

Tick Tock Word Summary

From Barbara Parker

My sentiments exactly--oh joy! My response to her was to tell her to let me know what you said!

That said, I happened across some old words about time as I was sorting through a lot of the stuff you've been sending me to begin putting together a book. Also looked up the timing of a 'tock', which seems to be a half second, and antique clocks can be easily manipulated to run fast or slow. It may have something to do with the question at Bishop of how many dimensions on the board was the queen dealt with in.

From Jill

I asked Rhonda what she thought... and I wrote it out as she was talking.

It is all about His timing. We need to wait on Him, and not do what we think.

the hair...the hare (not the hair) she thinks it is Qeteb (destruction demon) that is trying to mess with time.

My timing is not your timing. This season will seem slow to us, but it is not slow to God. We have to wait on The Lord. Do not microwave the times and purposes of God.

We can not make microwave moves in this season, it is going to be totally different.

the destruction.... the time

it is all about timing, the oven and the microwave. (Rhonda patience and restoration, were the two words she heard. Then she saw a microwave and then the opposite of that is the oven... then patient and impatient, your timing is not my timing , in this season things will be slow. In this season it is about being on the narrow road with Him, it will look slow on our end, because he is not in time. We need patience.

She saw writing on the wall

theme was: she prayed for a man and he got healed, then he asked her to pray for a lady addicted on drugs on the street. She asked him to find something of hers... he was looking, but Rhonda found her drug pipe. It was made of wood, and looked like a casket from a vampire movie. that was her drug pipe... that pipe started writing on the wall, and when it manifested through she saw the Qeteb. (the pipe she was smoking was destruction and brought destruction).

We need His protection and shadow, going into this season, we need His timing.

Rhonda saw Qeteb, he looks like a hare, (She saw it like in real life) It was throwing itself against her sliding door screen.

Demon Qeteb (ps 91, demon of destruction) So bent on destruction, that his own body is destroyed.

It has a beak like an eagle, but no power in it

he is small(ish)... a body of an owl with feathers

with one ear like a hare

body like an owl

only one eye

he is fat like a chicken

he has one eagles foot, with long claws

Very very very strong

Only one leg

Brown

The rabbit is a jumper, but it can not jump in balance. It's ear is incomplete too.. everything about him is imbalanced.

He is so about destruction... Nothing about him is complete.

we are in time, our father is not in time

It is going to be slow on the road with Him, it is just Him and his timing. It is something to do with His Kingdom come, His will be done

We are going to repent all season, giving up all the stuff from the past.

My guess is that the evil "they" plan to change is the Master clock this Saturday... just by a tiny bit. Since the world computers and and internet are slaves to that clock, somehow, this change gives them a tiny opportunity to do "something" in that unaccounted for millisecond. I do not know what that would be. But "they" would be able to hide, because it would happen in a "time" that is unaccounted for. Anyway... that is my take on this.

If you put the Hebrew words Tik Tok together, I think it would mean a file with something deceitful in it that is intended to oppress or defraud.

We prayed last night about the tiny tok that is a critically important lie, and that it will be exposed.

Also, what have the other saints said about this?

I submit this which is applicable to my life - no clue if it applies to Persis word. Please could you send out your final AHA ? We love your AHAs.

=====

q of heaven reference to me feels like (ungodly) wisdom (and possible the other 7 spirits). Wisdom in particular is linked to times and seasons.

*Isa 33:6 And **wisdom and knowledge** shall be the **stability of thy times**,*

*Col 4:5 **Walk in wisdom** toward them that are without, **redeeming the time**.*

*Eph 5:15 See then that ye walk circumspectly, not as fools, but as **wise**,*

*Eph 5:16 **Redeeming the time**, because the days are evil.*

*Eph 5:17 Wherefore be ye not unwise, but **understanding what the will of the Lord** is.*

And also the whole Ecclesiastes 3 chapter

Ecc 3:1 To every thing there is a season, and a time to every purpose under the heaven:

We can make the right decision at the wrong time or wrong decision at the right time. Wisdom stands at the gates at the meeting of the paths (crossroads) and helps us to make the right decision at the right time - to choose the right road at the crossroads.

I have the sense that we are not yet fully on the timeline of the Lord but perhaps the timeline of the world systems (q of heaven). Arthur Burk said that the life of God flows down the timeline. If we are not on the timeline of the Lord we cannot prosper ?

Like if you are selling the Victorian and I think you have to buy another house within 90 days to avoid cap gains tax and buying at the right time considering possible downturns/upturns in that 90 day window ? Not sure.

