Angel 10:26 AM Nicole

I will come on swift wings to answer your prayers when you call. And you don't have to worry but just have faith. And the Lord is close to the down-trodden the broken hearted and you don't have to worry because He will take care of you.

Paul to Pastor Jeong

What did you come to see (Matt 11:7)

Anne:

Welcome. You've come up higher. Don't doubt and don't fear.

If you go through this there is no turning back.

Christ suffered for us – that we may follow him (Verse)

You may be hated by all men

Living stones – spirit parts.

3:17 PM Michelle

Holy Father please forgive us for ever doubting your ability to lead us. Please forgive us for not surrendering our thoughts and taking our own thoughts captive and submitting them to Christ. I release that stronghold now. I release my will to you and anywhere in my family line or association where we taught we had to have our own mind, own will and not depend upon anyone else, please forgive us past Adam and Eve to the dawn of day. Wash us in the Blood in Jesus and may we have the mind of Christ and may we enjoy hearing Your thoughts. Please interrupt our thoughts. We give you permission in all our time and all thoughts. Lord may our heart be one with you.

3:59 PM Tobias

Unrighteous covering. The covering of your hearts has been exposed. Now its time to remove the roots because your hearts and your minds have been hindered to come into the place of unity. You have been wondering why you can't hear and why you don't see. It is not because of Me because I am the one who can hear and see. My ehra's desire is the unity in Me so that righteousness can be established as the foundation . You have been praying and telling Me what to do with your nation. I am telling you to become honest and true. There is a much higher purpose that I want to bring you to.

Tongue:

It feels like I am standing in a crowd of spiritual beings.

Barbara: Cloud of witnesses

Tobias: Very dense and difficult to discern the tongue because there are all these beings one next to the other.

Ezekiel 8:3

Ezekiel 43:6

Jana: [At 2006 conference] Whatever we are doing is going to release the electric impulses that hold in memory in the body because of trauma.

Dylan: I see fireworks descending over Sarah's head

Barbara: I have the background to what she is saying. 2 corinthians 13:1 – evidence of 2 or 3 witnesses
I think that is why we are in the cloud of witnesses

4:00 PM Sarah

Sarah: I sense that I am going to a deep place. In the depth, in
In the depth, in the fullness of what you've experienced
[I can feel the place. It's a new place, Paul
It is in the depth. There are structures. I'm in this place with structures.]

Paul: We are in the deep darkness

Sarah: Can you feel the structures.

Can you feel the structures?

Paul: It is something affecting the living stones

Sarah Ungodly structures. It is hemming us in, binding us and restricting us

Paul: It is protecting the release of trauma.

Sarah: There's a depth in the spirit that has not yet been reached

Paul: These are the living stones tied to our spirit

Sarah: It is a depth in our spirit that has not yet been reached.

It feels like He is going with us to that place now

It has something to do with our origin.

Like when we were first made in secret in the depths of the earth and when we were woven in secret.
Something got mixed in the weaving.

Paul: I can feel that

Sarah: This is very deep and secret and unknown.

It was the intentions of the enemy – the intentions were mixed into us, into the very fabric so that it actually changed our design.

The intentions of God's heart were dishonored,

Those intentions were woven in and it has literally affected our design

It was the sound. The sound was corrupted.

Paul: The vibrations were corrupted. Let's go to Jana's word.

Jana: She even used the exact words.

Jana

Time of recovery, time of discovery. Go to the unsearched, those hidden in desolate places. The dungeons and the unsettled parts and align them to the regeneration. It is the original design held back by time loops, the judgments that keep the defensive abandoned by expecting the remade design. Hope is here for wisdom's sake. Heal the branches. Keep the root in place.

Tobias: Discernment of labyrinth

Paul: Ezekiel 8. Bronze man – Ezekiel 43:6

Walls are memories that separate us from God.

Tobias: Programming that is deeper than anyone has ever gone before.

Paul: Yes, because it is spiritual programming – foundational structure that it is built on.

Psalm 82, Deut 32:8, Divine Council

They are affecting our spirits.

We are dealing with something that may be locking up memories so they cannot be dealt with properly.

AmyBeth: Electrical things keeping the memories in place. Electricity blocking the amygdala which is where most of the memories are.

Paul: Height and depth are involved here, not length or width.

Prayer:

Paul: I want us all to step back into the Mind of Christ.

Barbara: Our spirit has been trapped in the deep darkness that Sarah described. It is in a place of intimacy with God that we are supposed to be in.

