Worship Song: Heaven on Earth.
(paul has new revelation on this verse)

The Spirit of the Lord is upon me
 His anointing is empowering
 The kingdom of the Lord is within me
 And He's calling me to the heavenlies
 To be seated in heavenly places
 Just like heaven...
 Just like heaven on earth!
 To be walking in His favor and grace
 Just like heaven...
 Just like heaven on earth!
 Marching in the Spirit of unity
 To our community show His ability
 The will of the Lord for His children
 Is to demonstrate, perpetuate
 To be seated in heavenly places
 Just like Heaven...
 Just like heaven on earth!
 To be walking in His favor and grace
 Something's moving
 Something's changing
 See His glory feels like heaven on earth
 Something's moving
 Something's changing
 See His glory feels like heaven on earth
 Something's moving
 Something's changing
 See His glory feels like heaven on earth
 Something's moving
 Something's changing
 See His glory feels like heaven on earth
 Something's moving
 Something's changing
 See His glory feels like heaven on earth
 Something's moving
 Something's changing
 See His glory feels like heaven on earth
 There is lightning and thunder
 Miracles and wonders
 Sound of many waters
 Heaven on earth!
 Lightning and thunder
 Miracles and wonders
 Sound of many waters
 Heaven on earth!
 Lightning and thunder
 Miracles and wonders
 Sound of many waters
 Heaven on earth!
 Lightning and thunder
 Miracles and wonders
 Sound of many waters
 Heaven on earth!
 Heaven, heaven on earth!
 Heaven

Wade in the water)
 (Wade in the water)
 Wade in the water
 Wade in the water
 Wade in the water, children
 God is gonna trouble these waters
 See that band all dressed in white
 God is gonna trouble these waters
 It look like a band of the Israelites
 God is gonna trouble these waters
 See that band all dressed in red
 God is gonna trouble these waters
 Look like a band that Moses led
 God is gonna trouble these waters
 My Lord delivered Daniel well
 Daniel well, Daniel well
 Didn't my Lord deliver Daniel well
 Then why not every man?
 Man went down to the river
 Man went down to the river, Lord
 Man went down to the river
 Went down there for to pray

Paul on Aslan's and Kingdom Institute

Paul: We are in the AP stream. We have been on a journey for a long time. Sudden shift recently. Years ago.. We had schools and intern programs. The lord is interested in new revelation and not teaching, and then started just doing academies. Last April, the Lord told Paul to lay down his ministry. ... What does that mean?

In September, he stopped doing personal ministry, which is a big part of their income. Concurrently they started getting large donations. Started writing to start a school in Hawaii, Kingdom Institute. May or June, Rob Gross (Hawaii) started looking for property, and started getting large gifts too. He found a location. Met in a business complex, and the owners offered a different property, with a warehouse on the ground floor and 22 offices on the top floor.

Paul is considering moving to live in Hawaii, and the price for the warehouse is less then the cost of a house in Hawaii. Paul had had a dream about 20 years ago, and he saw this warehouse filled with airplanes, and then it was filled with chairs. A Hawaiiin young man came, with thousands more behind him.

(It will cost \$1MM, and it is worth \$3MM. That was the word that came to Paul. And, in fact, that is the case for this warehouse).

Paul started deliverance in April, and it continued.. At 54 days, Paul's deliverance shifted. He is continuing even today with deliverance. It is wearing him out. ... On July 4th; something about 400 (something shifted on July 1st; got discernment of the realm of grace) On July 4th it was over. There were 400 days of deliverance!

Paul has been a Christian since age 6, and he has gone though 400 days of deliverance... then it started up again.

November 14 had a commission service at the Mountain View Church. Commissioning for the new work the Lord wants to do. Paul was piled up with leis (16 leis around his neck).

Deliverance continued ... Last weekend it was horrible. And he tested positive for covid, but it is not covid, it is deliverance. The deliverance is off of the windows of the heavens.

Sunday night the deliverance stopped. Got the number 72. From the commissioning to Sunday was 72 days.

Aslan's Day, Paul Cox, Hesperia, Day 2 1/25/2022

Pauls' first prophetic dream was Donna giving birth to a baby with a deformed face. Saw double mirrors.... Reflecting and reflecting.. But what he was seeing were the windows of heaven. He sees the windows of heaven are aligned, and he hears, "all the babies are healed"

Mal 3:10 if I will not open for you the windows of heaven and pour out for you a blessing until [d]it overflows.

We had access to the heavenly places, and when Adam fell, Satan took the heavenly places that belonged to us. We are in the process taking back the heavenly places

Problem "people do not know that what we have is something that they need. So we need to do something that demonstrates God's power so that they can see that this is what they need.

