

Horns

May 16, 2015 I had to fast today in Ireland. in the evening I felt two steams flowing up on the top back part of my head. Victoria saw two horns and Tobias sees a connection to the grid. Feels like two bolts on the top back of my head on either side. October 22, 2016 While on the North Shore of Oahu for the Surfers Church and felt the horns and realized it is the Glory of God.

Exodus 34:29, proverbs 25:2 (glory to search out a matter....a client felt the horns where do spiritual research.)

His brightness shall be as the light:horns are in his hands:there is his strength hi." Habakkuk 3:4 in this the horns are not of animal horns but of **rays (horns)**. If we think if this and if you were in pitch dark and shine your flashlight it would illuminate in what would look like the image off flat horns.

Moses spoke faces to face with God the presence of his power and glory would be so heavy. This also to my knowledge never happened to any of the prophets either.

The alter of the Old Testament had horns.

Also Revelations 9:13 and the sixth angel sounded the trumpet: and I heard a voice from the four horns of the golden to alter before the eyes of God"

So when you read this and take in the account of Moses speaking to God he becalmed horned by the rays of glory and power. Also after the Israelites were fearful and so he put a veil upon his face (exodus 34:33 Could the veil be Because his face was an alter or sanctuary of God?

In this closing Michelangelo was by far one of the best artist in the world and the sculpture has Moses with horns and I believe that they

weren't really physical horns but horns of glory and light and so Michelangelo being the smart man that he was knew he could not nor could anyone sculpt rays of light and so therefore these horns represent that ray of glory and power.

I also I believe that Satan had twisted this feature and power to help rule over and poison the generational lines. The horns represented power and glory and throughout the Bible and other religions they worship and idolize things that have horns (power)

Is it possible that the Rays of light and power Moses had spilled a lie from Satan to the people that there would be favor and power if you make sacrifices and worship these horned creatures and beings to have the power and favor of God. Baal worship involved a calf which I believe had horns.

I trust if this hits any of you then I'm sure there will be more revelation that will come to you as far as prayers or repentance that's can be made.

Thank you all for reading this and please let me know your thoughts on this and what's you I think. Blessings friends

Paul,

I do remember and discern the horns as I read your email. They look to me like long horns reminding me of vikinghorns which they drank out or sometimes had on their heads. There were a set of two of them on each person as we discerned them in Ireland but now there is more than two and it feels/ looks as if they do shift so that the number is changing sometimes rapidly. I remember that they did go to the grid when we had them in Ireland. Are they connected to doors or gates? Is each of the horns connected to a specific gate or door? Does the number of horns change as the doors or gates close and open? Does a horn on your heads vanish as one door or gate closes? Does the horn vanish that is tied to a the door or gate that closes?

The Bible connects horn and strength - is there is a shift or change in our strength (breaker anointing or power?) as one horn vanishes? Does a horn appear when a certain anointing in our heavenly places or grid or in our lives is activated and used and when this ends a door or gates closes and the horn connected to this disappears?

This is what comes to me right now...there are also changes of colors connected to these horns as they appear and disappear - does that have to do with frequencies, sounds, certain forms of deliverances? Are there certain spiritual beings connected to each horn? Is it one being connected to one horn?

Is there anything about horn and head in scripture? What about a wordstudy about horn? Did you already look up where horn is used in scripture which could be connected to what we have happening here? Are the horns somehow tied to our bloodline inheritance? Do they draw power from our redeemed/ righteous bloodline areas?

As I ask these questions I frequently see colors of horns change and each time the color changes there is a different sound coming forth. Is this connected to our DNA/ RNA as well?

A lot of things and it seems to continue but I do not want to overload you here...

Let me know what you get...I'm on the computer now if you want to talk on skype or something concerning this...does Rob have keys concerning a further unlocking of this realm? I think he has somehow keys to go further/ deeper into this so we get more deliverance, freedom and restoration in this area to rebuild whatever realm we are dealing with here...I think there it has to do with ruling and reigning?

July 19, 2015 strong revelation of the horns.

Psalm 18:2

Seemed to go to the grid and the dimension. European client felt we have been put on a new path. It feels like spring, fresh. The path will lead us up higher.

They are connected to the golden pipes.

He had felt seven months ago that he was on a path and the path ended in Bulgaria. The next path goes until February. The first path was prophetic and the next is evangelism and healing.

From the horns there is a line that goes through the windows then the gates to doors.

