile...good to know!!! I'm not sure if what I am feeling is about tomorrow or if it is just me? Let me know what you think??? I have been fervently praying and walking the floors...the "Dread Of The Lord " is being released again. I will talk to you at around 4:30 tomorrow with Crystal.

Prayers, Blessings and much Love to you all!

Raylene

P.S. She said that both dreams had "Chi You" in them and that the first one was in our Blue Media Room when she entered the door...she told me when we talked that I was teaching the kids to make these little lights that meant "Freedom". That everyone was busy making their lights. And in the second dream we were singing "Chi You" I think she said? She really did not explain that in her writing???

Hi Raylene,

Dream#1 I dreamed this 6-5-13

I watched someone battle this principality it was female. The person battling it had weapons

that looked like reaper swords, two of them, they were worn on each wrist. The principality took the weapons from the person and defeated them with their own weapons.

I ran to my dad and he was gonna battle it, I got scared for him because I just saw what it did to the other person. My dad told me to intercede for him, so I had to walk past the principality again. I began to pray in tongues and it was glaring at me. I would not look at it but it started to make me dizzy and disoriented. I got out of the room it was in and someone told me I couldn't intercede in the room I was now in. So I was searching for the intercessors room. I found a door that had something written on it. It looked like a class and when I came in Raylene from Aslans was in there with other people. I sat down at a desk and they were all doing a craft, making a small light. Nobody seemed to be teaching, everyone already knew what to do. I didn't really know what was going on and no one seemed to assist me. Then one of the girls was showing me her light and she told me she was going to write "**chi you**" on it. I said to her, who the Son sets free is free indeed. And I told her that "**chi you**" is **I'm free** in Korean.

I looked outside because the class had no wall, and out in the open field was a bunch of computers on desk and lots of kids/teens were coming to the computers. The girl I was talking to told me that having computers outside attracts the youth.

Dream #2 Dreamed this one 6-18-13. The night I dreamed this dream I had played the CD that has the "Chi you" song on it. Its kinda odd because my dad gave me the CD so I can burn it and I hadn't heard it in years. And it wasn't till I was writing this dream down that I realized that the last entry in my journal was the 6-5-13 dream#1 that said "Chi you" in it. made me think these two dreams were connected.

My family and I were spending the night in front of Aslans place. We were on the ground in sleeping bags. A aircraft that look similar to a Harrier, black with 2 red lights on it was hovering near by. It hovered in a slanted position not like a normal plane. It saw us and was going to fire on Aslans place/ us. Then all of the sudden a white rocket launcher popped up out of the ground right behind us and it shot at the plane. My Son Gio was sleeping in a tree and I thought the rocket skinned him but it didn't. Paul came out to see what was going on, a lot of people started showing up. I had told Shaun (my husband) this kinda stuff happens but he hadn't believed me but now he saw it with his own eyes and he believed. I saw Raylene and she and everyone was glad we were there. Hayden (my middle son), seemed scared. my mom needed me to take her to the eye Dr. I never saw the rocket hit the plane, but I believe it did.

Interpretation by Barbara Parker

Yes, they do seem very good! I would imagine the person who was defeated in dream 1 was an example of someone fighting the enemy in their own strength--no chance of victory. And yes, I think both dreams are tied together and have to do with the freedom in Christ that is available, and that is being taught at Aslan's Place.

The little light are interesting because at first glance "little" implies not much, but all together it like individuals lighting a candle in a dark place and lighting up the whole space.

No walls and computers outside probably refers to webinars.

I got "alien" as soon as I read about the aircraft in dream 2, but they're powerless against Aslan's Place.

**Discernment Coaching**

**Ancient of Days**

**Paul**

All creation is waiting for who we are

I don't know if we were all created at the same time

2010 – Jana went into an open vision – she saw the sons of heaven

Since then, as the revelation has unfolded – it's somewhat like a conspiracy theory

Like when the guy in 24 catches the bad guy – it's like “this is bigger than you think”

Job Chapter 1, verse 6 – “there was a day when the sons of God came to present themselves before the Lord, and satan (the adversary) also came among them”

Chapter 2, verse 1 – “...there was a day when the sons of God came...and satan came among them...”

