

Firmament – Expanse-vault (see below for Hebrew Vault)

2217a רָקִיעַ (rāqîa') *firmament*.

2217b רִיקָא' (riqqûa') *expansion* (Num 17:3).

The basic concept in *rāqîa'* is stamping, as with the foot, and what results, i.e. a spreading out or stretching forth. In the OT the foot-stamping connotation of *rāqîa'* may be understood literally, indicating either a malicious glee (Ezk 25:6) or a threatening excitement (6:11). It may be used figuratively to describe beaten and crushed enemies (II Sam 22:43). In the Piel and Pual stems, the verb *rāqîa'* acquires the sense of beating out precious metals, and of the spreading that results, e.g. to spread over (ASV, "overlay") an image (Isa 40:19). For the gold of Ex 39:3 *riqqûa'*, "hammer out" (RSV), is rendered "beat thin"; for the silver in Jer 10:9, "spread into plates"; and for the bronze in Num 16:39 [H 17:4], "make broad" (plates). *rāqîa'* then comes to denote God's spreading forth the tangible earth (Isa 42:5; 44:24), stretching out its land above the water (Ps 136:6), or spreading out the intangible sky (Job 37:18).

רִיקָא' (riqqûa'). **Firmament**. (NASB renders more correctly as "expanse"; cf. *riqqû'ê pahîm* (Num 16:38 [H 17:3]), literally "an expansion of plates," i.e. broad plates, beaten out (BDB, p. 956). *rāqîa'* may refer to a limited space, such as that of the canopy over the cherubim, under the throne in Ezekiel's vision (1:22, 26). Or it may refer to the broad "expanse of heaven" (Dan 12:3, NASB), as it does in thirteen of its seventeen occurrences.

rāqîa' is the most important derivative of *rāqîa'*. It identifies God's heavenly expanse. The Mosaic account of creation uses *rāqîa'* interchangeably for the "open expanse of the heavens" in which birds fly (Gen 1:20 NASB), i.e. the atmosphere (H. C. Leupold, *Exposition of Genesis*, I, p. 59), and that farther expanse of sky in which God placed "the lights ... for signs and for seasons" (vv. 14, 17, referring apparently to their becoming visible through the cloud cover; the stars, sun, and moon presumably having been created already in v. 3), i.e. empty space (ISBE, I, p. 315), over which, as Job said, "He stretches out the north" (Job 26:7). The former receives greater emphasis, particularly during that period before the second day, when the earth cooled sufficiently (?) to permit surface waters, separated from what must still have been a massive cloud-bank above, by the atmospheric expanse (Gen 1:6–8). Such circumstances serve to explain the OT's poetic references to "doors" or "windows" for the phenomenon of rainfall, e.g., "He commanded the clouds above, and opened the doors of heaven" (Ps 78:23). That the Hebrews knew rain came from clouds is clear from Isa 5:6, etc.

In pre-Christian Egypt confusion was introduced into biblical cosmology when the LXX, perhaps under the influence of Alexandrian theories of a "stone vault" of heaven, rendered *rāqîa'* by *stereōma*, suggesting some firm, solid structure. This Greek concept was then reflected by the Latin *firmamentum*, hence KJV "firmament." To this day negative criticism speaks of the "vault, or 'firmament,' regarded by Hebrews as solid, and supporting 'waters' above it" (BDB, p. 956); cf. the rendering of Job 37:18, 'The skies, strong (*ḥăzāqîm*) as a molten mirror (cf. Ps 150:1, their "mighty expanse"), changed by the RSV to read, "the skies, hard." Babylonian mythology

recounts how Marduk used half of Tiamat's carcass to form the heavens (*shamamu*) held in place by a crossbar (!). In the OT, however, Isaiah insists that God "stretches out the heavens [lit.] like gauze (*dōq*, Isa 40:22); and even Ezekiel's limited canopy (*rāqîa'*) is "as the [lit.] eye of awesome ice" (Ezk 1:22), i.e. transparent, "shining like crystal" (RSV), though so dazzling as to be terrifying (KD; cf. Dan 12:3 "brightness").

Ezk 10:1

Jeremiah 37:16 NASBS

For Jeremiah had come into the dungeon, that is, the vaulted cell; and Jeremiah stayed there many days.

Amos 9:6 NASBS

The One who builds His upper chambers in the heavens And has founded His vaulted dome over the earth, He who calls for the waters of the sea And pours them out on the face of the earth, The LORD is His name.

Unlike this one which seems like their 2 different expanses.

Genesis 1:6-7 NASBS

Then God said, "Let there be an expanse in the midst of the waters, and let it separate the waters from the waters." [7] God made the expanse, and separated the waters which were below the expanse from the waters which were above the expanse; and it was so.

The characteristic of the vaulted seems to be dome shaped. Even the root Word of firmament in some cases.

Anyway you probably have them. I really like amos

May 30, 2021 Michele King texted me and said she saw two huge sea cargo ropes filled with crates landing on our house. Just after I read this I suddenly felt a new discernment. Two bolts on left and right temple area of my head. I think it is the firmament.

May 20, 2020 Doug Addison got word firmament in a dream

May 28, 2021

Was awoken to pray last night. Janelle called having a bad day. I felt disunity and felt it was tied to the ungodly firmament. I also felt restrictions to the trees of life being removed

Doug Addison – I saw personal firmaments over people and leaders under around and over. If you were godly there is a connection to the third heaven. Those ungodly had a pipe connected to the second heaven. So if someone in government or in the white house could bring their entire firmament in and it would affect the entire building, administration or organization. Firmaments all are three cords under the earth, on the earth and above.

May 31, 2021 Last week I could feel the golden pipes and a pull on my left hand. Today we had a sense that the firmament is the realm of glory

Paul – tied to pillars of wisdom?

Firmament Hebrew *rāqîa*

Pictures resh=head person or prince, second letter yod=hand doing a mighty work, third letter qua =back of the head picture of least and 100 represents the chosen remnant, the one of promise, fourth letter ain=eye picture of those who see, know and understand. They are the chosen children who receive the promises of God. Ain is the number 70. 70 is the number of the nations. God has chosen to reveal Himself to call forth His remnant people from all the nations of the earth. Therefore the firmament=the true prince of heaven the only begotten son of God who is also the creator displays His divine accomplishments of atonement and redemption inside the firmament in order His children of promise call from every nation, tongue and language will see know and understand the work of salvation accomplished by the only begotten son of God Psalm 19:1

Word 5/31/21 angel message.

Felt pressure back of my head on the right side, also saw a feather quill

Change will be evident by the results. Many will learn how to expect the glory of the Lord, and it will be known. **The treasury is the firmament. It is like a vault. It holds everything that is needed, yet It has not been organized yet** . Again, I say the earth will be filled with the glory of the Lord, Like the waters cover the sea. The evidence will be known. As it was for Israel in the wilderness, it is for the bride. They did not perceive, Yet the Lord pardoned them at the word of Moses. Shirley all who have seen the glory and all the signs and wonders in the wilderness. So will My church remember the wilderness and how they were delivered and born a new. (lost connection Filling glory)

She will be found leaning on her Beloved and how I brought her through. **There is a remnant that wants to know, they will want to know without building their own houses. The true households are for the healing of the nations.** They will truly see the promise of the inheritance in the land. What hasn't happened to the ones written in the book should truly be the wonder and understanding and the discernment of my love. I AM healing families so their descendants will know the way, and carry the torch and the light for the revelation is here to stay.

Louise

I know you are going through deliverance.

I don't want to add anything.

AND I have not digested, nor do I understand the firmament at all.

I feel so far behind, lol.

I think I am discerning the firmament, although I do not understand the firmament.

I am only seeing the upper separated region that would have been the area that God opened the flood gates (lattice windows?) when the Flood happened.

Is this correct?

If correct, **I am ALSO seeing a royal court or throne room, but not a Godly one that is occupying at least a portion of the firmament.**

There is a kingly throne.

There are 2 attendants on each side.

There are people down the sides.

There is a jester.

There is a trading floor.

There is much activity.

There are ministers of the King's court.

There is something tied to the ungodly firmament and the release of the upcoming harvest.

As it is unpacked, I will begin to release. I see in the Spirit the slide gates in the irrigation fields and I see the gates being raised and flowing in the fields which is the water of the Holy Spirit being released and there will be a tremendous harvest. Nonmeeting has begun in California that will continue to increase. It will be a healing movement on multiple levels not just physical but also emotional, spiritual, and mental.

The revelation of the firmament is tied to the mighty ones and the heroes of old. This is also tied to the fivefold and has been held back. Whatever is being held back will be severed so there is a release of the players. How can you win the game if all the players are not in the game.

February 8, 2012

As I came to the College group I felt Michael. We discussed Michael and then an angel appeared and Jamison received a word.

Jamison

Jamison saw a cliff made out of marble. We came up and passed through a layer (firmament?) – grey. I was standing outside of a house, dark. It seems like a new heavenly place. Gabriel said come with me you are safe. The house looks like something out of a horror movie. "If you are scared of this, how can you face true horror.." Gabriel says come with me. It is better inside than it looks like.

Tobias

This will be healing for the sons of the earth and the sons of the Almighty Ones. ha shem is His name. the one who is unbeatable and who is standing in the heavens. **To hold up the firmament.** The stars and the ancient skies are in His hands. He lifts up high the kings and the nations of the earth those who are supposed to rule and reign. He humbles those that are arrogant and prideful. He makes them the dust of the earth. The ruling and reigning is His aim ruling and reigning for those that will sit with Him at the right hand of the Father. With an iron scepter you will stand with an iron scepter in your right hand. Reigning from on high. Ruling and reigning way above the sky. Ruling and reigning for breakthrough to come. For your work my son is not yet done. Feel a tongue of fire. I will shake and rattle everything that can be shaken. I will shake even you and you will stand, you will stand, my son. So take your stand.

Higher places being restored. The depths being opened up to go deeper and higher so we won't miss the appointment of the Lord, His power.

He turned scepter like drilling a well.

The message is coming like flowing water.

The Lord's word is like water. See a healing well. Pool of Bethesda.

Drilling deeper. Healing well for nations

that has not come yet. Have not heard, tasted yet. The water of the depth. The strength of the deep. The water of the depth I have given for generations. My people were arrogant. Only talking, not drinking. We haven't done the drinking. We haven't done the drinking. It is the refreshing day. The day of refreshing.

The Lord has set a day for drinking. Like people lining up for drinking at a bar.

The Lord is pressing into deeper places. The Lord is breaking the rocks. Breaking, breaking, breaking.

The Lord is pushing deeper into me and into the land. He wants alignment between the land and the people so healing will come. Then His power will be released. Has to do with our dominion. Like Moses dominion over creation. What the enemy cannot do.

Don't stop.

Pressing deeper. This time pressing. Feel Paul press through. Through the narrow place.

Seeing aquifer underneath and in the sky. Paul is in the middle adjusting the lines between the two. Restoration of all things. The aquifer in the firmament. Going deeper to go higher. Cloud in the sky. Higher in the cloud. He is set above the stars.

Rainbow angel

The kingdom of heaven is at hand. Everything is available for the sons of man. I speak a mystery in parables for the kingdom plan. The

mysteries hidden when the foundation of the world began. All things exist in an energetic field but a scribe is the head of household to bring out the treasures both old and new. The foundation was built from a cosmos firmament. Every dot and tiddle and equation exist from a sound it is collected to bring the invisible to what is. It has been hidden in the parables become time began so for righteousness sake the kingdom of heaven will stand. Imagination is the key. It will create abundance for a need. Count only what came first. The first-born church will produce the kingdom's worth. It was built upon the letters of the living word and when it was organized he spoke it and light came forth. This energetic resonance brings forth truth but other kingdoms exist to confuse the proof. I have given you an eternal entrance as Peter said for what you focus on the spirit soul and body will be lead. Believing is seeing for righteousness sake just as Jesus looked up and thanked the father an increase was made. The kingdom of heaven is always at hand. This is why it was said I will open blind eyes and deaf ears. This is the kingdom at hand.

Angel

You have entered into something new. Even though it is old it is new to you. Build on the revelation that you have. Build on the new for when it comes in opposition and it is familiar and will hold back the transition. You have known that some of these little ones will teach others. They are like children in a marketplace calling to one another. They know the Lord for their angels in heaven are before the father. They also know the body better than those who don't and they do tell one another. They call and warn when it is not safe but rules and regulations keep them in this place. Not a law written by God but the control of man who programed from the fall. These know the ways in and out that move freely within the body even when there is doubt. It is the gatekeepers that keep them under lock and key and the adults who think they are protecting but they always keep them in need. You

are right to seek the mother heart of God for it is by grace and mercy they recover by far. These that are free move about to and fro. They warn they tell by the spirit of God that they know. But wisdom must have her way for these little ones are vindicated by wisdom and they keep her way.

Rainbow angel

All of creation is longing for what you beginning to know. The identity in trust for these little ones to grow. How soon they forget that the rescue of the Lord. Remember these are gathered. Where do you think they went if not to the garden to communion with the King. It took creativity to survive now use to creativity to learn to thrive. Life is practice by what you see. Wherever the water goes these little ones will receive. Listen to the breath to receive. In quiet reflection you recreate abundance not need. Permission is what they need. The curse of the law holds stipulation so they think punishment is what they will receive. But just as I called you to know who I am. You learn because you trusted what I said. They are counting on you to receive grace but effortless expectation with the Lord face to face. It is true that the programming set it up but it is also true for the creation, the programming of love. I can teach you what you never knew if you choose it in hope it will build to become true. Have I not said you are a new creation, all things have been given to you for the heart to be a regeneration? Yes, it takes time but I trust you to know. Faith is substance and hope will restore. Now if you have ears to hear this is hope the system works. The self-judgment holds the gate but I have taken away the pain. Practice makes permanent start right where you are at. A little here and a little hear and it will change the path.

Rainbow Angel

Psalm 29 -Give unto the Lord this three-cord strength. Give unto the Lord glory and strength. Give unto the Lord for holy is his name. The voice of the Lord is over the waters. The glory of God thunders. The Lord is over many waters. Heed the voice of the Lord for it is full of majesty. The voice of the Lord breaks the cedars and splinters the trees. The voice of the Lord divides the flames of fire. The voice of the Lord will heal the trees.

I strip the forest bare and find the trees that are planted by the waters. I was enthroned at the flood and I will give strength to the sons and daughters. The Lord will bless with peace.

Ascribe strength to his beauty. This will position you for all you need.

Rainbow angel

Seeing archways all connected in a circle. Can't see forest for trees. When you go through these gates you go out not in.

This as you should know is all about sight for how you see things will bring disappointment or delight. Both can be true empowered by expectation but simple devotion will bring you through for a better perspective. Time to go through these gates to change perspective through a hope that won't be changed. Not seeing it as if something you don't have but all the promises in the millennium are set in eternity to be had. These are the excellent things of how it should be. There actually is a court to change frequencies on how you see. Go

out and then you are there. A platform of justice organizing the energy. This is for the reorganization of this proton field. It is not the separation from what's outside but will correct what is inside to be revealed.

Go through, go through the transportation awaits. Break the lack and disappointment. There is authority at the gates. Everlasting gates.

Client: You are a Mouthpiece of my love.

Angel

Mouthpiece of your God, you are. Your declaration has impact today and going forward into the dimensions and beyond space and time. Melchizedek is the order by which I call you. It is the order by which you are a priest and king forever thereby joining this age to the age to come and beyond. I AM Melchizedek and I shall come as such in full manifestation as I explained before which includes new dispensations of healing and deliverance with immediate manifestation for my glory [your favorite new word and concept]. In my name and for my glory through you [client]. My faithful and loving daughter/servant, [my name is a place and you are in it] signs, wonders and creative miracles shall manifest in your presence when you start the active part of the ministry on your life. You will be known for this all over the world. Your name is about to become synonymous with Mine. This is the highest of honors to carry my name, my word, my power and my authority. A royal scepter I have extended to you to empower you and guide you through and like Moses you

will part the waters for the deliverance of my people. You will feed the poor and cloth the hungry. Multiplication of food during the coming wilderness. And yes, you will serve my two witnesses as a trusted friend and advisor and also hospitality as you know how. Yes, you will be here till the end when I arrive. You will be lifted up as a true loving bride. Set your eyes on Me, your bridegroom king. I love you with an everlasting love. You stir my passion towards you. You are pure and blameless in my sight. The road has been long, hard and full of mountains/obstacles. It will get easier. I know you are weary [exhausted]. I understand more than you feel and think about your misery. I am coming to the rescue. I shall defeat all your enemies in the natural and in the spiritual. This last attack on you has failed. I shall allow it no more. You will see with your own eyes the goodness of your God towards you. Rest in Me. Be at peace. Your future is nothing short of glorious with Me in this age, the age to come and the one after. You are a chosen one with all the privileges given to my humble, obedient, faithful, loving servant of all. You are a forerunner prophet with an apostolic global mantle establishing the new for Me [the Lord]. The new is the way of the future and you are at its helm. [This is for Paul and Jana to know and understand.]

Prophetic Word

Archangel

My lines go out to all the earth from the rising of the sun a complete circle will bring my worth and the firmament holds a key for your position for the witness in earth, so the earth will be free. You are called to the higher parts [of heaven] for the

eternal perspective and I will release the winds on the earth to save my people from deception for my heaven declares my glory. There is no place my voice is not heard. Even the son is like a bridegroom coming out of His tabernacle and in the secret place they are secure. There is nothing hidden from the heat where the law of the Lord perfect setting the soul free. The testimony of the Lord is sure making wise the simple. The statues of the Lord are secure rejoicing in His heart and the commandment of the Lord is pure to enlighten the eyes for my judgments are secure if your desire shares mine.

Now these wings of the wind will make your enemies like dust and I will blow away the chaff the evidence will be your trust. Desire the gold from the most inner place, in the secret place of the heart I will remove their disgrace. And I will deliver you from hidden faults [self-condemnation] for your eyes will see as I see for I measure the heart. Be assured in my saving worth and hold my name dear for you will trust in the Lord and in all things, you will know He is near.

Archangel

Hear ye, hear ye. The mouth of the Lord speaks wisdom. The law of God is in your heart. None of your steps will slip for you are set apart. Wait on the Lord and keep his way and you shall me exalted in the land you inherit for this is my way. When the wicked are cut off you shall see it for I have seen the wicked in great power and just like a native green tree he spreads himself like a ruler or a king yet he will pass away and you will look for him and see it no more. All these who have sought to condemn

you will not be found but you will not be ignored. I mark you as blameless and I observe the upright for your future is peace but the transgressors shall be destroyed together. The future of the wicked shall be cut off but the salvation of the righteous is from the Lord and His strength is in the time of trouble. I tell you the truth you will be restored. I will help you and deliver you. I will deliver you from the wicked and save you because you trust me I will deliver.

Angel

Look to me and I show you a new thing, how to be a co-creator for the kingdom that you see. The promises will outweigh the bad even when circumstances arise, they will stop the assault for you have the Lord's eyes. I show you a new way, a new way to fight by an emanating trust they will not come near you and they will have their demise. This is way I have called you to the highest parts, a view over creation and my righteousness is where you start. It is what you seek first. I will multiple again and again. Seek first the kingdom and my righteousness for you are truly on the mend. You are at the helm to break open the future. Trust in the in your heart and you will not miss it.

-OK very humbled for that would be 21st letter of Hebrew alphabet, ׁ SHEEN, God Almighty who crushes his enemies with his teeth overing coming with the GODS blood covenant.

3/11/2021 Dream: Paul is wearing a jacket that has all Lamb wool inside (like a Rancher/Cowboy Jacket) and it is zipped up to his neck to keep him warm. He smiled and popped his eyebrows up like when he gets an "AWE HAA" look of revelation.

The Lamb wool Jacket reminds me of a Hebrew Word I was studying yesterday due to another dream that I had with Paul & Brian Cox in it, the word is: Tamiym

3/11/2021 6 am Dream Holy Father God who is the source of this dream: Roaring Lion of Judea

Dream starts off with:

-I see Paul Cox driving and an OLD white and beige FORD STATION WAGON from the 70's. - he didn't seem too happy to be driving this car.

This dream seems tied to the church and new believers

-I was warning others to not use a company called "WAY" which mailed items, but really didn't mail items, they were working in chaos and using an underground sewer system being ruled by females that were bent on evil, dressed in "cat suits" like you would see in Batman

-this "WAY" store looked old and it was the corner building of a strip mall

- My friend with her friend who is Catholic Hawaiian-Filipino. They were confused how to mail USPS PRIORITY MAIL, which had red, white and blue on packaging but different than a normal USPS big 11x14 envelope. They didn't know where to put the stamp on, I had to teach them and warn them to not to use "WAY" mail services, even though it was so close, walking distance.