So on Feb 4th they will have 2 meetings to see what happens.

This is ALL ABOUT THE POWER

We have tried to educate ourselves into doing God's work. The problem is, I think, that the issue is not our willingness, the issue is that we are clogged up. When we are unclogged then the power can flow.

We have written off the Power of God. the majority of the church preaches against the power

John 18 **3** Judas then, having received the *Roman* [d]cohort (**400-600 soldiers**) and officers from the chief priests and the Pharisees, *came there with lanterns and torches and weapons. **4** So Jesus, knowing all the things that were coming upon Him, went forth and *said to them, "Whom do you seek?" **5** They answered Him, "Jesus the Nazarene." He *said to them, "**I am He.**" And Judas also, who was betraying Him, was standing with them. **6 So when He said to them, "I am He," they drew back and fell to the ground. 7** Therefore He again asked them, "Whom do you seek?" And they said, "Jesus the Nazarene." this is the power ... 400-600 people all fell to the ground

Paul I came with not persuasive words but a demonstration of POWER

1 Corin: 2:4 My message and my preaching were not with wise and persuasive words, but with **a demonstration of the Spirit's power,**

Are you ready to become the landing strip for the power of God?

Are you willing to receive the power of God?

Are you willing to disciple this?

Wisdom is the correct application of knowledge.

We are clogged up and we need the power.

Aslan's Day, Paul Cox, Hesperia, Day 2 1/25/2022

When the Lord finished the 400 days and now Paul has the grace. Last night he had so much power. My grace is sufficient for you.

How does deliverance feel?:

Many of Paul's friends have suffered with deliverance too. Many of us together had the deliverance. I ask "is this me or someone else?" I get an answer, "it is me"

2 Cor 12:9-10 my grace is sufficient.

grace= contentment. My Grace is contentment.

My strength is made perfect in your weakness .

Strength is power...

9 And he said unto me, My grace is sufficient for thee: for my strength (POWER) is made perfect in weakness. Most gladly therefore will I rather glory in my infirmities, that the POWER of Christ may rest upon me.

We do not have a say in the power. It is not about me, it is about Him. We can not do anything for the power. HIS power comes to us, but we can not pull it down.

You can have all the head knowledge.. But without the power, you don't have it.

Without the power, you can not understand the bible. The bible is all about power. Everything in the kingdom of God is spiritually discerned, which goes back to the power and the ability to see.

For the churches that shut down the power, there is no spiritual discernment.

Paul tells Glory stories.

Rob Gross takes an offering for Paul at his church and he gets \$505, Rob carefully counted it before giving it to Paul. Paul counts it and it is \$707. They counted it 5-6 times, and everytime they counted it, it was more. It was over \$900 at the end. That is THE power.

Donna ordered hangers from walmart. When the hangers were delivered, they got boxes and boxes of hangers. They got 33 boxes of hangers.

Paul returns the hangers... "sir, we have no evidence that we sent you all those hangers"

Then they had students, and they got 33 students.

The hangers might have represented the warehouse hangers.

Dream: Paul is putting on a cottage cheese shirt. Cottage cheese is the transition from milk to solid food.

Gifts are hung on hangers? (I don't get this analogy)

Aslan's Day, Paul Cox, Hesperia, Day 2 1/25/2022

Paul stays in a beautiful house, and all night long the bathtub keeps turning on, and he has to get up to turn it off. So tired...

During the day, the bathtub is not turning on.

That night, the bathtub turned on, and filled the bathroom and the bedroom, and it threatened to cascade down the stairs.

There was no obvious reason for this.

The water is coming through the ceiling in the dining room.

The plumber is upset, and his car turned on, the music was on, and he did not turn it on.

In the same year, Paul is in Alabama. There is a condo there, and owns a Hotel. Paul is staying at the condo. He walks into the guest room, and there is water on the floor, and it is coming up from the tile... Paul thinks it is humid, and the condensation is coming from the weather... Soon there is water on the tile floor, and coming into the hallway.

The handyman says that there are no pipes in the floor and nothing to leak water. Then the thermostat blows.

When the enemy comes against you... like a flood I will come and raise a standard

I came back from Hawaii... carousel at LAX, Paul's luggage comes out (Paul is first off the plane)... his luggage comes first. He gets it, and no one else's luggage has come.

Paul's luggage is in the cart. Paul is leaving and still no one has their luggage.

They are driving away, and still no one else has luggage.

Was Paul's luggage translated? The inside of Paul's luggage was freezing colds

Signs wonders miracles and power.

Will you be willing to be the landing strip for the power of God?

You will be totally rejected. That is guaranteed... This is a sure thing. You will be rejected if you participate in the power of God.

So on Feb 4th Paul will see what God does.