I'll get the right answer to Persis riddle from you. Love
Sarah

Enclosing Daniel Riser prophecy from 11/19 about 11/22. It seems this one is also a Tick Tock prophecy. Paul and Barbara said that Bo Polny said that 11/22/2021 was significant. Wondering if this gives us clues about Persis' tic toc prophecy. I'm praying into prophecy but not deciphering it yet. I don't feel we are on God's timeline yet. We may be on different timeline. Wondering if the reference to 11/22 in Daniel Riser prophecy is for this 2021 and not 2020

Subject: Each gate shall have its day in the sun

EACH GATE SHALL HAVE ITS DAY IN THE SUN

Why have I not opened all the gates? Pedogate, Obamagate, Spygate?

Because each gate **MUST BE REVEALED** in their own **TIME!**

TIME IS EVERYTHING!

It takes a watchmaker to know how to make it tick!

TICK TOCK. TICK TOCK. Says the Lord. Two sounds! Each unique in its own voice.

Each gate shall have its day in the sun! Each gate shall be opened, one at a time so that the limelight cannot be stolen!

TICK TOCK. TICK TOCK!

How you have complained and groaned, asking me **WHEN? WHEN? WHEN?**

I say to you **OPEN YOUR EYES!** I have been working in their shadows, installing my fixtures of light. Each one wired and ready to ignite!

The heat of my lamps shall render all shadows void.

A synchronized swim. Think of dominos. They do not all fall at the same time, but they all help one another collapse until the last domino has fallen.

What happens if the dominos are not perfectly aligned? The chain is broken and you must start the process all over again.

Would you rather an immediate explosion of justice, only to have the rest of the dominos remain standing?

Or would you rather watch **MY Festival of Lights!**

A MARATHON OF REVELATION

A MINI-SERIES OF EXPOSURE!

TICK TOCK. TICK TOCK!

I, the Lord your God, the only perfect Judge who resides over the greatest courtroom, I have seen the evidence presented and have decreed a righteous judgement.

I have established the order in which these things shall come to light.

Remember what I spoke to you through my prophet, there would be a great **REBELLION** in the entire world after the American epicenter of corruption is exposed! It would explode from Washington DC to the rest of the world!

Does that mean **ALL** of the corruption hiding in America must be exposed before the great **REBELLION** against the enemy begins?

NO! For my Festival of Lights shall be for the entire Earth to witness! Each domino will fall, first in America and immediately follow to the rest of the world.

The election shall be a revelation of my justice manifestation on the nations!

All of the gatekeepers shall soil themselves, and all of the false prophets shall seek an audience but only find darkness! The gatekeepers, who have not allowed the truth to reign free shall be completely destroyed and in their place entirely new platforms of freedom will be installed and the people will appreciate the ugly and the beautiful.

There will come a day where the tongue will not be silenced by an external force, but by an internal appreciation for self-control.

THE GREAT HUMBLING SHALL BE THE GREAT AWAKENING!

I warn you, oh precious body, do not take on the mind of man when I, HUSBAND JESUS, should be the head. Do not boast in pride over your knowledge, when it was I, YOUR HUSBAND, who, in my infinite mercy and grace, chose you to steward this revelation. BE HUMBLE! For a day is coming in which the spirit of pride shall be DESTROYED by my mighty hand and the people who have been breathing the sludge of deception, whose lungs can barely function under the weight of the sludge, will be in desperate search for comfort and compassion. I warn you, oh precious bride, do not let your tongues say "I was right all along" for if you do, I shall keep your generation from inheriting the blessings I have reserved for you.

Prepare the way of the Lord! For the great awakening is pressing upon the souls of men! Prepare by showing gentleness and compassion to those who have been deceived. Not AFTER the awakening but NOW! For I have already sent an army of angels ahead of the awakening to soften the people's hearts and to prepare them for this UNPRECEDENTED REVELATION!

TICK TOCK. TICK TOCK. The clock stops 11.22

TICK TOCK. TICK TOCK. The clock begins anew.

TICK TOCK. TICK TOCK. There was BC and AD.

TICK TOCK. TICK TOCK. Now there is ONLY ME!

Then I felt impressed to pray in tongues.

Angels sang: REJOICE, OH PEOPLE'S OF THE EARTH, FOR THE LORD'S LOVE FOR YOU IS UNQUENCHABLE. HE OFFERS YOU HIS WATER WHICH SHALL FILL YOUR BELLIES WITH GOODNESS AND GREATNESS. HE OFFERS YOU HIS RAIN SO YOUR SEEDS WILL SPROUT! HE OFFERS YOU HIS LIGHT SO YOUR FLOWERS WILL BLOOM!

I then prayed in tongues again.

One at a time, says the Lord. The end of the first movie is at hand! Behold the sequel is about to begin! I have made for you a trilogy, unparalleled in its popcorn-loving power!

A trilogy of magnificence. My glory on the world stage! Do not be afraid of cliffhangers, for it is in cliffhangers that compels you to keep watching! The end of the first movie is at hand! The sequel is about to begin!

KNOW WHAT I SAY TO YOU, MY BEAUTIFUL BRIDE! EACH GATE SHALL HAVE ITS DAY IN THE SUN! The limelight shall not be stolen! Declare and decree that each gate shall have its day in the sun! Declare and decree this in my righteous, glorious and most holy name! YESHUA!