-Then a young female college track runner who was African American had been running in circles on a track at a college and I'm warning her to not to use "WAY" mail services - she listens and seems very focused eager to learn.

3/10/2021 Wednesday dream Lord what is the source of this dream Aleph to Tav the LIVING WORD!

Dream:

Paul and Brian Cox

there was 4 BIG Hebrew letters called final MEMS □

They are as a soft Hebrew-letter form not n but four BIG FIANL MEMS that looked something like this □

Arranged like 4 Corners, 2 above Paul and 2 below Paul, with Paul on the floor laying face up

Brian is standing within the 4 MEMS □

While Paul was laying down on the ground.

2 MEM's □ were a fuchsia pink and other 2 were a sea foam green and each color on the letters had thick powder coated on the letters and particles of dust would float in the air around it for they were hovering but each staying in their place, creating like corners a certain distance from Paul with him in the middle on the floor. It felt foundational for the letters were not boxing him in, yet moving like the letters were alive.

Other parts of the dream were more like snap shot scenes all having to do with different age groups, all believers in the church and all operating separately and not together and finding their identity in wrong things, so all together with Paul and Brian it was 4 scenes in the dream.

Based on some research MEM means this taken from Rock Island Books Publishing.

- Liquid,
- mighty waters like the ocean,
- massive as the waves of the sea,
- chaotic and destructive like a tsunami,
- water coming down like a stream,
- rain water that makes the desert bloom,
- the word of God that brings life,
- living water,
- waters

-MEM represents number 40 and can be representing $4 \times 10 = 40$

Mem is the number 40 and indicates trials and testing or probation.

Yood is the number 10 and describes something ordained in heaven or ordinal perfection.

Dalet is the number 4 and describes the door and reveals an entrance or a pathway to life.

-a website Hebrew for Christians shows how MEM in some script is written with two Hebrew letters joined together kaf and VaV leaving a door open -to form a MEM

https://hebrew4christians.com/Grammar/Unit_One/Aleph-Bet/Mem/mem.html

Another word that I was researching that stood out was Shemuah which has a MEM in it, this word stood out for I felt this passage was significant for the dreams were a "report" of something GOD was wanting to reveal.

<https://biblehub.com/hebrew/8052.htm>

Strong 8052

Interesting Shemuah has two more words in it!!

Name = שם

Please note final MEM

Original Word: שם

Part of Speech: Noun Masculine

Transliteration: shem

Phonetic Spelling: (shame)

Definition: a name

<https://biblehub.com/hebrew/8034.htm>

2nd this Word is connected to

Salvation - WOW that is a WONDERFUL NAME and thought! more research I would like to do on that.

There is also a 4th dream, (which makes me think of the 4 MEMS)so that dream is the one I shared and we talked on the phone about. I emailed it on 3/2/2021.

That dream happened on 2/18/2021 labeled: **Dream Cox family, a cooked turkey & Hecate Family moving out**

... Lord I don't know if I asked what is the source so may I ask what is the source of this dream?

I feel I hear THE SPIRIT OF REVELATION

May the Lord confirm,

With A Heart of Gratitude!

Michele King

After writing this I saw it was 4:44 pm and I SUDDENLY felt a word that was starting to pour out.. here it is below ..

Asking the Lord if this was from HIM I am wanting confirmations maybe too many sometimes.. but I found out when you put Dalet and a final MEM together you get BLOOD in Hebrew! OH my I feel in total YIRAT, the Fear of GOD right now!

Feeling Yeshua Hamashiach As "I AM - THE DOOR"

Now

Now

Now

Now

Dalet is here now

Now

Now

Dalet is here

Now

Now

Now

NOW

Dalet is here

What is it u need? What doors need to be opened?

What is it?

Why have you not asked ME?

Some of you have but I want you to go deeper in ME

So why not ask for MORE??

I am LIMITLESS

My DREAMS ARE WAY BEYOND
FAR DEEP INTO THE GALAXIES ABOUT YOU!

I LOVE YOU SO VERY MUCH SO TRUST ME AND STEP INTO THE DEEP WITH ME

You can come to ME for anything and everything!

Nobody, nobody has your back more then I DO!

Trust Me

Trust Me

Trust Me

Trust Me

Certainty is HERE to help

Wisdom is sweeping down and sweeping out doubt and unbelief

Don't be stiff-necked as the Israel Lights who passed away in the darkness at night,
swept into the dust of the desert rivers perched with thirst, drenched with sweat.

Be the ones who pursue ME

My FOUR rivers are above THEE

The FIRMAMENT IS RISING AND MOVING CANT YOU SEE?

ITS RIGHT ABOVE THEE

I AM IS ON THE MOVE

Riding on My WHIRLWIND

DO you remember when I brought you forth?

Well I do for I made YOU in the image of us your ELOHIM

The Three in ONE, your TRINITY

THE 4 MEMS are in place the 4 RIVERS will FLOW

JUST OPEN up and let the RIVERS FLOW

Michele

On 2021-03-03 at 3.22.57 PM I felt to write:

New time

New place

Grab the sickle

It's time for Harvest

The fruit is ripe

The juicers are ready to squeeze

Why?

For the fermentation of the FIRMAMENT is about to occur

On 3/4/2021 On 10:55 AM I felt this word continue from OUR HOLY ELOHIM

A Key is being given

You are all "key smiths"

The locks have been already established

Take the lock

AND discover NEW ways to enter with the KEYS I have established in you.

Paul is a Master Key Maker he is opening a school for the thieves!

The best thieves in the world will come through this school!

For their way will be nibble and will be quick

They will overcome with swiftness and speed

The new is newer then the new before

WOW what a thought read that again!

Have I not told you?!?!

The thieves are in the marketplace

The thieves are in the homes

The thieves are in the channels of the ocean

The thieves are in schools

But not the kind that I prefer

Is there a school for the gifted and learned?

Why not create it make it

The money will be there!

It's not about $2+2=4$

No that is old news

The new that is newer is that

Aleph to TAV has established the Firmament and who will go and explore with ME

Who will go and who will adventure beyond

Oh much sacrifice to let go of this world to embrace mine

But trust ME it is worth it

It is more than one could image

Just see Ephesians it's all there formulas and all!

So when is it taught that Aleph to Tav created the passage way of escape?

Well KEY MASTER it's time to teach such things for read again

...New time

New place

Grab the sickle

It's time for Harvest

The fruit is ripe

The juicers are ready to squeeze

Why?

For the fermentation of the FIRMAMENT is about to occur ...

The beginning is the end and the end is the beginning The Berisheet Prophecy is in fact more of a guideline than many are willing to see. But you are you are willing so this is why I have made YOU Paul a Key Master for many to follow! It's a new time and new season grab the sickle for the wheat and tears are being separated by the Godly HOST so you can move forward with such ease!

So are you willing to open up a key smith shop for ME??

As I was discerning this word I could see a memory and a new vision something like this metal shop school program I actually took part of at Thousand Oaks High School. I was one of two first females to ever take part in this metal shop program at this long well established school. We had to get "special permission" from the principal to be in this metal shop program! Funny thing is my maiden name is Michele Mullen and the other girls name was Cinamon Mullin (with an i) so both Irish  descent which some how seems could be important at some point. So I saw all these individual machines for each student at the Aslan's Academy meeting room and you Paul were walking around guiding the students to how to make keys. All the students had safety goggles on some even had special gloves on.

I've been looking up something's reg. Firmament in Hebrew I added a link below also the day before I felt led to buy a whole bunch of fermented tonic healing type drinks, which totaled \$85.48

- I thought to look up strong bible hub # 8548 listed below Word is Continuity

<http://livingwordin3d.com/discovery/?s=Firmament+>

<https://biblehub.com/hebrew/8548.htm>

I pray the the Lord confirms and if this is from HIM, he will show more then what has been shown so far. I have to jump into a cabi meeting

Blessings and more to come!

Raylene: I see 5 gates and paths to each gate. The Lord is illuminating the 2nd gate for me. I see faces, faces, tons of faces. They are all smiling. They are welcoming. There are no voices but faces and hands. They are cheering us on.

Is this the prayers of the saints? They take us higher. I'm in another universe. It feels like another expanse. A tall, high, deep, wide, expanse but there is freedom here and there are stars. It is like a universe. There are stars everywhere. My head is swimming. I am pushing through this hole which is a blue wormhole and is now purple. Bright color.

Jana: I had an experience in the Garden – a time travel thing. We had to eat something first.

Dan 12:3 *"Those who have insight will shine brightly like the brightness of the expanse of heaven, and those who lead the many to righteousness, like the stars forever and ever.*

[Paul discerns a plane. There is a door that is a power. It is connected with healing. It is a door to the Depth (2 stories). There is an elevator to the Depth.]

time to go up and be put into proper time.

Paul: The door leads to a chamber where there is a circle. I step into the angel and I can see the eagle eggs. I feel the wings flapping. It is strengthening my body. Now there is a shift. I see this great expanse with shades of gray. I'm hearing 'uncharted'. As we come into our proper time and proper place there is raw material that we can use. It is time for us to cocreate.

2/3-5, 2016

Larry: Focus in Niagara was One New Man. People from Ireland were there and released the Celtic sound. I could feel the Celtic sound and the one new man. Out of the mouth of 2 or three witnesses.

Whatever we think we are going to build, if it is not on the foundation of the one new man it will topple for this is what he plans and intends to do – rest upon the realm of the one new man – the Body, the Body for the risen King and for His spirit to rest and remain and dwell in and that will be the foundation that will carry the Body to a new horizon and a new expanse to see a manifestation of the mountain of the Lord that multitudes will come in the Spirit and they will learn not religion but the ways of the One New Man – Christ in them the hope of glory.

Feel an archangel.

These gates access the libraries. These parts are surrounded by accusation, the fear of condemnation.

Gathering legal information. There are suddenlies of the legal case that need to be addressed.

Seeing libraries and certain parts are lit up. There are gates and parts are trapped with accusations. The parts dare not receive the things in the library for fear of retaliation.

Archangel

You enter in to the heart of the matter. Indeed, your inheritance is beautiful. From invisible to visible learn what this means. It was written in the scrolls of you so you would believe. And all things have been given for life. Things in heaven and in earth to know you have won the fight. And you have access to search these books written from the place of origin for your substance and your worth. Every dot and tiddle was programmed from the builder's design. From the invisible womb of the dawn you were defined. A creation design since before time. If the evidence of these words so the inheritance will align. And you bring those things that are not for all things exist unless they are denied by the belief of lack for the windows are the view that is missed. When the eyes of the heart are enlightened the path of righteousness grows brighter and brighter for the light is for the living and it is the life to all men. But it comes from the convened view and opinion and in this way, you will stand. Seek those things that are from above. The way up is the way in anchored in love. Then pass through these days to make all things new for when the heart is convinced these little ones will be rescued for they know they are pure. And if God is for you none can be against. It is only when they waver then the inheritance is missed.

PM

Seek first the kingdom and His righteousness. The fullness of time was at the cross. To heal the past, the presence and the future that was lost. Complete alignment was in one moment of time. There is nothing stolen that cannot be realigned. Any other way would be a thief and a robber for all was given to the Son to change back all that was altered. And not one word has fallen to the ground that doesn't bear root and grow to release the sound. All things have been given for you to believe. The redemption of the body, the spirit and the soul to be clean. His doxa must be the first thing you see. In this way, you will choose the kingdom to be free. Order upon order line upon line, the sound of remembrance is recorded in Gods heart and mind and the sum of these thoughts is too numerous to count no matter the complexity all are His to count. [seeing a book being opened] This was the plan from beginning to end to take back what was lost and true life to begin again. A new creation design stands in this place if you see Him you will be like Him and remove the disgrace. For you see Him as He is. That is the image of truth. Anything contrary is a lie so get your proof. You cannot copy what you don't know. You will always return to the familiar instead of life and growth. Now know this it was written in the chronicles of His time before time ever existed every minute was designed. And every second holds an access to these doors and gates to choose the image that was meant in the image of His face. In Him you are pure, in him you are whole. Every original word that was written still exist. You are gold. For you see him as He is and so this looks like you. The Father's first love will heal and it will make all things new. Now time is the culprit when it characterized an event and it returns to have its identity like a magnet it is sent. And the frequencies will pull you to remember when or you can agree with the new creation in a better image of Him. Now this will be and is the sharbar (to gather what was shattered) of God. What is scattered will be gathered because He is risen he is Jah. Not one line is disconnected from His intention and His heart. Every cell, every purpose, every design will not depart. And I will call

them from afar and I will bring them in. I will show them safety so they may choose to live. Where there is no threat or no fear or evidence of appearing real but truth is not altered in the son who is sincere. Mercy and kindness and His peace, this is how you know. When that is more trusted then you will gather in the gold.

Rainbow angel

Now is the time for the release of the promises of God. For all things that have been hidden are now for you to reveal. His promises are yes and amen. Bring the invisible into the visible and making it real. To desire to be like him is the best thing you can do. To know him is to love him and trust in His word to be fulfilled. If it hasn't happened yet, it is a world view of lack but if it is a promise from the Father it will happen, this you can bet. Trust is a place of comfort where you are connected by pleasure. It is not something you deserve but rather something you receive for it is from heaven. Trust in your heart where His throne is set. Agree and co-create and claim the best. Look to the beautiful for it is a plan to prosper. If you see it as lack there is not much to offer but to claim those things that are not as if there are your imagination will either be vain or you will ascend and give heaven its charge. All of the earth is groaning for His image to come forth. Creation itself is waiting for the new creation to be born. Unlock the books, the finished work that you can trust. Under the category of abundance there are these and so much more. And education of the heart, the height, the depth, the length the width will gather all the parts. And it is a plan to prosper and to give a hope. You set the path and make the course. And if you lead by his righteousness will grow brighter for sure. Take the limits off from doubt and unbelief and claim truly what is yours. [seeing library and books again]

Programming with the glorious ones.

Seven Spirits of God

Fear of the Lord

Clay. Miry clay. Feels like fire is penetrating a black membrane in the form of a rectangle. May be tied to Islam.

Archangel with sword. Feel rainbow angel. Several angels.

Archangel taking the sword and cutting the miry clay.

Fear of the Lord

Poisoning of the generations that was to break me down and become a member of the fellowship of the miry clay. In this place of the miry clay. Can feel a fallen son of God. Seems to be in charge of the place of the miry clay. He is unwilling to unlock Me. The penetration of the Lord will be strong enough to pull me out. [strong sense of healing]. Healing is penetration this place of the miry clay. Others are being set free. You are the healing key to this place. In this place, there is a round table. This round table is where the covenant happens and there is homosexual activity here. Very disgusting place. People are being anointed with unholy oil made out of semen, blood and other ingredients that is a secret recipe that has been passed on for many generations and will be passed

on for many to come. But now deliverance and healing are happening so that this place will not affect that many any longer. This place is a key for healing and restoration for many that have longed to see My interference in their life for a long time but never got the chance to walk upright in the fulness of who they are and who I am and who I made them to be. This deliverance and healing will become the tool of breakthrough in the days to come so many can come into the kingdom and be saved. Healing and restoration has stepped up and come to a new place that will affect many even outside of My kingdom. I am declaring that my kingdom is ever expanding so that many can come, be affected. The lost will be saved. The saved will be freed, the freed will be restored so that the dawn of the new day can truly come. Those that are faithful will shine like the stars in the sky.

I am bringing you to a new level of wisdom so that decisions can be made quickly and a new form of intensity in these decisions will penetrate the armor of evil. I now am going to unlock places that have never been unlocked before and the depth of the hearts of my people will truly be opened up. A new level of understanding and wisdom and heart relationship is coming to my body, is coming to those who are willing to hear that are willing to listen to what I am saying in this hour. This truly is a significant hour where many decisions have to be made and many that are lost will be saved and many that are safe will be lost. The penetration will be going deep. A new level of exploration is at hand so that my people can truly become the city and the dwelling place of their God. I have spoken in this hour and I will execute it. Yours is a choice to follow or fall away. Many that have followed will stay and go deeper and by going deeper they will get closer to My heart and My mind.

This is the crucial hour in this last season. The true crossroad where you My people have to choose wisely and count the cost. Are you truly willing to go to war for Me. Then count the cost. Are you truly willing to build for Me. You also have to count the cost. This is the crucial hour in which many decisions have to be made so I am calling my people. I am calling my body into a new order and a lot of rearranging is at hand. Reorganization. Reordering of my body. A lot of positions will be shifted and changed as my Kingdom is at hand. There are so many in positions but they do not understand. Rearrangement is necessary so I am calling you my people to execute and understand. The strong right hand of the Father will be with you as my body is coming into a new land. So, execute and understand where the breaker anointing will be needed so shifting and change can be made. Selfless and faithful in this last stand. I am rearranging so my kingdom will become "at hand." My people, my body, my housing, the city of our God will take a stand so my light will shine and penetrate the nations, the deepest darkness and greatest evil will be made known as my kingdom rises in you. There is an hour that will become your greatest stand as you take my love and penetrate the evil at hand. The harvest will be great but many of My people will not understand so I am sending you as a messenger in this day and hour to teach and make them understand. Penetration of their hearts is needed as wickedness holds their hand.

Unplug my people from the evil rulers, from the evil kingdoms and reign. Heal them, wash them clean from every stain. Understanding will grow. Willingness will be a battlefield as you take the call.

I am manifesting your helmet of salvation. I am healing and cleansing it. Rearranging so it is all in the proper order and place for breakthrough to be ordained by me. I am the Holy One that no one can and no one will resist. I will have my people in my order. I will restrain those who stray so they do not fall away. Holding his army into His formation. Who are you to tell me where you are supposed to be in my body and my army. You don't even know the plan that I have nor do you have any understanding of your roll in it and the order that you are supposed to be in so let me

teach you, let my enlighten you and make you wise. As we know wisdom starts with the fear of the Lord. So come back to basics and be really open for Me so I can give you what I the Lord wants to give you and has for you. It is about humility and a change of mind so you can truly hear the Lord and walk His paths. His marching order will be completely right for you and you will fit in exactly where he puts you.

Spirit of Understanding

Understanding my ways will be essential for your path in the days ahead so discernment has to increase so you will not stray from my path. Make your government solid in me. It must increase so my people will not be deceived. As we are cleaned up discernment will increase. Discernment is key to healing and inner healing and become one in yourself and in the Body of Christ. (Colossians 1:9-10)

It seems thrones empower the library (time is in the library). There is programming in the library.

Feeling deliverance with I Am. Healing

I am manifesting your helmet of salvation. I am healing and cleansing it. Rearranging so it is all in the proper order and place for breakthrough to be ordained by me. I am the Holy One that no one can and no one will resist. I will have my people in my order. I will restrain those who stray so they do not fall away. Holding his army into His formation. Who are you to tell me where you are supposed to be in my body and my army. You don't even know the plan that I have nor do you have any understanding of your roll in it and the order that you are supposed to be in so let me teach you, let my enlighten you and make you wise. As we know wisdom starts with the fear of the Lord. So come back to basics and be really open for Me so I can give you what I the Lord wants to give you and has for you. It is about humility and a change of mind so you can truly hear the Lord and walk His paths. His marching order will be completely right for you and you will fit in exactly where he puts you.

A new day is coming and it is soon that my people will no longer stray from the path that I have laid out before them. there will be a demarcation line clear enough for everyone to see. Demarcation lines will be getting really strong. The Lord will do away with messages like super grace that are not about his kingdom and there will be a demonstration of the Kingdom that no one will be able to resist. The defilement of the heart and the generations will become obvious so that people will have to choose to go deeper into darkness and be lost or become a true son of the kingdom. The restoration of the heart will be at hand. Hearts of many will be brought back and the rule like and existence made by me will start to manifest. Manifestations of my kingdom will remove many self-appointed leaders and teachers. The prophetic will become stronger. Youi will call out darkness that was hidden so well that no one was able to tell. You are a prophetic people. You always have been so lay claim to that and it shall be as it once was and it will be again.

The Lord is realigning multi-dimensional libraries. There is knowledge in the libraries of quantum physics and the warp drive.

The archangels have a realistic understanding of the world as it is so they can adjust at the right time and the correct place and the correct way. i.e. the mechanics of the universe.

Angel with I Am-personal messenger angel
Bowl-something dried up in it. Feeling healing. Generational bowl.

A bowl of generations that have walked with the Lord. They have worked with me but their bowl has dried up because the courage did sink. Now for Me it is time to let the tide rise again. Courage shall bring forth in your generations and beyond that in your family. And my body shall drink from it as they have done before. Encouragement hope, being pulled out of sickness and desperation. Healing of heartbreak I will do through you. Encouragement shall come as you speak my word. Don't be timid for I will fight with and for you. I shall go before you and prepare the path for I am the messenger of the Lord. I have gone before you and before many of your generations. This has happened before and it will come again. I have prepared the pathways before and it shall happen again for I shall rise to bring God's kingdom for I am the one who has access to His innermost counsel. Decrees and decisions must be made and will be made so that I will carry them out to prepare the pathway for the Holy One for He is risen indeed and He is victorious over everything. The demonstration of this shall come. Fear and tremble oh you nations for the Kingdom of God is at hand and His judgment shall rise in your midst so that the chaff shall be separated from the wheat. The chaff of my people and the chaff of the world. This is the day that I will begin. The work of holiness and sanctification as the world has not seen before for this is the beginning of My end time move and my enemies will not be able to outwit me for I am victorious. I always have been and I always will be. Suddenly I rule and reign. So are you with me or against me.