Roots – branches – pipes – horns – windows – gates – doors
Ephesians 3:14

Message

This is a new pathway of ruling and reigning as kings and sonship in days ahead. Pioneers breaking ground. Pioneers of the Kingdom. Territory marching into. It is like I am marching forward. Vessels of honor you shall become like no one has ever done. Vessels of honor to rule and reign as Kings of Sonship and the ability from evil to abstain. Leaving the old behind. Open the eyes of the blind. New pathways. Not even created yet. New pathways to break open and forth. As sons and Kings of the Lord of age of empire to come ruling and reigning with the Son. Get heated up. Get heated up so I can break forth and come. Preparing the movement and the path for the Son. Flip open the gates of Hell. Flip open so humanity and all rulership can tell. An age of restoration. Age of freedom. Breaking. Breaking. Breaking of a new dawn. Empires will fall. This is a shift that is going to be tremendous. Empires will fall. It is no longer about deliverance but empires shall fall so the rulership of the King will come forth. Breaking of the dawn. Breaking of the dawn. Like I am breaking open the soil and flowing at the same time. There are thorns in the ground, stones and rocks. Plowing through seeds of ages. Breaking and plowing, level by level. Empires. You are contending for empires, Paul. No longer deliverance. Now My Kingdom is really coming. Breaking of the dawn. Breaking of the dawn. Don't give up until the breaking of the dawn. Don't give up before the breaking of the dawn, my son. It is coming. Glorious return of the Son. You will be established as kings and sons. Glory to the Son most high. Glory to the King of Kings. Glory to Yeshua. Gory to the King most High. King He reigns. He reigns.

It is like I am stripping off pieces of glass off my legs.

Holy Place.

Huge angel present-Paul feels dimensional shifting

You have been given a sledge hammer. To go into different difficult places. Breaking open and getting the lost out. Spirit, soul, and body parts. Seed that is trapped. Ministry concerning that seed to break. The seed is trapped in stone (old?). [Feeling dimensional shifting again] walking higher. I see the stars, moon, and planets. Walking above them to overthrow kingdoms of this age and to overthrow those who still want to rule these kingdoms. Humility is essential in these days. Beware of traps and entrapments and deception. There are two ways to come up higher. God's ways and those who would go to overthrow the Lord. There is a new form of humility coming. Deeper in the heart. Goes further. Rooted deeper. Grounded. [Feeling deliverance again]. Ping, ping, ping. There are new additions to ruling and reigning. One part will be humility, the foundation. Drilling to get to deeper oil.

We are in the deep. Craving out the evil in the deep. The Lord is establishing His Body in the deep. Laying a foundation for the body of Christ for the days to come. Stone by stone. Parts of people being stoned hear, being tortured. Standing in a well of healing in the deep.

Another angel present. Declaration.
An announcement for the King to come.

A pathway or highway from N. Idaho to Aslan's Place. Donna is standing at the end of the highway. Like Donna is guarding the gate.

International freeways. Is the Lord building international freeways in the Spirit where governments cannot control. Supernatural provision. Is Donna supposed to supervise supernatural provision? Treasures will be discovered there that are in the deep that have been dormant for centuries. You, Paul will dig for them and find them but Donna is to steward them. Stewardship in the natural and supernatural. Stewarding signs and wonders and miracles. Like handing them out.

See the angel pointing. Remind Donna of her calling it has not been taken from her.

In heavenly assembly. They are all looking at us. It is the saints. It is quite. One with golden robes and one with silver robes. May be Elijah and Enoch? One in bronze. Elisha. One in dark blue (revelation) John the Baptist? One in dark green. As if they all came into unity. Like in one string of the horn and made one sound. They want us to understand the new path. It seems to be a colorful path. It is like the medals in the Olympics.

We are being prepared to receive further knowledge and understanding.

Felt ungodly library in the deep. Are parts locked in the ungodly library.

I see a ladder to a new level of books in the library. Like an upper level. An invitation to the higher learning as you climb the ladder the air will become clearer. It is important that you get up higher to remove the interference of whatever this new discernment is. It does feel like it is a wire. It seems to be a lightning rod. Now Paul feels lightning strikes. Perhaps the lightning strikes are charging the golden pipes. It is a new level of power and it is tied to healing. There is a surge of power. This is the alignment of three nations. Power structures being established. New dimensions arising and resting on the power structures being established. There is a power to know the mind of Christ in an accelerated fashion. This is what I am preparing you for. It is connected to the pipes. The horn of authority shall open new ways and pathways for people to partake of the power to know the mind of the Lord.

Feels like we are in a whole new realm. Works in our spirit, soul and body. New alignment with our spirit, soul and body and the Lord.

Download of power and of knowledge.

Surges of power driving out evil. Very strong deliverance.

At Collingwood I felt horns again.

Job 42:14. This is one of the restored daughters of Job.

Her name was Karen-hppuch. it means strength and horn of antimony, like painted eyes. I believe this discernment has much to do with recovering sight to the blind. Especially the spiritual blind.

False glory realm seems to be the place of the Force (ascended masters, i.e. Star Wars)...false healing, miracles, signs and wonders. A place where Godly anointing is being drained off. Prayed for college student who was dating a Hindu Indian and it seems the mother and he have prayed against her. Depletion. She is trapped in the ungodly height and depth. Goes back to Cain, false worship. Contamination of the fallen of God. Feel dimensional shifting. Cain intentionally was the first to set up a false worship system, i.e. his own kind of worship thus establishing the realm of false glory. All false religions have built on this system. Like a Hindu prayer wheel where you are always praying but getting nowhere. Futility. Very deceptive. Root of the New Age system. False glory. Very seductive. Easy. You can stay in sin (no guilt or shame) and still spiritually and false glory. Yoga.

The ungodly glory realm is the electric magnetic field of negative energy. A false ruling and reigning. This is were the perception of God is ascend.

It is ungodly miracles, Strictly anti christ and self sufficiency.
