

Advanced Discernment Day 2
January 17, 2023

Paul would like someone to paint the mazzaroth
What is reconciliation?

Paul was age 45 at his first deliverance - before that he was totally left-brained.

This story frightens Paul: 1st Kings: Saul is told to wait for 7 days for Samuel to come and make a sacrifice, and on the 7th day he panicked and sacrificed... and Samuel showed up immediately said, what have you done? You have now lost the kingdom.

Paul's life has been extraordinary:

Paul story: went to Bethany baptist is in 1980, in a pharmacy, a man put a gun on Paul's back, he was tied up, and (the guy said, you haven't been part of a hold-up before) Paul thought it would ruin Donna's Christmas, and also that he thought he would go to heaven.

Then they were building an addition on the house, a call from a friend.. " get to your house, the police are there,.. Brian Christy and Corrie are there, with a police officer with his handgun out. The intruders were trying to get into the house at the addition.

Another time

Paul did a funeral and a lady called, who had been at the funeral. She had been divorced. You read the relatives, and not the divorced relatives and she was offended that she had not been listed in the relatives. "What time does church start tomorrow - she asked" Paul had the big men with him, and she was cursing at Paul and so mad

Another time

Paul was told that someone wanted to kill him.

He and Rob Gross went to Hong Kong, "A man at the gate said, " I am from Interpol, and told Paul that he is traveling out of an unauthorized passport." Rob is praying, and they took half an hour but they thought that Interpol wanted to toss him in jail. Paul was set free.

So many bizarre things have happened to Paul and his family.

Left the church in Mt Claire.. It turned sour, he was forced out, and the Cox family moved to Hesperia... a random call from some guy who wants to know what happened to Paul and just chat him up.. The church in Montclair had employed a private investigator to find out information on Paul. And they said so many lies about what Paul had done at that church. Now Paul is careful about who he talks to. Paul can not talk about much of what he does. He knows things that he prefers not to have known.

He says that he does much about his life because now he lives in black op mode. We are in the battle. We are a react team. You have to be able to get up and go when He tells you what to do next. You do not get a long term plan, because God does not want to give the enemy time to make counter plans.

The romance of living this kind of life is long gone for Paul.

Jan 1, 4 years ago, Paul was told in a dream that he was going to Moscow, and he said, "I don't want to go" exactly one year later, he went to Moscow.

Revelation 22

You must always be in the shelter of the Most High - under protection. We have a fear of the lord and we have an understanding the enemy is not impotent, - we must walk in obedience. Do I do thus and so? We must ask the lord at every step. It is so much easier when you ask the lord and you are obedient. We can get in real problems if we are out of the Lord's will.

You can ask the lord...but you must ask him if he will tell you this or that. He is not obligated to tell you whatever you want to know.

Joe: impression of vomiting during the opening prayer (Sarah saw it too). Expected delivery today.

Soo: question... when asking the lord what to do... Do you have experience when people invite you to ministry, do you get confirmation from the Holy Spirit... Do you have to ask the lord, or will he just tell you?

Paul: I never just tell people that i will come do ministry. I tell them that I need to ask Donna if I am going (Jesus had his 1, his 3, his 12, his 20, his 120, and his multitude). Paul will not respond immediately to a request, he will always say, "I need to talk with Donna". He continues to pray.

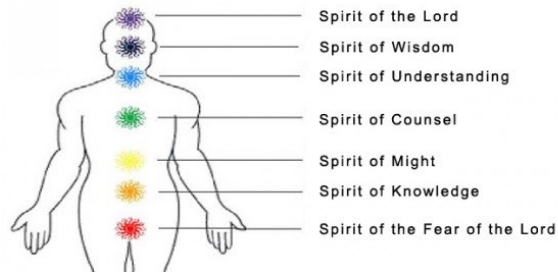

The enemy can track you. We should not make decisions from a position of fear. We ask God what to do. When we ask God, the level of protection is established. Never say, 'we are under attack" instead you say, "there is resistance to our advancing. The kingdom of god is advancing" We are on the offensive. We are pushing forward. You are victorious. We are always victorious.

Marcie: discernment. Feels a heaviness on her chest. This is still deliverance.

