

[2021/10/05 Tobias/Dylan]

Tongue:

There is a righteous structure around you Paul. The Lord is announcing "I'm presenting you a new option in My kingdom. Are you willing to take it? There are conditions that are coming with this new position. Are you willing to accept the conditions? I will present those conditions to you in the night hour when I will visit you and stand with you and dwell with you.

[Tongue, Tongue in song]

[I'm hearing the choirs of heaven responding to this now. It is like a resounding of it or answering it. It is difficult to interpret. There was a lot in this. I usually hear the interpretation as I give the tongue]

Paul: I feel Holy Spirit extremely strongly. The Holy Spirit is Wisdom.

Tobias: This is about the true calling of your life. You have not stepped into it yet. I felt the Father say - You don't even know about it because I have hidden it from you. I had to hide it from you. I had to hide it from the enemy. And I had to hide it from the nations.

This is a great call of great humility and great obedience. I had to transform your heart. And I did not transform your heart once or twice. My son this has been an ongoing process. And there are times that you don't even remember, there are times that you didn't even see. There were times that you and I were so close that you had no idea about. I've brought you this far my son. I had to hide it from the enemy because this is a call far above the nations of the earth. I am calling you to rise above the mountains, the mountains of the earth and the spirit.

And You will start to see and experience what your ancestors truly have left you. Those that have gone before you. They left you an inheritance - a seed of authority that you don't even know about yet.. But it is time for Me My son to unravel and to reveal the true calling of your life and to open the understanding of your heart and spirit man so that you can come up with me onto the mountains, over the nations and the mountains of the earth and the mountain of the Lord.

For this is a time that I have prepared one like you to stand before me and to rule and to reign on My behalf. For this is the time that nations they have disarray – doors, gates, windows – they have to be adjusted. They have to be adjusted and great revelation I have bestowed upon you my son but this is not even the beginning of what you will see.

There will not be many that you will be able to share this with. It will be a time and a place of great hiddenness. But great pleasure in me and you will start to see. You will start to see. You will start to see what I've really and truly have given to thee. What your ancestors have prepared for you - the seed of dominion in the spirit that they have left to you as an inheritance.

So my son it is time to rise and be set apart even from many that you have walked with so far. For not many can follow you. Not many can follow you where you have to go and if you go there, there will be no turning back any longer. There will be no ability to choose to go back. Because I will close the doors and gates behind you and I will take you to places you couldn't even imagine. There are no words, no words, no words to describe where I will take you, my son, my son.

[I feel the great pleasure that the Lord has with you Paul and this intimate, strong relationship and how He is proud of you as a son. It is way beyond words. Well done My son. Impossible to have words, human words to express. I'm not sure what I'm doing – its like digging or throwing things off] Am I working on connecting you to your generational inheritance.

Paul: I feel deliverance coming off us and land and time.

Tobias: I feel Father Time (the righteous Father Time)

Paul: Kairos time

Dylan: I feel that the gift that God was giving Paul was time and that Paul was going to start travelling through time.

This thing in my hand is really heavy. First I had a vision of this giant key about 2 basketballs high. My hand started getting heavy. God shocked it as a lightning bolt. It became a full lightning bolt like a sword lightning bolt and it became like a staff. I saw the lightning bolt staff Dunamis power being used to slice a snake in half, the serpent, the works of evil and the radical use of this is like that of a master swordsman of an age we couldn't even imagine or comprehend how someone might wield a sword or staff and its proper usage when that was the mightiest weapon of the day. As each stroke left the sword a release of power shuddered through time destroying the works of evil.

[Gives it to Paul]

It is a scroll too.

Tobias: This is the beginning of your calling. Outside of time into...

Paul: I'm feeling Kairos time now (the right time).

Tobias: into the sphere or the realm of the Lord, of eternity. I see you being mantled and I hear the Lord say "You have been mantled for the healing of the nations. This is the mantle that I bestowed upon John Sanford. I have bestowed it upon you. This is a new beginning.