Paul: Lord Jesus, we desperately want to have the full mind of Christ and we are saddened to know that we are still affected by these ancient structures. Lord Jesus we have authority over our life in Christ and we are not taking on any other battle except the battle that we have between us and what the enemy has done. Lord destroy these structures that were put over me and my family line.

Lord remove any ungodly councils or divine councils that operated over me and have found continuation from before time to the present. I declare any of their influence null and void. Lord establish in Your original creative design what you desired to have influencing me spiritually. I declare that anything that influences me will be totally aligned with the Mind of Christ. Lord recalibrate every aspect of the living stones to be in total intimacy with you Jesus

Jana: Lord I choose to repent for myself and my ancestors who held offense when the chief cornerstone was put in place and so Lord they were passed down my line. Lord I choose to forgive You for all past judgments, offenses and beliefs that have harbored and helped build these ungodly structures which are altars and came against you and the inheritance of your blessings.

Lord destroy the seat of jealousy. We ask for You now as the ultimate vaccine to inoculate me to kill every parasite and bacteria and every abominable thing that has come down my generational line and is affecting me

Jana: Lord restore our senses that were dulled down or taken away and restore the fivefold in my being to operate in righteousness for Christ sake.

Paul: Lord rightly align all the living stones to conform to the image of the Mind of Christ. Lord I choose to reflect your image only for that is how You created me.

Barbara: Deep calls to deep.

Paul: Lord establish me correctly in intimacy with You in deep darkness.

April: Interpretation of the tongue.

Watch as I unlock new secrets in this season. I keep seeing the Lord bringing in a new righteous gate. I get a sense that this is part of the reward in this season – these new righteous gates that are being opened.

Left Door; Open, very very evil, dark inside

Kundalini ungodly seraphim. One of the chief seraphim that fell.

At one point the seraphim was very very holy and also rebelled against the Lord. There is a rooting of Snake.

Ungodly watchers.

Right side golden jar full of oil. Oil is not just for healing, it is for opening up dimensions to heavenly places.

Karen: 11:02 Seraphim with message

There are 6 wings flapping a lot. Equal rank to the one that fell. There's a lot of angry righteousness in what has been taken and its here to take it back. There's a restoration that is going to happen. There is so much righteous indignation over what.

Becky/Matthew 11:07 AM Father

[Tongue]

Matthew: Announcing the arrival of the Ancient of Days. Summoning the Ancient of Days.

Mark: The judgments that have been held back are now ready to be released.

Becky: The dog bowed. The wheels started turning.

April: Jurisdiction

Michele: [Wisdom 11:16 AM]

[Tongue:]

Your people have been chosen to run the race, to defeat the ostrich. You will defeat them with words,

My Korean people have been chosen. Leave the perfection behind. Your song is so loud. I want the heavens. Do not play shy.

Message from Holy Spirit

The last shall be first and the first shall be last. Connect to the ethnicity of things.

[Tobias 11:30 AM]

Paul: Holy Spirit as Wisdom:

Paul: Seven Spirits

Tobias: Feel the Spirit of Prophecy

[When prophetic finger goes off it is the spirit of Prophecy]

[Tongue]

Tobias: There are spiritual beings around watching us.

Paul: Holy Ones are here.

Tobias: I felt they were clapping their hands.

There are 3 parts to the message.

For Paul: Gift has the form of huge rock.

You are getting mantled for the future. There are many, mantles in there. All are mantles of stealth so you can go under cover and underground. You can go even close to the sun and not be melted like Icarus.

Group Message:

You've followed this man Paul. And you've done well but where he is about to go you cannot follow. Do not try to follow him because I set the standards.

[And I see these posts. I saw that in Asia and France. You put it into the ocean to mark a wave when the tide comes and goes.]

Tide stick.

I set those and you are supposed to learn to follow Me. Scripture says 'Follow the example of Paul the Apostle'. Follow his example even when he is no longer here or you no longer see him to follow. I will ordain many of you to become strong ministers of the gospel and for freedom. Do not be worried. Do not feel outcast. There is a new thing that I am doing and you are in it. You are in it. You are in it. And I keep on releasing you into this.

[Almost like baptizing people into the tide.]

Jana:12:22 PM

[The Holy Ones were in assistance to us to explore this. This is part of the tongue that Tobias had. I feel fear of the Lord.]

Are you willing to go where you do not want to go? To find out where you've been may not be important now. You are coming into places that you must know for the diviners speak false wisdom and the Holy Spirit wants to teach you how to make the paths straight. You acknowledge Him in all your ways, your senses will guide you.