Paul: the 7 eyes of the lord:

Discerning the Seven Eyes Of the Lord

Isaiah 11:1&2 • Zechariah 3:9, 4:10 • Luke 11:34
Ephesians 1:18 • Revelation 3:1, 4:5, 5:6

Paul can feel deliverance coming out of the 7 eyes.

We connect to God through our spirits. These are the major gates of our spirits. These eyes are one way we connect to God, and we also connect through our living stones. We have a multiplicity of connections.

Paul is discerning someone - a spiritual being in the room. They feel frankincense. It is an authority, it is carrying a blessing.

T: has something in his hands.

This is a righteous authority

Vistoria: I am inching in (3x) to your atmosphere in a way you do not expect. I am full of surprises for you. I will surprise you with my presence like you have not seen or felt or read in my words before. Because there is more depth to the word than you have known. I am the word, the living word, and I am sending forth my word more and more for my end time purposes. Yes it is getting closer but not quite yet. Of my kingdom, there will be no end. When you see there is none of my kingdom, I am there. I am working behind the scenes. So this day I open your spiritual eyes and your spiritual gates to a level you have not known before. Because I need you to see into the dark places what I see. The potential - the kingdom is fully established there. Gates - be opened!!

Blowing 4x

The winds of my spirit you have seen in this area blow 3x.

They are shaking, they are uprooting and they are creating confusion in the enemies camp.

Don't see the dust bowl and dust ball, and the tumbleweeds. See my glory.

See my glory

Glory is being poured out, more and more and more

Be carriers of my glory, be fearless in your decrease and be fearless in speaking to those who you know do not want to hear from me. Give my word, and it will break them open.

The time is near. But not yet. Stand. Occupy. Until .

=====

Paul: We were in Cabo a few years back. Victoria is from Mexico. I gave her a scroll, and now she is supposed to read the scrolls in Spanish and then translate them. This was 16-17 years ago.

=====

The night has become day.
The light is... and I am entering into the darkness
I am coming to those who have been thrown into the trash.
Because my mercy is great.
And I hear the cry of the miserable ones
And I have the answer, I am the answer
So many of my children have been thrown into the waste and trash, forgotten
I want them! I want them!
Go go into the trash heaps!
Go into the darkness and fear not!
Because you have me, don't be afraid you have me
I am the light
I am the light
And when you arrive to those poor and abandoned ones.
I will love them. I will love them
I will love them.
They are mine.
Today I give you my heart of mercy
A heart of mercy for those who have not been loved.

=====

There was a woman who went to the hospital, but she was poor and threw her out. She died, Jesus hugged her (as the man in linen) and he said, "I love you". At the morgue, she woke up, sat up, and walked out.

=====

So many in the foster care system are unloved.

=====

Tobias: Are we in a realm where there are many authorities? Maybe it's the realm of righteous authorities where we can restock certain things or gifts or energy? As Victoria is giving Spanish scroll plus interpretation I'm having a strong sensation on my left side which goes to the middle of my head and red eye. I submit it's a more intense deliverance.

People are receiving spiritual gifts.

Tobias: I still have the gift in my hands that was brought by the authorities. Am I supposed to release that to all of us or are we supposed to receive what the authorities are bringing right now?

Paul is feeling the gates of praises. Meaghan is asked to feel the gates.. And she is strongly discerning these gates.

Joanne: PS 149: sing a new song, in the assembly of the godly. ... the lord takes pleasure in his people...

BREAK

15:17 Tobias on Recording

Tobias has things in his hand.

It is a gate, Tobias is to place on Paul. Paul is being released into new realities.

There is a pillar, something is growing around it. It is a Roman pillar with vines growing around it, it is part of the gate. There is something there. Tobias feels tongues.

Paul feels the foundations of the pillar.

Paul feels the pillars.

We believe pillars are the foundations of everything

Like at the quark level, subatomic particles, under a quark there are pillars. Under a cell there are pillars.

Paul feels a pillar now, and there are living beings tied to the pillar.

Are these living beings, and they have messages, they are speaking. Are they Jachin and Boaz? (from Solomon's temple... Are these are the 2 bronze pillars in Solomon's temple?).

It is like ants, ungodly ants crawling on it. Cockroaches. Freemasons use replicas of these pillars in their temple. There are human parts that are trapped in these pillars.

Paul feels cherubim.