His grace is contentment.

The reason for philosophy is contentment.

My grace is sufficient.

It is about discernment.

Aslan's Day, Paul Cox, Hesperia, Day 2 1/25/2022

Paul... we are committed to doing what the Father is doing. We are committed to doing what the father is doing.

The power is for salvation... then delivered, disciplined and sent out.

In the Jesus movement, we saw hundreds of kids getting saved. That was during the 70s, and those days are coming back. It is about power.

Every revival that took place was killed. The church (organized religion) kills the power. (wales revival was killed in less than a year)

Holy Spirit has come in wisdom and power

Power is here.

Power is coming in this season. Many many were offered this but they were not willing. It shall rain in this season.

Soo: **2** In visions of God he brought me to the land of Israel, and set me down on a very high mountain, on which was a structure like a city to the south. **3** When he brought me there, behold, there was a man whose appearance was like bronze, with a linen cord and a measuring reed in his hand. And he was standing in the gateway. **4** And the man said to me, "Son of man, look with your eyes, and hear with your ears, Paul: this is the water

The next thing.. The layer fell, all of a sudden one layer showed up really close to the top of your head. It is time to tap into the second heaven with a different level of authority.

There are 2 white pillars behind Paul

There is a receptacle with multiple power strips attached.

I felt in my body a rod that was struck in the middle, something was holding gth middle so that the 2 ends were vibrating like a huge chime

I see a thick white cord behind you.

You are talking about the spirit of god being wisdom, but remember the rest of me. The spirit of the lord is the beginning. Don't forget counsel and might, don't forget knowledge and fear of the lord.

This world is consumed with fear. Everyone is consumed by fear. Don't you think my power is greater than covid. Do you think covid can live in my power? NO

Aslan's Day, Paul Cox, Hesperia, Day 2 1/25/2022

The enemy has ramped up the fear in this world and my people are consumed by fear, but I am bringing the fear of the lord. You think covid fear was something. Wait until you see the fear of the lord, it is coming 3x
 Something about Daniel's days of daniel.

Break

We are in this together, we should only give glory to God, because a point person is only able to move with power because of the prayer and intercession of the people who are praying for them.

I was hearing we are in the days of Daniel he is coming 2x
 He shall arise as the ... Dan 12:3 3 And those who are wise shall shine like the brightness of the sky above;^[a] and those who turn many to righteousness, like the stars forever and ever.

You will be in a restaurant and everyone will fall under the power, but we will stand. We must learn to stand in the power.

It is very important that we do not make this happen. When you discern the power, you say, "yes Lord" You do not work the crowd up.

It is time to get up.

It is really a key of what is being said for the next generations. It is time to get up. It is time to stand.

When you are in the teacher's office of teacher, you are less likely to react physically. You are there to check and examine against the scripture.

Just because something hurts, doesn't mean it is bad. Sometimes the power of god hurts. Priests could die from the power of God.

If you have pain, you can ask, "Lord, is this of you?"

For almost a whole year, Barbara was falling easily. Then as the lord built capacity in her, she didn't fall as easily. For all of us, we are learning to stand, and this is building capacity. As Paul goes through deliverance, he gets revelation, but he could not have accepted that revelation without the removal of the bad stuff.

It is less of me and more of Him.

Aslan's Day, Paul Cox, Hesperia, Day 2 1/25/2022

Do not put people on pedestals. It is not about the man, it is about God. We talk about the artwork, but we should praise the artist.

Why do we have ego? It is all about God working through us. It all comes from Him.

We need to become who we are supposed to become. We need to do this together. We can not do this alone. We need each other.

There is a price that is paid.

Text my body is in spasm. I am exhausted, I can not even go to bed, for the last 2 weeks. And she is holding down a full time job. This is an example of someone who is praying and contending for the faith.

There are so many people who are contending and in prayer and travail.

THIS IS IMPORTANT TO BECOME WHO YOU NEED TO BECOME --- BRIAN

Presentation of Generational Prayer.

There is a terrible theology about this life is all about suffering, and things get better when you get to heaven.

But the truth is, the path of the righteous should grow brighter and brighter.

If you are pressing ahead, and not getting traction, you can try Generational Prayer. It gives an opportunity to approach a way of praying. A basic framework for prayer and following the lead of the Holy Spirit.

Jesus demonstrated how to walk in authority while he was here. If his being a worthy sacrifice was enough, then he could have just lived a good life, and been killed. But he demonstrated how to walk. We are his disciples, and we are supposed to demonstrate this life too. It is good work, it is a life of listening to God.

In generational prayer, you are cleaning up the inheritance in the family line.

Phil 2 12-13 ... work out your own salvation with fear and trembling ...