I am a mighty man of war. My enemies shall tremble as I walk the land. Kingdoms will rise and fall as new righteousness is being established. The righteousness that shall heal the land and restore the plenty that I have given for I am full of love, mercy and grace and I will turn the hearts of the fathers to the sons so that the land will be healed. Restoration is imperative at this time. My people will you answer my call or shall I judge you as I have done before. Seek and fear the Lord with trembling.

To Paul:
Common generations in Germany. Of good.

I have called you for the healing of the nations but now it is time to bring repentance to my body so that my body can function as it is supposed to work. Healing and redemption is needed. A deep understanding of cleansing and purity of the heart shall be imparted to my holy ones so that cannot just be holy but enter a real process of sanctification. Days ahead will be troublesome and I want them to be prepared so they can stand.

PM
Feeling archangel with the deliverance. Seems like a male and female.

I will remove that has held you stuck so you couldn't pass. This has to do with Germany and why Germany is so stuck. Issachar prophet.

This archangel is a breaker and none is like she. Unique and special. She is not ordinary. The Lord has released her for such a time as this so that she will come and help to overcome. She is a warrior in part but she is so much more than just a warrior. The wisdom of the ages has been laid in her by

the Lord Himself so that she will be able to access it and give it to those who are worthy. There have not been many found worthy in the earth realm yet. But time will come again that people will get imparted with her wisdom.

Did she impart to Daniel? Seems so. Daniel is the greatest warrior I have come across so far. He has made an impact on the ages and the convergence of the ages that people have not started to understand yet. He is a man after God's own heart. He will come back again to teach and impart the lessons of the Lord. There is no holiness among my people any longer and that is the problem why the heavens and the hearts are locked. Hard hearted and locked heavens is the major problem why the church does not work. This is why the church is no longer salt in the earth. They have lost the ability to travel in the spirit to the places I have ordained to go. They are no longer dealing with the ordinary paths I have set before them. They have not even passed the beginners level. An accelerating rising must take place before the harvest can come. I do send my messengers to do this work. The time has come and started for this. You are one of them.

There is much work to do. Far distances have to be traveled so that I can resurrect my body, the church. Revive and stay alive. No more falling asleep or dying off. Stay alive by the true power of the cross. The true power of the cross has resurrected Me but not the written word (not what people have made it to be). You have yet to understand what relationship is and can be if you are truly free in me. Free in me and walking in the light.

Archangel

Giving a piece of metal in the form of a scroll. Ancient scroll that has been galvanized.

Seems to be a sword embedded in the scroll. Contract. Seems to be a contract that was the original right for the enemy to come against the family line. Tied to Nephilim.

The Lord is going to install an order that brings the right connection between time and His eternal dwelling place so that my people can go in and out of my eternal tabernacle and they will be refreshed in their dwelling place in the earth realm. Freshness, sweetness and power is going to come by this and through this. There will be work to do to establish this. Work that you have been called to do to established my people, the Saints in their dwelling place. Heart to heart spirit to spirit, I will visit them so that true reformation can take place. Reformed from the inside out. Rooted in Christ and no more doubt. That is the way to transform this place and time. You stay in Me and be mine. The holy one of Israel will cover the earth with His glory by His people being rooted in Him. Free from condemnation and free from sin.

Angel with Paul to Las Vegas. An extraordinary assignment and will unpack revelation and insight that you have not had before. A new heavenly realm is about to open. Groundbreaking and you will be astonished. You have not finished yet. There is more to explore than just a heavenly door. The praises of the saints, the heavenly choirs are awaiting you. High level of praises as into the glory realm he gazes. There is a new and a true revelation hidden in this. A hidden door that will open up and has not opened before. High level of praises as into the glory realm he graze's. A true warrior of the battlefield will be established as his heart will yield. In the midst of high praises while in the glory realm he gazes. There will be new and open door that you have not seen before. So go my son and establish this new door. Hope is at hand as you go and take a stand. As you yield your

heart in the midst of warriors gone before I will enlarge your tent and give you a new open door. Higher, higher come up higher. This is your eternal path as you gaze into glory a new path will be prepared.

Jana

Rainbow Angel

Go through go through to a holy place. Comprehend with all the saints she breath, the height, the length the depth. All things through Christ who loves to the fullness of God.

And once you step in you will be caught up abundantly above where all things are above. And you will remove the limits from the power within by Him who works all things in His glory and with Christ you will comprehend. Amen amen. You must agree.

Not what is impossible but what you believe. And one gate will have to be opened by force but the first one will set the course for the heart of first love. And it is laid out before you that your position is sure. Set your heart for your true identity in Christ to rediscover your position in strength and might. And favor is on your womanhood and reset your DNA for the new creation is assure.

Word

When she knows who she is she will rise up and bring the truth. All that has been interfered with she will reproduce and bring others through. All of creation has been groaning for all of this. The position of the woman not to give up for the glory has not happened yet. It is a sound that hits His ears but without the human element he cannot destroy the enemy nor human fear. But up to now she has not known who she truly is but instead of seeing dimly through man's wisdom she will see who she really is. And with confident and certainly seeking what pleases God renewing her mind from the truth that is from above. And the books will be open and the discourse will be laid bare to bring the righteousness of Christ with how it should be and the enemy is aware.

Now with intention take your position in Christ for He is seated at the right hand of the Father, don't give up the fight.

Rainbow Angel

This is all summed up in the fullness of time. The one true law before time. The love of God took it all in one place. Healing the beginning from the end by taking your place. I was raped and I was molested and I was persecuted and tested. I was ignored by my Father so you could have honor. There is only one cross and all things were nailed even betrayal that separates love from truth. For you died with me and by my faith you will come through. Who I am is who you are to take back all that was destroyed. For I hold the book of the original design but I left it to you to reinstate the original design. Not only did I suffer all things that happened to you. It destroyed me so resurrection to make all things new. I am that I am the beginning from the end and you too were with Me. Now it is up to you to ascend. The books are open and laid bare but no legality can take you unaware. For I made covenant with myself so you cannot fail. If you trust in the perfect man

then perfection will prevail. Now comprehend with all these standing here to convince your heart that I have done all things and I surely have already healed. I will keep reaching out until you are totally aware that you are no longer a victim and that I truly, truly care.

Angel and Bronze Man

He is measuring the inner chambers for the glory of God. It is a sound that resonates that comes back to itself and it says holy, holy, holy is the Lord God almighty. And this one seems to come up and give the record of truth. It is better than you think for the temple is becoming new and these measures are measured by a divine line. Not the wisdom of man or even yourself is decided to be realigned.

These measurements were made by an original blueprint and by an intentional desire where fulfillment is met.

Seeing-he measures then writes it down, waits for approval.

Archangel

You are under protection so your true choices can be made. It has to do with fulfillment so your expectations are not betrayed. Knowing Me in fulfillment and that you are not forsaken. When you least expected and it is not recognized as lack, you will take pleasure in who you are and how I see you and that is a true fact. To not know this, you would settle for least for in my right hand are pleasures for evermore and I would not want you have one that would hold you back. If you only knew how I see you and I wrote a song for the wisest man there was for he asked for discernment and it was done. And as I see her is perfect and spotless in every way. This is how I see you and my love never betrays. I long for you to know this and every thought I have is your satisfaction and my redemption for it was my love is all you need to have. Everything else will come to that truth. It will be magnetic for favor will be your proof. I have done all you have asked and you have all you need. Your beauty catches my eye every day and I long that you see. I delight in you and I tell the Father every day. See there she is. She is coming my way. And I am seating next to you and I hold you when you are in need. Sometimes you will not have it but I will never leave. All of creation speaks of me and how you are described. Yes, it is the beauty of the bride that I long to know. But it is more my desire that you would take upon yourself and behold that how I see you is from everlasting. You will not be denied. You are perfect from my perspective and my love will never die.

Truth

You ask why discernment and why this is important. It is your hope that restores you. If he is not the choice set before you, you will deny yourself. Like this one who could not get out of bed because her perception was less. But you are not forsaken. In fact, you are married. Anything less than that, then your experience will betray you.

Read the Song and do it with your eyes. Not as if this is for someone else but as if you are my favorite one that is not denied. I never asked you to get it right and I never did this without giving you the garment of life. This is why it is said she adored herself as a bride acceptable and proved for she saw herself through the Son's eyes.

If you seek for me as if you already have me, you will never will be disappointed. You will find me in all things. Even your circumstances will change. For your hope was laid up in heaven and the finished work is here for today.

Behold you are fair my love. Behold you are fair. You have dove's eyes behind your veil and your hair is like a flock, like Mt. Gilead and which have come down the hill. Your lips are like scarlet. Your mouth is lovely, your temples behind the veil. Your neck like a high tower like David, his armory and thousands of his bucklers and shields. Until the day breaks, love my presence and I will bring you though. Love my presence and I will bring you through to the truth. You are fair my love and there is no spot in you. You are fair my love. You ravish my heart. My sister, my bride. You ravish my heart with one look of your eyes.

Proverbs 8:19, "My fruit is better than gold even pure gold and My yield better than the choices silver, I walk in the way of righteousness in the midst of the paths of justice to endow those who love Me with wealth that they may fill their treasures, the Lord possessed me at the beginning of His way before His works of old from everlasting I was established from the beginning from the earliest of times on the earth when there were no depths I was brought forth when there were no springs abounding with water before the mountains were settled before the hills I was brought forth while He had not yet made the earth and the fields nor the first dust of the world, when He established the heavens I was there when He inscribed a circle in the face of the deep when He made firm the skies above when His springs of the deep became fixed, when He set the seas as boundaries so that waters would not transgress His command, when He marked out the foundations of the earth then I was beside Him as a master workman and I was daily His delight rejoicing always before Him rejoicing in the world His earth and having my delight in the sons of man." Tobias said something interesting that there was sound before light it was long, so "Let there be" is a sound

Tobias

I saw the well it was more healing and then a few things that I saw the windows and they were moist and Paul said and just said they are being cleaned up, but I have the feeling and I mentioned it earlier and Paul said no but I still have the feeling, I keep on noticing that there is a deeper section underneath these windows and it's frozen (Paul – I can't discern that yet) maybe it's a part but it feels like a part or a portion of my heart (**our heart is the window to heaven and part of it is frozen?**) and I wonder if it's in the deep or the depth because it feels like deeper (Paul – deeper was a hit) and the windows are frozen, what comes to me the entire time is the movie Frozen, I haven't watched it but that comes to me and I wonder if this deliverance needs to happen on a frozen section of our selfs or the Body of Christ or humanity at all so that we can actually connect with this window, with this scroll and watch thru the window the scroll that is sealed

Tobias

what is this swirling in front of me is it the Drake? (Paul – I don't know but I can feel the

swirling, attendee – is it the DNA?) it's almost like going thru water that has a vortex or something similar in it, am I suppose to stand up now? (Paul – yes) is this the well of life? Now it's like I'm parting something, some to the right some to the left, I think here it comes the word, “There's a marching occurring in the Body, the marching will start in the heart of My people, the new branding has started it has begun, (attendees respond from Power) with fire you will be baptized, with fire from the Son (I think it is a double meaning sun and Son) the Son of Righteousness it will occur in your lamps(?) it will no longer stand(?), a new uprooting has begun so you can establish the Order of the Holy One, so many structures such ancient words cause a lot of evil it will be dispersed, the bulldozers I have called upon they are coming to Glorify My Son, My Son has set an example so follow Him and your path will be straight the Highway of Holiness it has begun, there is a marching it has already begun, it will be an army for the Holy One, the Holy One He will strike His enemy and recovery will no longer occur, you have learned already but I must teach you much more so you can take your righteous stand and strike evil with your hand, you have and you will become the army of the living Holy One, you have become the army of the living Holy One, an ancient and righteous fort that will expand the Kingdom of their Lord, all creation eagerly awaits the rising of the sons of the Holy One, Hashem is His name He will make the pathway before you plain, He is your example the great Father above represented by His Son the leader of all, the Captain of the Host the armies of earth, even the suns and the stars they have to give birth, for there is a rising in all of creation like never has been before (attendees respond in power) there is a rising in all of creation and I will open a new door, a new door that looks like a gate” I don't know what is this? Is there a door and a gate now in front of us? (Paul asks him to repeat it) there was a shift just when I said the last thing (Paul – I don't feel the deliverance now) I said there is a door that looks like a gate and I wonder if there is a door in front of us (Paul – yes that's funny because Barbara came over when you were saying that and said “Is that gate actually a door” yes it's a door not a gate) and I think it's a really short one it's like 3 or 4 feet I think (Paul – it's this tall) and I think to get thru it we have to get on our knees (Paul – I think you're right) am I taking away wheat from the door (Paul – wheat?) yes (Paul – I can't tell) I'm removing something (Paul – ok I feel that) and I have some other words have come to me “there is a sealing that has occurred earlier on, so we would not be able to follow the Holy One, a sealing into the deepest depth of His heart that the unrighteous sons tried to claim as their fort, you will take it by force, you will march down the path, you will set up a new standard (attendees respond in power) a new standard, a new standard” it's like I'm pushing a new standard into the ground “a new standard that will rise mightily, a lot of deliverance will occur, many will be set free, there is a level of deliverance that I'm raising” (attendees respond at power) is there something with stuff from the stars

Dream

I had to fast yesterday.

I was in a meeting and Billy and Isabel Simpson were sitting in the front. I said they will sing a sound that will align to the correct sounds in the length, width, height and depth. I could see what looked like a board with seven strands. The seven strands were from the top to bottom with each strand going left to right. As I called out for alignment of each strand Billy and Isabel did not say anything and it seemed clear that this was new to them.

I was in a house going to take a bath. I went into the bathroom and saw that Jana Green had already filled the bathtub. I thought of moving all of her stuff – several small suitcases – out of the bathroom but then decided that would be rude so left so she could take her bath first.

Note: Last week I had a dream of Jana and Victoria Thomas and two buckets of paint, one white and one red. I knew there was a third bucket of blue but it was not quite there. In the meeting on Sunday evening in Tennessee we prayed for Jana and found that this was tied to the seven spirits of God and that four of the seven eyes were messed up. A lady said this had to do with harmony. I walked over and could feel harmony on her. It is as if the Lord had put this harmony on her to adjust Jana. I had her walk over to Jana and a deliverance took place.

Vicki,

Angel

Aquarius. Feels like he is in water. We have been hidden here for centuries. No one could see us. The deep entrapment has lasted for so long. All hope and even desperation is already gone. Father: I send you to the furthest places of the earth but the deepest depths have never been undone so you can be free to show and release me. My kingdom will come and my will be done. Freedom occurs and all the heavens will open. I have descended on you before. Rise up my people out of the depth so my will and work can be done and the world will see that I am the Holy One. The Holy One of Israel. There are huge cubes. Angels trapped in these cubes? Something trapped in cubes? Seems to be some type of spiritual being. Can feel how stuck everything here. Can't move forward. Total control, death. Nothing moves forward. Nothing develops. Seems cubes are in a lake or pool. Seems to be a righteous lake or pool. It seems this slows down time and impacts brain. Almost feel retarded. Like snakes in the lake. Trample the snakes. There seems to be fire in the lake. It is as if the fire is down and around the water. Sound. Righteous sound. Sounds like Indian tongue.

And I say to you the days ahead will show signs and wonders of my presence. Do not be afraid do not back down. Do not delay. Look up for my redemption is here.

See zodiacs in night sky. It is like the Lord is preparing them for something. Righteous alignment of different zodiacs and this will bring His glory in the heavens and release into the earth, sky, and heavens. Advancement. Deliverance

There will be an advancement in my kingdom in the days ahead that you have not foreseen or planned for. It will be an unusual advancement that not even the enemy was able to foresee. And it will carry my glory in an unprecedented way. This will be my day. The day of exposure of great evil for the nations have aligned against me and my anointed ones. Psalm 2 and will release his glory. It will be a shield of judgment.

So my glory will be a covering and it will bring judgment to those who are unrighteous. See shield of glory and there are people under it and heard some of them say "I have only heard of these deeds of the Lord by my ancestors and scripture but I have never seen anything like this and I never thought something like this would be possible. It is breathtaking and fully far from the mind of man. Have feeling that in this lake as if the Lord is drilling into the ground of the lake. It is a drill out of fire. Drilling for the oil that has been lost and covered up by centuries of evil and the plans

of the enemy. Like schemes of the enemy. Hideous and complex. See math formulas and geometric forms that are like ungodly shields and coverings that prevented drilling into oil. Places in such a matter that it seemed to be the ground of the lake but actually ungodly coverings. They limit the body of Christ. It is as if the enemy has fractured the body of Christ. The body of Christ is only operating out of a very small portion of what is potential. This lake is supposed to be a lake of water, fire, and oil. Healing. There seems to be certain spiritual beings are captures. Got number 562.

Fragmented parts from the generational lines. Seeds of the fallen sons of God coming out of this. Unrighteous gatekeepers.

Are the fallen stars helping in the genetics? Stars are changing and completed the genetic engineering of the fallen sons of God. Strong link to Atlantis. Outpost of Atlantis.

There is a hideous movement that will try and change the image of humanity and our maker and the essence of time. Seem to be people in the essence of time. Tied to galvanized and may cause galvanized. Ungodly form of preservation. Sterile. Feel dimensional shifting.

Going deeper into this place.

As we go through the zodiac cycles there are changes to the DNA in an ungodly way.

Ancient places are being undone. A sin so deep that it cannot be shunned. Shun has been the higher places of revelation of God almighty. The great I am has been blocked to return to his sons again. The revelation that he has overcome by the body of Christ and the prepared of evil it has been shunned. Shunned so far and so deep so wide and so broad that the limitation of his people it almost His work aborted. Abortion is an ungodly work that almighty god does not allow. Stand strong and be diligent in the fight. The battle has only just begone to see and experience His power and might. Power and might of the almighty one who has overcome by messiah his true son. The true son will take many into glory so limitation has to end. His kingdom and his power, his glory forever they will stand. It will stand as a righteous kingdom. They will stand with the one true son and each who will follow the one. The one will become many and revelation will spread as written in the book of Daniel as a prophet said. Revelation will expand and grow as my people stand and go. Stand and go to take it all back. No more limitation. It is the end to that. No longer limitation of what I am and what I can do. The body of Christ is the problem because wickedness is rooted in you. Wickedness so high and so deep. Wickedness so ancient that you cannot even see. It has come from ancient places and long times ago. It is time to bring the light back and fro. My people will take the sword of my light and judgment will reign so freedom can come so everyone can serve almighty, the son. The son of God is the key so allow him to turn the world upside down. Almighty God shall reign forevermore. For evermore is the key to change. Change from and through my heart so you will be smart. Smart and wise as the ancient ones. Wickedness shall be depicted. He has made an open display. The Lord is cutting the wickedness in the middle. Scroll is burning in the library. The Lord is angry about this. To evil: your time is done. He pierces like a sword. It is the work He wants to do in His body.

The people are overtaken and cannot struggle against it. The Greek mindset made the body of Christ suffer. It limited the revelation of the Lord and his works.

This is what I am going to do. I will remove it and it will be no more. The clash will be dramatic and it will shake the kingdoms of this world but it will let my body and my people shine again, radiating with my glory so that my true river can flow again through the nations and bring healing to the ends of the earth.

The restoration of My kingdom is at hand and the forces of evil will not stand. Uprooting of bitterness, judgments and self-destruction.

Angel

For wounded warriors who have gone before us.

Stirring the waters will release revelation. Revelation that the ancients already have and revelation that has gone before us but the defilement has brought an ungodly unrighteous sealing of it so the waters got very thick. Almost impossible to stir but the time has come for the revelation of the deep to be released. I am doing a cleansing that has never been done before so for you and my people I will open up a new door. A door of righteousness that you are supposed to walk. There is a long hallway and a new path.

Paul, set my people straight so they can walk the path. I have a new day. A new day of glory and hope where hearts with hope deferred will be made new. Unplugging and uprooting. A lot of work needs to be till the world can see my son.

The son of righteousness is at hand so evil can no longer stand. Broken hearts can be mended, lost hope shall be restored.

Vicki

With counsel of the sons of God.

Germany has defined my sanctuary but I am cleaning it up.

