Cleansing the Five Fold Offices of Jesus Removing Ungodly Authorities, Strange Fire and the Behemoth

While taking a shower on Friday morning, November 10th, I felt a sharp, nasty pain on my left shoulder. According to Isaiah 9:6 the shoulder symbolizes our mantle of authority. What was the Lord saying?

A bit later Paul Cox called and said that he wrestled all night about a revelatory word Michelle King shared with him that he did not understand. Finally, at 2:30 am the aha came and he fell asleep. The revelation that Michelle King shared had to do with five authorities.

As Paul and I continued to chat about the five authorities he got the aha that strange fire was coming against the Five Fold Ministry. He then posed the question, "Why did the enemy have the legal right to do so?" I then got a word of knowledge that it had to do with the Council of Nicaea in 325 AD. The Council of Nicaea was called by Constantine in 325 AD to deal with the heretical teachings later called Arianism. This teaching taught that Jesus was not divine. Paul said that this made sense because Ephesians 4:11-13 lists the five offices of **Jesus**.

While Paul was teaching Friday afternoon about godly and ungodly authorities I felt as if there was a rope, collar, yoke or necklace on the left side of my neck. Others felt similar sensations on their necks as well. Paul then shared his aha that 'strange fire' was coming against the five fold officers of the church via the 5 ungodly authorities Michelle King had shared with him on Thursday.

Note: Scriptural References:

- Eph 3:10 to the intent that now the manifold wisdom of God might be made known by the church to the principalities and powers [*exosia*] in the heavenly places.

- Eph 6:12 For we do not wrestle against flesh and blood, but against principalities, against powers [*exosia*], against the rulers of the darkness of this age, against spiritual *hosts* of wickedness in the heavenly *places*.

- Col 2:15 For by Him all things were created that are in heaven and that are on earth, visible and invisible, whether thrones or dominions or principalities or powers [*exosia*].

- 1 Pet 3:22 who has gone into heaven and is at the right hand of God, angels and authorities [*exosia*] and powers having been made subject to Him.

Ungodly authorities carry curses while righteous authorities carry blessings. During the Council of Nicaea ungodly authorities were released when Jesus' divinity was questioned if not totally denied. These unrighteous authorities released curses on the Five Fold offices of Jesus.

Rob then shared that he felt bitterness and anger on his body and asked if the people of God were bitter against the pastors because they would not let them, like Pharaoh, go? Those present agreed that pastors are too controlling and want the people to help them build their kingdoms instead of God's kingdom. They also said that the pastors have become idols in the eyes of the people.

A saint (the apostle Paul) then showed up sparking discussion about the difference between necromancy (seeking a medium) and witnesses from the cloud manifesting their presence to speak to us. After the dust settled Rob Gross spoke out a message from Paul:

It is time to build, you don't see it yet. But there is a wave that will come not only into the hawaiian islands but will sweep across the earth. It is a wave of evangelism, there is a great harvest that is to come, do you not see it? You must prepare for it, this is why the builders have been sent into the earth, for the Lord has been for decades preparing them to prepare the foundation for what is coming. The world is in disarray and many need the gospel. Will you move with Jesus? I am looking for people who want to and are willing to build with the spirit of God to establish cities, to establish freedom outposts in the earth. I hear the words radical obedience unto the Lord will break the yoke, the anointing will break the yoke around us. This is the yoke that made the pastoral office predominant in the church today, that's blocking everything.

Marisa Lee then handed Rob Gross a sword and he used it to cut off or remove the ungodly necklaces around our necks. An apostolic gate then opened in the Spirit and everyone walked through.

Later in the evening the Lord released the fire in the cherub as the Lord removed '**strange fire**' off of the conference attendees.

- Ezekiel 28
- Ezekiel 1, 10 - fire travels through the wheels of the Cherub
- False cherub, Strange fire (see Leviticus 10:1-2).
- Strange fire can be acquired by going through fire tunnels.
- 1 Timothy 5:22 (Do not be hasty on the laying on of hands)

Recap: Thursday we walked through a gate called the Father as Power (Matthew 26:64). Friday night we walked through an apostolic gate of power.