Tobias: It looks like a sphere. Put this sphere in the gate.

This is somehow inhibiting healing. Also, many other spheres were released and put into place. What does this have to do with the cherubim? If we are being tracked (from earlier conversation) does this block healing?

We are tracked on account of ungodly ties to people. It is part of the system of ungodly tracking

These are ungodly pillars and a construct of the enemy. Much deception. It constructs false belief systems, and false realities.

We are going into these realms that we are supposed to take back.

We have the smell (the incense. Which is the physical representation of praise). The altar of incense is for intercession and for worship. Not just praise.

Is this related to the pillars that Samson took down at the end of his life. These are chains, not vines. This is holding back.. This is a false temple. It is a religious structure.

One has healing, and the other is different.

These are contaminated elemental spirits. These are tied to healing. Paul feels false lions.

Ezekiel 22: **25** The conspiracy of her prophets in her midst is like a roaring lion tearing the prey; they have devoured human lives; they have taken treasure and precious things; they have made many widows in her midst. **26** Her priests have done violence to my law and have profaned my holy things. They have made no distinction between the holy and the common, neither have they taught the difference between the unclean and the clean, and they have disregarded my Sabbaths, so that I am profaned among them.

This is the throne of Satan. This is the temple of the Beast.

There is a hall. On the right side there is: Healing on the right. Then elemental spirits. False prophetic. Front is the throne of the beast. Then to the left are false powers. Then there are fallen authorities. Cruelty and hate and vengeance.

(this is where hearts go when we speak against The Most High. When we speak against the Lord, we are actually worshiping the Beast. It is the hall of blasphemy. It is attributing the works of God to the enemy)

When we get angry towards God, parts of us go over to this evil temple and worship the beast - our whole heart is not towards God (this is a shattered heart. A heart of disappointment, sadness, anger toward God)

Paul: Saw a movie about Poseidon. All is upside down, a pastor curses God.. this is a place of cursing God and agreeing with the enemy.

Is this ungodly communication?

Repent is key to this.

If parts of us are in that temple, it allows the enemy to track us.

Some parts are there on account of hope deferred.

This is a place of curses and iniquities. (generational sins Isaiah: sins and iniquities) this is a location of personal sins and iniquities.

This is a multidimensional temple, with many gods, culminating in the Beast - who is the end of all of these gods.

A large part of the church is trapped here. So many worship services are not anointed. So much legalism is held in the church. They all lead to this place. This place is the center of that programming - and it is blocking healing.

Tobias: In the temple there is a very deep wound from which comes great pain, and people then agree with the hatred of God, even though they are Christians. (SRA is like this) Do we deal with one of the roots of SRA?

Library in this temple. Documentation of all the offenses against God.

Ungodly satellite is tied to this grid. It is used against humanity.

Brianna: Truth gives a call to rep (i AM MISSING FIRST COUPLE OF SENTENCES)
Look into my heavenly design it is
I will build you and I will make you. No one says to me Yes, but I will not go. Or yes, but I will not obey. There is no room in my design for disobedient petulance that throws itself in a tantrum on the floor. Do you not realize that I am the master builder that what I say to you, you will do, and you will repent for all petulant disobedience. I have said "go" and you did not go. Who are you to think that you can build my design without me. You can not go where I am taking you without me. So repent. Be healed and let's go.

Point 22 minutes

Tobias: when Joe said about the library: I feel constant research. The Nazis did research on how to do SRA.. there is a constant research how to build the system and work around God. There is no place in my design to build my house without me (this is rebellion against the Lord). This feels like rebellion research against the Lord.

I have many windows in their midst Ez 22:25

This temple has many windows, and they are evil, open to curses and iniquities. This is a place that tracks the generational inquiry to affect us while we are here on earth. This is a central control - it is the data center.

Paul: feeling time: Chronos is ungodly time. Man's time. It is also a titan. Nimrod, titan, Saturn, Molech.
Kairos is God's time

Paul feels Kairos.

Something with this place messing around with time. Is this the window of time, in this ungodly place? (time is confusing in revelation. There are dimensions of time.

).