There is a new day ahead with deliverance, healings and blessings in this land, Germany. My people will stand strong in the days of adversity but I am an overcomer in My people. I have overcome already and I will do it again. Days of adversities are ahead and the friction will be strong in this nation. People against people and man against man. Friction will be overcome in the days ahead but not yet. My people will have to stand strong in these days of adversity so that I can become who I Am the holy one of Israel.

Can feel lines and somehow connected to roots. Connected into the roots. Do they transfer DNA and inheritance? Seems yes. When the DNA has been stolen, it cannot be transported to the pleasant places of the Lord. Something about taking back pleasant places. The Lord seems to want the DNA transported back to places. The pleasant places seem to be a resting place for the DNA.

The pleasant places seem to be on a seat of righteousness. The Lord wants to add the inheritance to the DNA and pleasant places. It is like a covering and seal. Take back the DNA, the land, the pleasant places, the inheritance. The pleasant places seem to be in the heart or is our heart connected into it. The pleasant places seem to be all screwed up and folded dimensionally. Did the sons of God use the lines to transfer their seed, the DNA? Connection with windows? What is it about being taken through the windows during an abduction. Are groups being abducted? Seems like a transportation takes place when one is taken through window. It seems the lines are moved into correct places.

Are there certainly lines for each of us our marriage, cities, places, tribes, tongues and they are connected with our portion. Are the lines petrified by iniquity? Does this harden the heart, petrifies my heart which would then eliminate inheritance and the pleasant places and would prohibit us from walking in the Spirit and having a relationship with the Lord. Looks like pieces of DNA and RNA are traveling through the lines into our heart. When there are seasons change does He send new DNA and RNA into our hearts. Do the gifts travel through the lines? Are there alignments that take places through the lines like couples, groups. Is this where divine alignment takes place.

Lines seem to be beings. Their breathing makes a sound and frequency. When they are not breathing, they are petrified. There seem to be spiritual watchmen over the lines. Is this where the council of the Lord takes places. When the lines are correct, it gives us access to the council of the Lord. Are the lines the boundaries? Chuck Pierce teaching that 2017 is a year of boundaries. Somehow tied to roots and branches.

When the lines are in their correct places they provide the space for the stars for the Mazzaroth. When the lines come together they form a sphere for the Mazzaroth. Like forming a room. Since the lines are boundaries they would make multi-dimensional rooms. It is as if the Lord is opening these rooms. Inside of one room there are beings like animals, mystical beings that are being removed (like picture sin zodiacs). They have defiled my lines and places and now they are being removed so my people can come and inherit these places. Further inheritance is coming to my people on the land and in the sea. Determination, my people need determination for this to work and this to come. Is this the Kingdom of God? This is the excellent kingdom of the Lord. This is the excellence of the Lord. He is no longer building His kingdom but building His kingdom in excellence. Excellence is a key to the days ahead. My people have regarding. excellence but everything that was done in excellence stays through the test of time.

Excellence will be the key to doors ahead of you. Doors will open though and by excellence. So do not neglect my excellence. It is a parted portion of who I am so it is also your inheritance and who you are. Frame of excellence. Make a new frame of excellence.

Prayer

I repent and renounce on the behalf of my generational line for giving up, selling sacrificing, trading, cursing and diminishing the lines of the Lord that lead to the pleasant places. For any form of mockery of the pleasant places of the Lord generationally and personally, especially by prayer, Christian talk teaching, theology, self-righteousness, bitterness of the heart, condemning. forgive us and that we lost the pleasant places and please reopen them so that I and my generational and the generations to come and humanity we can take our seat of righteousness again, pleasant places. Please clean up the pleasure places from evil and break all ungodly seal and covering over it. And

Lord we repent for causing unrighteousness aligning, unrighteous folding dimensionally and even in heights, width length and depth of the pleasant places forgive for us causing this by thought word and deed, personally and generationally. Please undo all of this and break the consequences and return any God given laws of these places back into the God given form. Lord please put $E=mc^2$ back into corrected created order. Lord please remove any unrighteous mirroring astral travel and fractal pattering in the pleasant places and the lines and undo every damage and connection concerning fertility cults, unrighteousness sexually matting with the stars, the sons of God, and with the land.

Tongue

And I say to you will take the nations by force like a storm rattling and shaking what has not been rattled or shaken before. For this is the time in which I will subdue all the nations to my kingdom. And even the subtle pervasions and dignities and rebellion against me will be made known, will be bought into the light to be dealt with. All the former generations have known this and this is the day for it to start for my hand will be heavy on those who will not repent, those who do not want to turn. For I have a plan to make this happen and subdue the nations in my time. Kingdoms will rise but their forces will fall. Kingdoms shall rise again but no longer stand. This is the day from which now on iniquities will no longer stand. I will subdue all the iniquities of the past so that My kingdom can stand and last. The last days will be intense and evil but you the overcomers will rule and reign in the midst of it. Darkness shall not withstand you but you can overcome. For I have called you my anointed ones. The Cyrus that will thresh the nations with an iron rod. Darkness shall tremble in your midst, religion overcome until the final day and your work is done. So tremble, bow and kiss the son for He is the righteous one. No one can stand against the Lamb of God. The Lamb of God. The sign of the Lamb of God is burned into the constellations for all the world to see. We get branded with the sign of the Lamb. Bow and worship Him! Lord we ask you for our nations and rule them with an iron rod and smash what stands against you. New iniquity will be forming but it will not be able to stand against you. The Great I Am is on the rise. All nations fear the Holy One. All nations fear the righteous One. Tremble. All the nations tremble. Tremble before the Holy One. The son of God is rising. You shall not stand you wicked one. I break the bone, the neck of evil. You shall no longer reign! With I iron rod against your wickedness. My power will be released and see my hand. Wickedness will not stand. A mixture of power and anger of the Lord. He is coming like a mighty one of war. A birthing is taking place, the birthing of a new age, the age of the risen son of God, the holy and righteous lamb of god that was slain for the sins of the world.

PM

Time – a new being. It is a river of time
Does it need time to unfold to be what it should be? Yes.

Feels like I am in an assembly. Feel stars over this.
This is an order of how the beings appear in this assembly.

Go to the east. Find the stars. Find the stars of the east for they will release the rest of the land the land to the north and to the south and even the west and the east. They will be released by the stars of the east. They are trapped and hidden and many have already passed on. There will be coming a shift to the mind of this nation and it will open up and release the stars of the east. There is much potential that still is hidden but they will rise and start to take the land. The stars of the east will travel so far that distance will not seem important anymore. The stars of the east will be released to

be my sons and my daughters, the sons of the holy one most high. They will storm through the gates and take the sky. The stars of the east will be released as the sons of the most high. The sons of the most high is a dwelling place where you shall be for it will bring wholeness and set you free. Wholeness never known to mankind before. This will open up and release an important door. A door that will go deep. So far you thought you could not go. It will be a beginning and you will trample down your foes. The stars of the east they must be released for my kingdom to come.

Feel the holy ones and it seems they are to make a decree to release them for it is time.

Stars of the east seemed to be tied to Russia. It might also be the people of the easts (stars). Paul had a dream about Putin and him accepting prayer at first but then drifting away from that. Why do I discern the stars of the east as separate beings? It seems bigger than Russia. Worldwide. Client has people trapped in the east. This seems to be tied to DID and a key to being released.

See a spider connecting length, width, height and depth. Tied to DID. Coming off but now feeling time being. Some of parts are trapped in the river of time. Stars are being readjusted so time can flow correctly.

Larry Pearson

The sands of time. The sands of time are shifting and flowing. Are the sands of time trapped in the east? They are flowing to come into right time. The sands of time are coming to invade our time to unlock eternities time. Kairos hold the sands of time (hour glass) but it has been taken away to the east where it has been trapped so that time does not flow correctly.

Anti-Christ changes times and seasons.

Is time attentive to the revealed sons? Yes. The stars in the east are tied to the revealing of the sons.

Are the stars of the east waiting to be aligned to announce the revealing of the sons of God? There will be signs in the heaven and the earth for the end times.

I am shifting the galaxies and I am aligning the stars to announce the revealing of the glorious ones that accompany the unveiling of the glory of the sons. Time will begin to run in step with the sons who are one with my Son. These are the ones that abide in the train of His robe that cover the globe. A new key given to begin to see all my people set free. All my people will begin to see as you turn the key and they will be hidden in Me. This feels very connected to something ancient and evil.

Feel a sensation of cement being poured in like an establishing of time in step with the authentic Christ out of the clutches of anti-Christ. Feel a shifting forward. Now is the time to move forward. I have a sensation that things are coming from the left and right. Are the elemental things working together to answer the decree of a forward flow? The Holy Spirit is wanting to release comfort that there is a forward flow.

Now in the windows which are in the roots.

Your blueprint was abducted but not you. Now the Lord places it back into me. This is tied to the original self. Reconstruction of original self is on the way. Now feeling builders. It is if the builders are taking the elemental spirits and rebuilding.

An army of builders is on the way to help. They seem to be singing together. "We are the builders and we are reconstructing the original self." The blueprint is necessary so that the correct reconstruction can take place.

Why did they take me through the window? To take the blueprint. They need to understand the soul. The abuse was first done and then abducted through window they could take the blueprint and therefore it was thought the damage would be irreversible because they blueprint was gone.

See a huge ancient door (see door above). Standing before door like a shutter door.

The stars will be aligning with your righteousness. This will be a mighty weapon for days and years to come (maybe ages). See one or two wind wings. Seems to be an angelic being righteous. The release of the door releases this angelical being.

Feeling strong gates of righteousness. This angelic being has brought an army. This army is coming through the gate. Tied to sands of time and the stars of the east. Feels like this angelic being is an advance guard, vanguard. The stars of the east have been partially released.

Louise and Micah

Tongue of angels: I'm opening up a gate for transcendence, for man to know not by his head, but by his heart. In the heart, the Holy Spirit sets his seal, and all things can be revealed. Look into your heart, because deep in your heart are things God's placed there, and things you've never seen before, wonders you've never known, for he put eternity in there, for you to be fully clothed, and to live from the heart, and not from the mind. The heart is the center of life, guard it well.

Deliverance is coming off of all our hearts.

Inability of connecting on a heart level, fear of connecting on a heart level.

Upper right chamber of the heart (from our body's perspective), healing seems to be coming there.

Deliverance is coming off the gates of the heart.

I feel like I'm in the chamber of the heart.

Deliverance coming out, greek wine God, and Athena

Corruption starts by believing a lie about God in our heart.

Deliverance coming off the library. It seems like corruption has been journaled into books in the library.

"Behold it was corrupt because all flesh had corrupted their way on the earth." (Genesis 6:12)

Whatever is coming off now is on Micah's mother's side.

This is tied to the mitochondria.

Mitochondria plays a key role in the development of the heart, and can be a contributing factor to various types of heart diseases.

Host is here, groundbreaking, novel, first of a kind.

Spirit heart - length, width, and height

Soul heart - depth

Physical heart - depth

As a man thinks in his heart, so he is (237).

Paul, dream, Job 19:7, Psalm 19:7

Black spots are lies, corruption is even stronger, deception is part of that.

Out of our womb/belly/(heart?) will flow rivers of living water.

Deliverance, this is about knowing by the heart.

Spirit of prophecy is here.

The Spirit of prophecy feels like a garment, feels like it's clothing/cloaking us.

Circumcision of the heart

Romans 2:29 - But a Jew is one inwardly, and circumcision is a matter of the heart, by the Spirit, not by the letter. His praise is not from man but from God.

You've been through a time of testing and time of refining, for weighing the hearts. The hearts of man have been weighed and your heart has been found right before God. He's removing every limitation now so that you can see him from your heart, for it is the eyes of the heart that have to be enlightened, not the eyes of your mind, or the brain, but it's the eyes of your heart that must be opened to behold the King in all of his glory and all of his wonder. It is from the heart one begins to live out of the expanse of eternity, and the canopy of surrender to Yahweh. You cannot do this of your own doing, it is the gift of God, not a result of works, so that man cannot boast. Ascend to the rainbow, above the clouds, receive our next assignment, as the trumpet sounds. Many will go to and fro in these days, but the one whose heart holds fast to me in righteousness will abound, and will turn many sons to glory.

Daniel 12

Often Michael travels forward with a group of angels.

Pleased to meet you, I've met you before. I'm glad to see the way God has been moving your heart towards him. It's really a matter of the heart, God looks at the heart, he doesn't look at the outward appearance of the outward display of actions, he looks at the heart.

Michael just took off, but he left a deposit behind. Paul feels it running down the side of his head.

He opened or cracked something open, and then he flew off.

Seraphim are here now. There are lots of Seraphim, they are worshipping.

Angel

Receiving is believing. Believing is receiving. If you do not believe me believe the works that I do. Being convinced is the only thing that will bring you through. Trust in the Lord with all your heart. For neither death, not life, rulers will stop my heart. Not things to come not powers that endure nor height nor depth will keep you from the cure. Nor created things that are will separate you from the love of God. Now know this. Wisdom is here. Step into the bush that is burning and receive a holy fear.

A hope deferred has set this place. So be introduced to Abraham who made a better way. Abundant favor has been given to you. All things were conquered by my death and the knowledge of me will bring you through.

Who condemns you? It is not I for I am for you and not against you. My love will not be denied. I have given everything pertaining to life through love, but you must receive it. This is the wisdom from above. For even Abrahams heart had to be convinced and I am convinced for better things concerning you and sure they will not be missed. Believe all things that accompanied through salvation and my word. For God is not unjust. Don't forget what you have heard. It is to your account for the love you were shown towards his name but receiving what you have missed will complete the lack that you claim to be disarmed. Forbearance is one of my works that will bring full assurance and hope until the end. Wisdom will bring you through and to know me is the best thing you do. You have inherited the promise and it is revealed through truth.

Angel in court

The recycle of what is familiar. Your belief has enabled this evil one's place by your self-ruling to punishment is what is in the way. A belief of the promise that will not be done for thanksgiving is the key to transition, for freedom has been won. I have prepared a table for you where all things are possible, old and new. It is before your enemies to make all things new. A redirection that makes me at the head that will bring you through. When you ask, don't ask amiss to put yourself in the

judgment of these that complain. The law is still a punishing sound but I have delivered you from the law of sin and death and I can be found. The victim must stay to receive what they hate. A legalistic prison is where they go instead of grace. These parts enjoy because they don't know that pain is the punishment and not the reward. We go there because this is where they want to be found and when you do all the other parts go in and are bound. They look for the system, the program that is sure. They are familiar and take acceptance as if their identity is sure. They must have a judge to tell them what to do but I have judged in righteousness and forgiveness and love and this you can be sure. Again, I will have compassion on who I have compassion and mercy if they receive truth.

Jeremiah 23:23

Angel

I am the lawmaker and the deliverer. If the works of my law would save I would not have sent the living word for your healing is today. For this reason, by faith is in accordance to grace and the promise will not be ignored. For the teachers of the law teach in error by knowledge they assume they are better. But I have answered the ruling of the law. The most perfect court is the court of the cross. All things were given but not all things received. Everything for life except when death is believed. This is why Abraham was the father of all. It wasn't according to the law but by obedience he was called. And obedience only comes when there is love. For if you love me you would want to keep the commandment for their certainty is from above. Righteousness is as it should be. That is why you were raised in Christ, delivered from dead works that deceive. For the law of the spirit of life is in Christ who has set you free from the law of sin and death. For what the law could not do as weak as it is. It was fulfilled through the flesh of His son as an offering of sin he condemned sin. For all would know he is one. And the law is fulfilled in this to live by the spirit of truth of who He is.

So, set your mind on things above, the things of the spirit are received because of love. And if you think you are not worth it then you crucify again. It takes some time to convince just like Abraham and if you are persuaded you will win. Now indeed the spirit of God is within you and the kingdom of God is within. The God of all creation has redeemed all who stand. And he rides on the heaven of heavens far above all rulers and authorities for what he conquered he did by love. Love alone cast out all fear. But the perfect law of liberty for those and in his name, they fear. A fear adjustment can be made. For a fear of God is receiving love and yielding to a better way. These others cannot come in until they are led. Some are children held by an adult who stand. They are not convinced they are safe so they listen to the law of punishment of sin and death in fear of the law. For they have not known the comfort of what they could believe. If you lead them they will go because you know me and I cannot deceive. It is a little here and a little there. Line upon line. Soon they will care. And they will receive what you receive when you learn how I believe. That I have loved you from the beginning and my peace has set you free.

You have done your share. You have done your part.

My faith has found a resting place

- 1 My faith has found a resting place,
Not in device nor creed;
I trust the Ever-living One,
His wounds for me shall plead.

I need no other argument,
I need no other plea;
It is enough that Jesus died,
And that He died for me.
- 2 Enough for me that Jesus saves,
This ends my fear and doubt;
A sinful soul I come to Him,
He'll never cast me out.
- 3 My heart is leaning on the Word,
The written Word of God,
Salvation by my Savior's name,
Salvation through His blood.
- 4 My great Physician heals the sick,
The lost He came to save;
For me His precious blood He shed,
For me His life He gave.

-
1. Alas! and did my Savior bleed
And did my Sov'reign die?
Would He devote that sacred head
For such a worm as I?
 2. Was it for crimes that I had done
He groaned upon the tree?
Amazing pity! grace unknown!
And love beyond degree!
 3. Well might the sun in darkness hide
And shut his glories in,
When Christ, the mighty Maker died,
For man the creature's sin.
 4. Thus might I hide my blushing face
While His dear cross appears,
Dissolve my heart in thankfulness,
And melt my eyes to tears.

5. But drops of grief can ne'er repay
The debt of love I owe:
Here, Lord, I give myself away,
'Tis all that I can do.

○ *Refrain (Hudson):*
At the cross, at the cross where I first saw the light,
And the burden of my heart rolled away,
It was there by faith I received my sight,
And now I am happy all the day!

○ *Refrain (Campmeeting):*
I do believe, I do believe
That Jesus died for me;
And through His blood, His precious blood
I am from sin set free.

These here are set apart, these will hold the course for the revolutionary heart.

There is more to know for the revolution of love to grow a Unity designed by love. this Foundation is first from above. Now Stone upon Stone I'm building the house the lines have gone out North east west and south Trust in the Commandment of the Lord. learn what it is the way of seeing for this will restore.

A new Angel to discover. A new revelation to uncover. The hight depth width and length, stay on the path of righteousness for His Name Sake. all things have been created and they are good now learn from the 7 to recover what is true of the living Word.

Uriel is at the gate to release the universal way. In the heavens than on Earth

Walks through 12 gates

Congregation of high beings that have to do with healing. Will be their instrument of healing on earth. Actually, went through the 12 gates of the city of God, Mt. Zion, New Jerusalem.

Feel rulers. Declare your reliance on the Lord and His continued favor towards you.

Feel Rainbow angel. Your deliverance draws nigh. Contending. I declare I have authority over time. Please change time and seasons of me.

Jana

I feel the Lord was saying is still doing dimensions but there's great advancement in it round two realm domains to domain healing from the inner place is the internal way doors windows and path but the gates will always bring Justice that last.

PM

A time for exploring. A time to know. The knowledge of you and Him and the process will grow. The progress for what has been revealed. Now explore the invisible for the invisible to become real. The temple has been measured and this will continue to be healed. But the I Am is measuring your heart for this is where the true sons are revealed. Now therefore there is no condemnation in Christ. A new law was given for power, grace and might. You are freed from the law of sin and death for the law of the spirit is life and so many have not heard it yet. Sow into what you already know. Trust the Spirit and what you practice will grow. Flesh cannot please God but you are not flesh for you are in the son of Yah. The spirit of life is for righteousness sake. Righteousness is as it should be like when you walk through the gates. The same Spirit that raised Him from the dead searches all things and bring to remembers everywhere you are led. In Christ, you have access to the mind of God. For the Spirit of Christ trust in the law of life and liberty. This is the true love of God. Every consideration you have concerning Him what belongs to the kingdom will increase and your ministry already exist. Every thought and consideration that you give concerning his heart also concerns his son and the first fruits of the spirit will come. There is no weakness that can hold you back. Only what you perceive and think you lack. Be comfortable with the invisible with What is everlasting. If God is for you who can be against you and none condemn you. For you have the mind of Christ, the ability to create the reality for he already paid the ultimate price.

Again, I say rejoice in the Lord. Practice the invisible for it will be familiar and His glory will be known. For if you are persuaded you will excel not in the problem but the promise where are things restored dwell. There is neither death nor life nor angels or rulers nor powers of this time or even past that can come to you. Nor height nor depth nor any created things will ever separate you from Christ our King.

Archangel

Holy, holy, holy Lord God almighty. Holy is the lord must high.

