Volume 2: ***Exploring Heavenly Places – Revealing of the Sons of God*** by Paul L. Cox and Rob Gross. Our spirits were created before creation in heaven and the name of our spirits is, “sons of God”. Some of these created spirits rebelled against God and are attempting to overtake the throne of God. This is the war of the ages. This book explores the scriptural evidence for this battle as well as the believers’ part as the revealed sons of God, which are mentioned in Romans 8.

Volume 3: ***Exploring Heavenly Places – Gates, Doors and the Grid*** by Paul L. Cox and Barbara Kain Parker. This volume examines the nature of the multi-dimensional system of universes, focusing mostly on the grid, doors and gates. The evidence presented is clear that when His will is done there (in the heavenly places), our physical existence here (on earth) is the beneficiary of positive change.

Volume 7 – Second Edition: ***Exploring Heavenly Places – Discernment Encyclopedia for God’s Spiritual Creation*** by Paul L. Cox and Barbara Kain Parker. The encyclopedia lists the various aspects of God, beings, entities, and spiritual places that can be discerned.

The second edition, published in 2022, contains over twenty new discernment locations.

Volume 8: ***Exploring Heavenly Places – Dreamspeak***. Barbara Kain Parker. This book is about the author’s personal journey into dream interpretation. It’s much more of a this-is-how-God-does-it-with-me account than a one-size-fits-all instruction manual, which hopefully will encourage others to venture out into the heavenly realms of dream exploration.

Volume 9: ***Exploring Heavenly Places - Travel Guide to the Width, Length, Depth and Height*** by Paul L. Cox and Barbara Kain Parker. Ephesians 3:18 expresses that we “may be able to comprehend with all the saints what is the width and length and depth and height.” The book examines what happens in these regions and contrasts the differences between the unrighteous and righteous versions of width, length, depth and height.

Volume 10: ***Exploring Heavenly Places - A Travelogue of Heavenly Places*** by Paul L. Cox and Barbara Kain Parker. The authors explore the womb of the dawn, the Order of Melchizedek, the realm of His Majesty, ancient pathways, and the heavenly libraries.

Volume 11: ***Exploring Heavenly Places – Strategies for This Present Battle*** by Paul L. Cox and Barbara Kain Parker. The Bible says we are at war; life confirms that we are at war; so what is our response? Having chosen our side in the oh-so-real conflict between God and His righteousness and justice versus all that is evil; we oppose all that is evil and rebellious in the world. This book is meant to help equip Christians for the battle.

Volume 12: ***Exploring Heavenly Places – The Mystery of the Ancient Paths*** by Paul L. Cox and Barbara Kain Parker. The solution to the mystery will reveal the secret of a life filled with joy, rest and peace. Biblical insights regarding how our warped perceptions of want, need, lack and expect came to be in the first place are explored. This volume is meant to further equip God’s people to persevere and endure within a worldly system that wants nothing more than to snuff out Christianity.

Volume 13: ***Exploring Heavenly Places — Equipped for Harvest*** by Paul L. Cox and Barbara Kain Parker. God loves to collaborate with His people, most of whom would heartily agree with the famous sentiment of the Lord’s Prayer, “Thy Kingdom come, thy will be done on earth as it’s in Heaven.” One might think that the focus of a book subtitled Equipped for Harvest would be evangelism; but it’s not. Instead, this book explores how the concepts of “grace”, “sound”, and “battle” are interwoven with one foundational truth and how all these concepts are integral to coming alongside God in His harvest season.

Volume 14: ***Exploring Heavenly Places — Discernment 101: A Beginner’s Guide to Discernment*** by Rob Gross. In the popular tradition of prequels, welcome to this guide that should be a helpful prequel for both the day-to-day quest to delve into the unseen nature of God and the book series that explores those invisible realms. Here you will not only learn in easy-to-understand language exactly what discernment is, but also how to use it to understand how to ‘see’ what the Father is doing in any given moment; and then cooperate with Him just as Jesus did. He said in John 5:19, “Truly, truly, I say to you, the Son can do nothing of his own accord, but only what he sees the Father doing. For whatever the Father does, that the Son does likewise.” Since we are called to be conformed to His image, what a great idea it is to learn how to do that!