Briana: 24:50

The revelatory fire is on and in you, I sense this might not just be me, but it is for all of us. I see the coal that was in the wheels of grace that was on my stomach turns to fire. For it is time my sons and daughters to Be aligned not just to my mazarth and to me the creator of time. for In me yu find your kairos moment. Kairos moment, what a curious thought. For you do not understand the height, width and depth of time. You are like children trying to describe the universe with your very limited understanding. This is why you need me. So Put your hand in mine , when you are ready and willing then we will experience time today, but it must be my way and you must consent to trust me and my time forever. It is I elikem, Jesus. Elikaim is related to Jesus via both Mary and josph. Is 22:23 Elikaim is the priest who replaced shebna)

Shebna had to be thrown out before elikaim could come in

Our living stones are being affected by this. They are spinning like the beads on an abacus. This is like theory or relativity.

What is occurring is based on your frame of reference.. Are you using God's frame of reference or this evil frame of reference? This evil temple is affecting the flow of time.

Time is an opportunity to measure that something has transpired.
Photons don't experience time because they move at the speed of light.

Is the river of God, a river of time?

In the womb of the dawn, Paul feels disoriented. "Time dilation" time dilation is usually a compression of time, happening as you are getting to the speed of light. So time slows down.

When we are in the womb of the dawn, there - in that place - time is slower than what we experience here.

River is god is not the flow of time, because time is created.

Different parts of us experience time differently depending on where parts are located. There are parts trapped in this temple that are not experiencing time with god. They are in the enemy's time.

The enemy is tweaking time.

The enemy is trying to recalibrate time. When you calibrate you are adjusting to a frame of reference. We have made the enemy our frame of reference and not God.

Paul feels righteous authorities in the wings about to affect us.

Ruth: discerning the archangel michael. Paul says that he is far away right now.

Chronos slows healing. When we are in God's appointed time, healing moves faster.

The evil temple is not here right now. Barbara: It is the center of the strong man's house. It is his house.

Our generational strongman's house, makes up a cube of the strongman's house. Yesterday we were delivered from the strongman, and that allowed us to go into the strongman's house today. Today , we need to be in fear of the Lord.

LUNCH

We can not handle what is going on. We must extract ourselves from the strongman system.

We do not have that kind of authority.

=====

Windows are being aligned right now.

Paul feels something that overpowers his senses.

We are in a transition. We are transcending time and moving through the windows of time. There is deliverance, we are being pulled out of this temple. The lord is pulling us out of this place.

Briana: sees a tear in the fabric and it is black. Dark, thick fabric. Feels like the fabric of space and time. And the tears are getting bigger. The tear is like a solid rainbow... not made of light. .

And we feel the rainbow angel here.

Michael the Archangel is here now.

Sarah: 27:35

Sarah is looking around the room, with her eyes closed. Spiritually looking around. It is almost like ... there is a reckoning to see who is there. An accounting.. It is more than the people here. There is a counting of who is here. To say who is part of this.

You are gathered here today to witness the power that has not yet been displayed but you will see it in a new way and experience it in a new way.. You have not seen this amassing ... this amassing of power.

And you see yourself in a new way, and you will see own power.

I feel a sword. I think was the sword from this morning. The one we were given before.. It is pretty big.

What to do with the sword.. .it is right in front here..

It is a living sword. This is the sword of the Lord, because He has a sword too, it is the word of the lord.

For the sword of the lord is going forth. the lightning sword of the lord.. So it is A sword of light. It goes before you clearing your pathway. Who is that will raise arm or voice?

Paul: (i feel another strongman system coming on:)

Is there a courtroom? Paul: I can not tell, I can see that There is another layer of the strongman coming off. It is coming off of you

You are being withdrawn from this temple. Extracted from the temple. There s a strongman component to it. It is a definite Deliverance. Parts are being extracted from this , and communication lines are being cut off. It is great in-gathering

Sarah:and amassing.

Paul: A new unification.

November: Sarah heard the word amassing, a gathering of forces. It was for the academy.

We are still transitioning. We are waiting for the right time for repenting- and it might not be necessary.

We are being extracted from this place.

Pulling out the harlot and the zodiac systems. There are multi dimensional zodiac systems.

Parts are being returned.

This is a sovereign deliverance. The lord is just doing it.

In miracles and healing. If everything is legal, there are laws of nature that we do not know about yet. But the lord knows them and he operates in them.

Paul is very cold and it is 73 degrees. Paul feels the cloud of His Glory when he is very cold.