The ministry that has already begun is the reality of reconciliation for He is one. Sin is not the mistake you have made. It is the beliefs of the heart that lead them astray. And the hope that was deferred is what I long to heal. The bronze man was the man that took away the sin of the world. The temple was measured in every place that sin affects you and empowers disgrace. But I have come to give that life that is the light for he made him who knew no sin to be sin for that is

righteousness's fight. And how you come to know the prophetic word more sure is to practice the promises after all that is why you endure. Even the Lord himself had to set a joy above for what is lovely true and pure was the view of the bride for his love. It is all how you see, you see and how I see you through. You are righteousness for righteousness sake and to love righteousness makes it true. Don't you know daughter I call you this for you are nothing less than what I imagined and I did not do this amiss. The hope you set before you is what you will determine for even hope can work against you and bring ruin. As it was said to Abraham he hoped against hope for he set his mind on the promise and he saw the resurrection that set the course. Though he lost ground He always returned. He is my delight even though he made many mistakes.

This is the true faith that I desire and the true freedom I gave to love the Lord God in everting and to love everything he made. To not have something is to lack but if it is your only hope it is the hope that doesn't last. Remember the woman who took hold of his hem. It was her faith that healed her. It was not what He did. She trusted in just a little. Her identity came to light. It was a great exchange from rejection to find she was a daughter in my sight. I hold nothing back of any good thing, as a matter of fact I have done it all so you could believe. So now I say it is your turn to create this truth to believe in a kingdom of heaven to manifest in the earth. It is the invisible to the visible by a convince heart. For the measure, you use will be measured to you for what is lovely and pure is where you start.

My love never ceases from any good works. I see you complete and trusting in me to trust yourself and your worth.

Feel oscillations with stars. Tied to time. Like a wheel turning but does not finish. It's cycle. It is time tied to oscillations of stars. Stars time which seems different that earth time? It seems a part tries to get out and the cycle prevents it. It is like a machine.

I had a dream that I was back in Buhl, ID being considered to become pastor again. I was pastor 40 years ago. Am I trapped in a 40 year cycle? During the interview a man (pulpit committee) took out a book called 'The Laws of Jesus.

Tied to radiation of stars.

Cycles started in generational line. It flows through the generations. Mother's side.

Seems tied to star admiration. Sexual merging with star beings and other beings. Feel rulers, powers, human parts from history and parts that made history. Seems like a ungodly table of beings. Unrighteous council. Parts of ancestors souls there.

Stars feel into the sea. Seems this is in the depth.

PM

I Am

Deliverance in I AM.

This is the reality of the exchange of the cross. These places that you are going to in the Spirit, there are different exchanges happening. So in your working for I Am is with you. The exchange has just begun. But I will open up the floodgates so you can receive more and can be washed clean of what is not of Me. Strange days will be ahead of you again. Another time and another time and another time til you see my kingdom come. My kingdom needs to be built in you first. My kingdom will be built on the earth as well. My story of the truth of the cross. The reality of the exchange you will tell. So fasten up buckle your seat built for heavy, strange, and fast ride is ahead of you. These street will be long.

Tongue

I will use you to set people free that can no longer be set free. I will use you to explore the heavenly places way above the highest heavens. The highest heavens are my place to dwell. For my secrets to know. Come here and I will tell. I will tell you about the highest heavens, the deepest depths and darkness not seen before. I will close and open for you the right door. Trust Me for there is a new way ahead that will replace the old. [Feel like I am walking through something. Feel like uprooting]. Opening up new places and new wells. Wells of healing will bring revival and wells of power will set the captives free. I am taking you higher to a new realm. You have work to do. [Like removing sea weed. See a scroll in the water and it looks like a time scroll. Something about the water. There is a frequency.] Wells of healing have started to touch the waters. My people will be impacted soon. So do not stay behind. Keep on moving forward. Forward is the destination for days ahead. Christians will call those on the path. This is the path we are walking. So many people want to come to the end but it is the path. Always the path. This is where you will learn and I will teach you. Circumstances may be hard at times but I have overcome and so will you. The victory is mine.

The scripture in I Corinthians “no eye has seen....etc.” This is the fulfillment of this scripture.

EXCELLENCE. Like a branding or a sign. A mark on the forehead.

Angel with message to Client

I am testing you my son for days ahead so you will be stronger. Now rest so you can recover and do well.

I Am

I am righteousness and justice and no one will stand in my way. I will have MY way!
I will have it my way. Very strong, fierce and angry. Breaking limitations, walls that have come against me. He is expanding good boundaries.

Training Session 02-15-17: Louise, Micah, and Paul

Windows of heaven (slightly up and forward of gates for Micah)

Paul: Two dreams, clicking and glowing, branch made of light, clicking towards him and branching out, and he said in his dream, "why is this window open." He stepped outside and then his father was there. Left side was mother, right side was father (that dream was on Paul's birthday).

Branch connects us, maybe through eyes, through a window, to the gates on the grid.

Dirt road, two directions, rejoined farther end, would end up at the same spot. Two windows, two cabins, left was the one he had rented. Saw gas cans, coat hangers with clothes, asked if I'd already

moved my stuff in the cabin, there was a caretaker there that said I was to check out at 6 am, I thought what a stupid time to check out. He said you owe me \$1000 for each minute you didn't check out.

Key verse on windows is Malachi 3, there are also interesting verses in 2 Kings.

Chuck Pierce also had an interesting word two years ago about the windows of heaven being opened.

Malachi 3:8 and onwards ("If I will not open for you the windows of heaven and pour out for each of you blessings that there will not be room for you to receive it... I will rebuke the devoured for your sake.")

Windows are tied to blessing, and Paul often feels rotations between the windows, the thrones, and the paths.

Warehouse - was that Paul's storehouse? Yes, we think so.

Nor shall your vine... wow!

Doors to rooms, gates to dimensions, windows connect to paths where time is no hindrance, the eyes of the Lord go to and fro, right time, where even there's a living stone.

Eye of the Lord, branch, through window, through path, connect to the grid.

Four windows spinning around.

Windows of Heaven Prayer

Louise Message:

Times, time, and half time, do you understand time? Not the times, but time, the depth of time, the dimensions of time, many different dimensions of time. Traveling of time, time travel, I'm seeing what I am thinking are stars, but they're little lights, like the speed of time, on some sort of time continuum. I want you to ponder why you are in time, why the world exists in time? The key is time.

PONDER: Why you are in time, why the world exists in time? The key is time. It's a measure (Micah sees measuring rod) (Paul, that goes back to the bronze man, Ezekiel 40, he has a measuring rod)

Ezekiel 40 - Paul discerns the bronze man same as he discerns Gabriel and Zodiac.

(Micah feels bronze man near dimensions and thrones, a little possible left and down from thrones)

We have a temple inside of us, so the enemy places his temple alongside of this. Paul believes the bronze man is a created being, not the Lord.

Bronze man talking to Micah: Bronze man is measuring our dimensions and our temple, make sure that the foundations of who we are and the dimensions and the stuff in us is in right alignment with the God's design, and to show us the correct dimensions and measures.

He also measures the time dimensions.

Tobias, angel landed and said, "your future is in your past, not your future." Then the Lord told us that someone had projected into time and took what I was supposed to have back for himself. So I had to go back into the past and retrieve what was stolen from me so I would have it for my future.

Window fractal, something tied to fractals here.

What Louise saw: You know when you turn up the subwoofer, you can see it vibrating, I saw this almost rubber membrane every time it went in and out and in and out, and it was the weirdest thing I've ever seen.

You are out of time, and go from out to in.

Cube, maybe tetrahedron, it's a triangular three dimensional shape but it's not a pyramid, it was bent, like the sides were bowed outward.

Rest, these mysteries will be downloaded to you in your sleep, when you are in a place of rest. The enemy wants to put you in the wrong time in the night, so that you wake up misaligned, but we come to righteously align you in rest, outside of time, so that you begin your day and command the morning, and go where you are supposed to go. This is the radical obedience, where you command each day and you operate in His will. You're in freedom and rest, not in anxiety or fear.

Somehow, I've been out of sync

Operators are the management function of the thrones, they're the scheduler and allocator. They're the central control of the thrones. The word kernel is strong.

After we met yesterday, I began to think about time as well.

I absolutely agree that time and healing are tied to each other. The whole calendar of time that the Lord gave to Israel seems to revolve around cycles of time, the new moon, full moon, day to evening, etc.

I also had some ponderings that I just typed out after the session, very rough draft below:

What do windows have to do with time? "window of time" is a phrase used a lot in our culture and implies an opening of time of finite or limited duration.

Our lives are windows of time: the moment the egg and sperm join and become zygote, our spirit leaves its place "out of time" and finds itself in the mother's womb "in time". Then at the moment of death, our spirit leaves the body which is "in time" and departs to the heavenly realms "out of time". Thus we go from out of time to in time to out of time in our earthly life.

The phrase "out of time" is prevalent in our culture as well. We are given a specific amount of time to accomplish a duty, task, etc. "Out of time" can also be described as the end of a "window of time". Once the window of time closes, we are "out of time" whether this applies to our spirit and we literally move out of time or to our physical state where the amount allotted has ended of whatever goal was to be accomplished.

People speak of feeling as if they are born "out of time" or in the wrong time - is this a reference to generational issues?

Are there actually two dimensions of time? The Bible would suggest there is namely, Chronos and Kairos. Why would God even bother with Kairos time if He is always outside of time, except for when Jesus hit the scene and came "out of time" to be "in time". At that moment, Kairos and Chronos collided - His spirit came into the dimension of Chronos time by inhabiting His body, but the moment this happened was the fulfillment of the whole Old Covenant and therefore He also inhabited the dimension of Kairos. Is this true? I don't know. But physicists certainly are exploring the possibility that two time dimensions exist to help unravel some of the mysteries of physics that stump scientists, namely reconciling classical physics with quantum theory. But back to the question - why does the Bible have to suggest 2 distinct types of time? Is Chronos the dimension that we exist in or "earthly" time that exists as one of the 4 dimensions? Is Kairos the hidden or missing dimension of time that is postulated by some physicists? I don't know. But Kairos is a very odd phenomena to ponder

Do the thrones power the DNA and RNA and do they do the programming?

Deep is a place under the ocean floor in reality and also the spirit. It seems to be made up of fresh water. Sometimes in Hebrew it's translated deep or depth.

Mantle, core, tectonic plates, is there a giant throne at the tectonic plate?

Do thrones create gravity? The strong force? The weak force? The magnetic field?

Thrones are tied to the powers.

Thrones that empower radio waves, x rays, the whole spectrum of light, strong force

Ideal gas law - $PV = nRT$

Strong force, neutrality. Stuff is being aligned! Fixing insanity, bipolar, other stuff like that. Schizophrenia, sociopath, narcissism

Feeling the host. I feel it near dimension (Micah), possibly down a little bit lower

Sword, entity, the word being is something that's self aware. Entity is living, but not self aware. Living sword, but not self aware.

Stabbed each other with the sword, felt deliverance. Hebrews 4:12

The sword is your friend, it will not bend. Sharpened in the fire of the Lord, it goes deep into things, that you have ignored. It goes into the inner city, and heals thoughts, fears, and insecurities rooted in pride, because naturally, it divides.

Lord release the host so that you can release the rest of your message. There is battling over this actually.

Refined by fire, birthed in desire, sword seems to be going down the center of the double helix of the DNA. Sword seems to be fixing base pairs. It is removing the ungodly base pairs, pentagon or hexagonal thing that is part of the DNA. Sugar seems strong. And this is all, so that you may be sons of light, putting demons everywhere to fright.

Lines have fallen in pleasant places. Lines seem to be tied to blessing, and we're starting to understand lines.

Psalms 16:6, Psalm 19:4

Watchers, I feel them back left middle a little lower down near the back of the ear

They're a type of holy one which would be the judicial branch, I wonder if they function like Marshals. They serve warrants, they're like the enforcement arm of the judicial branch.

The ungodly watchers enforce / encourage false justice.

Jana

Paul had dream of being trapped in a place where there was water everywhere and he could not get past the water. It was revealed that this is the womb of the Dawn.

Spirit of Counsel

[can feel windows]

Oh, the depths of the riches of both wisdom and knowledge. The unsearchable judgments and unfathomable ways [of God]. How to know the mind of the Lord and who became counselor except the Word that restores? For from Him and to Him are all things in the glory forever from beginning to end. This is how you believe. [going down surrounded by water] Deeper still without a bottom. A restored hope stays in this place. The parts were influenced so they missed the way of escape. A part of the process in the origin of life. Even in the womb these parts were influenced to decide. They considered it safe to stay in this place. A lie of a promise from a generational trade. Every dot and tittle was written in your book. It still remains unaltered to re-create from proof. Check the gestation of the womb. Not all who were here left to accept life. Flesh was denied by a hierarchy of a generational lie. The stars that exalted themselves above God made way for the confusion and blocked the true law. They denied the flesh so they may achieve a greater height. They always remain in communication with the stars, but can be disconnected by the Lord's might.

The fellowship with the word that became life. Order upon order, it was aligned to be right. Building on the components of the elements in the womb of the dawn and then locked together in the depths of the earth and the Father composed you as a song. A harmony that brings balance, a chromatic scale. Frequency, light and color so the flesh would prevail. Life was the goal even in the waters below, but the belief was to remain only as spirit because the body would become old. They long to avoid death so they never started life and they remain as they were left.

Rainbow angel and angel
Fear not I am with you and I will not abandon you.

We do this together. No one is alone. Speak tenderly to them so they know the way home. And know this is true that the lines of inheritance will begin to connect to the new creation to make all things new. And truly as you are convinced by a persuaded heart, they will come in and not depart. For they must be safe in the place of time. Not in and out but by love that is aligned. To know I never leave you is the most important thing. This way they will be convinced that I am a protecting King.

PM
Rainbow Angel
Opening a book

And you all stand in this place to hear the truth to reinstate. What was lost may now be found for the Lord who is high and lifted up is all around. And in the place, you are in a heavenly sound. Now these are coming out from the wrong for they hunger and thirst for the love of God. And all the law is summed up in this - that you will love others as you love yourself because your love is His. And now you will find in every place to find His presence and seek His face. Your environment will no longer dictate to you for the sound that is in you will break through. These are learning to come into where it is safe by the truth of the Lord and His rule in the gate. And every path will be lifted up and all of Zion will hear and many more will trust. It has been given to you to redeem what was lost. An inheritance that was rich because He paid the cost. And the only sacrifice that overcomes for the fulfillment of truth of the law within the son and this is the final legality that awakes. What was dead is now resurrected and your inheritance you will claim. For it wasn't just one who lived and died. But the resurrection and ascension that these will thrive. And in the fullness of time on earth corrects history, your dignity and your self-worth. For His judgments are just to all those things that bring you harm now restored in love and not in the curse of the law.

Angel Army
Lead Angel

Holy, Holy, Holy
Awake awake. Clothes yourself in your strength. Put on your beautiful garments, the holy city is awake. Awake awake. Shake yourself off. The unclean will no longer come into you. Rise up from the dust. Oh captive city loose yourself from the chains; oh captive city of Zion stand in the majesty of his reign. You were sold without money and nothing for true exchange. Now I redeem you from the depths. Your inheritance you claim. When the rulers are removed, what will you put on instead. When I remove them from death, in whose life will they be lead. How lovely on the mountains are the feet of those with good news who brings peace and happiness and all of salvation's truth. Speak to the mountain say your God reigns. Lift up your voices shout joyfully for their will see and be

preserved in his name. Break forth, break forth heal the desolate places, these who were held back from many of generations. And the holy arm of the Lord has done this and it will be amazing in their sight. All the nations will come to you for their hearts will desire what is true and right. For the Lord will prosper and he is high and lifted up and he is greatly exalted. His appearance was as a man and his humanity restored. All the sons in His plans and many nations will see and even kings will shut their mounts for everything was redeemed by His cross and His love. By oppression and judgment, he was taken away. He was nailed to the cross, cut off from the living in His days. Buy it was the Lord's good pleasure that all His wrath would fall on Him. He even turned away because he could not look at sin. And as a result, he was raised in that day to redeem what was lost and for history to be reclaimed.

Tongue of angel

Your tongue is like fire meaning that when you speak it is like the fire of God shaping things. Therefore, watch what you say for your speech carries impact. Therefore, self-control is required is required of you in general and regarding your speech, what you say is required of you. Much has been given to you to shape things to come. Much responsibility comes with such/so much power. The fire of God is within you and prophetic utterances [continually].

Tobias: 3:19 PM Scroll

Went to a place with the fallen sons of God. They were desperate to look into the sealed scrolls of God. The Lord sealed it because He knew they were there. This is the place where the intentions of God's heart – for the Body of Christ that the Ancient Lord the Creator of all things. Yashem is His name. His ancient intentions have always been there for humanity and meant to be expressed by His Body. Now is the time to get ready so you can stand the test of time. Many of us who are here are going to the windows to clean them. Prepare, make My people ready to repent so I do not have to come and judge them but I can use them. There is a releasing coming to the Body of Christ. My people – the ancient calling from the beginning of time. I have been preparing you for this calling. Way beyond what you've understood so far. The ancient call of humanity, the Body of Christ is being prepared to be released. The mess that the Sons of God got into before humanity was created.

There is a marching occurring in the Body. The marching will start in the hearts of My people. The new branding has begun. With fire you will be baptized. The Sun of Righteousness will occur in your land to strike wickedness. It will no longer stand. A new uprooting has begun so you can establish the Order of the Holy One. So many structures such ancient words cause a lot of evil. It will be disbursed. The bulldozers I have called upon that are coming to glorify My Son. My Son has set an example so follow Him. Your path will be straight, the highway of holiness it has begun. There is a marching. It has already begun. It will be an army for the Holy One. The Holy One He will strike this enemy and recovery will no longer occur. You have learned already but I must teach you much more so you can take your righteous stand and strike evil with your hand. You have and will become the army of the Living Holy One. An Ancient and righteous fort that will expand the Kingdom of the Lord. All creation eagerly awaits the rising of the Sons of the Holy One. Hashem is His Name. He will make the pathway before you plain. He is your example the Great Father above, represented by His Son the leader of all, the Captain of the Host, even the suns and the stars they have to give birth. For there is a rising in all of Creation like never has been before. There is a rising in all of Creation and I will open a new door. That looks like a gate.

There is a ceiling that has occurred early on so that we will not be able to follow the Holy One. The unrighteous ones tried to claim the depths as their fort. You will march down the path, set up a new standard that will rise mightily. A lot of deliverance will occur, many will be set free. There is a level of deliverance that I'm raising

Jana

All creation sings your praise. We will join with you declaring your glory.

This is to teach the revelation for discerning the word of life. So the spirit, soul and flesh will thrive. A living word that is who you are but the Word of Life is a cut above by far. Look to the rock from which you were hewn. The undeniable word of life will make all things new. This concerns the pathways to the stars. These are pathways within where the crossroads of survival came from the sons of man. Judgments stay in these gates but how I see you is your way of escape. So what was at first may be heard so what they had touched with their hands and seen with their eyes and hear with their ears will never be denied. Even history will be healed. There is nothing new that is under the sun. There is nothing new. It is an old judgment of an opinion that is coming through. Just a returning opinion from where it was first revealed. But who do you say I Am. I have the oldest opinion for the sons of man. And you were written in the living word where the word of life within can be heard. Now the lines exist to connect you to your place but what evil has done has blocked the way. The cosmic hierarchy fights for the place to claim. But the word of life is in the power of His name. Thrones were set up to keep this judgment [collective} alive. The power of agreement agrees access to be denied. Continual judgment hold an established time loops. It is just too familiar so you can't go through. But to you the truth has purified your soul. For the sincere love for you to know. And you have been born again not of a perishable seed but an imperishable word for the living and enduring belief. [Fallen word of life – ungodly resurrection – a life force]

Archangel and Rainbow angel

Your perception positions you. For what you believe seems real. You overcome this place by the promises you proclaimed. If something is lovely, if something is pure, if something is praiseworthy, this needs to be heard. He is not slow in His coming, about his promises as you would count slowness. So make the prophetic word more sure. So what is honorable and praiseworthy will line up with his word that is truly heard. It was set up against you to destroy My view of how you see Me and how I see you. But as it was for Job it became more sure. As He said I have heard of you with the hearing with my ears. But now I have seen you with my eyes. This is the evidence that cannot be denied. When they come against you it is not for your failure. It is the proof of your faith. Just another layer. And your hope is more sure than when you first believed. So who do you say I am is also perceived. You are learning to learn from Me. My responsibility is done and yours is to believe.

PM

Through it all. My eyes are on Him. It is well for you.

Even when your eyes can't see. This mountain that is in front of you will be thrown into the sea. Trust in Him for the nations will know. Trust in Him.