As the evening progressed Paul began to open dialogue with the conference attendees about the Kingdom Institute's vision etc. While the attendees shared their thoughts Rob Gross shared that he was feeling a strong sensation in his groin and that it was somehow connected to **sexual immorality in Hawaii**. He then asked Paul Cox if it was the Behemoth (hippo) and Paul, via discernment said, "yes." He added that this was **the spirit of compromise** that was in the church.

After mulling it over Paul and Rob concluded that the Behemoth was perverting our ability to receive our Father's Agape love because the people including believers were opting for Eros love instead. Rob then led the conference attendees to repent for and renounce the following sexual strongholds in Hawaii (sex trafficking, abortion, same sex marriage, incest, transgenderism, sex before marriage, adultery and pornography).

Father wants to release the fullness of His love to us, but we are unable to do so because we have opted for Eros love in the church.

The following notes are about the Behemoth (hippopotamus):

The Behemoth

Two Hippo Dreams

Dream Number One (March 22nd, 2023)

In this dream I was in my back yard looking down at Kaneohe Bay at what looked like a very old, large barge that was swaying back and forth in the ocean's current. As I looked closer at the ark I realized that it wasn't a barge, it was Noah's Ark. Then, out of nowhere a large hippopotamus emerged from beneath the surface of the water and attacked the Ark. The Ark however, was too sturdy and the hippo failed to inflict any damage.

***BEHEMOTH Hebrew word in plural form usually translated "beasts" or "wild animals" (as in Dt 28:26; 32:24; Ps 50:10; Is 18:6; 2 Esd 6:49, 51; Hb 2:17). Most English versions refer only once to "behemoth," where the context seems to refer to a specific animal, large and powerful, believed by many biblical scholars to be the hippopotamus (Job 40:15). In ancient times, the hippopotamus was well known in Egypt and may have inhabited the Jordan Valley. Job 40:23 may, however, refer to any river swollen like the Jordan in flood.**

Job 40:15-24

Look at the behemoth. I made the behemoth, and I made you. He eats grass like a cow. But he has great strength in his body. The muscles in his stomach are powerful. His tail stands strong like a cedar tree. His leg muscles are very strong. His bones are as strong as bronze. His legs are like iron bars. The behemoth is the most amazing animal I made, but I can defeat him. He eats the grass that grows on the hills where the wild animals play. He lies under the lotus plants. He hides among the reeds of the swamp. The lotus plants hide him in their shade. He lives under the willow trees that grow near the river. If the river floods, the behemoth will not run away. He is not afraid if the Jordan River splashes on his face. No one can blind his eyes and capture him. No one can catch him in a trap.

Dream Number Two (September 5, 2023)

In the first scene of this brief two part dream I was overlooking Murakami baseball stadium in Manoa where the University of Hawaii plays its' baseball games. I don't know where I was watching from, but it was from a high place somewhere near the stadium.

As I looked down at the stadium below I was shocked to see a large hippopotamus diving into a large swath of garbage in the middle of the field. It was if a vortex had opened up and I was being shown the hippo's hiding place. As I watched this unfold I wanted to tell those who were in charge of the stadium, "Hey, there's a hippo living underneath your baseball field."

In the second part of the dream my wife and I were trying to hurry my 94 year old mother to go someplace, but she could hardly walk and eventually fell to the floor. End

Dream Symbols:

- **Murakami Stadium/A major gathering place in Hawaii for sports events (high school and college baseball games), graduation commencement ceremonies etc. In essence, this baseball field is where the games are played. Perhaps it represents the battleground between good and evil in Hawaii.**
- **High place/Revelation of what's going on in the spiritual realm in Hawaii.**
- **Hippopotamus/the Behemoth (Job 40:15-24).**
- **Garbage/the legal rights the hippo has to live and hide under the field.**
- **My mother could symbolize the church.**