Then all the host of heaven, including the heavenly creatures, fell down before KING JESUS and said "As our King and righteous Judge has decreed and declared, let it be so! Let His wife shout his decrees on behalf of her jealous husband. We praise you, Oh Lord, the most high God for sending your Son so that His blood may overcome all evil on the Earth! Thank you, Lord God, that your Son's blood penetrated the Earth, the dust, so that the flesh could not escape your goodness and grace! LET YOUR WILL BE DONE! AMEN!

About Daniel Riser's amazing word about the clock stopping in 11/22. There are 40 days from 11/22/ to 01/01/2021 (bunch of 1s and 2s)

I told Pamela about a prophecy about 11/22 and she started looking up Scriptures. These are among a sample. I think 22:22 also applies (as in Isaiah 22:22)

Very interesting. I am praying into it and I will let you know my thoughts.

I did look at a couple of things related to the tik tok.....???

What makes the tick and tock sound on a clock?

- A verge that is pushed or bent effects the escapement of the clock; the escapement being that part of the clock that actually creates the tick and tock sound.

An **escapement** is a [mechanical linkage](#) in [mechanical watches](#) and [clocks](#) that gives impulses to the timekeeping element and periodically releases the [gear train](#) to move forward, advancing the clock's hands. The impulse action transfers energy to the clock's timekeeping element (usually a [pendulum](#) or [balance wheel](#)) to replace the energy lost to friction during its cycle and keep the timekeeper oscillating. The escapement is driven by force from a coiled [spring](#) or a suspended weight, transmitted through the timepiece's gear train. Each swing of the pendulum or balance wheel releases a tooth of the escapement's *escape wheel*, allowing the clock's gear train to advance or "escape" by a fixed amount. This regular periodic advancement moves the clock's hands forward at a steady rate. At the same time, the tooth gives the timekeeping element a push, before another tooth catches on the escapement's pallet, returning the escapement to its "locked" state. The sudden stopping of the escapement's tooth is what generates the characteristic "ticking" sound heard in operating mechanical clocks and watches. The first mechanical escapement, the [verge escapement](#), was invented in [medieval Europe](#) during the 13th century, and was the crucial innovation which led to the development of the mechanical clock. The design of the escapement has a large effect on a timepiece's accuracy, and improvements in escapement design drove improvements in time measurement during the era of mechanical timekeeping from the 13th through the 19th century.

Escapements are also used in other mechanisms besides timepieces. Manual typewriters used escapements to step the carriage as each letter (or space) was typed. Historically, a liquid-driven escapement was used for a washstand design in [ancient Greece](#) and the [Hellenistic world](#), particularly [Ptolemaic Egypt](#), while liquid-driven escapements were applied to [clockworks](#) beginning in [Tang dynasty](#) China and culminating during the [Song dynasty](#).

Total Escapement

The escapement consists of several pieces that work together: **the pendulum, a toothed gear and a piece called the anchor that engages the gear's teeth.** At each swing of the pendulum, one gear tooth is allowed to escape. The two sides of the anchor engaging steadily with the gear,

right, left, right, left, are what make the tick-tock, tick-tock sound when the clock is running. The reason the two sounds are different is that one sound is made when the anchor catches a gear tooth and the other is made when releasing a tooth. **The anchor nudges the pendulum just enough to overcome the force of friction, so that the pendulum keeps swinging.**

From Brianna

Hello Paul, this Tik Tok word from Persis is about the zodiac and Tammuz I submit.

I have been in Ezekial 8 and the Lord has had me researching how Tammuz is connected to the perversion of the zodiac. We do not currently have a correct zodiac or time chart of any kind because the revelation given to the tribes was perverted in babylon. There was this unholy exchange that took place and I have been sensing and discerning how we are all shifted incorrectly in the zodiac. Just a little bit enough to affect our times and seasons and ruling and reigning.

The answer is at the altar and this is a joint word from Michele and I.

The pomegranates are connected to the zodiac because the zodiac is seed

The dream about the pomegranates connects to the seed and the Lord has placed the seed in Donnas heart

Donna is the pomegranate!

So we need to speak to the altar that it cant have the righteous seed

Because we are the seed of Abraham and the enemy does not have the right to the seed of Abraham

The oven and the pot are the same and the fire must pass through

The angle is that the enemy thinks he has control of the altar

Speak to the altar, command fire and the smoking pot to pass through (this is Genesis 15:9 where Melchisidek visited Abraham, note the 3s and 5)

The Lord is taking you back to Melchisidec.

Because you are doing a new covenant the old has to pass away. This is why the oven/pot and fire must pass through. Please see Genesis 15:17

Hebrews 9:22 Leviticus 17:11 Genesis 17:10

Genesis 15:9 Genesis 14 sorry you'll have to read the whole thing. You'll know.