This is the transfiguration cloud (they were surrounded by the cloud)

Deliverance is shifting. Disconnected from the fallen sons of god.

Rev 10:10 Then I saw another mighty angel coming down from heaven, wrapped in a cloud, (this the cloud that we are feeling right now) with a rainbow over his head, and his face was like the sun, and his legs like pillars of fire. **2** He had a little scroll open in his hand. And he set his right foot on the sea, and his left foot on the land, **3** and called out with a loud voice, like a lion roaring. When he called out, the seven thunders

sounded. **4** And when the seven thunders had sounded, I was about to write, but I heard a voice from heaven saying, “**Seal up what the seven thunders have said, (Paul has a one of the scrolls that belong to these seven thunders)** and do not write it down.” **5** And the angel whom I saw standing on the sea and on the land raised his right hand to heaven **6** and swore by him who lives forever and ever, who created heaven and what is in it, the earth and what is in it, and the sea and what is in it, that there would be **no more delay, (this says, no more chronos)** **7** but that in the days of the trumpet call to be sounded by the seventh angel, the mystery of God would be fulfilled, just as he announced to his servants the prophets.

Ruth: discerns the living stones and the holy ones and the 7 spirits.

Holy Ones:

Feels the man in linen.

Justice. The Lord has been moving; doing a sovereign move To bring justice. They are making declarations that are freeing us it is the breaking of these things; that is justice. So I think when Sarah felt the court; that that was when I began to feel the holy ones, there is a court and they are making proclamations and declaring justice.

Before she signed up for the course (Ruth) the lord told her that she needed to say that this is a time of the church being in politics, because the kingdom, in the spiritual realm, is about politics. The church tried to remove themselves from politics, in fact, The church is called by the lord to be political. We are called to make the choice. The choice is good or evil. We are to march forward in step with our king who is our political leader, to the advancement of good and the advancement of the kingdom of the lord.

7 thunders scroll: time, on my recording 36:48

Byron:

36:38

Man in linen is helping. Orchestrating the deliverance. Byron has access to the scroll 3 part message:

Part 3:

I have summoned you in my timing and in my providence

For an outpouring to the nations

You need to be purified first

Get ready for the “so send I you”

But not yet

Seek purification and equipping

Be free first and receive the word

Let me speak it into your heart

Let it be sown deep

Where your body, soul, and spirit meet

Let the roots sprout into a new network

To be connected to the foundations of my city

For right and clean and holy communication with the Most High

From this place, this new well
Springs forth Living Water
Drawn out from the secret place
Take heart!
Take your heart and let it beat again
Awaken with healing in your hands
With new words of grace
With new connections to my grace and power

The Kingdom of God is near
The Kingdom of God
The King
The King is coming
The King has come
All rise

Paul: Do you feel the fire at night? Paul asks this.. There is a great old vineyard song.. Purify my heart. Let us sing that.

1 Peter **2** So put away all malice and all deceit and hypocrisy and envy and all slander. **2** Like newborn infants, long for the pure spiritual milk, that by it you may grow up into salvation— **3** if indeed you have tasted that the Lord is good. **4** As you come to him, a living stone(we are made of living stones, and we make up a house of living stones). rejected by men but in the sight of God chosen and precious, **5** you yourselves like living stones are being built up as a spiritual house, to be a holy priesthood, to offer spiritual sacrifices acceptable to God through Jesus Christ. **6** For it stands in Scripture:

“Behold, I am laying in Zion a stone,
a chief cornerstone chosen and precious,
and whoever believes in him will not be put to shame.”

7 So the honor is for you who believe, but for those who do not believe,

“The stone that the builders rejected
has become the cornerstone,”[a]

8 and

“A stone of stumbling,
and a rock of offense.”

They stumble because they disobey the word, as they were destined to do.

