Palmoni is here (2). To readjust vibrations and sound and colors. And numbers. Vibrations is numbers. Sound is numbers. Color is numbers. The equation has been balanced. Look at the open heaven above you. There is an open heaven above you. Jacob's ladder. Angels have been ascending and descending. To give you messages. To give you gifts. To give you tools. Tools to fulfill the mandate that is placed on you. Tools for Canada. Tools for all the provinces. Tools for all the towns. Tools that you have never had before. They are being released. Build an altar here (2). Establish my kingdom here. My kingdom come. Establish, build an altar of righteousness. Raise up a standard. Tear down all the altars that are not of me. Tear down all the altars of Baal. Tear the totem poles. And build my altars. Let this rock here be a resting place. And receive a new vision that we want to impart today.

"He's going to roar and the vibration of the roar is going to knock some of these things down – oh man – I'm going to do a massive effect of deliverance on my people, I'm going to deliver them out of their idols, false pursuits and pleasures, I'm going to correct their course, around the earth...

Are you ready to change? Are you ready to be transformed? For the sound that goes forth from my mouth has the power and ability to transform you even to the spirit level. You will be empowered with boldness and courage to be my witnesses and establish my pillars and my righteousness in the marketplace, in the schools, in the universities, and you will stand as a pillar from my faithfulness and my goodness, your faces will be like that of the faces of lions.

You don't want to hear this? Close your ears.

The following year in May 2015, on the web with Aslan's Place, London, Paul realized they had been taken to the deep and he felt healing. **A gate was discerned and he felt a vibration and heard a sound. A key was received, the gate was opened and the vibration stopped. The vibration was a manifestation of a being called Holiness, a water being/spirit that seemed to be in the deep. The key was called Grace. Paul Knightⁱ heard a sound that would realign them so they prayed, asking to be realigned, and Paul Cox could discern Majesty. As the discussion continued it was determined that Holiness realigns us, and also has to do with evangelism. Additionally, the river of God and trees of healing appeared to be located in the deep.**

I see Michael on a horse – white with silver and speckles. Dazzled horse.

Horse is getting ready to run the derby. I can see the gate is open. Michael looks at me and he looks down because the flaming sword is next to him.

The flaming sword is light. So it is vibrating. Your word is a lamp unto my feet. We only see 1.5% of the entire light spectrum.

The eye of Melchizedek. I see the rainbow.

The menorah is an arc.

For our branches to be healed in our eyes you use lasering. The flame brings healing into the branches that have been corrupted by things you see just driving down the street. The billboards defile the temple of my people. Your eyes must always be on me. You must only look up when I tell you to look up.

I can expand your light for the purple spectrum of my light vibrates at the highest levels to the coolest levels. I will use My light to reflect in My eyes and heal the branches. No more cataracts. No more blindness. Vision can bring healing. You can just speak the one word because the vibration of your words will vibrate into someone else and bring healing into the corruption of the branches so they can be made whole.

If they close their eyes and they don't want to see it, it is their free will. Your shalom is the key. You must speak shalom so that through shalom you destroy the words of chaos. If the house does not hold it, the shalom comes back to you. The flaming sword is going with Michael through the gate. When it is time to be released the light will refract. The light will reflect and correct the refractions that are disordered.

As there is an emerald rainbow around the throne of God. The center point of the rainbow is green. Stay in My life and you will stay in My light. Come abide in the realm of I AM in my heart with compassion to do miracles.

In the realm of the great I AM is all the equations needed. It's where the whirlwind abides, it's where Palmoni is setting the scales into perfect vibrations to move- vibrate the Living Stones- HIS people into alignment, moving US into HIS non-consuming fire to be make us whole, more like HIM... to stretch to grow to be pruned ... a Symphony of collaboration to bring us into HIS Shekinah ... it's pure MUSIC set to HIS vibrations! HIS Good Vibrations!

Mimi: we've been waiting for this moment. We've been waiting for this moment. For you to appropriate your birthright, to come back into Kairos time, your birthright, your birthright what God has ordained for you. Come through the heavenly courts. Come through the heavenly gates. Come through the spiritual beings. The gates are living, they are vibration. Come through with thanksgiving and joy. This is the pathway of holiness. Righteousness and peace is your portion. Tune into the heavenly sound. Tune in so that you would vibrate to the heavenly sound, the heavenly vibration that is being released, the heavenly sound being released. The Trumpet of God, the sound of God. Come on in, come on in, come on in, come on in.

Paul, something about time. there is a shift coming. it is time. almost like a time signature you would see on a musical score. It is not really about chronos time but it is a time signature. Time related to vibration. A sound. It is a new sound. A new frequency. Adjustments being made in the heavenly places. It is time for the Daniel to respond to the sound of the lion of Judah's roar. It is the mighty ones. Mighty ones are being raised up. There is a train of the Lord's glory on this.

April 2017

The mark of the beast. It is the ungodly branding, ungodly fire. Marked for future generations Stolen from future generations. It is an ungodly cord from the past to the future and it is still connected. It is stealing life, blood. Ungodly covenants were made for the worship of the dragon. Sealed with a branding, branding of the future generations. The ungodly covenant was sealed with the ungodly branding of the future generations. It is stealing life, still sucking life and energy. These are the jewels that the enemy has stolen.

These are the parts of the DNA, the parts of the DNA are the jewels. Crack the DNA code, crack it, crack it. I am giving you a key to crack the code. Decipher. It is a play on words. This is the mystery of Babylon. Crack the code, crack the code. Numbers, vibrations, colors, frequencies are all parts of the code that was written. This is the enemy's plan to take back what he lost when he was cast down, to steal and rob from the generations. He knew what he lost so he defiled the sound, the vibrations, light, frequencies, worship. It is a symphony of defilement. This is the covering. This is the ungodly covering; it is in the sound, light, vibration. It is an ungodly covering, it comes and goes and hides. Unravel, unravel the covering. Unravel the dark gauze, the ungodly vibrations and sounds. No more will this come against My children. No more, no more. Look to the sound, light, vibrations. There is a decipher of this. This is a hidden mystery of Babylon. There was a trading that was done, the souls of man for power, but there will be a reversal. It is in the numbers. The base of 2, 8, 4 quadrants. It is the quadrants. That is where there a shifting from one quadrants to another. Rubric cubes, the shifting of rubric cube. Keep shifting, the combination locks. Going from one quadrants to another, dimensional shift. Find the quadrants, the cube, the piece. Bring it back, bring it back. The necessary piece in the quadrants. The guardian is at the gate but I give you the key. Unlock the gate. Take the piece, like a piece of the rubrics' cube. The guardian is like a dragon guarding the gate of the cave. The order has been given from the Lord of the most high. The guardian must give up. Do not be afraid. Go in the cave and get the key. See Daniel's cube. It is a white stone, it is a stone of identity (Revelation)