The emphasis is on the ‘sons of God’ and not on satan.

We're told in Deut. That God divided the land according to the number of the sons of God.

Genesis Ch. 6 – the sons of God saw the daughters of men – my spirit shall not always strive of men – there were giants on the earth

Proverbs Chapter 2 – verse 16 – immoral women – the seductress – who forsakes the companion of her youth – the house of the adulterer – her house leads down to death – to Sheol – her paths down to the depths

We believe that the Rephaim are the spirits of the dead Nephilim

In Jeremiah, Baal is tied to Molech – and Molech is the god that the children of Israel worshipped at the base of Mt. Sinai – they burned their children in fire and dedicated themselves to Molech

I've got a book “Divorcing Baal” from Sid Roth – very interesting information

Beelzebub – declared to be the prince of the demons – is the Greek word for Baal – the tabernacle of Molech came out of Egypt – which is Saturn – which is Nimrod – back to the Tower of Babel

I wondered, “I wonder what the word ‘demon’ means?”

Demon means, “little gods”

These fallen sons of god

Go up to Psalm 82 – God stands in the congregation of the mighty

When you start looking at Nimrod – who is a mighty one...

I wonder what the ‘sons of God’ are in Romans 8? (in the Greek)

It's the sons of God – the same translation in Romans 8 as in Psalm 82

Isn't it interesting that the judgment is tied to the fallen sons of god on earth?

I was discerning the Rephaim – the fallen sons of god – like the walking dead

I had to ask Jesus to come as the Son of Man with a sword to take care of this, and he did

Why is it important for Jesus to come as the Son of Man?

Let's look at Matthew 16: 13 – John 12:34

Sons of God and sons of light

Look at the end of Matthew where Jesus is before his accusers

Matthew 26:64 – son of man sitting on the right hand of power and coming in the clouds of heaven

So you have a fallen son of god who's mated with a human being – a Nephilim – the Nephilim dies and goes to the place of the dead – we're told that parts of us goes into the place of the dead – into Sheol – I believe that there can be parts of us that go into these places – because of humanity's sin

Could this Nephilim/Rephaim be going into people...

The Nephilim body is not resurrected, but Jesus is the only one whose body resurrected.

He's now seated on the right hand of the Father.

Nothing on earth, under the earth, or above the earth can declare that He doesn't have rights. He went through all the heavens, declaring He is Lord.

He went and He declared, "I am now victorious over you, and I am the Son of Man, and I Am the Son of God."

Today is April 16<sup>th</sup>...I was sitting very, very low and very unhappy – did not want to do this anymore and was tired of being tired. All of a sudden I felt Jesus as the Son of Man come and He had a sword in His hand – this huge sword. I am not declaring something, I'm just telling you what I heard, in fact I did not hear it, I said it.

What I heard was, 'the day of the Lord has begun and the day of the vengeance of our God'.

I had this anger rise up in me – I am really tired of this.

The next day I had prayer sessions – a week ago Monday – and I realized that when I was praying that Jesus as the Son of Man was doing the deliverance, this was quite a shock – I feel this all on my head – it's like a moving headache – it was like Jesus – personally – on that Monday was doing the deliverance (He's always doing it anyway) but it was like He personally was doing it.

So now this week – something happened.

Turn to Daniel Chapter 7 – which is where the term Son of Man is used in the Old Testament.

Read Ch. 7 and read verses 1-14

Note from Paul – the 'Ancient of Days' pre-dates the 'sons of God'

The Son of Man comes before the Ancient of Days

Then move to verse 23 –

Right now, we're in that court

This is the first time this week of being in the court – this is a different court than we've been in before – this is not Mt. Zion this is not the council – this is the court of Daniel 7 – we're with the Ancient of Days and we're with the Son of Man

I think we just need to worship the Lord right now

Paul – I feel a multitude of angels participating – it's like I can feel the thousands upon thousands worshipping the Ancient of Days – a book needs to be opened – it says that the books were opened in front of the elders

Paul to Raylene – do you want to stand there – there's a whirlwind there – I feel like the Lord wants to give you a book – I could be wrong

Paul – I feel a lot of pressure on my head – I know that we're on Mt. Zion or in the court

Peta – from Canada – I feel a gravity of business – seriousness – the type of business like when you're going to take a test

Debra – I see royal beads a white sphere

Debra – I see the Ancient of Days and the son of man

Paul – can you describe what you're seeing?