Where you stand is an everlasting place though a gateway of eternity without disgrace. When you learn from Me there you will dwell in the peace of your inheritance where no time will tell. And what hurts and wounds brings you into your defense. But I show you I fight for you from the peace within. And no weapon formed against you will have its way. For I have made evil to be destroyed. It will certainly have its day. But as for now you will align your heart within the depths of eternity. That is where you start. And all these gathered from within to without and for Zion's sake they will not keep quiet and I will break all your doubt. Now each one standing in this council to be known carries a book with a seed of inheritance so that it may prosper and grow. And every argument that exalts itself against the Living Word I put in you, they will have no defense.

For I was with Him from the beginning and only wisdom can tell. From the voice of the city where you stand in the gates it is well. And every word that exalts itself against the knowledge of truth will bow its knee for your inheritance in this place is your proof.

Archangel

Lord thank you for the sevenfold.

The law of the Lord is perfect in restoring the soul. The testimony of the Lord is sure for all who are known. The precepts of the Lord are right rejoicing the heart. The fear of the Lord is clean and enduring on your part. The judgments of the Lord are just true and righteous. For mercy is a must. Now all that comes to be taught by the Lord will unite their heart for the fear of the Lord will restore. He is a God of deliverance for the eye of the Lord is on those who fear Him. The angel of the Lord encamps around those he knows for their paths are sound. For the Lord does great and wondrous deeds if you have ears to hear and eyes to see. The paths you take you will learn to believe to walk in truth is to unite your heart and to fear His name. In thanksgiving you remember His ways. They will keep you from the trap and the snare that sabotage His grace and ways. His lovingkindness towards you is from everlasting to everlasting for He has delivered your soul from the depths if you choose to dwell in Him. Arrogant have risen up against my anointed but the Lord is in lovingness abundant. He will grant you strength when you learn from eternity's place. He will work all those things around you to His good for you are in His name sake worthy to be praised.

No temptation has overtaken you. It's only common to man. But God is faithful and will not allow you to be tempted beyond what you can stand. And when temptation comes He will make a way of escape so you will be able to endure it, if you acclimate to His grace. It can only seize you in a place of lack but He has given everything you need pertaining to life and godliness and this is a fact. Now hope in the Lord and connect to His right hand where His pleasures are so you are assured and able to stand. Cultivate faithfulness and practice to endure. For it is the consequences that hurt you not the choice that you choose. You have confidence before God if your heart does not condemn. Condemnation and temptation work to have their way in the sons of man. Where you are weak you can find my strength. If you ask Me I will tell you those things before they happen and you prevent a mistake to be made.

January 15, 2017 - Word – Larry Pearson

Today I felt the eagle for the first time in perhaps 20 years. Larry Pearson had this word when I called him.

Lord, thank you for new beginnings.

I heard the phrase 'the eagle has landed'. Now, I'm seeing a picture of eagle's eggs.

Watch and see what I'm about to hatch. This is completely new for you. These are bigger eggs than have been seen before. I am about to birth something that's been larger than before. I see the eggs are something speckled.

I can feel shifting, pressure shifting.

It feels like He's putting you on a new set of tracks. I've seen two eagle's eggs and I think that these are two new tracks being released.

Two necessary tracks to release the acts of the Holy Spirit. Truth and Love, Faith and Hope, Peace and Strength as My Comforter has now come upon you to birth peacemakers, miracle workers. Identity will be paramount (like paramount pictures) where they find true images of true identity in 'I AM'. It's again something birthing out of 'I AM'. Identity emerging, power converging, society responds.

The image that I got immediately was of a picture of a 'feeder'. Perhaps those that come will be able to feed on the 'I AM', receive the nourishment to be who they truly are to be in Me. The eagle is just resting now on the side of my head.

Doesn't the scripture say 'I will carry you on eagle's wings? Isn't that connected to Moses? The eagle is here to carry us into the depths of 'I AM' and distribute the depths of His heart. Father, I bless Your purposes that You're birthing. Lord, I bless the new tracks and path. I'm hearing like a season has ended. The season of the streams has ended. The era of knowing 'I AM' is at hand. This will be a new breed of prophetic warriors that will be a proclamation like an oracle that will bring manifestation to the earth of the Presence and the Power of the Age to Come. Eternity, eternity, eternity shall swallow up the natural and the temporal. Gaze with Me and you will raise with Me a new company of warriors that know their God and will do exploits. I believe you have crossed over.

Now I have a sensation that I'm climbing Jacob's ladder. There's also a sense of 'Jack & the Beanstalk'. Going to a new level in the Cloud. I will remove the shroud of any concern that you're not hearing Me, that you're not seeing Me. Be not concerned about those that are not able to make the flight. There are 'foot soldiers' and there are 'air force'. I'm calling you to heights that others won't seem to get yet. I always call my forerunners to new heights and the rest will follow. This is birthing something bigger, something new that can't necessarily be birthed or fit into old structures. That's why He's calling you out, boldly going where structures won't let you go in order that the rest of the Body can come up.

Jana Green

Happy Birthday Paul. I AM's Love letter

You are coming into breakthrough Like you have never known. Not always a suddenly, but it will be shuttle for growth. You ventured in were none have gone before, The depths of dimensions in the

obedience of the Lord. I have used you as a boundary stone. For the breakthrough of inheritance and your legacy to be known. You stayed the course in the land and cultivated faithfulness for one year. The path you have prepared is a way for escape. so in others it will be clear. Now the desires of your heart will be fulfilled. I AM giving the blessing to the son. Joseph's position that favor has won. (Brian) financial wisdom because he never asked, and he will build on the expansion that will last.

Now in this next year you will see a great victory. A breakthrough to set the captive free. The King is at their head because of the sound of the sons of men, they were led. You will look upon the recompense of the wicked, A stored up inheritance for the righteous.

Know this, your Obedience has brought you though. I AM even fixing history and will give My favor were favor is due. You have made a way for those who are stuck, even the proud and the hopeless will know the power of God. I don't tell you this to make you puffed up, But to show you that obedience is the language of love. Continue to cultivate in the name of I AM. The burning bush will always be excisable to man. You will legitimize many who are yet to come. A foundation of Justice has now begun!

You know that the systems of religion I will always hate. It has held my people in the net from the judgements at the gate. You entered in the Greek grid. The internal journey to win back what was hidden. You hate what I hate and this I love. Now you will show them the way out by the heart of God. The New Jerusalem awaits 12 paths with 12 gates never give up the race. continue to make the paths of hope., open the windows, an unveiling to uncovered and restore.

Abundance and favor also await. Led out by wisdom, she will show you through the judgements at the gates. In this year I will show you I fight for you, I am with you always and you will always breakthrough. A cosmic inheritance awaits, what was written in the stars was My story to claim.

Now you know what it is to go into My NAME the zeal of the Lord is the power of I AM.

Eternity is the place for all may stand. Healing too awaits, dis-ease was never written into the original DNA.

I know it's been hard, but you never gave up.

I will bless what you bless and curse what you curse. Because you stayed the course of what you knew at first.

You have overcome a mile stone. a country awaits change, My church also is leaning a true way. But know this is pure, the heart of God is to know, yada, and discern.

Academy

Jana (Before Academy Began)

Now you have some understanding of the foundation of the law of creation. And it goes out to every generation. Now learn its energetic fields. the glory of God is written above the heavens and are declaring His works. all their writing is connected buy love. Love is the first priority and it's My last. the DNA the RNA will finish the task. the expanse declares all My works. The sound is with the stars and it's systems that are connected to the creation itself. creation itself will take its place. From the firm foundation, they will finish the race.

The revealing of the sons with enlightened eyes to go into the library and remove the disguise. Shame is the cooperate that guards the gates

DNA is in the library that is where you start. The quantum field is correct now the spiritual needs to connect. Wisdom will lead you in and out. the dimensions and domains are measuring from the heart. Healing now and healing to come. This is all a written in the heavens above this was before the measurement of time. Connect the unconnected it's a divine connection that aligns. The builders are here with the equations to heal the Master workman will make all things new.

Time

NAR- New Apostolic Revolution

It appears to look like an hourglass with eyes on it. A vortex type, seems to be moving, looks silvery.

Time for redemption is here. The time to learn to connect with the stars. The time to learn to travel through the dimensions for in Christ you are in the dimensions. There is a rest in the dimensions. The enemy has strived to enter the dimensions. I AM your God and you can rest in the dimensions. For what I do is supreme and is the opposite of what the enemy has been doing. For the enemy has sought to place great rebellion, to create great striving to manipulate the dimensions. But my people are to learn to enter into rest. For when you know, that I am being controlled of the dimensions and time is within my hands and in my hands, you will be at rest. So therefore, do therefore do not be unbelieving but believe for true faith. You shall enter into rest. For faith is the substance hoped for and it depends on what you do not see (seems to be doing apostolic – discern Malckisideck) I'm here to restore the apostolic order (NAR) for the enemy has entered into time to distort it. There is a great distortion in the apostolic order. I am here to restore the order in its rightful time. Already the foundations of the distorted order are shaken. The defilement is gradually being removed and there is an acceleration, for time is here. I am going to restore the watchers of times for my people are called to be watchmen and

to watch in the right time. For that to happen the right foundations and the right order must be established.

This is about the cocreators in understanding in who you are. The heavens declare His glory, but you too affect the heavens. Time is relevant to set time in a decision. This is also about the evangelisms that you've been asking. The creation law has the answers to what has happened. The lost are not found until it is disclosed. What is hidden is being revealed. The written record that is in the stars affect you. You and the earth will hear the charge. These books are open and all the creation groans, for the glory of God really hasn't been declared until you add the creation law, a quantum physics understanding connects the lines all with unveiled faces releases the revelation. What you are doing is removing the veil nothing is really lost, but it is disclosed when you connect the lines of inheritance the rest of the story is told. The grid is always in effect by the intention of your focus. It can always be corrected, the sound lays on these lines, be it for good or evil, it will make the design. It's a restored hope from the original record, even the elements hold the truth once it is accepted.

(she feels everyone holds a piece, it needs to be received to release).

Michael the Arc Angel

I am the way, I am the chosen one, I am the way, follow me. My way leads down the path, up the path to the victorious One. My victory, my victory lays await. Come and receive from my glorious victory. I have done it all. I have done it all. I have done it all. Come with me. Walk with me. Walk side by side with me. I will travel with you. I will reveal things to you. I leadeth in kind ways down gentle paths. I leadeth in victory. I leadeth over all. Don't ever forget that I leadeth over all. I AM the Alpha and the Omega, the beginning and the end. I am the creator of all. My breath has blown into you. I have breathed my breath into you. My way leads down the shining path for victory. A way we go. What you are doing is well and right. You follow me well Paul. Come in, you're welcome.

Seven Spirits of The Lord 2:22

Victoria is seeing a cloud matter
Paul feels the stockia

It's foundational time, it's foundational builders as it should have been. It's the recreation, it is rebirth of life as it was intended in the beginning. My life forced in each of these elemental spirits in these elements, in this life that I have birthed. Your work here is foundational, you're seeing the results of what you have done. By my spirit through your efforts all together, we co-labor in restoration. This is what I have hoped of as we co-labor, this is what I have needed as agreement point s for my work. Thank you for working with me and so we will move on to

more. For there is much more work to be done but I wanted you to know and to seek so that you will not be discouraged.

Builders are always attached to discernment, the physical to the spiritual to meet creations need. All things available to those that ask, take off the limits heal your perceptions of lack, number lines and the elements to know healing from the builders will grow.

Spirit of Truth

All of heavens been waiting for this moment to arrive. You're rewriting the truth from the original design. They projected their image that distorted your sight, so you reproduced in your own image and defiled the original design. All of heavens been waiting while the earths groans to realign the sound from the knowledge of God. Order upon order, line upon line. A little here, a little there, it has finally arrived. As it is in the book of John, when you see Him you'll be like Him and so in the earth you are. Truth is a fear of the enemies design because it's absolute from the creators own mind. You have been given all things, to rewrites corruptions and set the captives free. The door of hope is in this place, go through and align heaven with the earth in power and grace. As you do you will remove the fallen image reflected from the stars especially Rephram and Moleks alter. Break the connections for a generational restart.

Prayers:

Lord I repent and renounce for those in my family line, all the way back to Adam and Eve who declared that they created someone in their image. I also break the lie and the agreement that says to that the sons of God

This is the cross where is all your worth. The crucifixion before the earth. Continue to walk with Me and talk with me. I am the vine and you are the branches and who abides in me brings much fruit. Desire the fruit of which there is no law. You are no longer children toss to and fro even creation itself will be full of the knowledge of the glory of the Lord. Everything goes by the way of the cross. I am the door. Don't fear the cross for the pain that you believe it will bring for I have already conquered death and defeated punishment. Walk in resurrection and receive the fruits of it all. Everything must go the way of the cross.

So I am in the earth and so are you. Remember and honor the blood in all you do for it is the blood that gets you through. So rejoice and do not fear and run totally to me. The cross the cross oh beautiful cross.

The cross symbol of my love. My blood shed out for you covers you, it cleanses you. The sight of you covered with love brings me such delight. The cross, the cross, the beautiful cross.

At the cross at the cross....

Time is being realigned by the cross. All time is realigned so I died before the foundations of the world. The ungodly foundations have already been dismantled. Now my people appropriate it for it was done before the foundations of the earth. The stars are being realigned and all of creation is being realigned through the cross.

Seven Spirits

Builders always are attached to discernment, the physical to the spiritual to meet creations need. All things available to those who ask, take off the limits. Heal your perceptions of lack. Numbers, lines and the elements to know, healing from the builders will grow.

Tongue of Angel - Victoria

He who has an ear, hear. Hear what the Spirit of The Lord is saying. Messengers, many, many, many will be coming. Many new ones, our God is releasing. Fear not the new. Fear not the old. Fear not. Hear and obey. The new day brightly shines for those that are His. Woe to the rebellious ones. Woe, woe, woe. Their days are numbered. Behold the light, it is bright and grows brighter and brighter upon the bride. Prepare for exploits for those that know their God shall be strong and do exploits, might works. Joy, joy, joy. Joy, joy JOY. Joy, joy, joy. Much joy lays ahead for those that have patiently waited for this day. So rejoice and rest in Him, those of you that have been heavy laden and know that He will give you rest. Run to Him, run, run. run.

Prayer - Paul

I renounce and repent for those in my family line all the way back to Adam and Eve, who declared that they created someone in their own image. I also break the lie and the agreement that says that the sons of god can create in their own image. That all their descendants are made in their image. Lord I ask You to please remove the imprint of that image, that false image, that false sound off of my DNA and RNA and off of my Family Line. Lord I declare also that my image does not come from the stars, does not come from the zodiac, does not come from the hosts, does not come from Raphain; my image comes from All Mighty God. Lord will you please remove this off of me. Lord repair any version of all false equations, all false builders and imprints; Lord remove me from this system. I declare I am created in the image of God, male and female. I am created male/female. I break the lie of the false sons of god that there is no male or female. (We walked through the gate that says "The glory is always present") Lord will you reset our DNA back to original design.

Louise and Micah

Tongue of angels: I'm opening up a gate for transcendence, for man to know not by his head, but by his heart. In the heart, the Holy Spirit sets his seal, and all things can be revealed. Look into your heart, because deep in your heart are things God's placed there, and things you've never seen before, wonders you've never known, for he put eternity in there, for you to be fully clothed, and to live from the heart, and not from the mind. The heart is the center of life, guard it well.

Deliverance is coming off of all our hearts.

Inability of connecting on a heart level, fear of connecting on a heart level.

Upper right chamber of the heart (from our body's perspective), healing seems to be coming there.

Deliverance is coming off the gates of the heart.

I feel like I'm in the chamber of the heart.

Deliverance coming out, greek wine God, and Athena

Corruption starts by believing a lie about God in our heart.

Deliverance coming off the library. It seems like corruption has been journaled into books in the library.

"Behold it was corrupt because all flesh had corrupted their way on the earth." (Genesis 6:12)

Whatever is coming off now is on Micah's mother's side.

This is tied to the mitochondria.

Mitochondria plays a key role in the development of the heart, and can be a contributing factor to various types of heart diseases.

Host is here, groundbreaking, novel, first of a kind.

Spirit heart - length, width, and height

Soul heart - depth

Physical heart - depth

As a man thinks in his heart, so he is (237).

Paul, dream, Job 19:7, Psalm 19:7

Black spots are lies, corruption is even stronger, deception is part of that.

Out of our womb/belly/(heart?) will flow rivers of living water.

Deliverance, this is about knowing by the heart.

Spirit of prophecy is here.

The Spirit of prophecy feels like a garment, feels like it's clothing/cloaking us.

Circumcision of the heart

Romans 2:29 - But a Jew is one inwardly, and circumcision is a matter of the heart, by the Spirit, not by the letter. His praise is not from man but from God.

You've been through a time of testing and time of refining, for weighing the hearts. The hearts of man have been weighed and your heart has been found right before God. He's removing every limitation now so that you can see him from your heart, for it is the eyes of the heart that have to be enlighten, not the eyes of your mind, or the brain, but it's the eyes of your heart that must be opened to behold the King in all of his glory and all of his wonder. It is from the heart one begins to live out of the expanse of eternity, and the canopy of surrender to Yahweh. You cannot do this of your own doing, it is the gift of God, not a result of works, so that man cannot boast. Ascend to the rainbow, above the clouds, receive our next assignment, as the trumpet sounds. Many will go to and fro in these days, but the one whose heart holds fast to me in righteousness will abound, and will turn many sons to glory.

Daniel 12

Often Michael travels forward with a group of angels.

Pleased to meet you, I've met you before. I'm glad to see the way God has been moving your heart towards him. It's really a matter of the heart, God looks at the heart, he doesn't look at the outward appearance of the outward display of actions, he looks at the heart.

Michael just took off, but he left a deposit behind. Paul feels it running down the side of his head.

He opened or cracked something open, and then he flew off.

Seraphim are here now. There are lots of Seraphim, they are worshipping.

Watchers

[Paul]I slept well the last two nights but did not sleep well for the six previous nights. This often happens when major revelation is about to take place.

Seeing a pathway and a crossroads. Watchers are at the crossroads. Seems to be a system. Intent on the veils.

Watchers

These watch over the ways of escape. Not as gatekeepers but they patiently await. Their intention and purpose is communication to the Father. They also stand in the way so the enemy doesn't bother. A watcher reports what goes in and what goes out but they cannot interrupt the choices that are made. They keep the matrix of God to always be in place. You are learning to heal from the inside out. The veils are in place but they exist because of doubt. These are learning the value of safety that is real but fear holds them in captivity. Change seems unreal. The veils hold out what is unfamiliar but these behind the veil are far more expected to change. Curiosity holds them for they are learning the Lord takes their shame.

Rulers

It is important to know for understanding sake to teach you of the system so you don't recreate the mistake. Now listen closely for these rulers show you a way. The original belief came from the **queen** for control but these parts think it is safety and their perception is wrong; false protection is the problem but love conquers all. They are looking for one to lead them to show them to show them the safe place. The pathways of how it should be is the true way of escape. The garden was the original design. The garden also is the recreation defined. A welcome choice is all these need but proof that is good is what needed to be believe. These watchers also hold in place in time that is a **memorial** for the goodness of God to align. Rulers assist in the choices made to unlock the gates so the true rule can reign.

Powers

You are continuing in this knowledge for understanding sake to make clear that love is the responsibility you receive and not just take. A **memorial** hope always awaits. These powers enforce the frequency from the rulings that were made. For what is familiar is safer to these but they long to know what you know of the King that set you free. They are trapped in this system that always empowers lack [and perpetuates] but the remembrance of God will always clear a path. A hope deferred makes the heart sick but the finished work of his love they believe is **always** something they missed. The importance of the blood is the true life that is sent. For what is hopeful is secure by the living word of Christ in him.

Seven Spirits of God

Spirit of Counsel

We seem to be on Mt. Zion now.

This is about a view and opinion to **align** how it should be by a glorified position. This administration is suitable to the fullness of time to sum up all things and **align** to Christ design. Things in heaven and things on earth, all rule obtained an inheritance by a predestined self-worth. This is the working of Christ for the proposes of all things. The counsel of his will is choosing where the first hope in him you believe. To **align** to the original design is God's view and opinion. This is glory defined. This is the message of truth. The good news of salvation when you lead these through. The Holy Spirit is the promise that seals all things. The pledge of the inheritance, the view of redemption so these too may believe.

Watchers

Feel dimensional shifting.

Feel many angels, rulers, archangel together to unravel the mysteries of God in reference to the parts.