I am seeing an incense cantor. I am reminded of the first nations and "smudging" for cleansing. The ancient smoke. The ancient smoke. I have come to cleanse the ancient smoke. With the incense of eternity's flow. This smoke from the throne. The incense of the prayers of the saints in the cloud of witnesses. The smoke is going into the very core of the earth with redeeming purpose. We have come to ignite a shift in the platelets of the earthlings. Those born of the earth. Those born of the spirit. There is a marriage from the eternal view of the real you. Earth comingled with eternal realities. Awake from your sleep. Awake from your sleep. Awake for you have come to mount Zion for such a holy time as this. I have shaken the heavens and I am shaking the earth. You will feel the vibrations on a cellular level. You will know I am, that I am, as I am your father. Your redeemer. This day the incense from the throne cleanses mindsets not of me. So I will permission you to see how much blessing I have already loosed. How blessed do you believe you are? I orchestrated before you came to earth for you to dwell in the garden of my heart. I am your paradise. For (the trees) you see are a reflection of me. (The trees) you see are a reflection of me, so true authority covers the earth as the waters cover the sea. They will unveil the glory of me. They are now going to be unveiled. Search out the matter w/o the religious chatter. Revelation belongs to the babes. Revelation from the father belongs to the little ones. And I have bestowed upon you the king and keys to unlock the ability to see. That (the trees) are the

authority and reflections. Fractal reflections in every dimension. A tree. Could it be that there are 12 dimensions connected to the 12 apostles? Because this is the era where governmental power will shake the earth awake. It's all connected. It's all connected. For the tapestry to see began with me.

Just before Jana told me a gate had opened.

I AM ready to touch what has not been touched; to remove the iniquity in a day so the land could trust. This is your inheritance. To set free. What has been hidden from ages but now it is time for it to come. The paths will grow brighter and brighter to the righteousness of the true Son. No longer will the names of other gods be on my children's lips. The iniquity will be removed. The land will be released healing by the divine design, the DNA and RNA. The Lord will align the frequencies to how it should be, so they understand what is good. When the frequencies are resonating on earth as is in heaven you will know what is truly His. The sounds and vibration will be changed and replaced. The revealed sons will unlock the true provision of heaven. We are aligning to the power of the holy throne. I am breaking paradigms and now they will know the true God Elohim.

Look to the source behind the screen who is the creator of all things. A reformulation of the vibration is the healing for regeneration. This energy is not dark energy as they say, but the sound of light before it is made and in this original design you were made for the original self to be reclaimed. All sound is aligned to the great I Am. I am removing the dissonant for the renown of the kingdom which is at hand. Great and awesome in this place where glory was organized with power to give faith and grace. And this is the place where you agree the re-creation of how it was meant to be.

You are tapping into divine power which is the source of life where all things were made. Life is the substance for the light to be made. For all things pertaining to life and godliness are through the true knowledge of I Am. You are made of the substance of His own glory and excellence to always resonate with the promises in your inheritance. You are partaker, a co-creator for a divine nature and have escaped the corruption of the world for your diligence produces faith the supply of all excellence to acknowledge.

Vector Force Field

Lines of communication.

Cut the wires. Decontaminate the connectors.

For my people shall be a holy people. They shall be one as We (Trinity) are one.

One body, one soul, one spirit. Listen to what the Spirit says. The three becoming one.

This is a key to unlocking the mysteries of the kingdom. One spirit, one body, one flesh.

Father, Son, Holy Spirit.

Clean the highways of holiness.

Frequencies, sounds, vibrations.

These are connectors.

You are connected by frequencies sounds, and vibrations.

You are connected by My Spirit.

As you tune in to me and not the earth, you vibrate with me.

Cleanse the force field of ungodly vibrations.

You must resonate with my frequencies, sound, and vibrations.

As you are filled with my glory, the force field will change. Matter changes. You are connected to Me and I can move you into My realm.

You are no longer connected to the earth, but to Me. Listen to the sounds of My kingdom.

Bless, don't curse.

There's a new sound, a new vibration, a new groan. The sons of man are being revealed for such a time as this. As the earth groans, a new sound is produced - My sound.

Sheaves of disobedience will be burnt.

Only what I have created in My glory will remain through the fire of purification.

You must be disconnected from the land, the earth and be connected to my kingdom- My realm.

Faster than you think, Matter will be changed in a twinkling of an eye.

Whose are you? Are you connected to the world or to Me? Let go of ungodly connections that I have not ordained. Tune into My spirit - My frequency.

You will hear My voice and the sounds of My kingdom. Rejoice, for the hour is come for the sons of man to be revealed.

One Kingdom, one Spirit, one voice, one sound in Me.

For I have ordained it to be.

Listen to what the Spirit is saying. Let go of your divisions, and your kingdom building.

It's in the tree. It's in the source.

Disconnect from the tree of knowledge of good and evil and connect to the tree of life.

Disconnect from deadness and connect to life.

You will vibrate with my heartbeat.

There's a new pulse that you will connect to.

My kingdom vibrates with Me.

Contamination began with connecting to the tree of knowledge of good and evil.

Disconnect from the tree of knowledge and connect to the tree of life.

You will pulsate with my kingdom. In Me, there is life, newness oneness and unity.

Archangel

This is universal. This is universal. The revelation of the ages, the end time. Revelation that mankind has been awaiting has begun. It is time. Time! It is time!! Kairos time. It gives your Father pleasure to show you what I have been waiting from before the foundation of time. Time! To share with you. Think it not a lite thing but it is about the light. It is about all manner of light and its manifold forms. Think it outside the box. I give you that key, for the revelation is for now. It is a NOW word, that will bring what you desire. The healing of the captives, the healing of those that prayers of past was not able to accomplish. That which Jesus did in confronting legion that is not easy to do today, that which in casting out one, brings seven-fold worse tomorrow. With the light, with the sound, with quantum leaps you will attain. And know this you walk forward in a righteous path. I will send you conformation that will knock you down left and right and you will be in glee. The stars will fight for you just like they defeated Sisera. This is a new day, you will walk in victory I will help you every step of the way. You withstood the onslaught of the enemy, an onslaught it was. The gates of hell did not prevail against you and they were opened. But as you stood and stood and withstood, I in My power, shut them on behalf of my children, with my power, my thrones, my authorities on your behalf and I'm giving you the keys with which you will rule and reign. You will share and you will teach my children. Stars in the daytime, stars in the night time, galaxies, untold billions are rejoicing for there are more, there are more that are for you than those that are against you. And as of today, I begin to reveal this key to you, more are forthcoming.

Remember the light, the sound. Remember vibration. And remember the war is won. The victory is yours already. You are but policemen on the earth, enforce it in the heavens as you do on the earth.