Deborah Barbour – I just see the two beings right now – I don't see what the courtroom looks like – I saw them when you first started talking about them – they were on either side of you – they have like brocade

Paul – on right – Son of Man – on left – Ancient of Days – and I keep hearing, 'court is now in session'

Raylene – there's a throne in front of us – and it's huge there's no – I can't see the top of it – it's so high and lifted up – this is the highest court the Ancient of Days opens the Ancient books

Books that were not written with human hands

Paul – what is happening now – something is happening we're moving deeper into the Father into his hear

Raylene – the heart of the issue the issue that is before the court

And it is become an issue for the Father's heart

There's a tempest that's been formed

And it comes to divide

Paul – that's the truth – there's anointing – I'm starting to feel this seriousness – there's a reverence – an AWE

Raylene – he stood up

Oh – He stood up

You will not sit any longer

It's like fire is coming out of his nostrils – like fire

Jana – smells like it too

Paul – can you feel the heat and the fire like you're in front of a blowtorch or torches

Hannah – all stand the court is in session – we are brought before the court to advance our position in Christ – like spinning now

Raylene – we're in the whirlwind

Jana – like a centrifugal force

Paul – something in my hands

Raylene – and it's warm

Paul – it's like two

It's heavy

Paul – are we all holding books?

Raylene – it's like a weight and measure

Paul -0 it's a scale

With judgment is always redemption – because there are heavenly scales and there are earthly scales

Paul – it's like we're holding the two ends of the scale

I heard the word, 'divine shift' right before you said scales

The armature it holds the two pans – now there's anointing coming

Judgment is not blind and neither is your God

Andrew – seeing a crown on my head and what might be stones or firelike jewels

I see crowns but there are eyes on them

Now my evangelistic fingers (both of them) are going of - there's something about evangelism in this

I can see a huge realm – we're approaching the judge – it's the Lord – this huge, thick white book that's open and the Father's finger – everything that has taken place from the second, the very moment that we're brought into this earth is recorded here, all the injustice is recorded here – and each second and each moment of every person's life – nothing has passed from his eyes, from his heart – it's now time for Him to execute His judgment on this earth – but now 'I step forward , I'm going to handle this, many things in this room that have been lost/stolen/taken from you – the Lord says I'm going to give you a bigger key ring – open the door and enter that new room – don't look back but walk forward into this new place – and now partake and take hold of what is in this new place

Paul – we receive and step in to these new places and take these keys

Jana – Romans 13 – talking about the natural – heavenly protocol – I remember feeling all these rulers all these weeks – the authority is at another level that we've not experienced

Romans 13:3

Paul – I feel very large angels

I sense – there's earthly ministers and there's heavenly ministers – the Father had to stand up – we've had the move of Jesus – the move of the Holy Spirit – now the Father is coming – he said, how would you know who my people are but by love? – redemption – with this is when we're getting up into the heavenly places – when we're coming back down – we're to establish things - all these things are parallel – when you speak – you'll either have to discern – to release it – others have to accept it – and it will expand

Matthew 13:36 – parable of the tares of the field –

Jana, one of these angels has stepped forward and has a message

Raylene – down our arms – it's like a spiritual strength

Paul – I feel a sash

Centurion angels – comment from online

When you spoke earlier about the new authority – I saw a new armor coming down over your shoulders – so this armor was in authority as well

Jana –

Paul – I feel fire with this angel – extra pressure

Jana

... TO TESTIFY

THE WITNESS OF THE OLD AND THE NEW

FOR TRUE RIGHTEOUSNESS IS RESURRECTION POWER THROUGH YOU

YOU MUST BE ... THE RIGHTEOUS RESURRECTION

FOR WHY WOULD YOU LOOK FOR THE LIVING AMONG THE DEAD?

