Dale-Intern Week

(Turning)

The mark of the beast. It is the ungodly branding, ungodly fire. Marked for future generations Stolen from future generations. It is an ungodly cord from the past to the future and it is still connected. It is stealing life, blood. Ungodly covenants were made for the worship of the dragon. Sealed with a branding, branding of the future generations. The ungodly covenant was sealed with the ungodly branding of the future generations. It is stealing life, still sucking life and energy. These are the jewels that the enemy has stolen. These are the parts of the DNA, the parts of the DNA are the jewels. Crack the DNA code, crack it, crack it. I am giving you a key to crack the code. Decipher. It is a play on words. This is the mystery of Babylon. Crack the code, crack the code. Numbers, vibrations, colors, frequencies are all parts of the code that was written. This is the enemy's plan to take back what he lost when he was cast down, to steal and rob from the generations. He knew what he lost so he defiled the sound, the vibrations, light, frequencies, worship. It is a symphony of defilement. This is the covering. This is the ungodly covering; it is in the sound, light, vibration. It is an ungodly covering, it comes and goes and hides. Unravel, unravel the covering. Unravel the dark gauze, the ungodly vibrations and sounds. No more will this come against My children. No more, no more. Look to the sound, light, vibrations. There is a decipher of this. This is a hidden mystery of Babylon. There was a trading that was done, the souls of man for power, but there will be a reversal. It is in the numbers. The base of 2, 8, 4 quadrants. It is the quadrants. That is where there a shifting from one quadrants to another. Rubric cubes, the shifting of rubric cube. Keep shifting, the combination locks. Going from one quadrants to another, dimensional shift. Find the quadrants, the cube, the piece. Bring it back, brink it back. The necessary piece in the quadrants. The guardian is at the gate but I give you the key. Unlock the gate. Take the piece, like a piece of the rubrics' cube. The guardian is like a dragon guarding the gate of the cave. The order has been given from the Lord of the most high. The guardian must give up. Do not be afraid. Go in the cave and get the key. See Daniel's cube. It is a white stone, it is a stone of identify (Revelation)