The Lord loves the gate of Zion better than any other place. The city of truth and heaven awaits. Saints and angels are gathered here. The books are open so the words will be heard. You move the invisible for the unseen to exist. It was written before creation. And your lines are connected. They go out from generation to generation they lift up a shout. There is no greater time than now. For the revelation is in this gate and the glory abounds. The library is important for all of creation awaits. For the revealing of the sons to open their gates. The hindrances are the old and truth was waylaid on the path but righteousness and truth are from everlasting to everlasting. You all hold a key for needs to be released. What was held back before? You carry the revealing of the new. And the land awaits for those who love the land and keep your stand. Your hope is not in lack because they didn't believe. Your hope is in trust for the invisible you perceive. For the things that are eternal still wait in the balance. Turn the page for intention for the Son of Man in this hour. For you are leaving a way of religious codependency to lift up a holy highway to reveal eternity. It is about frequency and vibration. It is about color. For you are the word that must manifest. It is from the heart of His glorious eminence. Greater He that is in you than he who is in the world. Take the realms of the invisible for creation to be healed.

November 2013

Look out. See My creation. See my stars that I have created. Hear their voice. Hear their sound. You say twinkle, twinkle little stars. They are not little. They radiate my light. They vibrate with me. It is one note, one cord, one vibration. One note. They sing together one note. It is the sound of My creation. I spoke and they were created. They sing in unity. They sing in harmony. They radiate my light. This is what I have called you to do. You can transverse My light. You can travel on My light beams in heavenly places. You can come up above the discord, the division. This is My purpose. Hear the sounds. I am tuning you even now. Hear the sound. I am lining up you according to Me. I am changing your molecular structures, your elements, your building blocks. I am shifting them, realigning them. I have

given you keys. Keys to healing. You have taken the keys so open many doors, many hearts. I am a God who cares for My people. I hear the cries of my people of the sick of the disturbed. I hear their cries from the depths. I offer you the building blocks. See the number 64. I see a chessboard. A line is being drawn one diagonal line from the lower left corner to the lower right corner. The chessboard is the grid. A line is from the lower right to upper left. The two meet together and form a triangle. A 45 degree angle. There is an X on the lower left and a Y on the lower right. It is three dimensional. It is coming out of the pyramid. It is a tetrahedron.

He says we have gone on a journey from the lower left quadrant to the lower right quadrant. We are at the lower right quadrant and we are being taken to the upper left quadrant to the heavenly place.

The parts that have been taken to the outback quadrant (upper right quadrant) need to be brought down. They have to come down (from the upper right quadrant to the lower right quadrant) to go up to the upper left quadrant (the heavenly quadrant).

The treasures of darkness are in the upper right quadrant. Gather the treasures of darkness to come down so we can take them across on the light rays.

There is a raining down of colors coming down to the lower right quadrant from the upper right quadrant, the outback quadrant. There are droplets of colors and sounds raining to the lower right quadrant. Gather what is being rained down for such a time as this. The treasures of darkness were being held there (outback quadrant). Gather them up. We are to travel from the lower right quadrant to the upper left quadrant...it is a grid. Yes, this is the grid, the miner grid. It appears the right side (upper) is bad. We live in the lower right. But, we can go to the upper left (the heavenly place). We have journeyed from the lower left quadrant to the lower right quadrant where we presently are. “

We are in a deep place. Like a big heartbeat. Pumping of Blood. Arteries connecting those who are His. Our structures are being changed by His blood. There is a shake down, a melt down. You must be changed. The change is in the structures. You will be contaminated if your structure is not changed. My heartbeat is in the sound. There is a counterfeit trumpet sound that is coming. The enemy's plans are to use the counterfeit trumpet sound to have us bow down and worship him. You must be changed by the Blood. Your structures must be changed by the blood. When you are changed by the blood and you hear the ungodly trumpet sound, you will not bow down to the enemy. There is a battle for the souls of men. There has been, will be. Listen for my Godly trumpet sound. It is coming soon. Do not be deceived. Stand tall, do not be swayed. My people will take the air waves to overcome the ungodly sound. It is in the heartbeat. You will overcome by the sound. You will overcome by the love. Know that you are loved. I cover you with My love and blood. Earth is pushing forth these varied elemental colors. Pushed forth by the Godly sound of the King. We then can receive them. They are various colors and gemstones. They will heal genetic disorders of

generational sins. Gather the elements for the healing so you will not be swayed. Multiples of colors, vibrations, spectrums. You must understand the multiplicity of colors in the heights and the depths. These are the Godly sounds and vibrations that will heal this generation.

August 2013

picks up the scroll.

The godly watchers are for you, they stand guard for you. They watch for you. They protect you but what can you do when you judge. What can they do when you think judgmentally? You let out a vibration, you let out a sound, you let out a color. Your Body, your body, your skin...it's not just from your head. Every cell of your body releases negative vibrations, negative colours...the sound is warped. Take seriously the words; 'judge not that ye be not judged'. Take seriously., 'it's your thoughts, it's your heart'. What is in your heart affects other people. You're aligned with other people whether they're believers or not. You're aligned with them. You have power, you have power, you have power which you know not of. Tap into that power, it's the power of your mind; it's the power of your thoughts...

November 2, 2012

By the Spirit, by the Spirit. The promise. Born of the freed woman is Isaac the promised. Sent to redeem flesh by the regeneration, by the washing endowed with the Spirit. You heard you are all sons, and so you are, you are all gods, and so you are. From the place of origin from where you start. You must agree to want this. You must agree to know. Your inheritance is given to you, all written on a scroll. Before one day came to past, it was yours. But it was traded so it was altered.

If you had followed me through this regeneration, you will all sit on thrones and judge the sons of Israel. What you have given up for my sake, you will restore what was lost and all that was lost will come in place. Catching up. it lies dormant. The treasures within, the Kingdom of God. The Kingdom of God is within, that is where it begins. You lost sight of the goal before time came to past. Your inheritance was rich when you perceived lack. By sound and light your frequency, your vibration. It is about the stones. It is about regeneration.

Listen closely. For in My voice are many waves and vibrations that will regenerate. It has been stolen. For the thunderous voice that comes from heaven will shatter what is unholy.

These are in counsel for your sake. For all your sakes. They want to give what's theirs to you. So it won't be too late. If your heart is wise, then you're pure in your eyes. Expect, discern and believe to seek His face. If your heart is wise, than you make my heart glad, for in my inmost place, what you speak, you can have. It's been given to you, to trade back the DNA. For the order of Malchezidek has made this day. The sound begets light, the creative force. For transference is waiting, transference for the course. Creation itself is groaning and Zion can't wait. For these standing here have been waiting for the revealing of the sons so it's not

too late. Your position was sure, the covenant was made. Renounce the other covenants for this is the day. It's being written, its being recording now. These were the crowns, take what is yours. The government at the gate, what's given in marriage, it's not too late.