Do you not understand as yet? This is to encourage your faith through the view and opinion of God. These watchers were also with Ezekiel's place when the voice came from the expanse and the cherubs were empowered. And above the expanse was the throne, the appearance that resembles high and above. The figure with assurance the appearance of a man. His appearance of his loins upwards like glowing metal and all the fire was at hand. All around within and without, the fire of his radiance breaks all doubt. The appearance of the rainbow like in the clouds. Such was the appearance of his likeness; this is the appearance of the glory of the Lord that is renowned. And when Ezekiel saw what the watchers watched, he heard the voice speaking to align to the true cost. This is the fullness of time where Mt. Zion and redemption align. Practice makes permanent and permanent is from what is believed, but your sight is the upward call so what is under may perceive. I want to unlock the expectation of lack. This is the hope deferred that it seems to be protection so disappointment will pass. The fear of what it cost, the fear that it cannot be achieved. It is like one hoping for the best but expecting the worst so they always stay in need. But I say come up here so all these with unveiled faces may hear. It is a hope set before you, the upward call. Practice makes permanent and focus is the power involved.

PM

Fear of the Lord

Holy, holy, holy. The name of the Lord. Look up look down look all around. I stand in your midst. I show you a way. The way of life. You don't have to stay. I will show you what is right. I lead the way to bring you through. Look for the opening. I am with you. Come up, come up, come up and see. I have you. I hold you. Come up come up. Just believe. I am for you. I hold you.

I am breathing life where you think you have no air. If you find me you find life because I care. This was done to you to think you must stay, but I removed the punishment to a brand-new day and a choice has been made for the rescue of these. All of heaven has agreed to set these captives free. I love these who were treated so bad but they are important to me and I reach out to their hand. Look and see find the tree, a garden of delight. I am the place where comfort is all around, all around, all around. You are safe in me. Step in and believe you are safe in me. I have made a way, step in to be. Come up and see the beauty of the Lord. For the love of thee.

Rainbow Angel

I ask you now, what was done in the fullness of time. Who do you say I Am? Was it not my good pleasure that my son suffer all things. He did this for you, do you agree? His blood poured out. This is the substance of life. If I had not done these things, then you tell me what is right. My love is endless for every part of you. I have done it once to make all things new. Now choose to see these who are captive set free. You are the evangelist that these little ones need.

I trust you to find and experience my love. This is the greatest gift and the glory will restore. If you can see as I see, you are perfect in my sight. But your mother's heart will lead them. Don't give up the fight. Little by little they are learning anew. But if I am the problem, they will never know the truth. I would gladly do it again to resurrect these and set them free but it is impossible in me to make them believe. I have given you all things and you are the apple of my eye. Trust me when I say that I have given my life for them and they will surely not die. You have the anointing of truth and you know what I have done. When I show you these things it is hurtful but the new way has begun. Love is the chorus that I have made. To practice my goodness, these will never be led away. Trust is the issue for all to believe. If you trust me in anything then you know I have it for all these.

World court

And I will come as the Son of Man who has authority in the earth to command. I come to align to the justice of peace. Your hope will restore the truth that you need to believe. My glory is in the waters. That is the well in My people. And My glory will cover the earth as the waters cover the sea. Stand on the expanse and you will see.

Little book. Seems tied to the generations. Tied to the library. Now I feel the ungodly library. Feel dimensional shifting. It is like a swamp. There is an ungodly gatekeeper here. Grief of the generations is in this swamp. Hidden treasures are here.

Message-warring angel

Feel bronze man and measuring rod.

Pondering for a pathway. A shift happening in the earth realm. A shift of glory, another dimension of ruling and being seated in the heavenly places. Sonship of Almighty God. the revelation. The age to come. The age to come. You are standing at the door of another eon. Break it open. Don't stay behind. Step in now. Step in the door.

Glory realm. Another extension of the glory realm that you have seen before, that you have not lived in so far. And your life is going to extend. Expanse, expanse. The heavenly places will open up much easier and faster like never before. It is just the first fruits, the beginning.

There was a sound change, a change on the grid.

One big star in the sky connected to the first eye. Happened through sexual intercourse.

Raylene:

IT'S ALL ABOUT EVANGELISM AND APOSTOLIC RULE

THIS IS A PLACE OF EXPANSE

A PLACE OF MORE THAN ENOUGH

A HIGHER WAY A HIGHER PLACE

FOR A BETTER DAY

I'VE BROUGHT YOU HERE TO LIFT OFF YOUR BURDENS

THE HEAVINESS THAT WEIGHS YOU DOWN

I NOT ONLY WANT YOU TO RUN BUT I WANT YOU TO SOAR

THERE ARE NEW HEIGHTS PLACES YOU HAVEN'T EVEN DREAMED OF

PLACES WHERE THE EXPANSE IS SO HUGE

BUT THE POWER IS EVEN HUGER

IN THIS PLACE YOU'LL GET THE FUEL TO BRING INTO THE KINGDOM THOSE WHO WOULD NOT COME OTHERWISE

FOR THEY'RE HEAVY AND BURDENEED

FOR HOW CAN YOU LIFT THEIR BURDENS OFF IF YOU CAN'T CARRY YOUR OWN

I WANT YOUR BURDENS TO BE LIGHT SO THAT YOU MAY COME ASIDE AND WORSHIP IN A NEW WAY

We're turning paul: we are we just turned towards the right

THIS IS WHERE THE SPIRIT LEADS

My little fingers are going wild

Peta: the 7 mountains that Lance Wallna talks about

I BROUGHT YOU HERE TO TEACH YOU

ARE YOU READY ARE YOU ANXIOUS TO LEARN

IT IS THE LIGHTNING ROD THAT WILL DRAW MEN, WOMEN AND CHILDREN TO MY SIDE

THIS IS WHERE I'LL USE THE FIVE GIFTS

THIS IS WHERE I'LL POUR MYSELF OUT BECAUSE I'VE FOUND EAGER LEARNERS

Paul: my teacher finger has separated from the others and is vibrating

Amybeth: it feels fat, like there's a jug around it – it almost feels like an orb – but it's only fat around your hands

Paula: God is depositing revelation into you spirit for new things

It's new – it's new and it has life and it has healing for the nations and it's going to come in and it's going to go out – release – release – release –

Amybeth: it's like a stream that's flowing out – it's flowing to the right and my wrist is burning is Gabriel there

Paul: Brian, that was right on. I wonder if the word firmament means .. when you said that Brian, it was a total "hit". It's expansion. That's what it says. Firmament or expansion. Um, hammer out ,expanse... it identifies Gods heavenly expanse, or the open expanse of he heavens.

Marybeth, when she said "crack", I have tingling on the very top center of my head. So that's what his place of the Father of Lights feels like, tingling on the top of my head.

Norma: Vibrations coming from my feet upward.

Paul: Yeah my feet are vibrating also, Norma.

Rayleen: It's part of the electricity. I don't think it IS electricity, but it's the closest thing like it.

Paul: Ok, so we started with the clouds and I talked about the Destroyer and the Engraver, and then, the Rainbow Angel. I'm trying to see how this all connects somehow. I haven't figured it out yet. I just got the sense "stay with this, it's complicated." Ok Lord. This is like hard work right now...isn't it? We've got no frame of reference for this. "Eyes have not seen, ears have not heard what I have for you." I can tell you the anointing is amazing! And the power is astonishing! There is

something about this being the firmament, the expanse of heaven. Did you say Melissa, when you first looked in that there was a wide open space?

1 Word from the Angel of the Lord 12/17/13

Jana

Tounge..... Adonia Shaveot

This is none other than the angel of the Lord.

My people have yet to know my justice. The house of their treasury is at hand. The heart has been sick and many have grown cold, But I have sent a new fire from of old. There is a resurrected hope not yet explored. My judgements are in the great deep and can not be ignored. Now I show you in a world of injustice the lightning's of God for abundance. Many will see and will trust, but for those who have been set apart I will unlock what is beneath and above.

You will soon learn what is to know heaven on earth. For you take the gates of injustice from a heart of truth and worth, A greater sound for a listening ear will bring sight for the face of God to appear. I know this, not one left behind who desire to know truth from a heart divine.

It was like a great expanse open up with tent pegs.

Isa 54. Ps 19:3-11

Saturday night September 17th 2011, after prayer from Paul Cox I was lying on the couch just spending time with the Lord when I had the following experience.

The lord came up to me, in the spirit, and took my hand and motioned for me to come on with him. So I took his hand and suddenly we were in this small tight "tube" like thing, like a small elevator but having no tangible sides or top or bottom. We went lightning fast upwards. We passed through the whiter clouds and sky and then kept going until we were in darkness. But I was the stars and planets all around. We were in space very high above the earth beyond I think where satellites go.

All of sudden we stopped and just stood together suspended in darkness, with nothing around

us it seemed, then suddenly, as if a veil were pulled back, I was in the midst of a room of many people, creatures, angels and lots of people moving around, very busy. Then I heard “command and control center” Everything and everybody had white, almost luminescent outlines and weren’t like people as we see them in the flesh. In other words they didn’t “look solid” like we do. But I could definitely see their faces, height, size etc.

There was equipment there if you will. They looked like computers but they weren’t. There were things they were looking into, but I was real close to them. They seemed to involve energy and almost like gyroscopes but different. I realized their “equipment” was far different than ours in that it involved more of what I would call “life force” or energy or sin or righteousness powers. They seemed to be working with prayer and good versus evil and guiding and responding to that. They were also communicating with many places. I then saw many of these stations placed around the heavenlies....doing the same types of work.

They were very alert and in some ways “tense” but not like us. What I realized as I sensed that was this: they were ready to “close up shop” and move at a moments notice. I realized then that being ‘undetected” by the enemy was key. I realized this station moved around, a lot. It was hidden for the moment from the enemy but he could attack at a moments notice. Then I looked out at the expanse of heaven and then I saw it....

I saw the vast cosmos and it was all in a cube like grid with lines. I then was reminded of Job 38:4,5 where it says. “Where were you when I laid out the foundations of the earth, tell me if you have understanding. Who set its measurements? Since you know, or who stretched out the line on it?” NASB (emphasis mine)

Wow, this blew me away. I was billions of miles of lines, never ending, going in all directions. Then I saw something really interesting...

At this point I think I was wondering how everyone moved around when I saw something really wild. I watched an angel step “into” one of these lines, which seemed to be extremely small bands of light, but not really bright and suddenly disappear into the line! I knew he was on a mission to go somewhere but he did it on the grid line! He was IN the line and moving at the speed of light, going somewhere else to do who knows what but he totally disappeared into the line!

I asked the Lord WHY he was showing this to ME? He said he wanted me to know because he wanted me to understand how the spirit world works so that I could interact with it more

intelligently. He is revealing the secrets of the kingdom and of the spirit world at this time at a very quickened pace. It seemed like he had special missions and messages he had for me, particularly regarding America. He seemed very concerned, as did all the creatures in the station, about America. (I received one of these messages the next day, Sunday at church and it was very, very hard to hear...not good for America).

By the way, it seemed as if there were humans at this station, perhaps, and this is just an impression, they were those who had died and gone home before us and were now working in the kingdom to do stuff. In other words, angels aren't the only workers. Then I thought, do the unsaved, "work" for the devil? This is something to think on perhaps.

I knew there is more the lord wants to show me along these lines so I will share it as it comes. One last thought, as it regards spiritual "warfare" is that there were no "weapons" per se at this station or anywhere I could see. It seemed as if it was all about coordinating what WE are doing on the earth and between earth and the heavenlies. As if we're the ones with the weapons but the weapons were our words AND our righteous acts. It seemed as if our holy living was a weapon! (This was a new thought to me). I sort of expected some angelic missile base but really saw it was all about communication. Angels do carry swords and staffs I know but it seems that is mostly to use against the enemy. In times past when I have seen them engage one another, they never really touch but "move" their opponent through authority and faith and righteousness and by rank.

Blessings to whoever reads this and please share corresponding insights as you can

Jana at Q and A

Keep shifting. Keep moving. It is the holy way. When you step into the gates you open the expanse. It is wider still for a greater advance. (another angel just landed).

It is a step of faith. It opens up the realms. You must learn and experience the way of the width and expanse. Many will trust and many maneuver and create from this realm the stewardship of the creator God it is given to man. I want to release the anointing of greater works. You trust in me, trust also in the works that I do. So your mind is expanded. Your imagination will ring true. Sanctified to the holy words by the sounds of the creator Ja. Shifting going in and out. The mystery is hard to explain. Stay where you are but I move you for the Kingdom in the realm. You have been set aside like a holy abandonment. Not that you are

orphans but I have tested the heart to seek my face. To seek the face of the Holy One. To reveal the mystery of the God of Daniel who is his judge. Practice. Learn in this way. Experience. It is a platform of justice that you may agree change in heaven and earth that you may agree. Build on what you learn for the acceleration of wisdom. I am pouring out My spirit on all flesh. The divine remnant to know the mystery through heaven and earth. The supernatural creative mystery of the true witness of Ja. For the true sons are in the earth. The revealed ones.

Gabriel is here now. Feels like an arc on Paul.

Ian sees billowing gold, sheets of billowing, sheets of gold. 75 to 100 feet.

Paul: Name means warrior of God, because it feels like a warrior angel. So he's tied with Michael. Is Michael here too? A visitation of the Lord.

Jana: (message from Gabriel) Seeing this hand come out, this huge to reach out, and he's handing something. I'm not a strong seer, so Ian, if you, you know what I mean. He's handing you (Paul) something. Jana says to Paul- say Yes Lord. Paul says yes Lord. He gave it to you. You take what I've given you. It's to unlock the gates over California. Eliakim has come to assist, a servitude to access, he's in servitude to access the gates, the great exchange, for what was shut will be open, and what was open will be shut. And you will go in and you will go out. And change the region, restore the DNA, so the sons of God may be revealed. Your senses will be accelerated that creation itself may come into agreement with the revealed ones, the true sons. Not just the shift, but a change, a change of mind, change of heart, heaven on earth, is bound to such as these in agreement, and you will go down and you will go up, spread wide on the expanse, and trade back for the glory of the sons of man. It is an alignment of engagement, trained up and the righteous made perfect, the knowledge of heaven, the knowledge of the realm of glory, the mystery of the Kingdom unfolding, and unfolding, it's now being poured out, and a generation is not yet born, will step into what you are opening, without the waylays, without the destruction, without the warfare, the creative witness, there's a gathering right now of many that have come alongside, of glory assignments, of scrolls being written being changed, being realigned. The DNA is connected to the word on the scrolls, like light, like color, like frequency, Jana speaks in tongues. Restoring, restoring the souls, even before the womb, you are in communication of an eternal seed. You have authority to declare what not yet has been born, to come in the earth realm and the fullness of their inheritance. You will open, open, open the gates, they're pivotal. At the right time in the fullness thereof, you will step upon the land when the word comes from above and sound from earth and sound from heaven

(sound of earth and sound of heaven) and bring the ark of power and I'll set the 4 fold foundation, the anchor of the throne for righteousness and justice will be known, and the wheel within the wheel will again sit on the earth, and you will go where the spirit says, and you will go in a rebirth. And my eye goes to and fro, for those that are coming through. For those who stood firm, for those who held true, the hearts that would change, and the minds that agree the 4 fold manifestation of the 4 faces of God. (And now I'm feeling the 7 spirits of God again) Oh this is wisdom, wisdom from above, wisdom from below, the glory from the center is about to explode, for where you were wrought together, where the substance was made, restoring the DNA to its glory even in this day, for every dot and tiddle is connected to light, to sound, to color, vibration, released above, below and it will be renown, hope in the Almighty, hope also in his works, remembering what you came through, for this is a rebirth.

Assignment of Intercession.

Take and eat, word changes the DNA,

Large scroll being given single

See musical notes on the scroll

With each person's DNA being changed

Strategies, gates, places to blow shofar, places to go, open the gates.

I saw the hand, as he was giving you the scroll, it was a deed to the land of this area.

There's a center to be started here. Take the vision and run. It's for Paula.

Each of us with our DNA has a particular sound, and we will make our sound and it will open up those gates, with a key unlocking.

Big pen, quill, you were signing, and signing, and elevator going up, like a quick one, increase in power, authority was the same and same time feeling God's good pleasure over you, it was like you were being seen and heard. Book, red, glory manifestation, this is your life, unique glory and facets of God's glory in each person.

Saw a dark place, a hand? Reached in and pulled out of it what doesn't belong, like taking back what the enemy has stolen. Weight of the scroll, this is your life story, from beginning to end, and there were 3 scrolls. Psalm 139.

Joel's Well West

Dale Shannon:

I am throwing this arm (right arm) with a pole. The pole is going down in rocks. It is splitting something, rocks. It is being opened so I can peer down into the depths. I see a huge scroll-rolled right to left, so it must be Hebrew. Paul says to read the scroll. "Things are not as you think. I am changing things. I've called you deeper, come deeper in me. I am connecting you." I see a net connecting you. I see that net connection. Connection is at the net. Paul says waves of anointing coming. "What I have called for will be established. There is a ring part of the net and it is being stretched throughout the universe. The stretching starts from this place and goes out into the world." Angels are flying without the expanse. "Do not despise small beginnings. I am taking the word and running with it through the expanse to set the vision. You are to expand the vision across the universe. The whole world will hear and bow their knee to me. My plan of expansion is to expand to the North, South, East and West. It is a living net, vibrating. These are my cords that I baptize you with, I baptize you binding you. Bind my people and carry the vision to all nations to all lands. Don't limit yourself. There is a ceiling to be removed, uncork her. Expand your mindset, think big." Speaking to Truset, "I am sending many helpers to you. They have been assigned to you, don't be surprised daughter. It is being written. There is a new calling, new destiny, being written right now. Expand the territory. There is a volcano coming up and out of you." Angels are pulling the net stretching it around the world. There are stepping stones, square in the net, living stones in water, vibrating. "Change your mindset, don't think literal." Living stones going out, not a linear building-a different type of building. As it spreads I see squares in the net. "Don't cut the net." He wants to put the net back together for what has been cut. Discord cut the net, jealousy, envy, demons. The net needs to be blessed. Sons of God, what God wants to do. There is cutting on the net. Rick mentioned that a Christian radio station in Los Angeles was sold by Foursquare. This caused a hole in the net. The net is a network for dissemination of the gospel. Throw out the net, gather the fish. It is a net of connections of ministries, like minds, like heart. It is a new thing, not denominational, connecting by hearts and each person. Only hand picked ministries in radio only to do his work. Go to church to serve.

Paul had a dream, sent out in the morning about Billy Graham. The net is about evangelism. Billy Graham is the face of evangelism. In the dream, his face was hurting and Paul had the unction to caress, massage Billy Graham's face. Joanne said that the 1910 prophesy, one hundred years ago, is starting now. It is Acts, the depths are connected to the well. In the news this morning, President Obama and his wife visited Bill Graham at his home and he gave them each a bible. The dream is about Obama and Billy Graham; President Obama was in the area to attend the memorial for the minors' who were killed in explosion.. Rocks were split.

Spirit of Wisdom

These seven watching. Deeper still. But these four are emanating. Deeper still. For the Kingdom of God is not here or there for the Kingdom is within you. The depth is within you. The expanse of the universe, these fiery ones are more to be discovered, there is more to be uncovered. Go for the oil (later found out the oil is boldness). The treasury is abundant. This fiery presence is sought after. Deeper still from the origin to the hereafter. A restoration like never before. It is in the whirlwind, above and below. Back and forth to and fro, up and down and here we go. It is the bare elements. The stones undefiled. It is true inheritance. It is an all consuming fire. There is much to learn, so get to it. These seven watching will prove it. Wisdom, wisdom. You emanate a desire. These for the foundation. They are among the fire.

Four –color, fragrance, breath, and sound. Or four directions of the wind.

Mimi

The mantle of Elijah. Do not take lightly. The mantle of Elijah has been placed on you. There are signs and wonders. Appropriate it. Believe it, take hold of it. This is the season of the days of Elijah.

This is the season of the days of Elijah, for Sydney, for Australia for I want to bring change upon this land, change the landscape of this land that My heart will beat in this land. Walk in the anointing of Elijah for Elijah has come. I love Australia, I love Sydney, I love the people. My heart has always been towards you, I have never forsake you. My thoughts towards you are as the number of the sands. I will be bring change to Australia, but it is through My people, through you, for you are the anointing ones, my messenger. I send you forth in the power and anointing of Elijah.

She has a key to give to somebody. Gives key to Gareth.

I give you this key, Gareth

Gareth

Opens a new door, steps through. Mimi touches his feet. He sees a vast expanse of water and it is filled with life and light. It is brilliant. In the water there are plants of the earth. Everywhere there are birds, singing praises to the Lord. The whole of the nature is exalting the living God. There is such peace. The whole place is filled with the presence of peace. A huge amount of energy but the energy is at rest. Everything is in harmony. A rising crescendo of peace. Such

energy but such peace. Restoration, restoration. There is a sense that creation is being restored to God's original intention. No fear there. Filled with glorious light, peace, and love. Total harmony.

answer. The hard hat has a light on the front.

