We are at a tipping point. The enemy wants to set all this into place. The enemy is trying to pre-empt the end times to prevent the revival. On the 21<sup>st</sup> and 22<sup>nd</sup> it will be put into cement. By Passover this will be taken care of.

Stop what the enemy is doing because it is not time yet.

Lord we come in agreement in unity and we acknowledge that we have been invited into your council and we come as revealed sons of God representing the earth. Lord we ask You that the enemy will not be allowed to pre-empt Your timing and to cause to have effect the ungodly Mazzaroth which is the zodiac, especially to cause Aries to rule beginning at the equinox on March 19<sup>th</sup>.

Lord we ask that You will establish Your Mazzaroth to rule over the earth in this specific matter tied to the coronavirus. We understand the complexities of all this. We ask that You accomplish Your will in terms of timing in this specific matter that you choose to rule in right now. We declare that You do have providence in matters pertaining to Your will so we come into agreement with Your providence and Your will.

We ask that You remove all ungodly seraphim that are worshipping the enemy in these matters specific to what you want to do now. Lord bring all righteous windows into right alignment and remove all ungodly windows in these matters and we acknowledge that there are complexities and mysteries that we do not understand but we also understand that you can use our prayers to accomplish what you want to accomplish right now.

Lord release Palmoni to bring all vibrations into correct order in these matters. We declare that we will rule and reign under you Elohim. Jesus Christ and Holy Spirit. Lord please synchronize our spirits and our living stones to come into correct timing with your Kairos time as especially as we move into Spring and resolve all Chronos timings all dimensional cyclings in all dimension to come into your Kairos time so that when spring starts we are in your Kairos time.

Time is of the essence to fulfil every need. Its not set by the measure of man. But time can be healed once you believe. Creation is longing for you to know who you are for everything created speaks of His invisible attributes. Divine nature, eternal power. All things connect by a path that you

choose. Come back to the center and I will bring you through. For many have wandered in search of something else they think they should know. But from the fear of the Lord is the origin to make holy and restore. There is nothing really lost except that it has been given away. From this point on the limits are off and you can begin to see how it should be made. It has not been practiced what you should be. But what is moving now is the river that makes glad – the city of our King.

His arm coming like a spear. I will take the hearts of men and I will knit them and weave them. I will go across the earth. I will do differently than you will understand. You will be surprised and you will it is Me.

[There is Jezebel]

It will not be like old. It will be like new. It will not be like old. It will be like new.

[As if you don't have to pray for Me to be victorious. We are. I AM. This is regarding the Jezebel]

Paul feels revelation.

[I stepped into a pool of fire. I see each of us bursting into flames. As we are bursting into flames the building is bursting into flames. I see on the four corners of this place, the flames are going up higher in the four corners. I sense there is another being here with something. An oil

Paul feels another saint. [Moses]

He gave me his rod. Paul says this is signs and wonders.

Paul: Rod is associated with signs and wonders.

We have to go back to Elijah showing up here. We need to pay attention to what Brian said about always asking God. Never go for method. Always go for relationship. We are God's little helpers.

### **[03/19 Sonia – Apostle John]**

I am a living testimony of what you are revealing about. I overcame. I only did what the Lord wanted me to do and I overcame. I only did what He told me to do. I was His beloved just as you are His beloved. Stay on His paths. Listen to His words. They tried to destroy me with oil and they could not. I burn with fire that is more holy and glorious and not created on earth.

You will overcome in holiness. For He is Holy. You will overcome with life because He is life. They put me in caves. I was fed and nourished and watered in caves by Him. There was no distance between me and my God. Just as Jesus says “He is the Way the Truth and the Life”. In Jesus there is a gate open and see a path right open to the Tree of Life. [So holy so pure, so righteous] He first loved you. All I did was love Him back. I had access to Him because I loved Him back. He shared his secrets with me because I loved Him back. There is a flow – water, food, holy fire.

John’s fire could not be destroyed. You will overcome. You will overcome. Stay in intimacy with Him. Stay in close intimacy with Him. Do not leave your first love. I had want for nothing. I had need for nothing. I had everything in Him and with Him. It sustained Me.

Paul: We have to decide “Am I going to stay on the ancient path and obey His commandments and love Him and everything else will fall into place”. It is not about the Tree of Life or ancient path. It is about Him. Then I have access to the Tree of Life and the Ancient Path.

### **[03/19/2020 4:45PM Prophecies over Jamison – only partial transcript]**

Who will show him how it is to be done? Who will show them how to cross over or to know? For its not done in the way that their parents did. They will have no respect for what is past if you don’t show them how it is done. It is not on a stage or pulpit that they will listen to. It’s the crossing over to what is truly new. And this is why Elijah was here to drop a mantle for Elisha to do double what he did. How will they avoid the second death if they don’t cross over to life, the truth and the way. For it is not done in the church so they cannot understand but how it is done in life and family and agreement and passion and creativity for their hope was lost by what they saw so they won’t settle for anything except truth that reveals the true lie. The example is pure but it is safe not condemning but the power of grace.

[Missed a bit here. Sonia has the recording]

And even the dead were raised from his grave for they don’t know how to continue from the old way. Jamison the Lord is going to lay on you the hope of a generation that was lost. It got mixed up in religion, laws of man but relationship will be the teacher and forgiveness for the sons of men.

**Victoria:**[ only got partial]

We release the winds of Holy Spirit from North, South, West, East to fan the flame of revival in you, the word and the generation. You shall perform the miracles, the works of the Lord. Holy, anointed, appointed for such a time as this. YO uare in the center of the will of God. You move fowrad in the blood of the Lamb. You walk in power and the demonstration of the will of God. The Lion of the Trine of Judah’s boldness and courage go with you. You will not be moved by what

you see or here but you will move forward as a new prototype for your generation. You will move as Jesus moved even unto the disappearing in the midst of the cross

**Matthew:** I see the Lord loosing golden oil on your vessel. Father in heaven, Ancient of days I all you in the name of Jeshua. I thank you for the heart of gold that Jamison has. It will be rare for the hearts of men to be gold. I prophecy that Jamison is made of the gold of Ophir. I declare and decree Holy Spirit power and presence loose and swirl. We bless your son. We thank you for obedience and humbleness. We bless you Jamison. Hold the hand of Jeshua Hamashiach.

**Anne:** Aslan the Lion of Judah roaring all around you. I see Him roaring and coming to this side and roaring and this side. He is walking all around you and He is roaring. His mane is enormous and the reverberations of the roar are going out throughout the line.