[I feel the gate very anointed with Holy Spirit.]

The group has pulled into unity so when you decide that it is established to make what is holy, holy and know what is not and is profane because you are standing in the gates of Jerusalem and the kingdom of God on earth awaits.

Forget what is behind you. You are going to new places.

Dorothy: Tongue

Jana: Heard shifting – traps, snares, depth

Paul: Place in deep darkness.

Anne: [12:29 AM]

I hear Cover up, cover up of the unjust commands of Man spoken over the earth. Cover up, cover up to bind the hands. What are you doing to do to remove the cover up?

Barbara: Snakes in the grass.

Paul: It [kundalini] is walking around trying to get someone to give it a voice.

River of God. Ancient of Days sits on the throne.

Brian:

2Co 10:3 For though we walk in the flesh, we do not war after the flesh:

2Co 10:4 (For the weapons of our warfare are not carnal, but mighty through God to the pulling down of strong holds;)

2Co 10:5 Casting down imaginations, and every high thing that exalteth itself against the knowledge of God, and bringing into captivity every thought to the obedience of Christ;

Amy Beth: [Scroll 12:53 PM]

[It looks like cubicles and there are little cubes and there is blue light all around it. And there are scrolls stuck in each one. The first phrase I heard "The times they are a-changing".]

Hold fast to the truth. Hold fast to My heart. My heart is for healing. Unlock the keys.

[It looks like that fractal picture – the mirrors]

We really need to stay close to the Lord in this. It is easy to be deceived and there are many mirrors. Things won't appear what they really are like. We have to stay close to His heart and close to His truth.

Amy Beth saw the scrolls in the cubes.

Paul: Unity. Lion of Judah is here.

Unity would result in integration.

Dream bathroom, cubby holes. Travelling and trying to find personal items.

This is a place of DID. These are soul parts. This is in deep darkness. I feel the disunity. Total chaos, disorganization.

Michele: God gave you the key. You take it with Melchizedek. You are going in with your ephod. Today is the day you have the authority over all of that.

Brian: Amos 9

Paul: I think Sheol is in deep darkness.

It is the deliverance of the parts – disconnecting them from evil.

Tom: Turns the key to unlock understanding. Saw a door behind which is a lot of trash.

Prayer (Paul)

Michelle: He just gave you the key to unlock what the enemy is hiding. You have the key and you are going to go down and you are going to take what Jesus took but you are taking it with Melchizedek. You are going in with your ephod with everything that He has dressed you for.

Paul: Meaghan will release a sound that will be the key of David that will make Paul vibrate and I will go and ask the Lord to unlock the place.

Paul: [We are in the Ancient of Days court. I feel the Holy ones.

I believe the Ancient of Days is going to make a proclamation that is going to release the Watchers to carry out their order. The Holy Ones are coming into agreement with the Ancient of Days.]

[We stand in great reverence before You our Father as the Ancient of Days. We have honor and fear in this Holy Place]

We acknowledge that Jesus your Son told us to ask that what takes place in heavenly places will come on earth.

We are asking you as Ancient of Days to declare what you want to declare in the heavenly places and we as Your Sons the Sons of God will release it on earth according to Your will.

We thank you for Jana and her giftings.

Lord please give Jana the understanding of what that proclamation is and how we are to proceed.

Jana: You are honored among the people of God and to you has been given the treasures to unlock what was hidden and held back. You are the restoration, the reconciliation of desolate places. You will rise up the downtrodden and heal the feeble hands and crippled legs. You are called repairers of breach and streets in which they dwell. The treasuries that have been imparted to you will be built and uncover the

ancient wells. You are a gathered people, the restoration of God and the testimony and the blood of the Lamb will overcome all in all.

Isa 61:1-5

Paul: Lord please release the sound that you want me to carry to deliver who you want to deliver so that complete integration can take place so that we are complete. We pray this for us that we desire to be complete. Lord release the sound.

The youngest need to unlock this door.
Nicole and Ethan open the door with the golden oil.

Nicole Angel 2:46

Behind this door are secrets of union with Me that you have been created to have but have not unlocked and it will satisfy the deepest parts of your heart and it is what you have been missing your entire life – union with Me that will make you come alive.

Paul: Treasure for which you sell the whole field.

It makes people want to throw away because it is so valuable

Paul: Pearl of great price.

Gate: Banner of Love

Paul: Chesed (Psalm 36)