October 2012

Going up is going in. for the kingdom of heaven to begin. That is why the King of Heaven is a realm you create. It is where the Elohim hears from heaven and restores the gate. The systems of authority were at the gate. That is where it was given away. That is where it remains. Two opinions that waver possess these gates. Which is true for belief and which is deception. What you resonant is with what is familiar. The think you know may be in the way of what you should know, in the heart of the believer. Why do you waver between two opinions? For imagination creates a reality. The very thing that put you there will put you out. Imagination creates reality. It is a good place to start. Sound begun light and light begun color. Frequencies and vibration restores the body. The body within and the body without. For the Kingdom of God is within and the Kingdom of Heaven without. Going down to go up. It is the righteous depth. It is in the heart. Paul feels we are in a bad place. It is a gate with evil devices to keep us from getting to this place. Ken through the direction of the Lord removed the device. We then walked through a gate of healing. Sandra prayed and her shoulder was healed

June 2012

The watchers are aligned with authority that go in and out. For the communication between the saints and the earth to inform heaven. They are all about. Creation is subject to the creature, the true authority in the earth. Your authority stands in your identity and yourself worth. The sons of God are the ones who obtain the resurrection from the dead for all family in heaven and in earth derived their name, grow up into the head. (Jane feels color). Color is an entity where frequencies go in and out. Vibration is what it is all about. Many frequencies make up a color, they go in and out. They change as a chromatic prism. The sons of God are the ones who reveal the image. For the Kingdom of God dwells within. You are the divine image to release heaven, that is where it begins. The color is tied to the frequencies, the divine partaker of the divine image. For everything in life and government have been given to the sons. For healing has been given, now begun. there is a time coming and is now here for the sons of God to be revealed. Much has been said and more to come for the divine nature to be revealed. The creation is subject to futility to him who subjected it, in hope that the manifest present would be recreated. The true authority in earth has been given to the sons of men. To know who you are is the divine plan. So as a man thinks, by desire within how he perceives positions him. The greater authority is within. Learn more from the certain one, the frequencies of heaven, the frequencies of the son.

June 16, 2012

I feel like I am vibrating in a different frequency. New vibration.

There is a seat, there is a sound, a vibration to change and shift the mindsets, the thought, the pathways of your thoughts. Come out of Babylon. Come out of the contaminated religiosity that is the mixture of man. The seed of man has contaminated has released a distorted that has contributed to the gender confusion. The gender confusion is releasing a debasement of man which produces the outer and gross darkness in the heart of generation. I am equipping and empowered those to bolder go into the sub cultures. You will be protected that which has already been defeated. I will train a remnant that will reach down with a rescuing pole to bring out giant treasures. There are champions locked away. There is a sound. There is a vibration to bring you into you. The frequency of heaven to replace the domains of darkness. Come into My living garment. Come and be clothed with fine garments. A flesh garment. It is a battle arraignment. It is not like a battle of yesterday year. This is from a higher realm, a higher understanding. Greater light, greater might.

This is the day for a sound of My power, a sound of my foundation power shall rest upon a holy people. A holy singing sound shall go before My and open up gates and open regions. Awake my singers awake and bring about a demise of the counterfeit of the tabernacle David.

We blessed the ex caliber sword of the Lord to attune us to His heart. The sword of the Lord, the sword of the Living Word. Arise and shine with the vibration and sound of a higher caliber of sound. From the n, s, e, w may there be a sword of the deliver, a great company of deliver with their sword in their mouth. Let the champions arise with love in their eyes. A holy nation. A shinning nation. Hear the sound of abundance rising. Hear the sound of abundance rising. We welcome the harp of David (Paul had felt the harp in his left hand). He is purging, emerging, that there will be a converging. Realigning and reassigning. A holy, holy, holy of throne Room Company arising. I bless the minstrels in the room. Modern day psalmist. Let the minstrels arise. New messages. Profound deep secrets and mysteries. Unlocking. Rhythms of His grace of His face. Authority, the sound of authority. The Spirit of Mighty wedding with authority. A maturing of the Spirit of Might. Do not be dismayed by doors of resistance. I have giving you the key but they can't see what you can see. You have a key to break through resistance. As heaven and earth are merging and converging.

Assemble the sound. Assemble the watchers. It is a company of Asaph. The sound that brings sight. In unity the vision comes. Agreement it is preformed. Scribe to make it know.

She sees the 24 bowls each making a sound. The praise of declaration released in the heavenly realm creates an atmosphere established an earthly concern. It is a resonating sound that never stops, it goes on and on. To the glory of His praise, to the manifestation of His name. know the protocol, know the order. The final decrees will be recorded. As it was, when you agreed and the books were opened. A thing that has now come to place. It is a platform of justice, just about time. To know the order, the government of peace, I tell you this, Satan is under your feet. A different warfare, not won out of order. All in sync,

vibration, oscillation and one accord. It is a divine edit, a ruling of the most high. But agreed in the council of the assemble. You are learning your position and who you are in the righteousness of Christ. One decree release of the Master's hand by both heaven and earth, it will affect the land. You have been waylaid in the past by the enemy's schemes to fight a battle, a deception a scheme. It is designed to wear down the saints by a familiar sound, that is where the ungodly watchers had the key that kept the saints in a cycle of defeat. It was designed to wear them down, to give up to discouraged. Gather at the gates, your ruling will be heard. Be positioned from a place of triumph, to go to triumph. It is a way of thinking. It is upon His reliance.

November 2011

Everything is now going to be made smooth. Everything is going to be made straight. Time and an alignment is going to come. Before there was discord. Now there is harmony. Harmony is released. Now we are in tune. The Lord is releasing a vibration and a sound that will bring everything that was in discord into harmony and then you will all vibrate as one. All misunderstanding will be broken up. All of the chaos will be broken off. All of the work of the dragon will be broken off. Leviathan and Rahab cut to pieces

September 2011

From my heart land to your heart land, it shall be grand, it shall be grand as you take the land, take my hand, we'll be grand. Stroll through the sand, stroll through the sand, with the scroll in hand, with the scroll in hand for it will be grand. I'll reveal the land cause you've taken my hand, in the heart land, it'll be grand, it'll be grand in the heart land. The mountains will quake and the cities will wake a living bread of my presence. Cities shall bake the bread of my presence and the broken shall come, the widows shall come, the orphans shall come and transformation shall come as the sons and daughters arise with healing in their eyes, with a torch in hand, to rescue a land, it will be grand. It will be grand. Catch a wave, catch a wave, catch a wave, catch a wave out of the well shall a wave come, out of the well shall a wave come, out of the well shall a wave come for all things are possible. A wave shall come, a wave shall come so catch a wave. It'll be fun. He's the one, He's the one. A new vibration, a new vibration for the next generation. A dance shall come upon a generation to come and they shall catch a vibe that has never been around. Get ready England, Get ready America, Get ready Canada. Catch a wave for a vibration for the nation. A holy nation under God. A city on a hill, it's not in brick and mortar but it's you, my living stones. Catch a wave for a new generation, a new generation, a new generation for holy transformation. A dance of young and old. In the King's courts you go, out of the outer court you go. The exodus has come, the exodus has come, the exodus has come for the Holy of holies has beckoned you to boldly come to the King's place, to the King's face. Receive the grace from the King's face for a new race. Shake off yesterday, shake off the bitter way, shake off the old vibration for I will shake a nation and I will shake Washington, and I will shake Ottawa, and I will shake London.

For a three-fold chord for a governmental touchdown. A new generation for greater transformation into a people and not the steeple.

