"What is in store for this Bride of mine
Who dwells in California at this time
The King of all ages is about to make known
An explosive explosion of a very glorious kind
The timing is now, the angels are aligned
For this very eventful meeting of time
Streets of gold & new wine are about to come forth
Glorious & wonderful their appearance shall be
As those with My Spirit will certainly see
Streams that have appeared dead
Will burst & explode with gold & precious gems
Yet to be exposed
Come, dance & sing, for the neck has been broken
Over evil, great evil, in the Land Of The Golden."

Try the spirit. Persis