...SO SPIRIT THAT RAISED HIM UP LIVES IN YOU

LET THE ENEMY ....

FOR THE IMPERISHABLE IS LIGHT AND ARMOR THAT IS TRUE

IF EMINENCE IS THE KINGDOM BIRTHING THROUGH YOU

THIS IS EVEN THE HOUR THE TIME TO BE AWAKE

TO KNOW THOSE WHO LAY THERE AMONG YOU

FOR THOSE WHO HAVE COME THROUGH THE GATE

YOU MUST BE YOKED WITH THE FIRSTBORN AMONG THE DEAD

YOU MUST COME BY WATER AND BY BLOOD FOR HE IS THE HEAD

AND THESE THREE TESTIFY THE SPIRIT, THE WATER AND THE BLOOD

AND IN YOUR HUMANITY THIS TABERNACLE IS AMONG MEN

THERE'S A CORPORATE ALIANCE THE UNITY NOT YET KNOWN

BOTH HEAVEN AND EATRTH

IT'S THE CHURCH OF THE FIRSTBORN

SO PUT ON THE ARMOR OF LIGHT

AND DO THE WORKS OF THE DAY

FOR NIGHT IS UPON YOU

FOR MANY WILL BE SLAIN

(I'M HAVING A VISION)

(I'VE NEVER SEEN THIS BEFORE – AN ARMY OF YOUTH)

THEY'RE SO LITTLE

AND THEIR RUNNING IN DROVES

ACROSS FIELDS

UPON WALLS

THROUGH THE WINDOWS

THERE'S SO MANY

AND THE GARDEN IS BEFORE THEM

AND WHAT'S BEHIND THEM LAYS WASTE

AND IT'S GOING ON

Paul – I feel like a donut – I think like this is an army of youth – they're around Jesus

There's only one at the head x2

LET THESE COME UNTO ME FOR THE KINGDOM AT HAND IS MADE UP OF SUCH AS THESE

AND THE CLOUD OF WITNESSES – AND EVEN NOW THE SONS OF RIGHTEOUSNESS THE LIVING  
AMONG THE DEAD ARE CHURNING UP THESE ONES FOR THIS HOUR

AND SECRETS ARE BEING UNLEASHED AND IN THEIR SLEEP THEY'RE IMPARTED

AND THE YOUNG WILL DREAM DREAMS AND THE OLD TOO

BUT THESE TWO TESTIFY THE OLD AND THE NEW

AND THEY CARRY THE LIVING WORD

AND THE WORD HAS POWER

AND IT'S THE WORD THAT IS FLESH

THIS WORD FROM HEAVEN

I can't describe it

Paul – have you ever seen Mecca – there's Jesus at the center and this mass of humanity – it's  
that dense – and He's at the center and the head

Jana – here comes a new fier

Deborah – sees the Ancient of Days – and .... Robed in a heavenly purple – shining white the son  
of man – the ancient of days is tall with a long white beard and a crown with jewels that can't  
be describe in earthly terms – lightning shoots out

Deborah Barbour PT 1)Both beings were dressed in heavy brocaded

robes - gold thread woven in to a heavenly purple and shining white  
robe for the Ancient of days. Same gold thread woven in a heavenly  
blue and shining white for Son of Man"

Aslan's Place, Apple Valley, CA

PT 3) Lightning shoots out from his crown, hands and feet. He stands  
a little/one step back from the Ancient of Days."

Aslan's Place, Apple Valley, CA

PT 2) They are both very tall - Ancient of Days is taller. Ancient of  
days has a long white beard and amazing crown filled with gems  
that are indescribable in earthly terms."

