Gabriel

There is a new mantel for a new breed. A new breed anointed with the apostolic. It has been planted in the ground and the spirit of the Lord is hovering over it just as she hovered over the waters in the beginning. Something new is being birthed in the earth. You will see just rest in me. Yes the horizon lies ahead and on that horizon lies the golden glory of the Lord. It is a new day. It is a new beginning. It is time to dream big. It is time to advance the kingdom. Apostolic prophetic foundations. The blueprints for the next move of God, the installation if you will of an ancient wineskin are now being downloaded are now grafted into the twofold pastor teacher wineskins or offices of the Lord. Call the church to intercession. Call the intercessors specifically to their knees and birth with me the new move of God. You will see new levels of liberty. You will see my spirit set the captives free. It is the plan and will of the Lord. You will see fresh fire, fresh growth, a fresh move of the Lord. It is the desire that is in the fire. You are my burning ones. You will lead and impart and anoint my people to become burning ones for they shall burn with the golden glory of the Lord and they shall not be stopped. You shall see for there is a mantel of liberty, a new beginning you see, a fresh fire from above. A fresh indwelling of Spirit within. The throne room, the glory, the cherubim is the rest of the story. It is a throne room company of burning one you see who shall take the flag of liberty to the nations of this earth. Yes, it is being birth. Stand fast stand true. Call out to Me for you shall see new levels of influx you see of the hand of God upon and through you. Fresh revelation. New insight for the fight. It is the sound. Release the sound. Release it release it. It is the power of sound. It is the power that will ripple through the earth. You will see the glory in March. 3/1 and 3/2 are on the calendar of the Lord. You shall see the gate open and the heavens come down. You shall see the real deal and a spark shall be lit, a fire shall be lit and the wind will blow and a fire shall spread and people will be taken aback and you will see new levels of liberty.

The ship, the ship is about to dock. It is all about the clock. It is the end time time for the Lord to move. Get ready for the docking and get ready for the release for the alarm shall sound and the release of sound shall at first trickle forth and then burst forth as a Baal Perazim anointing of the Lord and yes the horses shall gallop through and the waves break over your shores and the doors fly open and you shall see horses break forth. There are too many signs to ignore. Let faith arise. Let faith arise but rest in Me and you shall see.