Paul: Here are some words, 'A vein of gold that needs to be uncovered. Cash it in. cash it in.' 'You are going to uncover the enemy's strategies, the hiding place of the enemy. Go into the ground and dig deep. Numbers, strategies, ledgers have been hidden. You will turn more financial strongholds. You will be given the combination. When you open the vaults, information is going to come gushing out. In Dale's dream, later, two weekends ago, she had word at 3:00 in the morning about the combination. In 2008 we finally got the combination.

We did unlock the combination just like we did with Pastor Patti. Lewis had the scroll in Culver City. It was about Birth, Rebirth, New Birth, beginning becomes the end which becomes the beginning. Old things are passed away and are become new.

I'm at the end of a rail line and there is a well and I pull Cody out of the depths. Warp drive out of a wormhole. In the star I feel this wormhole and the deliverance has increased dramatically. The star is next. When you go into the star you go into the depth.

Raylene: Turning the star is turning the vault. We all have vaults in front of us containing the generational blessings. The star is the key to get in because there is stuff in there for the horses.

5/17/2020

Pastor Rob Gross 12:20 PM Gabriel

As you have already discerned and as you have already heard a gate is opening on the 50th day. My heart today is to give you a glimpse of what's inside the gate that's going to help you accelerate. The gate as it opens will release my provision, provision for the vision for those who will be standing in the valley of decision. There is within this gate the vault that will cause My remnant to do a dramatic somersault. My sons and daughters you have settled for less but in this hour I am releasing my power so you can enter my rest. For I will alter the equation of your present situation the money will begin to flow as the Mighty Ones grow and will enable you to get My kingdom work achieved. My mighty ones will merge with you to help you storm the gates of the fallen one. Heroes of old merging with the heroes of new. I'm about to release something grand and new. So I say tomorrow stand and rise so you can take the price. Its time to think bigger, bigger, bigger for I am moving so get moving.

Telephone Call with Steve Shultz, Paul Cox & Larry Pearson – August 7, 2017 (prophetic word)

North America, North America! This is your hour to shine. This is your hour to come out of the ungodly systems of Babylon to come into the realm and the time of the Kingdom release. This is the time, this is My time to shine through the yielded team ministries. This is an hour to shower the earth with the treasury of heaven that I have stored up for such a time as this. I'm shifting everything and by the time October comes, everything will feel different. Finances shall not be a problem. I'm unlocking the vault. I'm unlocking and bringing a fulfillment to that which I've spoken for years and years. Now is the time where a tree of life; the desire fulfilled is a tree of life. I am planting a new tree of life for many qualified ministries that are sons, more than servants. It's now time for a fountain of the spirit of sonship to arise through the people and the cluster of sons and daughters and fathers and mothers will displace on every mountain. The hearts shall be pulled out of the realm of deception and the deceiver is coming down. The deceiver is coming down. The Father of lies is being exposed in North America and I say the tides are rising and the storm of My glory is coming upon North America and the face of Christianity will never look the same. The face of My servants, My sons and daughters will never look the same for they will be wise and they will shine like the stars.

I'm changing mindsets. I feel like there are builders being released in our neuropathways to carve out new thought patterns of the mind of Christ coming forth out of the mind of the Body of Christ and they will build, they will build something that is not been felt or heard before for we are stepping over the threshold into the revelation of the power of the Age to come.

Coming forth out of the former and the latter rain intention of God. It will eclipse anything and everything. This is the beginning of that which has been spoken and decreed over Canada but also

North America. Out of Canada, a thousand times greater than anything on the earth before. Full circle I have come. Full circle I have come and I have now released that which is being seated in the nations. That which is coming is bigger, brighter and bolder than anything before. There's coming a new platform for a new day, for a new way, for a new team dynamic. Take back the heavens.

I've been seeing this bubble and it feels like we're coming into a new horizon in the heavenly realm and He's going to release a key to unlock that so that we can burst out of a bubble that has kept things down. It's like we're going to burst out of a matrix that we've been in to birth something that is completely new. These chariots will carry that which I have purposed and planned in order to cover the earth with a blazing fire of the knowledge of Me to set regions, cities, nations free. As they see Me, they will become free.

Paul - more chariots coming. It's like there's this opening. These are chariots for salvation. This is the beginning of a revolution, a revival of reformation.

Larry - The Spirit of Elijah has been released because we've crossed over into the last days. In the last days, I will pour out the Spirit of Elijah for the fathering and the sons & daughters.

Paul - we're swarming...it's not millions, it's billions of chariots

Larry - I wonder if it's in order to fulfill that which He's spoken through Bob Jones about the billion souls.

Paul - this is the Spirit of the Lord and it is so hot.

Larry - We welcome the Spirit of the Lord that's resting upon us to heal, to deliver, to set prisoners free, to set free cities that have been imprisoned. Regions set free. This will be like the Spirit of Elijah doubled. It's like the ministry of Elisha coming forth with a double portion of the spirit of Elijah. I will explode upon the earth and remove the dearth from depression and the despondency from witchcraft which will topple at the fire of My presence. Jesus will be exalted.

Paul - Jesus...We declare it's time for You to come and reign on this earth. We want to see You set your government up. Apostolic evangelism.

Your perception will position you. – Jana

Perception = your observation of truth from a certain point of view.

God wants to take us somewhere to see his perspective of truth.

Fractal = pattern that repeats over and over and either gets larger and larger or smaller and smaller.

Because of sin, enemy has ability to create false reflections, truth is still in there, but has created an illusion. (Encryption – have to have the password to get to it)

Cypher – Ask God to release cypher or his password, so he unlocks what the enemy has trapped in encryptions.

5/3/2013 **Jana** – “This is the way, the new way, the culmination of heaven to earth, the star gate. Time connects eternity. It is a free way. It’s the foundation of the throne. The authority at the Gate. A creative authority for recreation. You are the Gates.....You’re connected by water. In spirit and in flesh. A wheel within a wheel, so you know where to go next. Agreement of four is foundational in earth and in heaven. It is the sound of creation for recreation.”

Norma – “what I’m hearing is that He is making new paved ways. Where they’ve been cracked they’ve been put back together. There is something about 4 elements.”

Melissa – “I feel we need to shift clockwise.” They shift. The electricity goes up in the room.

AmyBeth – “It’s a combination to a vault.” **Norma** – “There is an increase of megahertz.

Melissa – “We are moving something, there is a cube within a cube.”

AmyBeth – “I feel they need to move 2 positions the other way, like a combination lock. “

Mimi steps in and they turn back and forth like a combination lock. Mimi feels it open, the vault opens. What has opened?

Jana – “Creative authority is being released. This land is your land, this land is my land.”

Okay – it's opening

Jana: this is for prophetic creative authority this land is your land this land is my land

The stars of this land

Mimi: breaking things in the center – it's opened

Paul – this is all about getting back to delta – which is change – and has to do with power

Norma – looking up megahertz – and in parentheses it has the word horse

Paul: so that you understand what is going on, we actually are on horses right now and are riding at the right side of the Son of Man – in the armies of god – had a word in youth group that we never get off our horse

Raylene: when we had the picture of the grid I saw a vision that I've never seen before – but what I saw was that each of the connections/intersections – a rotation at each one – almost like there's something orbiting at each one – this is like something orbits on these things – a rotation – in a measure of time – at first I thought it might be an atom –

Lewis:

Jana: horse coming through the gate (painting) – Micah 2 – the king goes before them

Sally – during worship this morning I felt water up to about elbow level then it rose to shoulder level then it went back down

Deborah – I was water too – filling up with bubbles then it went back down

Raylene: I can't let it go – I wonder if the Lord isn't speeding up our connections

Melissa: speed of light – I kept seeing sound and light speeding up – has something to do with it

Job 38:32 – Mazzaroth – it's actually the executive branch of government in the heavens

Paul : remember my dream about the sons of god – I was being chased by a senator – which are like sons of god – I had a dream in youth group one of the kids had seen this high table come out of the clouds – and someone at the left hand side of the table – and we said we think that's the Mazzaroth and all we saw was one – that night I had a dream and I saw President Bush – and he was yelling at a secretary at the bottom (still don't know what that means) – Rob and I saw the four of you out here – and thought the Mazzaroth

Melissa: I remember the word earlier today – disconnect yourself from the zodiac/horoscope

Paul: we've actually prayed that the Lord would disconnect us from the ungodly Mazzaroth

Something I just noticed – there are actually four constellations mentioned – Pleiades, Orion, Ursa major and one other

Aaron: there has actually been scientific proof that Pleiades, Orion, etc. have atmospheric structures of planets amongst themselves

Lewis: do you think they're the four corners

Aaron: the 12 oxen – on the court in the tabernacle – that face the four directions

Lewis: we're looking at Taurus – it's associated with the rewards of the game –

Jana: 2 Kings 23:3-5

Paul : I feel that the spirit of wisdom is being accentuated – the stars are singing

Paul : calls up Terry, Lewis, Larry – connect to the two pillars, let's see what happened

Larry: the first time I got connected with Paul – and I touched these things – I got electrocuted

Lewis: if we're truly connected by power – if another believer stands between them, won't they feel the power?

Veronica: I sense that Larry should touch both of them and connect

Raylene: it went higher

Karen: the frequency changed

Larry: it's a definite shift

Paul: there goes the prophetic – Lewis is winding up

Raylene: I'm hearing, "incline your ear"

Christina: sharpening your listening

Larry: I'm stretching I'm stretching the body I'm expanding your territories

I'm expanding your horizons

I'm expanding your understanding

Larry

Feel like we are going into a new region of the depth. Michael is involved in this.

Seeing we are in the depth. There is a gate behind Persis and it represents a gate into Hollywood. There is an assignment that will unlock Los Angeles. It is also connected to Europe and Anglo Saxon.

We are shifting into a deeper place. I am seeing a very big vault behind her. It is connected to the treasures of darkness.

Crystal

FREEDOM of the Lord."

After that we said a final prayer of thanks.

The TREASURE VAULTS:

Next we went outside the Courtroom doors. If I remember right, Barb asked if I saw anything else.

I looked and saw the large luscious green field, strewn with thousands of heavenly flowers.

At the end of the field were many vaults.

Each vault was built into the side of the hill, and the only thing exposed were the tall golden doors, each eight feet tall, and split in the middle.

All were locked and the keyhole was rather large.

I saw a vault with I my names on it. By that I mean, my total formal birth name, and below that my full name now.

I saw Barbara and Jack had a vault, as did their son Kevin, and Barbara and Jack's grandson named Casey.

Paul and Donna's vault was to my right. Next to theirs to the right was Raylene and Richards. Anne's was to the right of that and Jana.

To Barbs left, Persis's vault was there.

The first vault Paul came and opened was little Grandson Casey's vault.

When he did gifts just tumbled out, like if you've seen a movie where a closet door was opened and everything came tumbling out.

Paul started laughing because their were so many wonderful gifts, and we were all laughing with joy.

Then he went to Barb and Jack's vault. There were lots of gifts inside, neatly placed on shelves, and stacks of riches. I knew some to be earthly money, but there was a lot of spiritual and eternal riches also.

Paul opened his and Donna's vault. The right side held primarily Paul's and the left Donna's. The back held pot after pot of honey and other healing pots. None were activated yet, but being stored there.

The left side had lovely wrapped gifts with bright and pastel colors.

Then oddly I saw a wheelchair, several crutches, lots of braces, back support items and lots of ace bandages on Donna's side.

Barb thought this meant that Donna will be helping those who need those things.

I agree, as I sense Donna has been gifted with great compassion for those who are sick and suffering. The bandages were not just for strains, strains and aches of the body, but for souls that need help and binding.

The next vault was Raylene and Richard's.

Their vault was the only one which held more than one story. It was triple tiered, with their children's (and spouses) above, and the Grandchildren on the top or third level.

Paul knew he would need backup for the flood of gifts inside was so great, so angels came over and helped Paul and Donna.

As soon as it was unlocked, an OCEAN started pouring out the middle seam and under the door.

They stepped back and out of the way.

The doors swept open, and a rush all the ocean of gifts came out, with many gifts borne upon the water.

It was a virtual Ocean of Justice.

I saw a down comforter for every member of their family. It was a supernatural gift of Divine COMFORT. Also many gifts returning to them justice and many things that have been stolen from them.

The next vault was Persis'.

It looked like a fashion clothing store, with many elegant heavenly garments inside. There was a garment for healing. A garment restoring. A garment healing relationship fragmentation. Many other garments.

Her gifts were many boxes, all lovely. Her husbands gifts had been left behind for her, as I sense most of these gifts are for use now.

I saw her being instructed to sit down and sign many checks, because they had God's signature and her husbands, but needed hers.

Then I saw a vault called "The YOUTH of the VALLEY"

When Paul opened it, surprisingly there were many gifts, but each was held by a young person, which had been captive in the vault. They were compelled to come out and were very jubilant and happy.

Anne's vault was full of toys for children and toys for dogs. Also, I also saw she had gifts which gave her the final say so about certain difficult cases between principalities, such as we see in Jude, were the angels are arguing over the body of Moses. (See Jude 1:9)

Anne was also arbitrating for difficult cases for people and Nations, like an ambassador.

One final thing is I was taken a second time to Paul and Donna's vault.

On the right side were shelf after shelf of mahogany books.

Most were HISTORY books for NATIONS. Some were books for families, or regions and cities. Some were for individuals and a few for causes, like "Abortion and Child Abuse."

The books were all mahogany except for Israel's book. It was bright Crimson and the edges were gold, dipped in Jesus' blood.

Paul walked inside the vault. He pulled out the crimson book, which said simply in gold letters "The History Book of Israel."

He opened it.

From the inception of its beginning were written the Father's dream for Israel, and His plans, as an introduction.

Then the history commenced.

All was written down. I saw that those things the enemy wrote down were entered in volcanic grey/black.

The words God entered were all in gold.

There were many times the enemy's plans were erased and blotted off the page. Actually vaporized is a better word.

I saw generations ago that others who had been given the authority, spiritually looked at these pages in prayer, and that God then removed the enemy's words and plans off the page, as if they had never been.

In this generation, Paul Cox is one of those who has been given the authority by God to RE-WRITE Israel's history.

I watched and saw that Paul erased about 90% of the evil plans the enemy had written for Israel in this latest chapter. Each chapter was a year and each generation was a part.

The way Paul vaporized the evil plans away was he looked at Jesus and got direction.

Then he focused his eyes and the mirror on his forehead to the page. As he did this, the words disappeared, like they had never been. They weren't painted over or blotted off, but varied away, not with "white-out", but LIGHT-out.

So the first generations chapters were grouped into part one, part two held the second generations chapters, and so on.

This is a very high honor, because once rewritten the history shall stand as written, and is sealed by God to come to pass in exactly that way.

While there was much blotted off the page, there was still some judgment that has come and will come.

A final thought the Lord reminded me of was, Not one word so have spoken will return void, but will accomplish the purpose for which it was sent."

Now I have seen the spoken history of Israel written. From beginning to end.

Love and Blessings,

The possessions have been given back to you. Land claims. Birthrights. You can all claim the promises of Abraham that is your rightful inheritance. Believe that it is rightfully yours. It is my covenant promise to you. Take what was stolen from you and go forth, go forth, go forth in your rightful destiny. There is another tunnel to go through. This represents my womb and you will come forth, come forth into a new day into a new birth. There will be new revelation as you come forth. You must crawl through out of the womb and take hold of my promises that are in my word. The scriptures that I gave you, have given to you through the angel. Claim those scriptures. Eat those words. Mediate on them. Let my words be part of your DNA. You walk into my land of promise. New land, new territory, Be prepared for my glory to come.

Persis

Abraham has come and Abraham's blessings are here. They have been in a vault. In a tunnel. There is an angel going down steps to a door that looks like a safe. In this room, it is a beautiful room, are all the blessings that are in your generational line.

Mimi at Grant's home

Paul, Paul we give you authority to tear down the strongholds. Find the keys beneath the ground. Go deep, deep, deep, they are underneath. You are going to uncover the enemy's strategy. the hiding places of the enemy. Just like a miner, go underground and dig deep, it is in there. Numbers, strategies, legers have been hidden. You will tear down more financial strongholds. It is time, it is time that finances are released. There are faults. **You will be given the combination.** When you open up the vaults, information is going to come gushing out.

Grace

Grace. June 10, 2021. Feel grace where I feel Father as Power (also authorities, powers, rulers). When I saw Father as Grace I get a hit. Grace seems to be in the firmament.

June 10, 2021

Hi Paul! Felt to share this. This AM I have been feeling intense stomach aches, woke up with a crazy headache 🤢 And back pain. For a couple of nights now I also have been seeing a Holy Being who has a crown and was standing in a corner of our downstairs bedroom, behind the door. When I put my hand where I felt it was I would shake and I felt I was discerning by hearing these words "Grace Grace Grace Grace, Grace....!! This has continually occurred. This started 3 days ago in the late evening. It seems to still be there but yesterday early evening I started discerning by seeing what seemed to be an expansion. I believe it is possibly a portal that has been expanding here at our house. I see small quad (4) wave forms like sound waves but yet many of them separated but moving like within water. Deep blues, deep purples, some deep red and green are the colors. It seems to possibly be connected to the Firmament, and to you, Donna and Jana.

It seems to be expanding for now it goes all the way to my street and to my backyard and possibly more.

But for sure it is 24x36 at min.

I've been pondering Since Goodness and Mercy follows us could there be a Holy Kingdom being called Grace? Or who is this?

The link above is something that I feel is being highlighted by Ruach HaKodesh and it is tied to the dream I had when you actually fell back in the Power of God at the March 2021 Academy on Wednesday What I felt from what I saw between the 4 Memes □ was it created and you were in The Holy Blood ♾ Door - □τ - so Jesus himself. 😊 WOW!! I love how God never wants to leave anything on the table and today I was pondering was there another word or letter in the dream and I realized there was witnesses watching you. So a witness ⓪ to the dalet τ is ED in Hebrew which is witness. See link above and love they talk about "chosen"

Robin Bullock said in this morning's church service

"The dismantling has begun. It began a week or so ago on the coast"

Last Sunday about the time he was saying it this Sunday, God had lobbed a powerful bomb upon the grid. And the Bay Area is on the Coast.

I can still see it. I sense it didn't come down completely. Maybe God will clear the rest during the July 17th at the Aslan's conference. At the exact time of the July 17th-18th conference, the 3rd Health and Freedom conference headlined by my hero General Michael Flynn and other Christians (Sean Feucht) and patriots will be in Anaheim CA on the West Coast. Amazing coincidence (not). I put the banner below.

Firmament Testimony #3

I had prayed with my friend about the firmament and kings for 2-4 weeks. On Friday she abruptly reconciled with her daughter and her son-in-law and their two children who had been alienated for 5 years. She calls it a "Big Breakthrough" and thinks it is what God did with the firmament. I think so too

Praise God - the big bomb He dropped last Sunday.

Vault Scriptures

The word 'treasures' as in, treasures of darkness is derived from the Hebrew word 'osar' meaning, treasury, storehouse, storeroom or storage vault and is mentioned 79 times in the Old Testament. Another example of how 'osar' is employed in Scripture can be found in 1 Chronicles 27:25 (NKJV) which says:

And Azmaveth the son of Adiel was over the king's 'treasuries'; and Jehonathan the son of Uzziah was over the 'storehouses' in the field, in the cities, in the villages, and in the fortresses.

154a אוֹצָר ('ôṣār) *treasure, treasury, storehouse*.

(Eighty times in the OT according to KB3 p. 23), most often in I Chr (thirteen times) and II Chr (eight times). It is unnecessary to accept the frequent emendation (as in RSV and JB) in Zech 11:13 of "cast it into the treasury ('ôṣār)" for "cast it to the potter (yôṣēr)" in the celebrated passage about thirty pieces of silver (see Torrey in bibliography).

There are at least nine words in biblical Hebrew for "treasure" of which this is one. It is used in either a literal sense, referring to the treasure in the king's house or in the temple or one's individual acquisitions, and secondly in a cosmic sense, the source of God's possessions and blessing. Specifically there are ten references to "treasures/treasury of the king's house" (e.g. I Kgs 14:26) and nine references to "treasures/treasury of the temple of the Lord" (e.g. I Kgs 7:51).

Many of these references are in a military context. A defeated nation was obliged to give up her treasures to the victor. Both Asa (I Kgs 15:18) and Joash (II Kgs 12:19) gave to the Arameans Benhadad and Hazael treasures from both the temple and the royal treasury. Nebuchadnezzar helped himself to both (II Kgs 24:13), as did the Egyptian Pharaoh, Shishak, much earlier (I Kgs 14:26).

At the individual level, treasure is to be happily accepted and used, not abused (Prov 8:21) but if it becomes an end in itself the consequences are dire (Prov 10:2; 15:16; 21:6, 20).

There are several references to divine storehouses, e.g. Ps 33:7; 135:7; Job 38:22. God's treasure house is in the heavens (Deut 28:12). In Jer 50:25 reference is made to God's "armory."