Aslan's Place, Apple Valley, CA

PT4) Lightning shoots out from his crown, hands and feet. He stands a little/one step back  
from the Ancient of Days"

Fear anointing – the same principle – the Ancient of Days – there’s been this layer – the enemy

Raylene: They are making up the cloud of witnesses in one accord with one voice – speaking to  
the children – to little minds – little ones – calling them with one voice – those 6 and under are  
the ones who are coming up – they’re calling all these names – the blood, the blood, the spilled  
blood – but they’re calling in power to the generation that is – and they’re saying, ‘come on,  
come up, stand up, be bold , there is no age limit, you are mighty’ and this one voice speaks  
with great joy – they were not given a voice, but now their voice speaks out

PT4) Lightning shoots out from his crown, hands and feet. He stands a little/one step back from the Ancient of Days"

Aslan's Place, Apple Valley, CA

Andrew Adair (privately): Ive ben seeing something like black photographic film being drawn out of people's heads and this is going to be replaced by something like holographic books.."

Aslan's Place, Apple Valley, CA

Andrew Adair (privately): colour holographic books..visions are going to another dimension..new vision being released"

Paul – I feel like we're taking what we've just received and it is going to be adjudicated in the council.

### **ad·ju·di·cate**

[uh-joo-di-keyt] Show IPA **verb**,ad·ju·di·cat·ed, ad·ju·di·cat·ing.

#### **verb (used with object)**

1.

to pronounce or decree by judicial sentence.

2.

to settle or determine (an issue or dispute) judicially.

#### **verb (used without object)**

3.

to sit in judgment (usually followed by *upon* ).

Paul - This is with the cloud of witnesses and the saints – Hebrews 12 – or actually the end of Chapter 11 – verse 39-40

In the council – they are cheering – it's like a rabble

Raylene – they're excited – they're hitting their staffs and rods – they're singing – it's a cheer – it has a melody

Paul – this is the 'saints' singing a new song

Karen Toler – I heard (song) 'Hallelujah – praise the lord – our lives are going to be restored – open the doors for the wedding feast of the Lord - ... - the people of the earth will hear – the joy of the lord is our strength – he's coming to restore our strength – there's a people who will tell the story of the god of old – the ancient of days will rise again – he's coming with fire in his eyes – to restore the people of God attain – sweep away the lies – the people will hear = .... First love has come(missed some lines on this one)

(Clapping and cheering)

**"Deborah Barbour (privately): I see them marching in - marching in - dancing upon injustice!"**

The Lord is saying that there is a preparation of people with eyes to see and ears to hear – be prepared to see into these things that we're seeing to go beyond what is going on in the four walls of the church – how He intended for the kingdom of God to rule on the earth – he's bringing it down – I can sense him bringing it down over our heads – now on our shoulders, our back and he says, wear it, wear the royal robe the robe of priesthood down in position – many more that are searching/seeking, they've been going here and there – saying no this is not it – the Lord says stand in that royal position wearing that royal robe standing in that place of intercession standing in the gap

"Andrew Adair (privately): the stones are to build..the Father's House in heaven & earth (eternal habitations) it will swallow up time (8:57P)"

**Larry** Feels like we're in the 'eye' of a big storm all around us and we're caught up and going up into a higher place. It's a massive whirlwind and we're getting caught up.

**Paul** Sensed sensations on his head like someone took a hot poker to his head...feel it has to do with the power of the mind. I've had this theory is whether our memory in our cloud and not in the brain. Perhaps our mind is in the grid. Do we create by our mindsets?

**Larry** Got a word that 'I am changing the grid'. The power of the mind of man vs. the power of the mind of Christ. There's a shift in the power from the mind of man to the mind of Christ. Being connected on the grid of the power of the mind of Christ. Tune in to the power grid of the mind of Christ. There's something about the revealed sons of God coming through the ones that are tuned to the mind of Christ. A greater distinction from the mind of man to the mind of Christ. Come through the gate of your mind. I'm opening the gate to the mind of Christ.

**Paul** I feel Gabriel so does Gabriel have something to do with the grid. Often Gabriel and Michael take us travelling on the grid. Gabriel is tied to the mind and sometimes take us to places on the grid that affect the mind.

**Larry** Transformed by the renewing of our mind

**Paul** Transformers....literally is electrical power. It takes the power of God and converts it so that it doesn't wipe us out.