I see a baton, I see a baton being passed in time. The former and the latter rain. Only believe and you will see the greater glory. Only believe and the baton will come. Only believe and you can become the bow for the arrow of the knowledge of the glory touching down wherever it is flung.

[Son] I am digging deeper. I am soaring higher. I will be found in places I have never been found before. I see a huge chorus singing "He has the whole world in His hands." I hold you multi dimensionally. I have the whole world in the palm of My hand. I have just you in the palm of My hand. The height I ascend to and the depth I descend to. I see a field of distortion. I poured Myself out to the earth and the people so that My body could be infused into all creation. Do not think this to be a simple thing for all matter can form into all things. My body has been broken so that it can restore all of creation. Even now I am taking My own self and weaving together a strong insulation to protect the vibration from distortion.

The age of seeing in part is over. As I was the first fruits to be raised from the dead, the first fruits of the resurrections so I also will be the first fruits of the broken body. Not put back together again but made entirely new. You are My body. My body will be restored first and the new age of seeing face to face will begin. Then and only then will the fullness of revelation come to all My children.

[Father] Through I have adopted you, you have been living with foster parents. And though the wars in the court room have been fierce, I have victoriously taken custody of all of you. I am coming to claim what is rightfully Mine. No more weekend visits. It is time to dwell in My house forever. It is time to stop thinking less of Me. It is time to stop denying. When the creation of your mere thoughts, what My Son did for you. The Only Son who has forever dwelled in My Kingdom.

He's Got the Whole World in His Hands.

[Jesus] I came as a ram caught in the thicket to save the promised son. What was he on when I came? An altar of sacrifice. And when the ram was caught, Isaac was removed from the altar and replaced with a sacrifice without blemish. Isaac would never have fulfilled the Holy Sacrifice for he had sin in his parts.

Deception. Deception. Deception. That has turned my Kingdom into servanthood. Into slavery. For I called you that you would be free. Not slaves in the house of the Lord. For when the Priests were in the temple there was rejoicing. Where is the rejoicing of my people? Where

are the songs of freedom? For some have made freedom a dirty word and labeled it arrogance and pride. It is not wrong that you boast in your freedom. That you take pride in what I have done. It is those who are proud in themselves who come against those who are proud in me. For every father loves it when their child is proud of them and so it is with me. Knowing who you are is not a sin. Knowing what you hold and what you carry is not a sin. It is not pride. it is not arrogance. It is seeing yourself with my eyes. Not through tainted mirrors. Not through the perceptions of others. Not through the perception of those above you. For I am broadcasting a new message: Across the nations of the Earth to every people group. To every heart. I'm taking control of the airwaves. and I am breaking the foundation of the establishment. Of those who have established themselves as my bride in legalism and pride. For either you will fall upon the rock or it will fall upon you. Align yourself with the purposes of Heaven, with the structures of Heaven, the authorities of Heaven. Have no other gods but me. Stop exalting yourselves as gods amongst men. For do you think it is down to yourselves to teach, to preach, to outreach. But it is my right arm that is stretched out. It is my right arm that is mighty to save and my Spirit will teach all those who are willing to listen. All those who have ears to hear. All those who are not tarred by self pride and self importance. The four squares have been perverted by religiosity and the net of Nimrod has fallen upon them and they have been trapped, caught by the ungodly fisher of men. False purity. False goodness. False control. For control is not always an outside thing. It's an **"inside job"** For many have entered my ministry when it was really their ministry. For they were not anointed but they were self appointed and I will disestablish them. For the thrones in the heavens are for the righteous. Why do you think many who thought they were great fell? For without even knowing, they sold themselves to the ways of evil and began to teach the doctrine of demons. Now behold, as I sweep them aside and make way for my true bride. For the procession of kings, for the procession of Priests, for the procession of sons for I have set you ablaze and those you meet will be set ablaze unless they douse the fire with doubt and religiosity and I rebuke you, Spirit of religion, slither away. I command you to leave. *Paul says "Off the city in the name of Jesus. We're sending Melchizedek. Get off the city*" For I will shatter all false perceptions, all mirrors. For as you saw in a mirror dimly, you will start to see clearly as I remove false perception which is all deception and once again I make blessed the feet of those who bring good news. I'm seeing an apple that's got all these lines all over it like segmenting it. I feel God saying "Why would you only have a piece of the pie? Would you not have the whole thing if it did not taste sweet. Too long there's been fragmentation, too long there's been segmentation and that's lead to my frustration and I am slow to anger and rich in love but I will make right that which is wrong for I am a God of justice. I'm releasing revelation in the last days. That which was not known will be known. The scroll that Daniel was asked to seal up will be unsealed. That which was hinted at in scripture will become obvious for the secrets, the mysteries, the marvels, the wonders, the mysteries of God, will be known. Not to a single people but to a whole body. For it is the heart of a Father that all will enter in that none would perish but in their rebellion they will miss out. In their hunger to be right. They will be proved wrong but the invitation will always be open to come up higher. To enter in. For what has previously been hard will become easy. And what was previously easy shall become hard.

Though unbelief stirs, faith rises higher. And the faithful will ascend to heights never seen. The veil between Heaven and Earth will be torn and lifted for it is not my veil but the veil of men which came through unbelief. For now, as you discern the presence of angels and you see them in the realm of the Spirit, the day will come and is approaching speedily where you will meet my angels face to face. Flesh to flesh. I'll increase your ability how to engage in relationship with both me and all my creation, seen and unseen, known and unknown. For where you tried to grow before, there was a false ceiling of limitation. The limitations of man for I have taught you and I am teaching you to rise above the ways of the enemy and I've been training you to destroy the works of darkness but now I release to you the knowledge, the wisdom of how to remove and destroy the works of man, the spiritual works of man for many have taken my Spirit and spoken into being things not of my design, things not of my plan, things not of my destiny for you. Not that I would lay blame at those in authority for my love covers a multitude of sins but it has so grieved my heart that you have placed yourselves within bondage. That you have limited yourselves. Because as you looked at yourselves for comparison you are not wise because you failed to look to me. Compare yourselves with me and be Holy for I am holy. Be righteous for I am righteous. And I'm releasing a soundwave, I'm releasing a vibration that will shatter, that will shake everything that can be shaken. That will set free the captives. Don't place your feet on the sandy land. Place your feet upon the rock for many of you have built false rocks, false hopes. You thought your home was your castle but now how you've seen how your houses can be lost in the twinkling of an eye. Make your foundation Christ, the rock that cannot be shaken. The rock that cannot be moved. Establish yourselves upon Him. For He is a King, a Priest, a Son, a Prophet. And so should my bride be among the peoples of the Earth but instead she prostituted herself. She sold herself out. She went to the highest bidder. For she aligned herself with the whore of Babylon but I am forgiving. Lewis says that the bride has done the same as Israel when Israel committed adultery with the kingdoms and gods of the world. For though the head of the body did not desire it, the feet of the body were quick to run to evil and she did many things in my name which were not of me. She made herself a political force and placed herself above, making false agreements, ungodly agreements and preserving herself rather than taking care and feeding the orphan and the widows. Instead she fed herself and did not prefer others above herself. For she did not become a den of robbers. But she became a robber herself. She stole from the poor and gave to the rich but I am restoring her to beauty. I am restoring her to love. For I will come back for a spotless bride. Why do you think I've not come back yet? For I knew when I adorned her with power and might and with love that it would take a time and half a time until she would be ready and I have been patient. I have waited. But now there is a remnant that truly seek after me, who truly desire intimacy with me and this is what I've looked for since the foundations of the Earth. An intimate people who did not exalt themselves above. For that was the sin of Satan, attempting to exalt himself above. And he has led many into deception, making them think they were serving me and instead they became a tool in his hand, bringing destruction, bringing condemnation, bringing control. Leading my people into captivity. Into ungodly ways of thinking. Into intellectualism rather than revelation. For through my bride I longed to reveal the manifold wisdom. And I only ever cut in