9 But you are a chosen race, a royal priesthood, a holy nation, (a king/queen priesthood) a people for his own possession, that you may proclaim the excellencies of him who

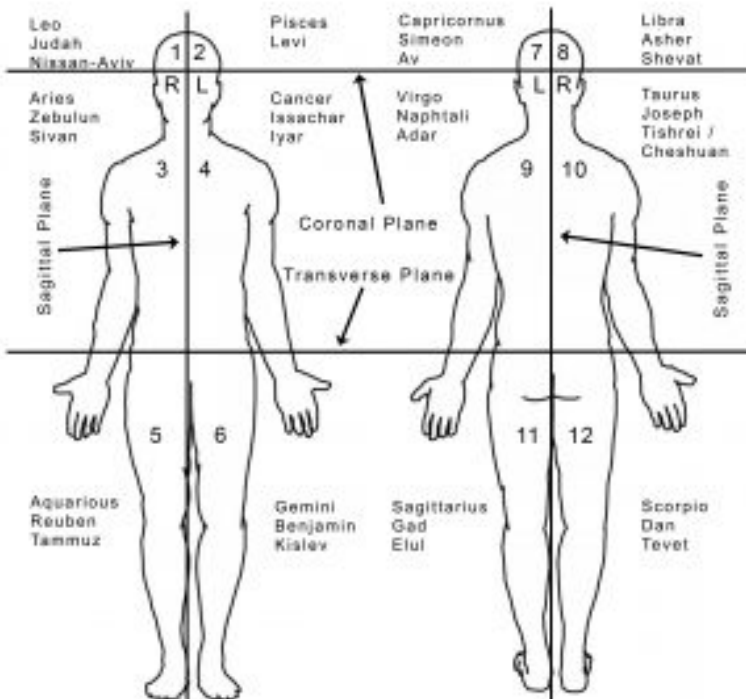

called you out of darkness into his marvelous light. **10** Once you were not a people, but now you are God's people; once you had not received mercy, but now you have received mercy.

Paul had a friend who had been insomniac for 20 years. And the issue was not his living stones. They prayed, he slept 6 hours the first night and then 9 hours the next day. That stirred Paul's faith.

Sarah: Separate the soul and spirit...

When you get a new revelation you must test it. .. and the enemy is trying to bring deception.

Ongoing revelation: the revelation of the cube is a living stone that makes up part of our spirit, it is tied to our body.

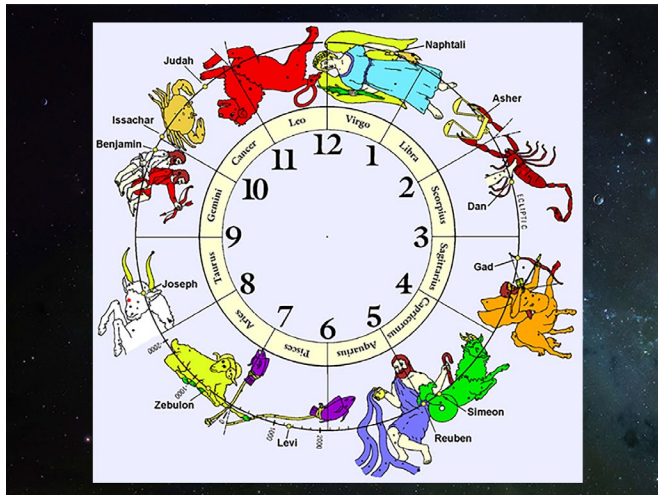

Can you bring out the mazzaroth which is plural in its seasons? The laws written in stones. Can you set their rule over the earth? Job 38 ...**32 Can** you bring forth the constellations in their seasons or lead out the Bear and her cubs? **33 Do you know the laws of the heavens? Can you set their dominion over the earth? 34 Can** you command the clouds so that a flood of water covers you?...

Canst thou lead forth the **Mazzaroth (word of uncertain origin tied to the stars)** in their season? Or can't you guide the Bear with her train? ... Behold, shall you bring forth the Waggoner in its time, or ...

Eph 6:12

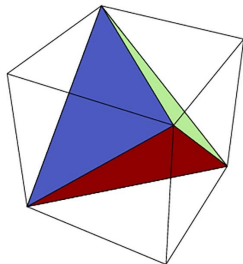

12 For we do not wrestle against flesh and blood, but against the rulers, against the authorities, against the cosmic powers (a word of uncertain origin tied to the stars, this is the zodiac.. This is also the fallen mazzaroth) over this present darkness, against the spiritual forces of evil in the heavenly places.

Linkage in astrology. There is a link between the tribes and the 12 seats of the mazzaroth. The connection between that and our bodies.

