(The Gate of Grace, the Burning Bush, the Fire in the Cherubim, the Vault of Heaven)

Deuteronomy 1:2-8

It is **eleven** days' journey from Horeb by the way of Mount Seir to Kadesh-barnea. after he had defeated Sihon the king of the Amorites, who lived in Heshbon, and Og the king of Bashan, who lived in Ashtaroth and in Edrei. In the fortieth year, on the first day of the **eleventh** month, Moses spoke to the people of Israel according to all that the Lord had given him in commandment to them, Beyond the Jordan, in the land of Moab, Moses undertook to explain this law, saying, "The Lord our God said to us in Horeb, 'You have stayed long enough at this mountain. Turn and take your journey, and go to the hill country of the Amorites and to all their neighbors in the Arabah, in the hill country and in the lowland and in the Negeb and by the seacoast, the land of the Canaanites, and Lebanon, as far as the great river, the river Euphrates. See, I have set the land before you. Go in and take possession of the land that the Lord swore to your fathers, to Abraham, to Isaac, and to Jacob, to give to them and to their offspring after them.'"

Angel Over the Kingdom Institute/Rob Gross About the Gate of Grace and the Burning Bush

You are in the depths of his love for the father loves each of you more than you will ever realize or understand. This you must know first and foremost that you are loved unconditionally, but there is a battle cry in the land not only in Hawaii but also in Australia and England and in every state you have come from. For I hear the Lord saying that I will no longer tolerate what has been going on in the world. **I am coming with a fire.** I hear the Lord saying it is the roar of Aslan, a wave of healing power will sweep across your respective venues, respective lands from where you have come. God is going to place the miraculous in and through you. Do you believe this? Do you believe this? There is power for the hour. **A gate of power and a gate of grace for the race ahead.** Convergence has taken place right here, right now. For this season, **I will light up the land with my fire**, the earth will move and the sons and daughters of God shall arise, shall be revealed. For this is a holy moment, for you shall never pass this way again. **Moses took off his shoes, we are at the burning bush.** This is a holy moment for the Lord is sending you into your respective Egypts to set the captives free. For the Lord is saying to the pharaohs of the land, set my people free! Offshore to your right and to my left, right offshore the waves are building, the waves are rolling in. Get ready for nuclear fission, for the vision because people are going to face the reality that there is a valley of decision that they must choose the Lord in this hour.

Get your surfboards and get ready to ride the waves of the Lord. These aren't water waves-they are seismic waves. This is an earthquake for the land is quaking. This is the 11th month of the 40th year when the Lord began to direct the Israelites out of 40 years of wandering in the wilderness and gave them instructions to begin the process and transition into the promised land. Are you ready to go? Are you ready to go? Are you ready to go? There is a shift that will lift the body into glory, into grace and power. It's birthing, it's being birthed right now. Call it forth, call it forth. Press in.

There is a vault in heaven that needs to be opened (Marisa Lee gave Rob the key). Glory is going to be released from the vault. New wine for a new time. New wine, come and dine with the new wine. Lift up your heads and let the king of glory come in! This is the fear of the Lord! We are in the Upper Room.

We are in the burning bush, there is fire in between the wheels of the cherubim.
