

What did you come to see? Who do you say I AM? You stand at the crossroad's, the Ancient path. Doors and windows must be claimed. Platforms of justice to open and shut. Who do you say I AM? What is my NAME? For the old will be made new, and the new will be old, From this mountain the veil will be removed so the whole story may be told. I give honor to were honor is due

On this mountain ask were the good way is. Who is the good Shepard who breaks lack? The Branch will gather what is scattered and make all things new. Again ask Me were the good way is. I will give you the nations and California to make whole and pure.

I AM building a unity that only in the spirit can be discerned. To know who you are in the realms and spheres in heaven is, to give to the earth. This is the time the manifold wisdom of God. You will show to the rulers and authorities in the realms who you really are! Get the treasures of darkness shatter the gates, find the paths and make way for the King!!