order to heal and I am beginning to cut away the parts of the body which have begun to rot because you have become rotting flesh and the only fruit you bear has come out of death but I desire life and I speak health into the body. I speak healing into the body.

April 23, 2010

Reconciliation. Between the church and the unchurched. Church, church, church. Embrace My people, the disenfranchised, the poor. They emanate a new vibration, a new sound. It is a new sound, My sound. You do not recognize by voice, my sound, my vibration. Cleanse the land, cleanse the land of rejection, false accusations, finger pointing.

March 20, 2010

Marriage with healing and discernment. There is a mantle of healing going to be married to the mantle of discernment. As you go through the gate there will be displacing and replacement and embracing of a mantle of healing and miracles. There is a new breed of healer rising up with a sharpened discernment with a key discerned to execute the generational of healing mentally, physical. There will be a new vibration to bring into the mind of down syndrome, MS, fibromyalgia. The brain waves will come into a new alignment of healing and wholeness. There is a wave coming. There is a wave of healers rising up,

Healing rain. Authority to heal us of situations and condition. Imparts healing to give away.

Carriers of healing. You will carry atmosphere. Clouds of healing. Where healing rains will accompany signs and wonders. I bless the healing rains the healing clouds. This is a beginning of a new seasons of healing with discernment. The fire of the spirit of Elijah. I am asking the spirit of Elijah to bring the abundance of rain, the new season. This is a new season of the beginning of the small cloud. Those who are faithful will enter into a season of healing. There is an upgrade to Aslan's Place and the prayer ministers. A new place, a new strategy. New authority to break the power of confusion off of the minds, hearts, and body. Global authority for global impact.

Palmoni, my friend, is a course of time that My words flow through in seasons and rhyme. I scatter throughout earth with My words in a place and time unknown to mankind. Reason and rhyme and rhyme and reason take place at My throne where all My secrets are known. Worship puts you in alignment with my throne to receive the vibrations and to hear My word. As it is decreed through this place in time.

The decrees seem to go through the two pillars, Palmoni and go out through the tabernacle. Through your worship; that declares the clarity of the decree.

Time, time. As you receive clarity through My words your positioned rightly in time. My word is full of covenant promises to place you into eternal time where things to do perish and people do not cry. There is a vibration that purifies your time. Set you in My kingdom where reason and rhyme align. Worship causes you to behold Me as King. And when you behold Me as King, and thus you are in My Kingdom in the right time. Worship Me My beloved and I will place you in the right time in season and rhyme, with My wisdom, My knowledge, My understanding out of the ungodly kingdom and into My Holy Place on My Holy hill. Free from the depths exalted with Me, at My right hand for My purposes, for My pleasure. You will receive the right time.

June 17, 2009

For I am a jealous God. You will stop building ungodly structures on the forms of the enemy. Tear them down. Brick by brick. Stone by stone.

Keys, keys, keys, I am giving you keys to tear down the ungodly structures –to stop the stealing from My bride, stop stealing from My bride. Stop stealing her gifts. Stop stealing her anointing, to build an ungodly structure. I see diamonds, cubes. These are My bright stars, My diamonds, My cubes. My Morning Stars sing in the morning. They give out vibration of light, vibration of life and they give off counsel. Listen to the vibrations. They give godly counsel and wisdom of my stars. You will stop the destruction of My godly kingdom. You will stop the destruction of My godly kingdom! You will build My godly kingdom, brick by brick, stone by stone, layer by layer. Living stones will come together. The lights will come together in the cubes. Crystals come together in cubes. Have I not created the crystals, and the diamonds? They reflect My light. The dullness has come in. Remove the dullness- that which dulls the bright. Close the ungodly portals. There is a second kingdom that is not Mine being built. In ancient days until now, in every culture, there have been ungodly structures: the tower of Babel, the Mayans -ungodly structures. Pinnacles- they were put in high places. Tear down the high places. They tried to be high places, but, they are low. I sit in the heavens and laugh at them. They will be torn down in one breath; they will be torn in one moment. Years and years of building ungodly structures will be torn down in one minute. The tower of Babel will be torn down in a minute with a sound with a vibration. There is a godly climb to Mt. Zion. Step, step, step Up, up, up to Mt. Zion, - the godly structure. I lure you; I call you into Mt. Zion. For I am building My kingdom. You are building My kingdom; You are the New Jerusalem that is being built. This is the moment in time where the dullness of My living stones will be removed. Bright Colors- colors never seen before are being released. Sounds never heard before are being released. Notes, notes, notes, musical notes that you have never heard before are being released. This is a new day, a new season, a new time. It's a time of release. I see a picture of diamonds being put in jewelry cleaner. They will no longer be tarnished, or dull. Weariness has dulled My bride. She has been tired and weary. I will pull out the doubts of the bride as I pull her out of the depths. You will rise, rise, reign, and shine, bright like the stars are intending to shine. You will shake off the dullness.

May 17, 2009

He is the correct coordinates. To the quadrants to His heart. It is all about His heart. I bring off the ungodly connections. I synchronize you into My time, colors, spectrum, vibrations, rhythms, sounds. You will beat with my beat, march, dance. You will move with My movement. You will sing with My heart, the praises of My joy. Fluidity. You will flow with me, no longer striving and stress. Body healings, body joints will flow the way they were to flow. Harmony, New levels. Waves and waves coming. It is His voice, sound, vibrations. Waves from His heart. These are his promises. This is the day other's have prayed for. We reap these prayers. Perversion has been stamped out. You have redeemed. It is in the light, the rays of the light. The energy is in the light. Force fields are connected with the light. Mine the light. Phosphorus. Dig deeper. Lighting rod in each person.

The sevenfold spirit is in the light. There is a color in each of the spirits, together it is the white light. There are healing properties in the light and in the colors. Feel healing. The key healing is in the light and in the colors. They are all connected to the vibration

I feel and I see the realm of I AM and I feel & see the Sword the Flame.

