

Aslan's Place, Sunday July 18, 2021

Meagan dream: at a bar, there are 3 taps for beer in front of her. The one on the left trickled. The middle one, a little more, and the right -- the beer flew out and up. Reminded her of the golden pips. She then saw Stella (star).

Jana dream: camper, trailer modblie home... by a horse. A sick horse. And jana felt guilty that it was sick. Took it off the horse, and trying to heal the horse, and feeling it is her fault. Lots of sounds shifting, as she is chasing a horse.

Barbara: this is power unleashed.

Worship song: Yahweh

John: all during dinner he was feeling the lion with paws on his shoulders.... The glory usually comes to John when God comes, but with the lion he didn't feel the glory.... So was this God? Paul thinks so.

Oftentimes when the lion of Judah comes, it is dealing with parts.

Barbara: the lion, in Narnia, was Lucy's best friend. He is either your friend or he is going after those who are against you.

Aslan is the Turkish word for lion.. Which is why the children liked Turkish delight.

Brian and Paul met a guy who did special effects for Disney at Narnia. They used the lion from a little zoo outside of Aslan's (Hesperia means Star in the west)

Woman: sometimes you ask a question, and don't get an answer from God. this is for your training. 1 john 227 As for you, the anointing you received from him remains in you, and you do not need anyone to teach you. But as his anointing teaches you about all things and as that anointing is real, not counterfeit—just as it has taught you, remain in him.

You must give yourself permission to learn, and at the beginning it is not wonderful.

.... I can only do the best that I can. If your heart is after him, then he will teach you. The key is unity. There is not a leader who tells you what to do. You need a facilitator, but not a leader. We must submit one to another. If anyone says, "I don't know about this" We have to stop and go over it. If you have a difficult one in the group... end the group, and start your own group without that one.

You must have your one. And your three. And you're twelve.
But you dont tell anyone who your 12 are.

Give yourself permission to learn.

Watchers are police force of the judicial branch. They are a subset of the Holy Ones.

To give your testimony: to give evidence in a court of law about what has happened to you, to someone you know, or someone that you do not know but you know what happened.

The enemy has legal rights. And whether you like it or not, he has these rights. So, we have diseases even though it says, “you shall have none of those diseases” .. we have to deal with the enemy’s rights.