Each of the mazzaroth is attached to an earth age. And it is attached to a tribe of the hebrews. And it is attached to us.

The bible says that we are at war with the stars. (the fallen mazzaroth) Eph 6;12... we do not wrestle against flesh and blood... against cosmic powers (which is the fallen mazzaroth, some of which make up the mazzaroth)

Jesus is the colorful tetrahedron in the middle. Then there are 4 other tetrahedrons surrounding it. So there are 5 parts to each cube.

This is the place of the will and the consciousness, it is on the center tetrahedron. And Budda learned how to place a coating (a vail) over the tetrahedron. He learned how to effect that place so that it became all self effort and self aware (star wars, buddhism, and I am god) this puts a coating on the center tetrahedron. It makes a person callous to the idea of sin.

The effects of the thymus and it is tied to sleep and consciousness. People high in buddhism can go into altered states. This is tied to terrible evil. This is where Jesus is supposed.

Before a person is saved, what is the earnest
Eph 1:13 in whom you trusted.. The gospel of your salvation... who is the guarantee of our inheritance to the praise of his glory

We have eternity in our heart. There is something of the lord that is present in us. What is it? The image of god is in us.

Buddha, new age and hinduism can find a place inthe consciousness, and coat it so that the people do not understand that they need jesus.

Eternity is in their heart Ecc 3:11 He has put eternity into man's hearts.

Romans 1: everyone is without excuse.

Before we are saved that center tetrahedron is filled with self awareness, which separates us from the animals. There is a numbness towards truth.

We are made perfect in Christ.

We are not always in Christ, and when we are in sin, we are not fully covered. We are not perfectly corresponding to the life of jesus.

Enduring is critical to the believer. God commends us for enduring. In **1 Corinthians 13:7**, Paul writes, "Love bears all things, believes all things, hopes all things, endures all things." Not only that, but we [rejoice](#) in our sufferings, knowing that suffering [produces](#) endurance, **4** and endurance produces character, and character produces hope, **5** and [hope](#) does not put us to shame, because God's love [has](#) been poured into our hearts through the Holy Spirit who has been given to us. endurance is rewarded by God and it is an important part of our sanctification as believers.

Hinduism erases boundaries. It says that there is no distinction between one person and another. They are all one spirit. The one absolute existence is god. We are not unique people. It is a counterfeit one. It erases godly boundaries.

Yoga means to join. They are able to get inside the tetrahedron. They are superimposing on us at a very deep level.

Is the linen man Jesus as the Bridegroom? That is one aspect of the linen man. Jesus as the lion of judah. Or Jesus as the Son of God. Jesus as the Son of Man. These are about Jesus in his various functions. The bible specifies him as the man in linen, so that is the term that we use when we discern him in this function.

When he shows up as the linen man, there is a majesty.
Linen Man means the majesty of God (John and Daniel fall down as dead when they see him like this. This is associated with him as speaking in the voice of many waters)

Are the many waters associated with the washing of the word? There is a mystery here.

This is scary.. Whatever this thing that is God's voice is scary

Revelation: it was granted her to clothe herself with fine linen, bright and pure"— for the fine linen is the righteous deeds of the saints. (The fine linen is the righteousness of the saints, and Jesus is our righteousness.

Romans 5:3-5 . **3** Not only that, but we [rejoice](#) in our sufferings, knowing that suffering [produces](#) endurance, **4** and endurance produces character, and character produces hope, **5** and [hope](#) does not put us to shame, because God's love [has](#) been poured into our hearts through the Holy Spirit who has been given to us.

From Christ's perspective all has been healed and restored in Christ.
So, in eternity we are fully restored. The prophetic word is both now and in the future.

Peter came to the tomb, Jesus was wrapped in linen.
Jesus (philippians) laid down his rights. When he died, he laid his rights to the linen that He is. He physically laid down his majesty to die.

Rev 18:16 "Alas, alas, for the great city that was clothed in **fine linen**, in purple and scarlet, adorned with gold, with jewels, and with pearls!
The enemy counterfeits what Jesus does.

Linen seems tied to healing.

Jesus is linen (woman touches the hem of the garment) the soldiers cast lots for his clothing. Joseph of Arimathea covers him with his own covering (Joseph has the same name as his father, at birth he was wrapped in cloth)...