We need to exercise the authority that we have.

Summary of Generational Prayer

Gives you the opportunity to follow God's lead as he reveals the right the enemy is claiming against you and your family line.

Aslan's Day, Paul Cox, Hesperia, Day 2 1/25/2022

You can then exercise the authority you have through Christ to remove those rights.

What must I do to enter the Kingdom of God Luke 18:19.. Why do you call me good, no one is good except God alone. So, if Jesus isn't calling himself good, why do we try to be? We need to die to ourselves so we can be useful to the kingdom. No one is good except God alone. I declare that I am not good, God, please bring me into your goodness.

Before the hills I was revealed

The spiritual gifts are feminine in the bible (this is in the original language)
The spirit of the lord is no gender, and the rest are all feminine.... The 7 spirits of the
Lord... 6 are female, and the first is gender neutral.

.....

Even the gift of tongues is feminine.
The image of God is male and female.

The holy spirit as wisdom is here.

Sarah:
Waiting for the message to download

Aslan's Day, Paul Cox, Hesperia, Day 2 1/25/2022

I extend my arms and heart to you and bid you to draw near. For as yet you have stood afar. But my heart would draw you in, into the thing of the kingdom of God. The precious treasures. They are for you at this time. I invite you in, sorry ... come and partake. Come and fill your souls to fatness. Till you are satisfied, I have so much to give you and there has been rejection in the past.. But my children, drawn near, for you have filled yourself with that which does not satisfy.

Ruach Kadosh... Ruach Kadosh (this means holy spirit)

I would that you know me as Ruach Kadosh

The beauties of holiness

As I am

So few have sought me as I am

So few hunger and thirst for me

There has been rejection.

But this is the day and the hour when you need me.... me my children.

Crying...Crying....Crying

the invitation goes forth... enter enter.

In the media the characters are androgenous... It is about the image of God. This is garbage. This is about God.. you hate god, so you do everything to disconnect from Him.

When Sarah released the word, I felt a sensation here... the holy spirit as wisdom is what she felt.

Generational Prayer --- Brian.

Is the generational model a deliverance or inner healing or both? Probably more of deliverance, but inner healing takes place. It is a tool.

Generational prayer... we find that God highlights something in that individual.

What is the biblical way to minister to people who have had a sex change?

What is the biblical way to minister to people ...

Aslan's Day, Paul Cox, Hesperia, Day 2 1/25/2022

In a prayer situation, you can say, I respect you as a person, I am not comfortable with this, and I can not help you.

We should have a form that people sign, but even with the document, it will not hold up in court.

In California, you can be sued for not using the gender that the person insists on.

Do not use the word pastor, or life coach, or minister. We are lay people.

=====

The enemy thinks he checkmated God with DID because it is so complex. Without the Holy Spirit we can not do this. We must do only what the Holy Spirit tells us to do.

We only do what He tells us to do. Deliverance is very complex

For a prayer session

1. Ask for a dream or a memory
2. Ask God what is the issue in the dream or memory
 - By constant practice you train your senses to know good and evil.
 - i. You can pray within your sphere of authority; but not outside of your
 - ii. sphere of authority.
 - iii. If God tells you not to pray right now, and a person tries to tell you that you need to pray for them, then they don't trust your judgment - so why are they asking me for prayer if they don't think I hear from God.
3. How many generations back were things ungodly rights and rituals empowered in this person's life
 - a. What does the person hear or see first. Then listen to your team, then you check in with God. you want them to hear from God
 - b. It can be more than one number.
 - c. Go with the number furthest back in time
 - i. Lord, what happened "35" generations back that is the root of this stronghold?
4. Listen to what Holy Spirit says happened
5. Confess, repent, renounce and break the consequences of.... From before the beginning of time. Taking the repentance through the generations up until the present time.
 - a. Jesus never used the same method for healing. So we MUST ask the Holy Spirit what to do each time.
6. Holy Spirit, come and fill all the places the enemy is vacating and release your blessing hand arced over your head.

Aslan's Day, Paul Cox, Hesperia, Day 2 1/25/2022

We all have Urim and Thummim, and we must inquire of the Lord. ... And David inquired of the Lord. That is the KEY OF DAVID.
HE INQUIRED OF THE LORD.

Paul started with 3x5 cards Yes and No... used his finger to discern. We can choose, he lets us choose much of the time. There is freedom in Christ.

The Urim and Thummim were used in decision making. Exodus 28:30 urim and thummim

Yada is to know by the 5 physical senses. My people perish by a lack of Yada. It is a lack of discernment. So we inquire of the lord.

Every Hebrew letter has a meaning and a number meaning. When the letters are put together in a word, there is a total meaning. It is a heavenly language and probably it was the first language.