Fire Fire Fire it is an alarm but not of haste not one to be afraid of but one of truth that sets the captives free. You are free in ME and whom is free in ME is free indeed. It is not for later its FOR NOW, RIGHT NOW. Its not just for tomorrow but for TODAY.. don't go by how you feel go by what you KNOW. I AM WHO I SAY I AM, I WILL and I AM doing all I AM has said I would do. Kairos time under the HOLY Mazzaroth is a key to you, desire MY TIME not your time. I weep and intercede for you for all that concerns you. You are not alone and I AM is here for you for such a time as this.

Colossians 2:2-3

Territorial angel

Your inheritance is rich. There are treasures to unfold. The mysteries of the Kingdom are written in gold. If you lack, just ask, for wisdom has a sound. The frequencies of heaven, a surround sound. Your purposes have been weighed in the balance, not a carnal thinking but

in the heart, that is the challenge. Vibrations in the cells, the frequencies aligned. In your heart they hold a truth that may need to be redefined.

It is where the double doors are opened from everlasting to everlasting where in your being lies the memory when you yet had no substance. All your days are written on a scroll for life is abundant. If you are resonating with the earth or with the sounds of man, then you need to be retuned, realigned and that is the plan.

May 29, 2011

It is a visitation of the Lord.

Seeing this huge hand coming out. He hands it to Paul. You take what I have given you. Ian said it is a golden ark.

It is to unlock the gates over California. Eliakim has come to assist. In servitude to access the gates, the great exchange. For what was shut will be opened and what was opened will be shut. You will go in and you will go out and change the region. Restore the DNA so the Sons of God may be revealed. Your senses will be accelerated. That creation itself will come into agreement with the true ones, the true sons. Not just a shift, but a change. A change of mind. Change of heart. Heaven on earth is bound to such as these, in agreement. You will go down and you will go up. Spread wide on the expanse and trade back for the glory of the sons of man. It is alignment of engagement. Trained up and the righteous made perfect, the knowledge of heaven, the knowledge of the realm of glory, the mysteries of the Kingdom unfolding. It is now being poured out. A generational not yet born will step into what you are opening. Without the waylays, without the destruction, without the warfare. The creative witness. There is a gathering right now of many who have come along side. A glorious assignments. Scrolls being written, changed, realigned.

The DNA is connected to the word on the scroll. The frequencies, the colors, vibrations and the sounds. Restoring the souls even before the womb. You are in communication of the eternal seed. You have the authority to declare of what yet has not been born to come into the earth realm the fullness of their inheritance. You will open, open, open the gates. There are pivotal. At the right time in the fullness of time you will step onto the land when the word comes from above. The sound from earth and the sound from heaven will connect the arc of power.

I will set the four fold foundation, the anchor of the throne for righteousness and justice will be made know. The wheel within the wheel will again sit on the earth. You will go where the spirit goes and you will go in re birth. My eyes go to and fro for those who are coming through, for those who stood firm. For those who held true. the hearts that where changed, the minds that agreed. The four fold manifestation of the four faces of God.

Feel the seven spirits of God. This is Wisdom. Wisdom from above and wisdom from below. The glory from the center is about to explode. Where you were wrought together, where the

substance was made restoring the DNA to its glory even in this day. Every dot and tiddle is connected to light, sound, the color and vibrations. Released from above and below and it will be renown. Hope in the almighty. Hope also in His work. Remembering what you came through. For this is a rebirth.

October 15, 2009

He is taking us deeper. We are going on a submarine dive. He is putting the suit on us to go down under into the depths. It is a protective suit. We are in the cage again and we are going down and yes there are sharks there but we are protected. New skins. Seal skins, sealed with the blood of Jesus. New discoveries. New truths are coming up from the depths. It is in the elements, in the stones. There are hidden elements that are coming up from the depths. The elements are the keys to healing. Healing for autism, chromosomes problems, coming from the belly of the earth. You have struck oil. See a drilling rig and we are getting the healing liquid. Liquid of light that brings healing of those who are insane. In the wings of the depth and the heights. You will learn to breathe underwater. I am changing your DNA, a new structure not based on man. Completion. It is in the manna. He is offering us manna to eat for healing. It is the bread of life, of salvation. It is the bread of consecration and commissioning. I am bringing you down today. It is an historic event. The hidden treasures of darkness are being release. It is time to birth the treasures of darkness. Keys of prosperity, hope, healing, deliverance. There is a transition from the old to the new, a transference. Will you allow me to change your structure. It is in the blood. Life in the blood. New blood. Changing our blood. This is the fountain of youth. It is in the blood. The fountain of eternity. The fountain of life ever after is in the blood. Connections through the blood. These are the Godly connections and lines.

We are in a deep place. Like a big heartbeat. Pumping of Blood. Arteries connecting those who are His. Our structures are being changed by His blood. There is a shake down, a melt down. You must be changed. The change is in the structures. You will be contaminated if your structure is to be change. My heartbeat is in the sound. There is counterfeit trumpet sound that is coming. The enemy plan's is in the counterfeit trumpet sound to bow down and worship him. You must be changed by the Blood. Your structures must be changed by the blood. When you are changed by the blood, and you hear the ungodly trumpet sound then you will not bow down to the enemy. There is a battle for the souls of men. There has been, will be. Listen for my Godly trumpet sound. It is coming soon. Do not be deceived. Stand tall, do not be swayed. My people will take the air waves to over come the ungodly sound. It is in the heartbeat. You will overcome by the sound. You will overcome by the love. Know that you are loved. I cover you with My love and blood. Earth is pushing forth these varies elemental colors. Pushed forth by the Godly sound of the King. We then can receive them. They are various colors and gemstones. They will heal genetic disorders of generational sins. Gather the elements for the healing so you will not be swayed. Multiples of colors, vibrations, spectrums. You must understand the multiplicity of colors in the heights and the depths. These are the Godly sounds and vibrations that will heal this generation.

The youth are marching

The youth are marching
Their dance is not pure
Their dance is not pure

Lift up My scepter of righteousness
High for them to see

Miracles are coming
Don't be surprised
We've talked of them secretly
As you've been by My side

They will take many forms
And colors too
Surprised you will be
As you see what I do

Vibrations will change
And DNA too
Brain waves will dance
In ways, oh,sooo new

Lives will be changed
And weather patterns too
All will be dancing
To patterns a new

Patterns will change
And atoms too
Coming into place
As I want them to

So don't be surprised
But look for Me
Look for Me
Where you've not seen me before
In sounds & new patterns
As I bring new glory galore

