

Angel of the Lord [Jana] 12:46 PM

Great mysteries will unfold for the throne of grace will let you know. Unity is what you are striving for but spirit, soul and body must be connected in the glory of the Lord. Doors are aligning for the harmony of things yet to come. You must come through the gate so Palmoni can teach you what is to come.

There must be communication on the RNA so paths can reconnect and the body will find its healing way. Grace will enable you to learn the frequencies of the subcellular communication. Avoid the mirrors of fractals that return you to belief in devastation. Seeing and the frequencies will align on earth as it is in heaven so the heart can decide.

There must be balance and must learn who you are for this is the restoration for more to come. For the harvest is ripe for this healing to come. Sound is evidence in what will take place to align spirit, soul and body and each other at the throne of grace.

Power must be acclimated to practice your senses so disappointment can be removed and all the treasury is emptied. Gifts, gifts and more gifts in ways you never thought of before. The original design is created to repeat the glory of God.

Tobias 4PM Gabriel

[The stars have been warring intensely]

The battle is for the soul. The heart has not been told that it has grown weary and old. The ancient ways you have abandoned and you have believed the lie of the ancient enemy that there is a better way. A better way you have to pursue for the Lord's work to undo. To recreate your own image and to become just like the fallen one. He is the leader of the fallen sons. There is an image that humanity has created and has believed aligned with the mouth the confession. This image is what you have to see. You have to see to undo and no longer reimagine the enemy within you.

There is a new creation that has to break forth and the old one has to be taken out the door. So I am leading you through the battle into the field through the gates and doors the complex system like never before. My son Paul you think you know complex. You have not seen anything yet. Complexity is what is within Me. Do not seek complexity outside of me. Complexity within Me is what you have to understand and see. Understanding comes from the revealing in the heart. Understanding with true wisdom that will make you smart.

[Tongue of man, Tongue of breakthrough]

Paul: We are in a courtroom.

Tobias: This is going to affect the judicial system of the Lord that has been given over to the enemy or the fallen ones. [I feel a humungous sword in front of me]

[Tongue]

I feel deliverance coming off the judicial system. What our ancestors installed is coming off where they handed over the judicial system and the courts that the Lord entrusted us with I believe is coming off. It made it impossible for us to stand in the righteous courts of the Lord. I feel a key in my heart.

Paul: Lord we pull this ungodly key out. Lord, unlock our hearts.

Tobias: I have something in my hands.

---

Paul: It is for everyone. Lord we receive every good and perfect thing that You have given us.

Tobias: Weapons of warfare and mass destruction. I feel the Lord saying "I am undoing imprisonment and I feel parts"

Paul: I feel justice. Lord we want to see justice.

Tobias: [Feels to me that justice is rising. Is this about our nations and bloodlines that are represented here?]

Breakthrough is being given to you because this is the work for the sons to do. No more injustice can be represented in My courts. So, clean out the courts. The courts have to be cleaned. In righteousness they have to stand as you represent your nation and the land. The land has to be healed and cleaned and the waters below for Me to release everything I want to bestow - bestow upon your lives and the hearts of man the revelation and realization of the Great I AM. I AM is at hand. [Now I've got this] Is this about the wedding of the Lamb?

Paul: I get distribute this.

Tobias: Is this a mantle to be prepared for the wedding to become the real bride of Christ.

Paul: This may be a betrothal.