**Larry** Is the awakening to the power of Christ, the reality of Christ, the glory of Christ?

**Paul** We just got plugged into the grid.

**Larry** Are we plugged into a new grid?

**PP** He said something about 'changing the grid'.

**Mimi** There's substance inside the thing that's connecting us. It's moving. It's almost like it's electrical current.

**Paul** Now, it's starting to burn again. Lord, do you want us to go somewhere?

**PP** Said something about going through the gate.

**Mimi** I feel like there's a re-wiring in my brain.

**Larry** Yes, we're getting an upgrade. We receive the new 'software'.

**Paul** Lord, deliver us from any ungodly mindsets.

**Larry** When I asked the question 'what is our part in this system'. I heard 'be a refuge. Bring people into the Refuge'. Are we like the Ark for those who are called or choose to come into the Refuge.

**Persis** We're like the Ark of Safety.

Larry on phone while I was in Moravian Falls. About the Whirlwind.

See a crack. A opening up. This whirlwind will bring transformational understanding. the face of the sons of the Kingdom are about to shine and dispense a new wine. Get ready to ride the new wave. Position yourself. God is releasing Holy Ghost storm chaser that follow the Cloud and no longer the crowd. Sonship is about to show up and shake the earth. It is a storm of light, liberty and great joy. New alliances are forming. New connections need to happen. There is a new shift taking place. New breed of worshipping warriors that will bring upgrade to His Kingdom. Eating scrolls will become the method of transformation.

The jump is BIG

BIG BIG BIG

Old tent pegs must come OUT

OUT OUT OUT

Too big it is to be done alone

I'll send you re-inforcements

Which I have home grown

With the breathe of My wind

Hand in hand with your friends

You'll be propelled

Into regions unknown

This is a BIG one

For this season and time

That I want to reveal

To these friends of mine

As superman

You'll fly into rhelms yet unknown

Swirling like a dervish

Like dust storms occur

You'll come and you'll go

Into regions both near and far

You'll discover some secrets

Hidden in the winds

You'll unravel some mysteries

Hidden within

You'll deposit My kingdom

Along this new way

As I guide and propel you

For this new day

I hear this all in context of seeing you on the lip of The Grand Canyon & flying off like Superman as you are propelled by the breathe of His Wind. Up and down, & round and round you go accomplishing His purposes as you go.

For what it is worth

Blessings,

persis

Acts 3:20 times of refreshing or restoring of all things. I felt coolness at my feet as I was in the whirlwind. Refreshing means coolness.

Pentecost

APF

First discernment of the whirlwind. Feel where I feel thrones and windows. Feel a rotation.

Rainbow angel

Jana

Learn from the whirlwind of my presence even Job understood my answers. For you carry with you the evidence for regeneration and every promise and every prayer is scattered through the wind to all the nations. I am not just blowing the chaff away but I am scattering the seed for the harvest is at hand and for those who are following Me into the regeneration will be changed and taken up for the complete restoration. The desperation is being awakened again for I am causing my fire to burn off apathy from the hearts of men. You have seen the signs in the earth but those who have ears to hear and eyes to see will establish my worth. Up to now you think it is only taken force but the true Pentecost is the rest so jubilee can take its course.

There will be now no one stone unturned to reveal the healing fires which are about to burn. I am burning off the apathy and removing the limits of disappointment that have held back and veiled for your expectation must be beyond lack. For I have said you are all gods and yet you are aligned to the culture but the kingdom of heaven is at hand for the complete restoration.

Persis

I have been trying to tell the church but they are not listening. But tomorrow I shall come like a mighty wind to many churches with power. Pray that I will be heard that the church that the church will hear Me and listen to me. How I long to come to the church but they do not want me. How many churches and fellowships but they do not welcome Me.

We welcome you Holy Spirit.

Spirit of prophecy

You just view from a place that is new. You must expect those things that are now as if they are due. Unite with the invisible to be organized for the recreation for all of creation is longing for the sons of God to follow in the regeneration. It is not as the world does but as the kingdom is at hand on earth as it is in heaven. Call to me and make the demand. To move the invisible must be from a heart that believes. Speak to the mountain for the thrones will be removed and a highway of holiness will be seen. Unlock the assurance and ask me for boldness for it is time to heal time and unlock the hidden grace. Call to Me and I will answer and seek my face.