May 17, 2009

Have I not said, have I not told you that I would establish My kingdom. It is My structure, not man's. Man's structure is built on sand, it will decompose. My structure is built on a rock, it

will weather the test of time. It will not be torn down. I am raining revelation. Rain, rain, rain. It is a play of words on rain. Untangle the reins. For you are to be connected to me. Heart to heart, soul to soul, spirit to spirit. I blow my spirit onto your life. I breathe life into the elements. It is My DNA. It is My light. I breathe my life into you, my DNA into you. The enemy has corrupted the DNA, the elements. One breathe I will blow the corruption away. We must go back to the beginning, the beginning of time. To the birthplace. To the origination. Eternity. See 0. Go back to the zero to the origin. To me there is no beginning, no end. There is eternity. There is creation, creativity. There was oneness with Me. That is the Glory. Oneness with Me. I call you back to oneness, to the glory. I call you back today to be established with me. You will reign in Me and I will take the reins off of you. Decontaminate the elements. Structures, structures. Build upon the living stones, the structures. The living stones. The cubes of righteousness. I will bring back the cubes of righteousness. For you are the cubes. I will put My light into the cubes. You will shine like the light I have put into you. Once again, I put my light, my spectrum in you and I will raise you be established in Me. New structures, new timing, new coordinates. I will change your coordinates. You will be aligned in time and in space in Me. This is how you will do the things I have done. Your structured will be changed from glory to glory. Back to oneness with Me in glory. Colors, sounds, vibrations, movements. It is full circle. You are coming full circle. I am bringing you back to the origin. You went far away. I call your spirit man back. So I can breathe on you. Heart to heart, soul to soul. Oneness. It is a circle. We were sent out, out of the quadrant. I call you back now, because you are in a different quadrant you were not supposed to be in, a dimension. It is time to come home. Are you ready for Me to pull you back? I release My escort to bring you back from the outer dimensions of space and time, I bring you back. It is a quadrant that was unreachable, outback quadrant. We should not have been there. We were diverted but He is bringing us back (mankind).

The five points are reins that will pull us back. We are being sucked in a vacuum. We are being pulled back into His heart. These are godly reins that are bringing us back. Then we will reign with him.

November 6, 2008

Are you ready? Are you ready? It is time. It is time. It is time to fly, soar, to go up higher. He is taking us higher. Urgency. There is an urgency. No more delay. There needs to be transparency. Let go of the old. Prepare to receive the new. New stages. New growth. For He delights in you. You will be changed, forever, in a moment of time you will be changed. Are you ready. It is take off time, He is launching us into a new season, into a new time. Get ready. There is a journey ahead like you have never been on. Faster, faster, faster than you have thought. He is coming quickly. You must be prepared. You will be changed in a twinkling of an eye. You matter will be change. Your blood will be changed. Your vibrations will be changed. Your frequencies will be changed in a moment in a twinkling of an eye. You cannot go back. You will not want to go back. New sensations. New glory. New smells. Are

you ready for the journey. He is calling you; He is wooing you, saying, "Come to Me." Now. It is a Now time. Breakthrough is coming. Breakthrough is here!

(I see a birth of a baby – pushing – the water is breaking, gushing forth. I feel the amniotic fluid, a covering preparing for the breakthrough and the launch – like a space suit.)

Bells ringing. It is time. Revival is very, very close. This is what you re waiting for. What you have prayed for. There will be no more delays. There is a release in this moment, in this hour. Warriors, revelation is very sent. Changes, shifts. Get ready. Go forward. What will you do? Will you go forward or will you go back to yesterday. It is a new time and a new season. Jump ahead. Shaking, shaking. From the norm. Can see judgment. Fire of purity and revival. Face the fire. See coals touching the mouths, cleansing, healing. That He can fill you. Fresh wine. In a clean vessel. Drink the fresh wine. You are the clean vessel. My spirit is being poured out on all flesh. Receive. Know, recognize the time and the seasons. It is a now time, a now season. Breakthrough, breakthrough. Get off the old cycles. Get off the old wheels, the old cycles. It is about alignment. Adjusting to His frequencies, vibrations, cycles. He is releasing His breath, His sound. You have been stuck in time. It is time to go forward in time into your destiny. Acceleration. Forward, forward. He drawing each person to Him. Vibrate with Him. You will carry His heart. To the marketplace, to the poor, the downtrodden. It is about Him and His glory. Give Him the Glory. Honor Him alone. Cleansing, healing pool. To wash our feet. Carry the torch of revival of fire to all the land. See Paul Revere going through the street. The British are coming. Throughout the whole world from this place. Many veins of revival. There is a Hollywood connection and a movie connection. It is His creative works that are coming through the Son to Him. Honor Him! It is not you, but Him. He is passing out the scrolls of new books, creative ideas, dances. He is demonstrating His power through you. Do not limit what He can do through you. Healing flows...healing of the heart, mind and body. This will cause them to believe that do not believe. There is transfer of deposits from heaven. Even a transfer of wealth in His people to do His work that His Kingdom will be build. Let it be!!

There's a balancing of the scales and of the weights and measures.

Whose are you? Whom do you belong to? - the god of this age or Yahweh? Father Time is waiting. Clocks, measures, scales, weights are being released for this is the moment all eternity has been witing for.

The scales of time.

The musical scales.

**New vibrations and sounds are being released. Let go of the old.
Embrace the new.**

The scales of justice. A balancing of the scales of justice. On the scales are righteous deeds with the prayers of the saints and evil deeds. It is time for the recompense of the wicked. Let go of your offences and declare righteousness.

There will be no more delay for the recompense of the wicked.

Scales, weights, measures.

The time of accounting is here. Wickedness has reached it's fullness. The time of judgement is here. Tread the grapes.

Wickedness is ripe for judgement. Swing the sickle. Be aware of the times and the seasons. You've stepped into a new season. The season of grace is coming to an end. The sickle is being raised.

Go, gather the harvest of the wicked. It's time to tread the grapes of wrath. First my harvest will come - the revealing of the sons of God. Mark them. Seal them with My Spirit. My judgement shall pass over those who belong to me and have given themselves to me. Scales of Justice. Wickedness is ripe for judgement. The four winds have held back my judgement. There shall no longer be delay! The time of grace is ending. Run children, run to My arms. I will gather those

that belong to Me. Harvest the judgement. Harvest the righteous.

Righteous judgement is coming. "

We are unraveling a mystery that has for a long time been hidden. The word is essential for healing. The word is the way to unlock the sound, just like a gate so the revelation to be found. It is the working of the word and all its purposes and designs to restore everything to what it should be. It is the sound of the original design. Now I show you a mystery of the working of the Word for every dot and tiddle makes up the stones and the frequencies so the word is heard. Now know this. The reason the true power of the Word has not come to fruition because the paradigm was disturbing the frequencies. Now I show you an alignment and the power of the age to come for the expectations of the past have held back the true sons. And the foundations have been destroyed for my house is built on the word. This is why He is the builder and creator when the cornerstone was revealed. What you are working with is a substructure like a field. I am gathering the particles to form what is real. And not only is this the renewing of the mind but the stone of the heart is being healed that even the flesh comes alive. You are taping into the mystery of the restoration of all things. So, a man thinks in his heart and removes the deception, then the impossible can be seen. It is the eternal design that was written at first. You are the scroll and in which He wrote on it first. Now I am performing My word, my house will not come back void. One day in the house of the Lord is better than a thousand elsewhere because a thousand elsewhere can be restored.
