## **INFORMED CONSENT FOR DELIVERANCE**

I, \_\_\_\_\_, have been informed that the ministry of deliverance is a ministry based in religious belief and is not recognized by the secular field of psychology as a method for the resolution of psychological problems.

I further understand that the session will be conducted by a trained staff member from Aslan's Place. There will also be intercessors present who will be praying for me throughout the session for God's healing and direction.

I recognize that this step of faith has been helpful for many but has not been scientifically proven. I understand that I might experience heightened emotions and memories that were previously unknown or unresolved, that neither I nor anyone else knew about in advance. I understand that there is a possibility that one or more of these memories may be screened or false. I will not hold any of the participants responsible for my memories or behaviors.

I give my consent for deliverance, and am in no way being forced, pressured, or coerced to submit to this procedure from any person or entity. I also have the right to terminate the session at any time without penalty.

My signature is an acknowledgment that I have been informed of my rights and have had the opportunity to obtain whatever information or professional advice I deemed necessary or appropriate prior to undergoing deliverance.
